5.04 **WORK PERFORMED ON PAID HOLIDAYS:** Overtime rate as defined in Article 5.04 will be paid for work performed on Paid Holidays as listed in Article 6, or day upon which paid holiday is observed.

5.05 OVERTIME:

Over two (2) hours overtime	One (1) twenty (20) minute rest period plus meal allowance.

4. BANKING OF OVERTIME HOURS

If time off is taken in lieu of overtime pay, it is to be equivalent to what pay would be, i.e., if double-time is applicable time off would be hours x 2; if it would have been time and a half then hours x 1.5. Employee would have option, as per past practice, of banking the time but it would be at overtime rates if they apply.

If banked time is at employee request, then straight-time would apply, but if at employer request, then overtime rates to apply.

b) OVERTIME – VOLUNTARY: The parties are agreed that all overtime will be voluntary. All overtime must be authorized by the Employer.

- c) **OVERTIME MEAL:** Employees requested to work more than two (2) hours overtime after completion of their regular shift will be given twenty -five dollars (\$25.00) meal money.
- d) **OVERTIME DISTRIBUTION:** Scheduled overtime will be distributed equitably amongst the employees in the particular job classification who have signified voluntarily that they will work overtime. The Employer will prepare a list which will be posted of such employees commencing with the most senior employees and the overtime worked will be rotated amongst the employees on that list commencing with the most senior employees. Scheduled overtime is defined as overtime work which has been authorized the day before the overtime is to be worked.

Employees should not be called in to perform work outside their job classification except where there are no employees in that job classification to do that work. Any non-scheduled overtime work will not be excessive. The employee who started the task would be requested to work the overtime. If the overtime is rejected by this employee, it would be offered as per the rotation schedule outlined above.

- e) **CALL IN FOR OVERTIME WHILE ON VACATION:** When an employee is called and asked to work while on vacation and agrees, the following will apply:

The employee will be entitled to overtime rates at one and one half times (1 1/2x) their regular rate of pay for the first eight hours and double time (2x) for all hours worked thereafter on the same day. Furthermore, the employee will be entitled to take another day off without pay if he or she had already received holiday pay for the day they were called in to work. This section will also apply to part-time employee(s) when they have booked vacations.

5.06 **HOURS BEFORE AND BEYOND REGULAR SHIFTS:** Hours worked before regular starting time shall be considered as overtime and paid at double rate for time worked, except when other arrangements are made by mutual agreement between the Employer and the Union.

5.07 **LUNCH PERIOD:** The mid-shift lunch period will be mutually arranged between the Employer and the Union. If the employees are required to work during the mid-shift lunch period they will be given an alternate lunch period but not more than four and one half (4½) hours from the shift start time or as mutually agreed upon.

5.08 **GUARANTEED DAY:** Subject to the exceptions set forth in this Section and in Section 5.09, any employee reporting for work at the start of the employee's shift, will be guaranteed seven (7) or eight (8) hours work at the employee's regular job, or pay equal thereto.

The provisions of this section will not apply if the employee voluntarily quits and does not allow for completion of the workday.

5.09 **ACCUMULATED PAID TIME OFF (A.T.O.):** Regular full-time employees shall accumulate paid time off at the rate of three and one half (3½) to four (4) hours for each basic workweek completed. Basic workweeks shall be those described in this Subsection and shall also include time off due to jury duty and witness duty, and bereavement leave, as set out in Article 10; and sick leave as set out in Article 13.

Days off with pay as a result of accumulated paid time off shall, in the week in which they are taken, be considered as hours of that basic workweek.

Full-time employees shall accumulate the one half day per week A.T.O. on all weeks of vacation if eligible.

When an employee has accumulated seven (7) or eight (8) hours A.T.O., he or she shall receive one day off with pay, scheduled by the Employer within the next two (2) weeks, such day to be combined with an employee's regular day off, unless otherwise mutually agreed by the employee and the Employer.

If an employee's scheduled A.T.O. day is rescheduled, it will be rescheduled to a day within four (4) weeks of the originally scheduled A.T.O. day. Such rescheduling will be in conjunction with a regular day off or with another A.T.O. day unless otherwise mutually agreed by the employee and the Employer. Both the Employer and the employee will not withhold their mutual agreement unreasonably.

When an employee is required by the Employer to work on a regularly scheduled A.T.O. day, the employee shall take the equivalent time off at the employee's convenience or taking pay in lieu of time off, such pay to be in addition to any wages employee would have received had he/she not worked the A.T.O. day. The employee will be paid at straight time.

Employees cannot be required to take A.T.O. when they have no credits in the A.T.O. bank.

Employees cannot be required to take payment in lieu of A.T.O. unless mutually agreed by the employee and the Employer.

ARTICLE 6 – PAID HOLIDAYS

6.01 All employees covered by this Agreement will receive a day's pay at their regular straight time rate for each of the following paid holidays (regardless of the day on which the holiday falls) in addition to any wages which they may be in receipt of for work performed on such holiday:

6.02 When paid holidays fall on Saturday or Sunday they will be observed on Monday, and when they fall on consecutive Saturday and Sunday or consecutive Sunday and Monday, they will be observed on the following Monday and Tuesday.

6.03 Should any of the above holidays occur during an employee's vacation period, the employee will be given an extra day's vacation with pay for each holiday to be taken at the beginning of or the end of the holiday period.

- 6.04 In order to qualify for a day's pay for the above paid holidays, the employee must have completed four (4) weeks' employment with the Employer.
- 6.05 If an employee is eligible for pay for a statutory holiday while on Weekly Indemnity benefits, Workers' Compensation or sick leave, it is understood and agreed that the maximum amount of pay that he or she will receive from such sources for any particular day shall not be more than one hundred percent (100%) of his or her normal daily pay.

ARTICLE 7 – VACATIONS WITH PAY

7.01 EMPLOYEES WILL RECEIVE VACATIONS AND BE PAID FOR THE VACATION IN ACCORDANCE WITH THE FOLLOWING SCHEDULE:

YEARS OF CONTINUOUS SERVICE	ANNUAL VACATION PERIOD	VACATION PAY
Less than one year	1 day for each major fraction of month worked (max. 10 working days)	4%
1 year but less than 3 years	2 weeks	4%
3 years or more	3 weeks	6%
8 years or more	4 weeks	8%

After eight (8) years of service, the employee will earn one (1) additional vacation day (equivalent to .4% each) per year for the duration of their service with the employer (i.e. - 9 years = 4 weeks plus one day, 10 years = 4 weeks plus 2 days, etc.) to a maximum of 7 weeks' vacation.

- 7.02 VACATION ALLOTMENT – SICKNESS – INJURY – LAYOFF: Authorized leave of absence for sickness or accident, paid vacations, paid statutory holidays up to thirty-nine (39) weeks, shall not affect the employee's right in respect to vacations with pay.
- 7.03 CUTOFF DATE: Employee's anniversary date.

7.04 VACATION SCHEDULING:

a) The process for vacation selection is that employees, in order of seniority, will book up to two weeks (10 days) of vacation time. When that process is complete and the employer has approved the first choice of vacation time, the vacation planner will again be distributed in order of seniority and employees will book the remainder of their vacation time.

b) Scheduling Single Day Vacation:

Any employee who is entitled to vacation time off may request single day vacation days off. Employees may request their days off be consecutive with the single day vacation day off. Single day vacation days shall not count toward the allotted vacation time off slots for vacation weeks, however, it is not permissible to 'hold' a week with a single day, so that the week can be selected on subsequent scheduling rounds. Single Day Vacation days are subject to the operational needs of the department and in the case of multiple requests, the requests will be denied in order of reverse seniority.

7.05 VACATIONS EXCEEDING TWO WEEKS: Vacations with pay in excess of two (2) weeks for which employees may be eligible shall be scheduled sufficiently in advance and taken at a mutually agreed upon time, subject to the efficient operation of the office.

7.06 VACATION PAY – WHEN PAYABLE: Vacation pay will be paid in the week preceding vacation. The amount of the vacation payment will relate directly to the portion of the vacation time entitlement which is being taken at that particular time.

7.07 VACATION PAY – ON TERMINATION: Employees who leave the employ of the Employer will be paid vacation pay at the time of severance on the following percentage basis on the earnings of the employee for which vacation pay has not been previously paid.

Less than one year	4%
1 year but less than 3 years	4%
3 years or more	6%
8 years or more	8%

13 years or more	10%
18 years or more	12%
23 years or more	14%

7.08 Employees hired out of an existing bargaining unit of the Employer will be credited with the number of years of service earned in that previous bargaining unit for purposes of determining the amount of vacation entitlement only.

7.09 If a bereavement occurs while an employee is on vacation, the time will be considered as bereavement leave not vacation time. Vacation time lost through such bereavement leave can be taken at a time mutually agreed upon by the Employer and the employee.

7.10 If an employee becomes ill or is involved in any accident while on vacation, then upon request of the employee, the Employer will remove the employee from vacation and place that employee on the appropriate sickness and accident benefits.

Any remaining vacation will then be taken at a time which is mutually agreed upon by the Employer and the employee.

ARTICLE 8 – SENIORITY

Upon completion of this probation period, an employee shall acquire seniority status, and shall have a seniority date backdated to his/her date of original hire.

8.02 a) The parties recognize that job opportunity and security shall increase in proportion to length of service. It is therefore agreed that in all cases of vacancy, promotion, demotion, transfer, shifts, vacations, layoff, termination and recall after termination, the senior employee shall be entitled to preference.

b) In recognition, however, of the responsibility of Management for the efficient operation of the employer, it is understood and agreed that in all cases referred to in Section 8.02 a), Management shall have the right to

8.04 RECALL PROCEDURE: Laid off employees with seniority will be given the first opportunity to be recalled. Employees will be notified of recall by telephone, or other type of message which will be confirmed by registered mail. An employee being recalled must return to work as soon as reasonably possible after the first notice of recall as described above, but no longer than ten (10) working days after receipt of the registered notice, unless otherwise mutually agreed upon by the Employer and employee. A copy of the notice will be given to the Shop Steward or Union Committeeman.

8.05 a) SENIORITY LISTS: The Employer will prepare seniority lists of all employees and present to the Union within thirty (30) days of the signing of the Agreement. This list will be posted for a period of sixty (60) days and will

establish the seniority and regular classification of an employee who does not protest his/her status in writing within the said sixty (60) days. The Employer also agrees to post a bargaining unit seniority list in all of their offices. Said lists will commence with the most senior employee, carry on downward to the most junior employee, and contain the following information:
