BETWEEN:

BOARD OF EDUCATION OF SCHOOL DISTRICT NO. 45 (WEST VANCOUVER), hereinafter called the "Board"

AND:

THE WEST VANCOUVER MUNICIPAL EMPLOYEES' ASSOCIATION,
hereinafter called the "Association"

SECTION A — THE COLLECTIVE BARGAINING RELATIONSHIP

Article 100 - Recognition

WHEREAS the Board approves and recognizes the Association as the sole bargaining agency on behalf of its employees, excepting those employees excluded under the *Labour Relations Code* of B.C.,

AND WHEREAS it is thought desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in an Agreement, the following shall so apply.

Article 102 - Term of the Agreement

This Agreement shall be for a term of three (3) years, with effect from the first day of July, 2019 and shall remain in full force and effect thereafter unless either party, at least two (2) months prior to the expiry date of the 30th of June 2022 gives to the other party written notice of desire to change, amend or terminate such Agreement.

If no agreement is reached at the expiration of this Agreement and negotiations are continued, this Agreement shall remain in force up to the time an agreement is reached or until negotiations are discontinued by either party.

It is understood and agreed between the Board and the Association that the operation of subsection (2) of Section 50 of the *Labour Relations Code* is hereby excluded from and shall not be applicable to this Agreement.

Article 104 - Definitions

104.1 Employee Categories

"Employee" shall mean a person who is an employee, as defined by the *Labour Relations Code* of B.C

(a) Permanent Full-time Employee

"Permanent Full-time Employee" shall mean employees who have successfully completed the probationary continuous service in any established ten (10) or twelve (12) month position, and temporary or casual employees who have completed either ten (10) or twelve (12) months of continuous service in a respective ten (10) or twelve (12) month position upon reappointment, with the exception of short-term, fee paying hours, as governed by Letter of Understanding No.5.

(b) Permanent Part-time Employee

"Permanent Part-time Employee" shall mean employees who have successfully completed the prescribed period of probation and who are working less than the scheduled number of hours for a ten (10) or twelve (12) month position, and temporary or casual employees who are working less than the scheduled number of hours and who have completed either ten (10) or twelve (12) months of continuous service in a respective ten (10) or twelve (12) month position upon reappointment, with the exception of short-term, fee paying hours, as governed by Letter of Understanding No. 5.

(c) Probationary Employee

"Probationary Employee" shall mean those employees who are employed in any established position:

- i. during the first nine (9) months of their employment for those employees in positions of less than 15 hours per week, and
- ii. during the first continuous sixteen (16) weeks of their employment for those employees in positions of 15 hours or greater per week.

Notwithstanding Article 104.1 (a) and (b), where an employee commences work prior to September 30th and works the balance of the school year, the employee will be deemed to have worked the full year for the purposes of conversion to permanent status.

Temporary Employees who successfully obtain a permanent job in the same job description without a break in service will have their time in that temporary position credited towards their probationary period.

All employees are to receive written notification of the completion of their probation period, with a copy of said notification to be sent to the Business Manager of the Association.

(d) **Casual Employee**

“Casual Employee” shall mean those employees who may be employed by the Board for work of a recurring but non-continuous nature, such as,

- i. substitute on a day-by-day basis;
- ii. substitute for an employee who is absent for an unspecified period of time; and/or
- iii. an employee brought in on a day-by-day basis during peak periods.

All of the above are not expected to exceed twenty consecutive working days.

Both the employee and the Association shall be advised in writing that the employment is casual.

(e) **Temporary Employee**

“Temporary Employee” shall mean those employees hired for a predetermined length of time on a full-time or part-time basis for positions expected to exceed twenty working days. Temporary employees are paid at the casual rates of pay and all such positions shall be posted in accordance with Article 400 “Filling Vacancies”. Temporary appointments may be extended by mutual agreement between the Association and the Board.

Article 105 - Breaks in Service for Temporary Employees

For temporary employees working in ten (10) or twelve (12) month positions, breaks in service shall consist of a minimum of ten (10) consecutive working days, excluding time off for sickness, vacation, Christmas break, spring break and any other time that the Board determines.

The Board agrees, wherever possible, to avoid breaks in service which may result in disqualification from permanent status.

Article 106 - Committees

106.1 Labour Management Committee

The Labour Management Committee shall be composed of representatives from the Association and senior administration of the Board. Members shall meet on a monthly basis to consult about issues relating to the workplace that affect the Parties or any employee bound by this Collective Agreement. The purpose of such meetings is to promote positive and cooperative resolution of

workplace issues, fostering the development of work-related skills, and for promoting workplace productivity.

106.2 Standing Joint Job Evaluation Committee (SJJEC)

The SJJEC will be established to carry out the ongoing maintenance of the job evaluation program as negotiated and implemented between the Parties during the 1996-98 negotiations.

The SJJEC's mandate shall be to maintain the integrity of the job evaluation program negotiated. This will include a regular review of all existing and appealed positions, and an evaluation of all new positions, including, but not limited to, job descriptions, bandings, pay grades, the job evaluation plan, and its procedures and methods.

Any recommendations for changes must be negotiated by both the Board and the Association. The SJJEC's guidelines shall be those established by the Terms of Reference, as amended from time to time by mutual consent of both Parties.

In addition, the SJJEC will review, update and adjust the Job Evaluation Plan as necessary to clarify Notes to Raters, etc. with no further approval required. However, critical changes such as point bandings, must be recommended to the Board and the Association for inclusion in negotiations.

All positions (i.e. job descriptions and evaluations) within the organization shall be developed and rated by the SJJEC in accordance with the Gender Neutral Joint Job Evaluation Plan and the approved Terms of Reference, dated March 5, 2003, and as amended from time to time by mutual consent of both Parties.

The final determination and acceptance of job descriptions and wage rates are subject to the approval of the Association and the Board.

Any job descriptions or ratings in dispute are subject to the grievance procedure.

Article 108 - Termination of Employment

108.1 All employees other than permanent employees shall be subject to dismissal on one (1) day's notice.

108.2 A permanent employee shall be given one (1) month's notice of termination of dismissal or one (1) month's pay in lieu thereof, unless they are dismissed for cause.

Article 109 - Association Representation

109.1

- (a) An employee shall have the right to have their Association representative present at meetings with their Manager/Administrator which the employee believes may be the basis for disciplinary action.
- (b) Where a Manager/Administrator intends to interview an employee for disciplinary purposes, the Manager/Administrator shall endeavour to notify the employee in advance of the purpose of the meeting to provide the employee with the opportunity of contacting his/her Association representative and requesting that representative's attendance at the meeting, providing this does not hinder the ability of the Manager/Administrator in the exercise of his/her authority.
- (c) This Article shall not apply to meetings involving performance appraisals or of an operational nature not involving disciplinary action.

109.2 Notwithstanding the foregoing, it is the Manager/Administrator's responsibility to take immediate action where it can be shown that to delay the exercise of such discipline would not be in the best interests of either the employee or the Board.

109.3 For the purpose of this section, "Association representative" and "representative" shall mean a shop steward or, in the absence of a shop steward, may also mean an officer of the Association.

Article 110 - Grievance Procedure

110.1 Where any difference arises between the Parties to this Agreement relating to the dismissal, discipline or suspension of an employee covered by this Agreement, or to the interpretation, application, operation, or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, either of the Parties, without stoppage of work, may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its desire to submit the difference to arbitration; or may request the Labour Relations Board to appoint an officer to confer with the Parties to assist them to settle the difference.

110.2 It is the intent of the Parties hereto to settle any difference between them as expeditiously and harmoniously as may be possible and the following procedure is established for this purpose:

Step One: Any aggrieved employee or employees shall first discuss the matter with the Manager/Administrator and both Parties shall attempt to settle the grievance within five (5) working days.

Step Two: If the grievance cannot be settled as above, the aggrieved shall present the grievance in writing to the Manager/Administrator, with a copy to the Association Executive. The aggrieved, with the Shop Steward or other Association representative, shall meet with

the Manager/Administrator and the Assistant Superintendent or designate and they shall attempt to settle the grievance within five (5) working days.

Step Three: If the grievance cannot be settled as in Step Two, the Association may submit the grievance to the Chair of the Board (or their representative) who shall meet within five (5) working days, or such time as may be agreed upon after receipt of the grievance, with the Association representative(s) and they shall attempt to settle the grievance within five (5) working days.

Step Four: If the grievance cannot be settled as in Step Three, the grievance may be submitted to Arbitration as set out in this Agreement.

110.3 Either party may initiate the grievance procedure commencing at Step Three above.

Article 112 - Arbitration

112.1 Should any difference between the Parties to this Agreement remain unsettled after the completion of Step Three of the Grievance Procedure, either party within five (5) days after failure to settle the difference, may notify the other party in writing of its desire to submit the difference to arbitration. The Arbitration Board may be a single Arbitrator or a panel of three (3) Arbitrators. The decision of the Arbitration Board, either single or three-member, shall be final and binding on both Parties. Expenses incident to the services of the single-member Arbitration Board shall be borne equally by the Parties to this Agreement: each party shall bear the expenses incident to the services of its appointee to the three-member Arbitration Board and shall bear equally the expenses incident to the services of the Chair of that Board.

112.2 Single Arbitrator The arbitrator shall be appointed by mutual consent of the Parties. If the Parties are unable to agree upon the arbitrator within seven (7) clear days after arbitration has been invoked, they shall then jointly petition the Minister of Labour for the Province of British Columbia to appoint an arbitrator. The arbitrator shall complete his/her examination and hearing and hand down his/her award within a reasonable time, which is considered to be not more than thirty (30) days after his/her appointment.

112.3 Three-Member Board If arbitration is to be conducted by a board of three (3) members, the party invoking arbitration shall, in its notice to the other party, so state, and the notice shall contain the name of its appointee to the Arbitration Board. The recipient party of such notice shall, within ten (10) days, advise the other party of the name of its appointee to the Board. The two appointees so selected shall, within twelve (12) days of the appointment of the second of them, appoint a third person who shall be the Chair. If the two (2) members fail to agree upon the Chair in the time specified, either party may apply to the Minister of Labour to appoint a Chair. The Board shall proceed as soon as practicable to examine the grievance and render its judgment.

It is agreed between the Parties hereto that the above Grievance and Arbitration procedure shall be the sole method of settling differences between them or between an employee or employees and the School Board, and it is further agreed that both Parties and the employees covered in this Agreement shall be bound by the settlements which derive from the Grievance and Arbitration procedure.

Any question as to whether any matter is arbitrable shall be decided by mutual agreement between the Parties hereto or shall be referred to the Labour Relations Board for decision.

Unless otherwise stated in this Agreement, the provisions of Part VIII of the *Labour Relations Code* of British Columbia, being Sections 81 to 114, entitled "Arbitration Procedures", will apply.

Article 114 - Association Security

114.1 It is agreed that employees who are at present members of the Association shall remain so as a condition of employment. It is further agreed that employees who are hereafter employed by the Board shall become members of the Association on the first day of the month immediately following the completion of one (1) calendar month's employment and shall remain members of the Association as a condition of employment.

114.2 The Board will deduct from the pay of each employee covered by this Agreement, all fees and legal dues as determined by the Association and duly authorized by the employee and will transmit the total amount so deducted to the Association no later than the 15th of each month following that in which the deduction was made.

Article 116 - Crossing Picket Lines

116.1 The employees covered by this Agreement may refuse to cross a legal picket line maintained during any legal strike. Such action should not be considered grounds for disciplinary action beyond loss of pay for the time absent from duty.

116.2 In cases of emergency, the Association agrees to waive the right of refusal to cross the picket line as outlined above for the number of employees required to remedy such emergency.

Article 120 - Agreement as to Conditions Not Mentioned

It is agreed that any general conditions presently in force which are not specifically mentioned in this Agreement and are not contrary to its intentions shall continue in full force and effect for the duration of this contract.

Article 122 - Rights of Management

Any rights of management which are not specifically mentioned in this Agreement and are not contrary to its intention shall continue in full force and effect for the duration of this contract.

Regarding
Short-term, Fee-paying Program Temporary Hours

Regarding Article 104.1 and temporary hours associated with short-term, fee-paying programs, it is recognized that on occasion, temporary hours may be assigned to temporary and permanent part-time employees, as a result of an increased need due to a fee-paying program.

These temporary hours shall end on June 30th (at the completion of the school year), or at the end of the time that those hours are supported by a fee-paying program.

These hours shall not become permanent as per Article 104.1, but shall become permanent, if the employee who has these hours assigned to them continues into a third year at that location or another location in the District with the fee-paying program.

Temporary hours connected to these programs will be treated as regular hours for the purposes of benefits for permanent employees only.

The Board agrees that all such hours will be clearly identified in letters of appointment.

Regarding the **Mentor Program**

This Letter of Understanding confirms the agreement reached between the Parties regarding the establishment and compensation matters relative to the Mentor program initiated in September 2006.

The Board agrees that any designated employee acting in the capacity of mentor shall be compensated three (3) days pay based in hours (as per their regular schedule and regular hourly rate) for the anticipated extra time and work involved in this endeavour. Such time will be banked at the commencement of the program and taken at a time mutually agreeable to the Board and employee.

It is recognized, in their role as mentor, that employees may, upon approval of their supervisor, attend the site of the "mentee" during their regular workday, at no reduction of pay, for the purposes of providing on-site training and direction.

It is understood that any hours worked beyond the regular workday, as a result of the mentor program, will be compensated through the three days of banked hours as agreed to by the Parties.

Regarding Posting of Additional Hours

The Parties recognize and agree that in specific situations it may be more practical to give an incumbent the opportunity to increase their hourly assignment rather than follow the agreed-upon posting process as outlined in the Collective Agreement. Where the Board is looking to increase a position(s) and the incumbent is interested in the additional hours within their current assignment, the Board shall seek the agreement of the Association to waive the requirement to post.

This provision is for the express purpose of addressing situations where there is an existing position that has been targeted by the Board as requiring additional hours, and the incumbent is the logical choice.

Where a number of employees in a similar position, possessing equal skill and ability, may be able to assume such hours, the Board will continue to be required to post the position where the assignment exceeds five (5) additional hours, as per current practice.

Regarding
School Supervision of Students by Employees Already Employed by the Board
(includes before and after school, recess and noon hour break times)

This Letter of Understanding confirms the agreement reached between the parties regarding the assignment of "Supervision Hours" to Education Assistants (EAs) (and other employees as specified) of the School District hereafter referred to as "Current Employees".

Pursuant to a Board decision to relieve teachers of their contractual obligation to provide student supervision duties, the opportunity has arisen for current employees of the Board to increase their working hours by applying for these supervision duties when their current schedule can accommodate the additional hours, and where the current employee has been selected for this job through the posting process as defined by the Collective Agreement.

The following shall apply:

1. The Board maintains their right to define this as "teacher work" should they so desire under the contractual obligations established through the Collective Agreement between the West Vancouver Teachers' Association and the West Vancouver School District. The Board reserves the right to reassign these hours to teachers, or assign in the case of vacancies or absence, should this be necessary in the opinion of the Board.
2. Additional hours to supervise students assigned to a current employee shall remain as temporary hours.
3. These hours shall be remunerated at Step 2 of the TA-General/Language rate. For the purposes of benefit calculations, including pension, these hours shall be included where applicable.
4. Assignment of temporary supervision hours to current employees is predicated on the ability of the supervisor/administrator to schedule the current employees in a manner that both meets operational requirements and corresponds with the break times where supervision is required, except as noted in #8 below.
5. The Board maintains its right to direct the workforce and the assignment is solely the responsibility of the Board. Supervision hours added on to the permanent hours of a current employee, will be assigned at the beginning of each school year, and will be maintained, adjusted or discontinued during the year if the employee's permanent work schedule is adjusted such that these additional hours can no longer be accommodated.
6. As outlined in the Collective Agreement, employee assignments shall be based on permanent hours, as required. Supervision hours shall be given consideration

subsequent to an employee's permanent assignment. Seniority and experience will be given consideration when possible.

7. Employees wishing to perform supervisor duties, whose combined assignment would exceed the maximum number of allowable hours per week for a full-time position thereby resulting in overtime costs to the Board, will not be eligible to assume such an assignment unless mutually agreed to by both parties to this Letter of Understanding.
8. Employees assigned supervision hours, are required to work the total number of hours to which they are assigned and/or remunerated, and it is recognized that in some cases this may result in other duties of a TA-General/Languages nature being assigned as required to the employee.
9. Where supervision hours occur during time set aside for an employee in their current assignment for an unpaid lunch break, should the employee wish to apply to work these supervision hours, they may do so by choice, recognizing, if successful, they are choosing to work through their lunch meal break for which they will be paid.

The work of this joint taskforce will be completed by January 1, 2020 and will include:

- Review the results of the phase one pilot and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.

- Expand the pilot to an additional ten (10) districts including at least two (2) non-CUPE locals to confirm the validity of the tool and the benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

It is recognized that the work of the committee is potentially lengthy and onerous. To accomplish the objectives expeditiously the Parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) on a fulltime basis if necessary to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined below is appropriate.

The committee, together with consultant(s) if required, will develop a method to convert points into pay bands. The confirmed method must be supported by current compensation best practices.

The disbursement of available JE funds shall commence by January 2, 2020 or as mutually agreed.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time has been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the Parties at key milestones during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be discussed and resolved by the Parties at that time.

The parties confirm that the \$900,000 of ongoing annual funds established under the 2014-2019 Provincial Framework Agreement will be used to implement the Job Evaluation Plan. An additional \$3 million of ongoing annual funds will commence on July 1, 2021.

The Parties agree to establish a PLMC to discuss and problem solve issues of mutual provincial interest. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work related skills and to promote workplace productivity.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Re: Employee Support Grant (ESG) after June 30, 2019

This Employee Support Grant (ESG) establishes a process under which employees covered by collective agreements between Boards of Education and the Unions shall be entitled to recover wages lost as a result of legal strike activity by the BC Teachers' Federation ("BCTF") or lockout by BCPSEA after June 30, 2019.

1. The ESG will be available provided that:
 - a. A board and local union have a collective agreement which has been ratified by both parties no later than November 30, 2019 and,
 - b. There has been no successful strike vote by the BCTF or local support staff union prior to local union ratification.
2. Employees are expected to attend their worksite if there is no lawful BCTF picket line.
3. Employees who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout shall be compensated. This compensation shall be in accordance with the following:
 - a. In the event that employees are prevented from attending work due to a lawful picket line, employees will be paid for all scheduled hours that the employee would have otherwise worked but for the labour dispute. Their pay will be 75% of their base wage rate.
 - b. The residual 25% of the employees' base wage rate will be placed in a district fund to provide professional development to support staff employees. Funds will be dispersed by the district following agreement between the district and the local union.
4. Within forty-five (45) days of the conclusion of the labour dispute between BCPSEA and the BCTF, boards will reimburse each employee for all scheduled hours for which the employee has not otherwise been paid as a result of strike or lockout.

5. If the employee disputes a payment received from the board, the union may submit the dispute with particulars on the employee's behalf to a committee comprised of an equal number of representatives appointed by BCPSEA and the Unions.
6. If the joint committee is unable to resolve the employee's claim it will submit the dispute to a mutually agreed upon arbitrator who must resolve the dispute within ten (10) days of hearing the differences between the board and the union.

Re: Public Sector General Wage Increases

1. If a public sector employer as defined in s. 1 of the Public Sector Employers Act enters into a collective agreement with an effective date after December 31, 2018 and the first three years of the collective agreement includes a cumulative nominal (not compounded) general wage increase of more than 6%, the general wage increase in the 2019-2022 Provincial Framework Agreement will be adjusted on the third anniversary of the 2019-2022 Provincial Framework Agreement so the cumulative nominal (not compounded) general wage increases are equivalent. This Letter of Agreement is not triggered by any general wage increase awarded as a result of binding interest arbitration.
2. A general wage increase and its magnitude in any agreement is as defined by the PSEC Secretariat and reported by the Secretariat to the Minister of Finance.
3. For certainty, a general wage increase is one that applies to all members of a bargaining unit and does not include wage comparability adjustments, targeted lower wage redress adjustments, labour market adjustments, service improvement allocations, and is net of the value of any changes agreed to by a bargaining agent for public sector employees to obtain a compensation adjustment.
4. This Letter of Agreement will be effective during the term of the 2019-2022 Provincial Framework Agreement.

Refusing unsafe work

Workers have the right to refuse unsafe work. If you have reasonable cause to believe that performing a job or task puts you or someone else at risk, you must not perform the job or task. You must immediately notify your supervisor or employer, who will then take the appropriate steps to determine if the work is unsafe and remedy the situation.

As an employer, workers are your eyes and ears on the front line of workplace health and safety. When workers refuse work because they believe it's unsafe, consider it an opportunity to investigate and correct a situation that could have caused harm.

If a worker refuses work because it's unsafe, workplace procedures will allow the issue to be properly understood and corrected. As a worker, you have the right to refuse to perform a specific job or task you believe is unsafe without being disciplined by your employer. Your employer or supervisor may temporarily assign a new task to you, at no loss in pay.

Steps to follow when work might be unsafe:

1. Report the unsafe condition or procedure

As a worker, you must immediately report the unsafe condition to a supervisor or employer.

As a supervisor or employer, you must investigate the matter and fix it if possible. If you decide the worker's concern is not valid, report back to the worker.

2. If a worker still views work as unsafe after a supervisor or employer has said it is safe to perform a job or task

As a supervisor or employer, you must investigate the problem and ensure any unsafe condition is fixed.

This investigation must take place in the presence of the worker and a worker representative of the joint health and safety committee or a worker chosen by the worker's trade union. If there is no safety committee or representing trade union at the workplace, the worker who first reported the unsafe condition can choose to have another worker present at the investigation.

3. If a worker still views work as unsafe, notify WorkSafeBC

If the matter is not resolved, the worker and the supervisor or employer must [contact WorkSafeBC](#). A prevention officer will then investigate and take steps to find a workable solution.

Note: WorkSafeBC establishes a range of employer and employee rights and responsibilities. Please visit www.worksafebc.com for current information.

Worker Rights and Responsibilities:

On a worksite, everyone has varying levels of responsibility for workplace health and safety. You should know and understand your responsibilities — and those of others. If you're a worker, you also have three key rights.

Your rights

- The right to know about hazards in the workplace
- The right to participate in health and safety activities in the workplace
- The [right to refuse unsafe work](#) without getting punished or fired

Your responsibilities

As a worker, you play an important role in making sure you — and your fellow workers — stay healthy and safe on the job. As a worker, you must:

- Be alert to hazards. Report them immediately to your supervisor or employer.
- Follow safe work procedures and act safely in the workplace at all times.
- Use the protective clothing, devices, and equipment provided. Be sure to wear them properly.
- Co-operate with [joint occupational health and safety committees](#), worker health and safety representatives, WorkSafeBC prevention officers, and anybody with health and safety duties.
- Get treatment quickly should an injury happen on the job and tell the health care provider that the injury is work-related.
- Follow the treatment advice of health care providers.
- Return to work safely after an injury by modifying your duties and not immediately starting with your full, regular responsibilities.
- Never work under the influence of alcohol, drugs or any other substance, or if you're overly tired.

Employer Responsibilities:

Whether a business is large or small, the law requires that it be a safe and healthy place to work. If you are an employer, it is your responsibility to ensure a healthy and safe workplace.

Your responsibilities

- Establish a valid occupational [health and safety program](#).
- [Train](#) your employees to do their work safely and provide proper supervision.
- Provide [supervisors](#) with the necessary support and training to carry out health and safety responsibilities.
- Ensure adequate [first aid](#) equipment, supplies, and trained attendants are on site to handle injuries.
- Regularly [inspect](#) your workplace to make sure everything is working properly.
- Fix problems reported by workers.
- Transport injured workers to the nearest location for medical treatment.
- Report all injuries to WorkSafeBC that required medical attention.
- Investigate incidents where workers are injured or equipment is damaged.
- Submit the necessary forms to WorkSafeBC.

Supervisor Responsibilities:

Supervisors play a key role with very specific health and safety responsibilities that need to be understood.

A supervisor is a person who instructs, directs, and controls workers in the performance of their duties. A supervisor can be any worker — management or staff — who meets this definition, whether or not he or she has the supervisor title. If someone in the workplace has a supervisor's responsibilities, that person is responsible for worker health and safety.

Your responsibilities

- Ensure the health and safety of all workers under your direct supervision.
- Know the WorkSafeBC requirements that apply to the work under your supervision and make sure those requirements are met.
- Ensure workers under your supervision are aware of all known hazards.
- Ensure workers under your supervision have the appropriate [personal protective equipment](#), which is being used properly, regularly inspected, and maintained.

MEMORANDUM OF AGREEMENT

between
The West Vancouver Municipal Employees' Association (WVMEA)
and
The West Vancouver Teachers' Association (WVTA)
And
The Board of Education of School District No. 45 (West Vancouver)

THE TEACHER / TEACHER ASSISTANT / EDUCATION ASSISTANT RELATIONSHIP

Background

Teacher Assistants at secondary schools and Education Assistants work directly with teachers in schools. The role of Teacher Assistants at secondary schools and Education Assistants is to work with the Teacher(s) while under their direction. It is the Teacher who plans the instructional content and the parameters around curriculum delivery. However, the classroom Teacher, District Support Staff, Principals, Vice Principals and the paraprofessional teacher assistants and education assistants shall work cooperatively in the spirit of a team supporting the students. It is recognized that each role may have specialized skills and knowledge in relationship to a specific student or condition. Although the role of teacher assistant at secondary and education assistant is distinct, for ease of reference they will be referred to as "Education Assistants" for the remainder of this document.

This agreement is designed as a guide to maintain healthy relationships between staff members.

Basic assumptions regarding the Teacher / Education Assistant roles and responsibilities

- 1 It is the right and responsibility of the Principals and Vice Principals to evaluate and supervise Education Assistants and other Staff assigned to a school. Teachers will be asked to provide feedback to Principals and Vice Principals when necessary.
- 2 Teachers shall exercise their professional responsibilities and judgments in the operation of their classroom. Teachers also have a professional responsibility to clearly identify to Education Assistants what is expected and what standards are appropriate.
- 3 When any member of a working team feels that there is an inappropriate occurrence or circumstance, the first responsibility is to speak openly to the other team member(s) to clarify issues and seek solutions. This will occur except where the issue at hand may involve student abuse, criminal activity, or where the concerned staff member does not consider the situation to be personally safe. In these cases, contact should be made with Human Resources or the Principal or Vice Principal. Learning support teachers may be asked to provide insight related to specific instructional strategies and possible solutions.

- 4 Should this conversation fail to resolve the issue, the Teacher and/or Education Assistant should inform the team member(s) with whom they have an unresolved issue, that they are raising the issue to the Principal or Vice Principal or contact their respective Association representative for advice/guidance. If the employee does not feel personally safe to advise the team member, the employee may involve Human Resources or the Principal or Vice Principal.
- 5 As a courtesy to each party, the Teacher and Assistant to the Teacher should only speak to an Administrative Officer after they have informed the other party they wish to do so and only after the processes set out in item four (4) above has been employed subject to an employee feeling personally safe to do so.
- 6 All employees of the Board are entitled to due process.
- 7 The responsibility to communicate issues to parents rests solely with Teachers and Administrators.

Protocol for Problem-Solving issues that Arise in the Teacher and Education Assistant Relationship.

- I. It is agreed that all issues of a disciplinary nature are not subject to this problem solving process.
- II. If issues cannot be resolved among the parties involved, the Principal or Vice Principal should undertake a process of conflict resolution involving all team members involved. If a resolution cannot be achieved through conflict resolution, a formal process should ensue.
- III. The formal process should include a scheduled meeting facilitated by a Principal or Vice Principal with the goal to explore the nature of unresolved issue(s). Both the involved Teacher(s) and Education Assistant(s) shall be present at such a meeting and should, at the option of the employee, be accompanied by their respective Association representative.
- IV. If the offer to have the respective Association representative present at such meeting is declined by the employee, the Principal or Vice Principal will advise Human Resources who will inform the respective Association representative.
- V. If the outcome of the meeting indicates that changes in behavior or skill are required of employees, the employee will meet with their respective Association representative to discuss how to move forward.
- VI. Strategies developed at the meetings identified in number five (5) above may result in mentorship, a growth plan for additional training, or consideration of a change of assignment and or location.
