AGREEMENT

2020-2023

Between

MARINE OPERATIONS, VANCOUVER AGGREGATES DIVISION
LAFARGE WESTERN CANADA
A DIVISION OF LAFARGE CANADA INC.,
A MEMBER OF LAFARGEHOLCIM

(hereinafter called the "Company")

and

SEAFARERS' INTERNATIONAL UNION OF CANADA

(hereinafter called the "Union")

PREAMBLE

The general purpose of this Agreement is to secure for the Company, the Union, and the Unlicensed Personnel, the full benefits of orderly and legal collective bargaining and to ensure to the utmost extent possible the safety and physical welfare of the Unlicensed Personnel, economy of the operation, standard of service, and protection of property. It is recognized by this Agreement to be the duty of the Company, the Union, and the Unlicensed Personnel to co-operate fully, individually, and collectively for the advancement of said conditions.

PART I – GENERAL

1.01 RECOGNITION

- (a) The Company recognizes the Union as the only certified bargaining agent for all Unlicensed Personnel employed in the Deck, Engine room, and Steward's Departments of vessels owned, operated, or directly or indirectly controlled by the Company provided that such vessels are operated within the coastal and inland waters of British Columbia or on waters bordering on the Yukon and North West Territories, or if operated on a national or international basis, that the port from which the vessel is dispatched is within the coastal waters of British Columbia.
- (b) Where a vessel covered by this Agreement is chartered or leased, the terms of such charter or lease shall provide that this Agreement shall apply unless a vessel is chartered or leased to a Company which has an Agreement with another Union to man and operate vessels and such Agreement contains the provision that the other Union has jurisdiction over the work to be performed.

Should the charterer or lessee fail or neglect to abide by the terms of this Agreement, the Company, or lessor, shall be liable to the Unlicensed Personnel concerned for wages or other monetary benefits which are not paid by the charterer or lessee.

- (c) Where a vessel covered by this Agreement is sold to a company or to an individual, satisfactory proof of such sale shall be provided to the Union within seven (7) days.
- (d) For greater clarity, the company shall furnish the Union with a list of the vessels described above, and the parties recognize that the list may be altered from time to time.
- (e) The term Unlicensed Personnel or employee as used in this Agreement does not include the Masters, Mates, and Engineers sailing on these vessels.
- (f) A Labour Management Committee shall be established consisting of members of the Unions and representatives of the companies that jointly participated in the negotiation of the present agreement.

The purpose of the Labour Management Committee shall be to discuss and make effort to resolve matters of mutual interest to the parties, and the Committee may discuss grievances, noise abatement, crew accommodation and safety, which occur on specific vessels. Where the Committee cannot resolve grievable matters, then such grievances may be disposed of by either party under the "Grievance Procedure" contained in this agreement.

Committee meetings shall be held no less than once every two months, on the third Monday of each second month. Each of the parties shall submit to the other an agenda of matters to be discussed at least fourteen (14) days prior to the meeting day.

- (g) The Company agrees that only tugs whose full crews are covered by a "recognized" Marine Union Agreement will be utilized to perform work except in those areas in which members of other unions have been historically employed. It is understood that the only exception to this would be in the event of Union vessels being unavailable to do the job when required, including remote areas where Union vessels do not exist.
- (h) The Company and the Union agree that the provisions of the Canada Labour Code, Part V, pertaining to Successor Rights and Obligations shall apply to the present Agreement.

1.02 SUPPLYING OF PERSONNEL

The Company agrees that Unlicensed Personnel to be hired shall be requested through the dispatch office of the Union. Where forty-eight (48) hours notice of personnel requirements is given by the Company, the Union will make every reasonable effort to refer applicants to the Company in advance of the day they are required to commence work. In cases where the Company rejects individuals that it does not consider satisfactory, it shall notify the Union immediately of the rejection and the individual on request shall be provided with written reason for such rejection as well as the Union, and the Union shall furnish replacements with sufficient promptness to avoid delay in sailing at the appointed time. Rejection shall not be arbitrary or without valid reason. Should the Union be unable to furnish employees that are capable, competent, and satisfactory to the Company with sufficient promptness to avoid delay in sailing at the appointed time, the Company may secure replacements from other sources on a temporary basis subject to Article 1.03, and the Company shall make every reasonable effort to so notify the Union within twenty-four (24) hours. The Union reserves the right to replace "replacements" once the temporary requirement has been met.

1.03 UNION SECURITY AND CHECK-OFF

All Unlicensed Personnel presently employed, or when hired, shall be required after sixty (60) days employment, as a condition of employment, either to join the Union and continue as members thereof during their employment, or in the alternative, to tender to the Union one month's dues and initiation fees and to pay subsequent monthly dues and assessments as required of Union members. Such monthly dues, assessments, and initiation fees in the amount as established by the Union shall be deducted by the Company and remitted to the Union for all employees covered by this Agreement by the fifteenth (15th) of the month following the month for which they are deducted.

1.04 NOTIFICATION OF SUSPENSION AND DISMISSAL

The Company will notify the Union of suspensions and dismissals within seventy-two (72) hours of their occurrence. Any notice of disciplinary action that is intended to form part of an employee's employment record shall be given to the employee in writing with a copy to the Union. The employee shall be able to view his personnel file by appointment.

1.05 GRIEVANCE PROCEDURE

For the purpose of this Article, the word "party" is defined as either the Company or the Union.

Any Unlicensed crew member or the Union with a complaint or grievance shall discuss the complaint or grievance with the Master or the Company where appropriate. If a settlement satisfactory to the crew member is not reached, then the following grievance procedure will be carried out:

- (a) A written statement of the complaint or grievance shall be presented to the Master or Company by the crew member concerned, accompanied if he so desires by a fellow employee who is a Union Committee member or may be presented by the Union.
- (b) If the Master or employer fails to adjust the complaint or grievance in a satisfactory manner, it shall be dealt with between the representatives of the Company and the Union.
- (c) A grievance is any difference concerning the interpretation, application or operation of this Agreement or any alleged violation thereof, including any question as to whether any matter is arbitrable and shall be dealt with without stoppage of work.
- (d)
 - (i) The maximum time for raising a grievance shall be ninety (90) days from the time the incident occurs which gives rise to the grievance. However, in the case of suspensions and dismissals the maximum time for raising a grievance shall be fifteen (15) days from the date of receipt by the employee of written notification of said discipline.
 - (ii) In the event arbitration is desired, written notice must be given within the ninety (90) day time period.
 - (iii) Time limits under this clause may be extended by mutual agreement between the parties. Failing mutual agreement to extend the time limit, a grievance not raised and processed within the aforesaid time periods shall be deemed abandoned and all rights or recourse including arbitration in respect of this grievance shall be at an end.
- (e) If the grievance is not satisfactorily concluded under procedures (a) and (b), then it shall be dealt with by arbitration in accordance with the following procedure:
 - (i) The party desiring to arbitrate under this procedure shall notify the other party in writing of this intention and the particulars of the matter in dispute.
 - (ii) The party receiving such notice shall within five (5) days thereafter confirm such notification in writing.

- (iii) The parties shall then confer and shall within five (5) days choose a single arbitrator to arbitrate the dispute and shall abide by the decision of such arbitrator. The arbitrator shall be chosen by mutual agreement of the parties. Failing mutual agreement, the Minister of Labour will be asked to select the arbitrator.
- (iv) Once the arbitrator is chosen and if either party to the dispute desires it, the following procedure shall take place within a further five (5) days:

The Company and the Union shall each select a person active in the towboat industry to sit with the arbitrator during this arbitration hearing. Such persons shall be available to the arbitrator jointly, but not individually at his discretion, to advise him on any matters which he, the arbitrator, deems advisable. These persons, who shall be known as advisors shall take no part in the hearing other than to be available for technical advice during the hearing. Nor shall they take part in the making or publishing of the award of an arbitrator.

The arbitrator shall be entitled to accept or reject any advice he may have received from such persons, but he shall not in his award, make reference to such persons, or to any advice he may have received, or to his acceptance or rejection thereof.

- (v) The Board of Arbitration shall not have any power to alter any of the terms of this Agreement nor to substitute new provisions for existing provisions nor to give any decision inconsistent with the terms of this Agreement.
- (vi) The expenses of the Arbitration Board chairman shall be borne equally by the parties.

1.06 BOARDING PASSES

Union representatives shall be given access to Company property and aboard Company vessels by checking with the Company office. It is agreed that these visits will not interfere with the sailing or maintenance of the vessel.

At the time when the Company office is not open, permission shall be obtained from the Master of the vessel. It is agreed that the Company assumes no liability for injury to any Union representative while he is on Company property.

1.07 DISCRIMINATION

The Company agrees not to discriminate against any person for legitimate Union activity and agrees to abide with the Canadian Human Rights Act.

1.08 STOPPAGE OF WORK

- (a) The Company, signatory to this Agreement, and the Union agree there shall be no strikes or lockouts during the life of this Agreement.
- (b) All controversies and disputes shall be settled through the Grievance Procedure.
- (c) There shall be no slow down or stoppage of work during the period when a grievance is being resolved.
- (d) Refusal to pass through a picket line which has not been held to be illegal shall not be construed as a violation of this Article.
- (e) The Company will not require any member of the Union to continue with the tow, if such tow has been brought through a picket line by other than Union Personnel.
- (f) When an employee on paid leave takes employment with another Company within the Towboat Industry he shall be deemed to have terminated employment with the Company from which he took leave.

1.09 SENIORITY AND PROMOTIONS

- (a) An employee shall acquire seniority as of his date of employment with the company provided he has completed six (6) months continuous employment.
- (b) A seniority list will be compiled by the Company and will be revised annually. Such list will show names, positions, and date of last entry into service in positions covered by this Agreement.
- (c) A copy of the seniority list shall be forwarded to the Union, and shall also be posted on each vessel for all to see, annually, no more than fifteen (15) days after it is compiled.
- (d) It is agreed that in layoffs and rehires, preference will be given to employees with the greatest length of service with the company and that for placements within the bargaining unit, where skill and efficiency are relatively equal, preference will be given to the employee with the greatest length of service with the Company.
- (e) An employee who has been laid off will retain his seniority and the right to be recalled for a period of twelve (18) months, provided he reports to the company when recalled. An employee who is given reasonable notice and fails to report for work upon recall is subject to discharge from service.

An employee on leave of absence for any reason including medical leave or lay off shall be responsible to maintain required Union dues and failure to do so may, at the Union's direction, result in loss of seniority.

- (f) When an employee is physically unable to work in his present classification he shall have the right to retrain for a different classification within the bargaining unit and shall maintain full seniority within the company.
- (g) Where the Company promotes an Unlicensed employee to Officer status on board its vessels, the following shall apply:

- (i) When a Company is making initial temporary promotions, candidates possessing the necessary certification and successfully passing the normal pre-promotion assessment, will receive fair and equitable consideration for such promotion from the company.

It is intended that any problems over the interpretation of this section (i) will be resolved by discussion between the affected parties concerned, not by recourse to the grievance procedure.

- (ii) An employee who has prior acceptable Company service as an Officer (with no break in Company service) will be promoted first.
 - (iii) Employees seeking promotions to Officer status must be members of the Union in good standing and shall only retain their seniority rights with the Unlicensed Union provided they remain as members in good standing with the Union including the payment of dues in the manner required by the Union.
 - (iv) Employees who are temporarily promoted for the purpose of training and/or relieving permanent Officers, shall continue to accrue unlicensed seniority provided they do not work in an Officer category for more than a total of ninety (90) days (excluding lay days) in any calendar year. This period may be extended in order to allow for the completion of a trip, provided the company notifies the Union in advance. During these ninety (90) day periods the employee is required to pay dues to the Union.
 - (v) Upon promotion to a full time Officer's position with the Company, an Unlicensed employee will have his Unlicensed seniority frozen so as to enable later possible returns to an Unlicensed position pursuant to a layoff due to lack of work. Such recall right shall continue for a period of Five (5) years from the date of his initial full time position, following this, he shall have no further claim to Unlicensed seniority. Any employee exercising this option within the five (5) year period will be placed back to where his unlicensed seniority would put him. After the five (5) year period he would return to the bottom of the unlicensed seniority list.
- (h) Where an employee who has positive lay days is subject to layoff pursuant to subsection (d) above he shall be entitled at his election to continue on the Company's payroll as follows:
 1. His leave will be run out

2. He shall have the option of banking his annual vacation or cashing it out.
3. Overtime converted to leave to be banked or cashed out at the employee's discretion.

All such medical examinations shall be at the Company's expense and the employee shall be compensated with one-half (1/2) of a calendar day's pay for each such examination except for pre-employment medicals.
- (b) Where the Company refuses to employ any man for medical reasons, the question of that man's fitness for full sea duties in the category in which he is to be employed may be referred to a competent medical authority for determination acceptable to both the Company and the Union. Where an employee is required to travel away from home for an examination, the Company will reimburse for all travel expenses and further compensate the employee one (1) calendar day's pay. In the instance where the Employee is removed from his vessel (or not dispatched) to facilitate such an examination and it is found that the Employee was fit for sea duties, then the Company will reimburse such Employee for any loss of earnings and any associated travel costs. For employees with seniority the Company will pay up to one hundred and twenty-five dollars (\$125.00) of the doctor's charge for a D.O.T. required medical exam where Medicare or the Benefit Plan does not cover this. BAREBOAT CHARTERS - CLAIMS INVOLVING THIRD PARTIES

Section (b) of Article 1.01 (Recognition) provides in part that should a Charteree fail or neglect to abide by the terms of our Collective Agreement, the Company will be liable to the Unlicensed members concerned for unpaid wages and other monetary benefits. It is agreed that a six (6) month limitation shall apply to any claims that might arise out of such third party arrangements. In other words, in the event that a C.M.C. company chartered a vessel to a third party who failed to meet his obligations under the Agreement terms, an Unlicensed member with a valid claim would be obliged to register his claim with us not later than six (6) months from the date the claim first arose. HEADINGS IN THE COLLECTIVE AGREEMENT

The Agreement has been structured for ease of reference into 'Parts' and then further into 'Articles'. The 'Parts' are for reference purposes only and those provisions of a general nature apply to all employees. For example, the Article 'Marine Disaster', found in Part II - Continuous Operating Vessels, applies equally to Shift Vessels.

APPENDIX "F"

RE: SERVICE CREDITS FOR SEVERANCE PAY CALCULATIONS

The Intent of the phrase "per year of total uninterrupted service" as contained in the new language of Article 1.25. is as follows:

The intent is not to give service credit to those periods of time when an employee is not receiving wages. The exceptions to this are when an employee is on Weekly Indemnity, on W.C.B. claim, and on non-repetitive short term (a few weeks) lay off and leaves of absence. Additionally, where an employee has been rehired after a termination and recall rights were not maintained, the prior period of employment is not credited.

In situations involving interrupted service, the employee's periods of employment will be added together to determine the total number of years service.
