The Employer has the right to operate and manage its business in all respects, including subcontracting, subject only to the limitations expressly stated within this Agreement.

**3.300** **Application, Work Jurisdiction and Affiliation**

Without restricting Article 3.000 in any way, the Parties expressly agree to the following.

**3.301** **Application**

This Agreement shall govern only commercial/institutional work which is within the work jurisdiction of the carpenter and which is being performed in the province of British Columbia by bargaining unit members who are employees of the Employer

on a project. Refer to Articles 3.301 (a), 3.301 (b) and 3.302 for important exceptions to and clarification of the foregoing.

Notwithstanding any/all contrary provisions of this Agreement:

- (a) Unless otherwise mutually agreed by the Parties, in writing, this Agreement shall govern any/all work performed within the Lower Mainland/Fraser Valley, other than work performed on an industrial project(s) where all employers that were legitimately competing for the available work are signatory to a BCBCBTU affiliate union(s) and signatory to the affiliates Craft Standard Industrial Agreement. ### **3.303 Affiliation**

- (a) Subject to reasonable notice given to the Employer, it shall not be a violation of this Agreement for the Union to withdraw its members from a project(s) for rendering assistance to labour organizations, and/or refusal on the part of Union members to handle any materials, equipment or product declared unfair by Building Trade Councils, or manufactured, assembled, or produced by an Employer whose employees are on strike

against or are locked out by an Employer.

- (b) Notwithstanding Article 3.303 (a), the Union shall not restrict/limit, in any way or for any reason, an Employer's right to contract for work on a project and to complete such work in a cost efficient manner. The foregoing shall apply regardless of the union affiliation, or lack thereof, of any individual who may also be working on such project, and/or the work such individual(s) may be performing.
- (c) Without restricting/limiting the application of Article 3.303 (b), the Union shall not attempt to exert pressure upon an Employer for performing work on any project, nor shall the Union withdraw its members from any project or threaten to do so, unless otherwise permitted by the *Labour Relations Code*.

---

## **ARTICLE 13.000 – ENABLING PROVISIONS**

---

### **13.100 Process**

- 13.101** The Union and an Employer(s) may determine on a project by project, area, or sector basis, if special dispensation is required to become competitive, and should the necessity arise, may by mutual agreement, in writing, amend or delete terms or conditions of this Agreement for the duration of the project. Notwithstanding the foregoing, it shall be a violation of this Agreement for the Parties to agree to the reduction and/or elimination of any joint industry funds negotiated between the BCBCBTU and CLR (i.e. Rehabilitation Fund) or individual dues to umbrella organizations, without the specific prior written consent of the BCBCBTU and CLR.
- 13.102** Article 13.000 is specifically intended to provide Employers with competitive relief where deemed necessary. As a result, no enabling package, or individual term or condition therein, shall include a provision, not already provided for in this Agreement, which in any way either increases the Employer's cost and/or decreases the Employer's flexibility with respect to any term of this Agreement. Refer to Article 13.103 for further details and examples.
- 13.103** The following example is offered to clarify the intent of Article 13.102. It is not meant to be inclusive of every possible situation, but merely to illustrate potential circumstances which could ultimately arise.

**13.104** If the Union provides competitive relief (e.g. reduction of rates, relaxation of crewing ratio restrictions, suspension of premiums, broadening of start time flexibility, mobility of members, etc.), but makes such relief contingent upon the Employer purchasing material from a Union signatory supplier, and/or waiving their right to utilize existing name request and/or recall provisions, then such contingency shall not be enforceable.

### **13.200 Participation**

**13.201** In recognition of the close working relationship on projects between the Union and other BCBCBTU affiliates, the Parties acknowledge the need for enabling relief to be generally consistent. As a result, the Parties agree to work towards achieving this objective wherever possible. Notwithstanding the foregoing, the Parties also acknowledge the individual autonomy of the Union and agree that nothing herein shall be interpreted as an agreement to limit that autonomy in any way.

**13.202** Unless otherwise mutually agreed to in writing by the Parties, neither the Union nor an individual Union Local(s) shall decline to participate in good faith in the process contemplated by Article 13.000 of this Agreement. The Parties expressly agree that the Union and/or an individual local(s) of the Union would be in violation of foregoing if the Union and/or an individual local(s) of the Union were to decline an Employer's enabling request pursuant to either a formal or informal (i.e. blanket) policy of refusal. Individual union members shall retain the right to refuse a dispatch to an enabled project, but neither the Union nor an individual local(s) of the Union shall encourage or otherwise counsel its members to do so.

---

## **ARTICLE 14.000 – GRIEVANCE PROCEDURE**

---

### **14.100 Definition**

**14.101 (a)** A grievance shall be defined as any “difference” between the Parties to this Agreement with respect to its interpretation, application, operation or any alleged violation thereof, including discharge for cause alleged to be unjust by the Union. Discharge shall not include layoff of employees for reason of project efficiency or reduction of forces on suspension or completion of work.

**(b)** The party initiating a grievance shall be referred to herein as the aggrieved party. The other party to a grievance shall be referred to as the responding party.

**14.102** The two (2) parties to any formal grievance shall be the two (2) parties signatory to this Agreement, namely the Union and CLR (acting on its own behalf and/or on behalf of its respective signatory member Employer(s)). The parties expressly agree that an individual local(s) of the Union does not have the right to initiate a formal grievance unless/until such grievance has been duly authorized in accordance with the Union's prevailing policy(s), where such prevailing policy(s) exist. Likewise, the parties expressly agree that an individual Employer does not have the right to unilaterally initiate or defend a formal grievance on its own behalf without the prior written authorization of CLR.

**14.200 Time Limits**

**14.201** In order to initiate a formal grievance, the aggrieved party must provide written notification to the responding party within thirty (30) calendar days of the date on which the underlying "difference" is alleged to have occurred. Such notification shall include all relevant particulars of the formal grievance and all relevant and reliance documentation. The parties expressly agree that a formal grievance shall not be deemed to have been initiated unless/until the responding party has actually received a copy of the required written notification from the aggrieved party. All time limits shall be strictly enforced.

**14.202** Notwithstanding Article 14.201, in the event of an alleged error on a pay cheque, such "difference" shall be deemed to have occurred on the date the pay cheque stub was made available to the aggrieved employee(s). Likewise, in the event of an alleged error on the Employer's monthly remittance report, such "difference" shall be deemed to have occurred on the date the remittance report was received by the Union.

**14.300 Step 1 (Informal Resolution)**

Once a formal grievance has been initiated, the parties shall make a concerted good faith effort to work out a mutually agreeable resolution. Notwithstanding the foregoing, unless otherwise mutually agreed by the parties in writing, the aggrieved party shall be deemed to have abandoned the formal grievance in the event notice of referral to Mr. Michael Fleming (in accordance with Article 14.400) has not been received by the responding party within sixty (60) calendar days of the date on which the underlying "difference" is alleged to have occurred. Refer to Article 14.202 for clarification on the interpretation of "occurred".

**14.400 Step 2 (Formal Resolution)**

The parties expressly agree that the Step 2 is an integral component of the Grievance Procedure in accordance with this Agreement.

TRAVEL ALLOWANCE AMOUNTS

---

**A. Application, Amounts and Annual Adjustments**

Effective January 1, 2019, the "per road kilometer" rate shall be \$0.58 per kilometer. This amount shall be adjusted annually to reflect the maximum allowable tax-free rate for mileage expense reimbursement as published annually by the Canada Revenue Agency. These amounts shall govern the daily travel allowance payable in accordance with Article 7.102 (b) of this Agreement and the project transfer travel allowance payable in accordance with Article 8.200 of this Agreement.

LETTER OF INTERPRETATION RE: MEAL BREAKS

---

The following terms and conditions shall supercede any/all contrary application and/or interpretation of the BCRCC Craft Carpenters Standard Commercial/Institutional Agreement. In particular, the Parties agree that the provisions of this Letter of Interpretation are applicable only on shifts in excess of ten (10) hours. Where mutual agreement is referenced within this Letter of Interpretation, the voluntary consent of the majority of Employees on a crew shall be required in order for such agreement to have been achieved.

**A. Shifts in Excess of Ten (10) Hours**

The Parties agree that shifts in excess of ten (10) hours occur as a result of either a "Scheduled Shift" or an "Unscheduled Overtime Shift". Each of these Shifts is defined below by way of an example. Such definitions shall apply only for the purposes of this Letter of Interpretation.

**1. Scheduled Shifts**

When an Employee commences work on a shift in excess of ten (10) hours and such Employee only works the originally scheduled hours, such a shift would be defined as a Scheduled Shift. For example, the shift is scheduled to be eleven (11) hours and the Employee only works eleven (11) hours.

**2. Unscheduled Overtime Shifts**

- (a) When an Employee commences work on a shift in excess of ten (10) hours but such Employee ultimately works more than the originally scheduled hours, such a shift would be defined as a Unscheduled Overtime Shift. For example, the shift is scheduled to be eleven (11) hours but the Employee ultimately works twelve (12) hours.
- (b) When an Employee commences work on a shift of ten (10) hours or less but such Employee ultimately works in excess of ten (10) hours, such a shift would also be defined as an Unscheduled Overtime Shift. For example, the shift is scheduled to be eight (8) hours but the Employee ultimately works eleven (11) hours.

**B. Objective**

The objective of this Letter of Interpretation is to address the practical differences between providing for second (and subsequent) meal breaks on Scheduled Shifts in excess of ten (10) hours, and providing for second (and subsequent) meal breaks on Unscheduled Overtime Shifts in excess of ten (10) hours.

**C. Paid Meal Breaks and Hot Meals**

Notwithstanding any/all contrary interpretation of this Letter of Interpretation, the second, third and any/all subsequent meal breaks shall be paid for by the Employer at the otherwise applicable straight time hourly wage rate. Second, third and subsequent meals shall be a hot

meal wherever possible and shall be supplied by the Employer. Notwithstanding the foregoing, in the event that a hot meal is not supplied, the Employer shall pay a meal allowance to each affected Employee in lieu thereof. The amount shall be seventeen dollars (\$17.00), or the amount specified by CRA as reasonable for an overtime meal allowance.

**D. Meal Breaks on Scheduled Shifts****1. Scheduled Shifts In Excess of Ten (10) Hours**

Two (2) meal breaks of one-half ( $\frac{1}{2}$ ) hour each shall be provided on all Scheduled Shifts in excess of ten (10) hours, up to and including twelve (12) hours.

- (a) The first one-half ( $\frac{1}{2}$ ) hour meal break shall be scheduled as near as is practical to the one-third (a) point of the shift and shall not be considered as time worked/earned.
- (b) The second one-half ( $\frac{1}{2}$ ) hour meal break shall be scheduled as near as is practical to the two-thirds (b) point of the shift and shall not be considered as time worked/earned.

**(c) Example - Scheduled Shift of Twelve (12) Hours**

4.0 hours	8:00 am to 12:00 noon	work (straight time or overtime as the day/shift warrants)
0.5 hours	12:00 noon to 12:30 pm	first meal break (not paid)
4.0 hours	12:30 pm to 4:30 pm	work (straight time or overtime as the day/shift warrants)
0.5 hours	4:30 pm to 5:00 pm	second meal break (payable at straight time)
4.0 hours	5:00 pm to 9:00 pm	work (straight time or overtime as the day/shift warrants)

**2. Scheduled Shifts in Excess of Twelve (12) Hours**

Three (3) meal breaks of one-half ( $\frac{1}{2}$ ) hour each shall be provided on all Scheduled Shifts in excess of twelve (12) hours, up to and including sixteen (16) hours.

- (a) The first one-half ( $\frac{1}{2}$ ) hour meal break shall be scheduled as near as is practical to the one-quarter ( $\frac{1}{4}$ ) point of the shift and shall not be considered as time worked/earned.
- (b) The second one-half ( $\frac{1}{2}$ ) hour meal break shall be scheduled as near as is practical to the one-half ( $\frac{1}{2}$ ) point of the shift and shall not be considered as time worked/earned.
- (c) The third one-half ( $\frac{1}{2}$ ) hour meal break shall be scheduled as near as is practical to the three-quarters ( $\frac{3}{4}$ ) point of the shift and shall not be considered as time worked/earned.

**(d) Example - Scheduled Shift of Fourteen (14) Hours**

3.5 hours	8:00 am to 11:30 am	work (straight time or overtime as the day/shift warrants)
0.5 hours	11:30 am to 12:00 noon	first meal break (not paid)
3.5 hours	12:00 noon to 3:30 pm	work (straight time or overtime as the day/shift warrants)

## LETTER OF INTERPRETATION RE: MEAL BREAKS

0.5 hours	3:30 pm to 4:00 pm	second meal break (payable at straight time)
3.5 hours	4:00 pm to 7:30 pm	work (straight time or overtime as the day/shift warrants)
0.5 hours	7:30 pm to 8:00 pm	third meal break (payable at straight time)
3.5 hours	8:00 pm to 11:30 pm	work (overtime as the day/shift warrants)

**E. Meal Breaks on Unscheduled Overtime Shifts**

The Parties acknowledge that it is the "unscheduled" nature of an Unscheduled Overtime Shift that complicates the process of definitively scheduling meal breaks on such shifts.

**Option #1 - Early Decision to Work Unscheduled Overtime**

If a decision to work extended hours on a shift occurs early enough after the commencement of such shift to allow for the application of either item D1 or D2, such application shall prevail. For example, Employees report to the project and commence work on an eight (8) hour shift, however, prior to eight (8) hours of work being completed it is determined that unscheduled overtime will be required. This unscheduled overtime will extend the shift to a total of twelve (12) hours. In such a situation, the example schedule provided for in item D1 would apply. The same would be true even if the original shift was a nine (9) hour or ten (10) hour shift.

**Option #2 - Late Decision to Work Unscheduled Overtime**

If a decision to work extended hours on a shift does not occur early enough after the commencement of such shift to allow for the application of either item D1 or D2, either the default provision or flexible provision (see below for details) shall apply. For example, Employees report to the project and commence work on a ten (10) hour shift. However, it is not determined that unscheduled overtime will be required until nine and one-half (9½) hours of the shift has already been worked. As a result, it is impossible to take the second meal break after eight (8) hours.

**(a) Default Provision**

The Option #2 default provision is for the second meal break to take place as quickly as practical after the determination that unscheduled overtime will be required. For example, Employees report to the project and commence work on a ten (10) hour shift. However, after nine and one-half (9½) hours of work has been completed it is determined that two (2) hours of unscheduled overtime will be required. In such a situation, the second meal break would take place immediately, providing this can be accomplished without any significant negative impact on the efficiency of the work being performed.

**(b) Flexible Provision**

The Option #2 flexible provision requires the Employer (or the on-site representative of the Employer) to first achieve the mutual agreement of the majority of the affected Employees. If this is not possible, then the default provision shall prevail. The intent of the flexible provision is to provide both the Employer and Employees with the ability to adjust the scheduling of second and subsequent meal breaks to the realities of the project and work being performed. The typical application of the flexible provision would be to delay the second meal break until the conclusion of work on the shift.

## LETTER OF INTERPRETATION RE: MEAL BREAKS

For example, Employees report to the project and commence work on a ten (10) hour shift. However, after ten (10) hours of work has been completed it is determined that one-half (½) hour of unscheduled overtime will be required. In such a situation, the Employer would consult with all of the affected Employees in order to determine if a majority of the crew wishes to delay the second meal break until after the one-half (½) hour of unscheduled overtime has been completed. If mutual agreement is achieved, the following schedule would prevail. If mutual agreement is not achieved, the default provision would prevail.

5.0 hours	7:00 am to 12:00 noon	work (straight time or overtime as the day/shift warrants)
0.5 hours	12:00 noon to 12:30 pm	first meal break (not paid)
5.0 hours	12:30 pm to 5:30 pm	work (straight time or overtime as the day/shift warrants)
0.5 hours	5:30 pm to 6:00 pm	work (overtime)
0.5 hours	6:00 pm to 6:30 pm	second meal break (payable at straight time)

The typical application of this schedule would allow for Employees to depart for home at 6:30 pm, and be paid the seventeen dollar (\$17.00) allowance in lieu of the hot meal.
