This will not apply in cases where the extension of the senior employee(s) would result in overtime. Meal and rest periods will be subject to Articles 7, 8, and 9 if applicable.

10.12 In the event an employee is to be called into work hours that he has not been scheduled to work, any employee may be called for any shift, provided that at the end of the particular week, the comparative number of hours of part-time employees is consistent with the seniority and availability of others in the department.
