4:05

For purposes of 4:04 above, call-out shall mean a call to work after such Employees have left their place of work, or a call to work on a day on which they were not required to work. This Clause shall not interfere with the change of Schedule Provision contained in Article 3:04.

- (B) The Golf Club Management finds it difficult to grant Vacation time during the Summer months. Nevertheless, it is recognized that some Employees, particularly those with young children, may have strong preferences for Summer Vacations. Thus, two (2) weeks of any Employee's Vacation will be the maximum that can be allowed during Summer months. Generally speaking, not more than one (1) Employee in a Golf Course crew should be off on Vacation at the same time. In the case of key Personnel, there may be some periods of the Summer when Vacation time is not possible.
- (C) In light of these limitations, Managers will make every effort to grant Summer Vacations to as many Employees as possible who have asked for such time off. Preference will be given to those Employees with long Seniority who have young children.

- (i) the words "five (5) of the last twenty-one (21) days" in each of sub-paragraphs (B)(i), (ii) and (iii) above shall be revised to read "fifteen (15) of the last thirty (30) days"; and
- (ii) the words "for the twenty-one (21) day period" in each of sub-paragraphs (B) (ii) and (iii) above shall be revised to read "for the thirty day period".

5:12

- (A) Employees who qualify may indicate to the Employer, previous to Good Friday, their desire to stack the General Holidays of Good Friday, Victoria Day, Canada Day, Labour Day, B.C.
