DEFINITIONS

1.1 **Work Week**

For regularly assigned employees - a week beginning on the first day on which the assignment is bulletined to work.

1.2 **Employee**

The word "employee" as used hereinafter shall be understood to mean any employee holding seniority under this Agreement.

1.3 **Temporary Vacancy**

A vacancy in a position caused by the regularly assigned occupant being absent from duty (including on vacation but excluding pre-retirement vacation) or temporarily assigned to other duties.

1.4 **Clerk**

The classification Clerk may be subdivided as follows:

Clerical Worker - Employees who regularly devote not less than four hours per day to the writing and calculating incident to keeping records and accounts, rendition of bills, reports and statements, handling of correspondence and similar work.

Machine Operator - Employees who regularly devote not less than four hours per day to the operation of office or station mechanical equipment requiring special skill and training, such as accounting, calculating, statistical and key punch machines, typewriters, dictaphone, telephones and other similar equipment.

The foregoing shall not be construed to apply to:

- Employees engaged in sorting bills, inserting and removing carbons, etc.;
- Junior Clerks, or to other employees doing similar work;
- Employees performing manual work not requiring clerical ability.

1.5 Mutually Arranged (or Mutually Agreed)

An agreement in writing between the proper officer of the Corporation and the designated National or Regional Representative of the Union.

1.6 Locally Arranged

An agreement between the local supervisory officer of the Corporation and the Local Chairperson of the Union.

1.7 The use of the masculine gender in this collective agreement includes the feminine and vice versa.

1.8 A years' service is defined as 250 days cumulative compensated service.

**ARTICLE 2
RECOGNITION AND SCOPE**

2.1 The Corporation recognizes UNIFOR as the sole collective bargaining agent with respect to wages, hours of work and other working conditions for all classes of employees recognized by the Canada Labour Relations Board certification order dated January 25, 1985, as well as equipment maintenance employees in the classifications represented by the Union.

2.2 In-charge positions will be created where required, in accordance with the established selection process:

- (a) Employees will be subject to an evaluation process to establish their suitability for the position prior to training in seniority order.
- (b) Employees will be provided with job aids to assist them in the selection process.
- (c) If an interview is part of the selection process, the employee may have a union representative present as an observer during the interview. Whenever practicable the employee's supervisor should not be one of the interviewers.
- (d) Employees will be advised of the passing grade(s) required before undergoing the selection process. They will be provided with their grade(s) at the end of the process and have an opportunity for feedback as to their performance.

- (e) Employees must subsequently successfully complete the required training program.

Once employees are qualified for the in-charge position, seniority will determine their job selection.

The in-charge position will be paid a premium rate of pay of \$50 per week above the rate of pay of the senior position within their work group.

The in-charge position will be designated bilingual in locations where the Corporation deems it is an operational requirement.

- 2.3** It is the policy of the Corporation to cooperate in every practical way with employees who desire advancement to official or excepted positions. Accordingly, such employees who make application to their supervisor or the Manager, Human Resources stating their desires, qualifications and experience will be given preference for openings in classifications in excepted positions providing they have the necessary capabilities.
- 2.4** The Corporation also accepts that the main function of Supervisors is to direct the work force. Supervisors and employees outside this bargaining unit should not engage, normally, in work currently or traditionally performed by employees in this bargaining unit.
- 2.5** Should there be a "sale of business" within the context of the Canada Labour Code, the provisions of this collective agreement shall be binding upon any successor or merged company or companies or any successor in the control of the Corporation. In the event there is a merger with another company in which the bargaining unit employees therein are represented by another union in such company, the representation rights and status quo of the Union shall be maintained until a final determination is made under the Canada Labour Code as to the proper representative of the combined group.
- 2.6** The Corporation shall acquaint all new employees, or employees who transfer from another agreement to work under this agreement, with the fact that a collective agreement is in effect. The Corporation shall supply a copy of this agreement and the Supplemental Agreement to all employees. Whenever possible, the Corporation will meet with the new employee within the first 10 working days to acquaint the employee with the conditions of employment, the Collective Agreement and the benefit package during which time the Local Chairperson, or authorized committee person will be given the opportunity to make a brief presentation of 30 minutes on behalf of the Union.

2.7 When the Corporation sells, leases, merges, amalgamates or transfers or agrees to sell, lease, merge, amalgamate or transfer its business or the operations thereof or any part of either of them, the Corporation or the purchaser, lessee or transferee or any of them will be a party to and be bound by the existing Collective Agreement/agreements or subsequent Collective Agreement/agreements entered into with the bargaining agent representing any employees affected by the sale, lease, merger, amalgamation, transfer or contract.

The Collective Agreement continues in force and is binding upon the parties to the aforementioned conditions.

ARTICLE 3 DEDUCTION OF UNION DUES

3.1

The Corporation shall deduct a set percentage from wages due and payable to each employee coming within the scope of this Collective Agreement. The percentage shall be 1.355% and payable every pay period, subject to the conditions and exceptions set forth hereunder and shall not include initiation fees or special assessments. The amount to be deducted shall not be changed during the term of this Agreement excepting to conform with a change in the amount of regular dues in accordance with the Union's constitutional provisions *and* shall be applicable on receipt by the Corporation of notice in writing from the Union of the change in percentage to deduct.

3.2 Intentionally left blank by the parties

3.3 Employees filling positions of a supervisory or confidential nature not subject to all the rules of the agreement as may be mutually agreed between the designated officers of the Corporation and of the Union shall be excepted from dues deductions.

3.4 Membership in the Union signatory hereto shall be available to any employee eligible under the constitution of the Union on payment of the initiation or reinstatement fees uniformly required of all other such applicants by the local concerned. Membership shall not be denied for reasons of race, national origin, color, religion, or gender.

3.5 Deductions for new employees shall commence on the first pay period.

3.6 Employees filling positions in more than one wage agreement during a pay period will pay union dues under the wage agreement in which they are working on the day the dues are deducted.

- 3.7** Only payroll deductions now or hereafter required by law, deduction of monies due or owing the Corporation and pension deductions shall be made from wages prior to the deduction of dues.
- 3.8** The amounts of dues so deducted from wages accompanied by a statement of deductions from individuals shall be remitted by the Corporation to the officer or officers of the Union, as may be mutually agreed by the Corporation and the Union, not later than 40 calendar days following the pay period in which the deductions are made.
- 3.9** The Corporation shall not be responsible financially or otherwise, either to the Union or to any employee, for any failure to make deductions or for making improper or inaccurate deductions or remittances. However, in any instance in which an error occurs in the amount of any deduction of dues from an employee's wages, the Corporation shall adjust it directly with the employee. In the event of any mistake by the Corporation in the amount of its remittances to the Union, the Corporation shall adjust the amount in a subsequent remittance. The Corporation's liability for any and all amounts deducted pursuant to the provisions of this Article shall terminate at the time it remits the amounts payable to the designated officer or officers of the Union.
- 3.10** The question of what, if any, compensation shall be paid to the Corporation by the Union in recognition of services performed under this Article shall be left in abeyance subject to reconsideration at the request of either party on 15 days' notice in writing.
- 3.11** In the event of any action at law against the parties hereto or either of them resulting from any deduction or deductions from payrolls made or to be made by the Corporation pursuant to Article 3.1, both parties shall cooperate fully in the defense of such action. Each party shall bear its own cost of such defense except that if at the request of the Union counsel fees are incurred these shall be borne by the Union. Save as aforesaid the Union shall indemnify and save harmless the Corporation from any losses, damages, cost, liability, or expenses suffered or sustained by it as a result of any such deduction or deductions from payrolls.
- 3.12** The Corporation will pay monthly to the Union \$0.13 per compensated hour for each employee in the bargaining unit to reimburse Union Representatives for time off the job in the performance of union duties on behalf of employees within bargaining units at VIA represented by the Union.

ARTICLE 4 HOURS OF WORK

Articles 4.12 to 4.28 are applicable to part-timework.

4.1 Except as otherwise provided in Articles 4.2, 4.3, and 4.5 and in the Wage Scale, eight consecutive hours of service, exclusive of the meal period, shall constitute a day's work.

Note: refer to Appendix V.

4.2 Employees may be assigned to work eight consecutive hours and allowed 30 minutes in which to eat without deduction in pay, said meal period to begin no sooner than the end of the third hour and end no later than the beginning of the fifth hour.

4.3 Where the work is of an intermittent character, there being no work for periods of more than one hour's duration for one or more employees, and their services cannot otherwise be utilized, split trick assignments may be established. Such split trick assignments will be confined to not more than two tours of duty within a spread of twelve consecutive hours. Split trick assignments will not be established until agreed to by the designated National or Regional Representative of the Union or, in the case of a dispute, until a decision has been rendered authorizing establishment. The spread of hours may be extended by mutual agreement to take care of exception conditions.

4.4 Where it has been the practice for weekly rated employees to work less than eight hours per day, that practice shall be continued unless changed on account of conditions beyond the control of the Corporation. Should conditions occasionally demand, employees working such reduced hours may be required to work eight hours per day and overtime will not accrue until after eight hours' service has been performed. To take care of regular requirements such employees may be required to work extra hours on certain days and overtime shall only accrue after eight hours' service has been performed.

4.5 Regularly assigned employees who report for duty on their regular assignments shall be paid eight hours at their regular rate. Employees who are permitted to leave work at their own request shall be paid at the hourly rate for actual time worked, except as may be otherwise arranged locally.

An employee prevented from completing a shift due to a bona fide injury sustained while on duty will be paid for his full shift at straight time rates of pay, unless the employee receives Worker's Compensation benefits for the day of the injury in which case the employee will be paid the difference between such compensation and payment for the full shift.

- 4.6** Employees shall be allowed a regular meal period of not less than 30 minutes nor more than one hour, said meal period to begin no sooner than the end of the third hour, and end no later than the beginning of the fifth hour. Should an employee not be allowed a meal period within the agreed hours, he shall be paid for his meal period at the punitive rate and at the first opportunity allowed 30 minutes for lunch without deduction in pay.
- 4.7** The starting time of employees on regular full-time assignments shall not vary by more than two hours from the earliest to the latest starting time on all days of the week. Not less than seven calendar days' notice will be given when changes are required unless circumstances justify a shorter notice. The employee and the local chairperson shall be notified in writing of such changes. Regular relief assignments will correspond to the starting time, duties and work locations of the employees relieved.
- 4.8** Unless necessary to meet the requirements of the service, employees will not be required to commence work between 0001 hours and 0600 hours. Reasons for such requirements will be provided to the designated National or Regional Representative of the Union in writing not less than seven calendar days prior to the commencement of such shift.
- 4.9** Regular relief assignments will provide 80 hours of work and four rest days over a 14-day period. Whenever possible, such assignments will be for five days' work per week and two rest days, preferably consecutive. Regular relief assignments will in all cases provide at least one rest day per calendar week; however, when an employee bids different successive relief assignments, that condition may not be fulfilled. They shall be established to perform necessary relief work or to perform relief work on certain days and such types of other work on other days as may be assigned under this Agreement.
- 4.10** Where it is impracticable to establish relief assignments in accordance with Article 4.9, the designated National or Regional Representative of the Union and the proper officer of the Corporation may by mutual agreement arrange for relief assignments on such other basis as may be suitable. Consent to such proposed arrangements shall not be unreasonably withheld in cases where employees would otherwise be required to work on assigned rest days or unreasonable travel time would be involved.
- 4.11** Notwithstanding the provisions of Articles 4.5 and 6, regular assignments consisting of four days of 10 hours may be established as mutually arranged.

Note: refer to Appendix V.

4.12 The Corporation recognizes that every effort shall be made to establish and maintain as many regular full-time assigned positions as is practical. Within that context, part-time employees can be defined as employees required to perform work during certain periods of a day or on days of the week which, taking into account staffing requirements, cannot practically be made part of regular full time assigned positions in accordance with the applicable provisions of the Collective Agreement. The Corporation will review any alternative put forth by the Union to establish the feasibility of creating regular full-time assignments.

4.13 The maximum number of part-time employees at any point in time will not exceed one such employee for every three regular full-time assigned positions established system wide. The Corporation will supply to one designated Union officer the number of regular full-time positions and regular part-time assignments in the system. This report will be supplied to one designated Union officer on a quarterly basis thereafter.

NOTE: For the purposes of calculating the one for three ratios, the number of part-time employees relieving on regular full-time assigned positions will not be included in the calculation. Reductions of the labour force causing employees displaced from regular full-time assignments to elect to protect part-time work will not be construed as reason to exceed the maximum number of part-time employees permitted at any given time.

The junior part-time employee will be placed on laid-off status if an employee displaced in accordance with Article 13.3 elects to protect part-time work when the Corporation already has the maximum number of part-time employees permitted. Senior laid-off employees may be recalled at their option to part-time work to fill out the number of part-time employees permitted at any point in time. The monitoring of the part-time ratio will be at the System level and any grievances that result there from will take place at Step 3 of the grievance procedure.

Where regular part-time assignments have been established as mutually arranged, in accordance with the provisions of Articles 4.12 through 4.26 and where the Corporation determines that a part time assignment is no longer required, a senior part-time employee holding such assignment may displace a junior part-time employee in his region for whose position he is qualified.

In the event a senior part-time employee displaces another part-time employee outside their seniority group (JSET), the conditions of article 27.5 will apply.

4.14 Part-time employees will be called in seniority order (unless otherwise locally arranged) but will not be required to work more than one tour of duty in any calendar day, though they may elect to accept a second tour of duty on a voluntary basis. Such tours of duty to be paid at regular rates.

- 4.15** Part-time employees shall not be required to report for work unless provided with a minimum of three hours' notice prior to the commencement time of the work assignment required. The calling procedure will be as locally arranged.
- 4.16** If the senior part-time employee cannot be contacted or fails to respond, the guarantee referred to in Article 4.25 will be reduced by the number of hours the employee would have worked. The junior employee must accept the call unless there is a bona fide reason.
- 4.17** Part-time employees will be guaranteed a minimum of four hours' pay for each tour of duty, except upon relieving a regular full-time assignment, in which case the part-time employee shall, subject to Article 4.5 or 4.11, be paid the regular hours of the shift being relieved. However, part-time employees accepting on a voluntary basis to work two tours of duty in any calendar day will be guaranteed a minimum of eight hours for two tours of duty, but the tours of duty can be split unevenly.
- 4.18** Part-time employees may work overtime as locally arranged in writing with due regard to Article 5.1. Overtime rates of pay will apply after eight hours in a day or 40 hours in a workweek.
- 4.19** Part-time employees will earn the hourly rate applicable to the work performed, in accordance with this Collective Agreement.
- 4.20** Part-time employees shall be included in the Health, Welfare and Pension Plans provided by the Corporation.
- 4.21** Except in emergencies, part-time employees shall not be called for duty in any seven-day period commencing Friday after they have completed 40 hours' work in such period.
- 4.22** Where work is required by the Corporation to be performed on a day which is not part of any assignment, it may be performed by an available part-time employee who would otherwise not have 40 hours of work that week.
- 4.23** Any other provision in this collective agreement relating to part-time employees shall also be applicable.
- 4.24** Part-time employees are those that have less than eight hours per day or less than 40 hours per week. The Corporation and Union agree that there shall be one category of part-time employee which is outlined in this agreement.
- 4.25** Part-time employees will be guaranteed a minimum of 20 hours per week.

- 4.26** It is not intended that part-time employees will result in the abolishment of regular assigned positions. If at any time the employment of a part-time employee does result in abolishing a regular assigned position, the Union will be given at least three months' notice and the employee affected will be entitled to maintain his basic rate of pay with a minimum of 40 hours per week, on a "Maintenance of Earnings" basis.
- 4.27** Regular part-time assignments may be established as mutually arranged, in accordance with the provisions of Articles 4.12 through 4.26, where applicable.
- 4.28** Regular part-time vacancies of 10 working days or less may be filled without the necessity of posting a notice. Vacancies of more than 10 days' duration, and new regular part-time assignments, may be filled by either posting a notice for a period of 3 days or canvassing eligible employees in seniority order at the same terminal. If there are no qualified applicants, employees will be recalled from lay-off in accordance with Article 13.
- 4.29** a) The following work rules apply to part-time employees: Articles 4.12 to 4.28, 5.3, 5.8, 8.2, 8.5 (b), 8.5 (c), 8.7, 9.23, 9.24, 9.25, 11.1, **12.1, 12.6, 12.7 (a) 13.3 (c), 13.5, 13.13, 13.14, 13.15, 16.3, 16.4.**

Note: Any part time employee that is awarded a 12.1 temporary position will be allowed to displace onto another temporary 12.1 or 12.6. The employee will not see their status change to full time during this temporary assignment.

At the expiration of the temporary assignment, if the employee is unable to displace onto a temporary 12.1 or 12.6 position, such employee must displace under article 13.3 (c) of the Collective Agreement and will continue to be considered a part time employee.

- b) Part-time employees remain governed by any articles in the Collective Agreement outlining employees' rights, benefits, and obligations other than work rules.

ARTICLE 5 OVERTIME AND CALLS

- 5.1** Time worked by employees on regular assignments, continuous with, before, or after the regularly assigned hours of duty shall be considered as overtime and shall be paid at one and one-half times the hourly rate of pay in minimum increments of 15 minutes. Every effort will be made to avoid the necessity for overtime; however, when conditions necessitate, employees will perform authorized overtime work as locally arranged in writing. In the absence of a local arrangement, overtime will be offered to qualified employees in seniority order, failing which the junior qualified employee will be required to work such

overtime. An employee required to work overtime for more than two hours, continuous with completion of that employee's regular tour of eight hours' duty will be allowed without deduction of pay, 20 minutes in which to eat, immediately upon completion of two hours' overtime.

- 5.2** There shall be no overtime on overtime. Time worked in excess of 40 hours in a work week shall be paid for at time and one-half, but overtime hours paid for under Article 5.1, shall not be utilized in computing the 40 hours per week. However, up to eight hours paid for on holidays or when changing shifts may be so utilized. In addition, time paid for as arbitraries or special allowances (e.g., attending court, deadheading, travel time) shall be utilized in computing overtime when such payments apply during assigned working hours, or where such time is now included under existing articles in computations leading to overtime.
- 5.3** Time worked in excess of the regularly assigned hours, due to changing shifts, shall be paid at hourly rates, if due to application of seniority rules or where such changes in shifts are locally arranged.
- 5.4** Employees will not be required to suspend work during regular hours to absorb overtime.
- 5.5** Overtime shall be worked only by direction of proper authority. Where advanced authority is not obtainable, overtime will not be allowed unless claim is made to the proper officer within 72 hours from the time service is performed.
- 5.6** Regularly assigned employees notified, or called to work not continuous with, before, or after their regular assigned hours, shall be allowed a minimum of three hours at one and one-half times the hourly rate for three hours' work or less. This does not apply to employees whose calls are cancelled before leaving home.
- 5.7** The hourly rate for weekly rated employees is computed by dividing the weekly rate by 40.
- 5.8** Employees required to work on their assigned rest days shall be paid at one and one-half times their hourly rate with a minimum of three hours for which three hours service may be required, except:
- (a) as otherwise provided under Article 6.
 - (b) where such work is performed by an employee moving from one assignment to another or to or from part-time status in the application of seniority or as locally arranged.
- 5.9** Overtime lists shall be updated every second week, or as otherwise locally agreed, and posted on all bulletin boards with copy to the chairperson.

ARTICLE 6 REST DAYS

- 6.1** Employees will be assigned two rest days in each seven-day period, subject to the following:
- (a) the work week may be staggered in accordance with the Corporation's operation requirements;
 - (b) in the instances of change in days of service, four working days' advance notice will be given to the assigned employees whose positions are affected. The Local Chairperson will be supplied with a copy of any notice.
- 6.2** The rest days shall be consecutive as far as is possible consistent with the establishment of regular relief assignments and the avoidance of working an employee on an assigned rest day. Preference shall be given to Saturday and Sunday, then to Friday and Saturday, then to Sunday and Monday. In any dispute as to the necessity of departing from the pattern of two consecutive rest days, or for granting rest days other than Friday, Saturday, Sunday, and Monday, it shall be incumbent on the Corporation to show that such departure is necessary to meet operational requirements and that otherwise additional relief service or working an employee on an assigned rest day would be involved.
- 6.3** On positions where it is not reasonably practicable to provide regular relief each week, the rest day or days for which relief is not provided may be accumulated and granted at a later date in accordance with understandings to be worked out between the designated National or Regional Representative of the Union and the proper officer of the Corporation.
- 6.4** In the event that a situation arises which makes it impracticable to assign consecutive rest days to all employees at a particular point the following procedure shall be followed:
- (a) Full-time regular relief positions shall be established pursuant to Article 4.9;
 - (b) Possible use of rest days other than Saturday, Sunday or Monday, where these may be required under this Agreement, to be explored by the parties;
 - (c) Accumulation of rest days under Article 6.3 shall be considered;

- (d) Other suitable or practicable plans which may be suggested by either of the parties shall be considered and efforts made to come to an agreement thereon;
- (e) If the foregoing does not solve the problem, then some of the relief or extra employees may be given non-consecutive rest days;
- (f) If after all the foregoing has been done, there still remains service which can only be performed by requiring employees to work in excess of five days per week, the number of regular assignments necessary to avoid this may be made with two non-consecutive days off;
- (g) The least desirable solution of the problem would be to work some regular employees on the sixth or seventh day at overtime rates and thus withhold work from additional relief men.

ARTICLE 7 SPARE BOARDS

- 7.1** Spare Boards may be established as required under conditions to be arranged between the proper officer of the Corporation and the designated National or Regional Representative of the Union.

ARTICLE 8 GENERAL HOLIDAYS

- 8.1** All employees, from their first day of work, are entitled to a holiday with pay on each of the following general holidays. When a general holiday falls on an employee's rest day, such holiday shall not be moved to the normal working day immediately following the employee's rest day.

If, in any province or part thereof, a holiday is more generally recognized than any one of the holidays specified above, the signatories hereto will substitute such holiday therefore in that province or part thereof. If such signatories fail to agree that such holiday is more generally recognized, the dispute will be submitted to arbitration for final decision.

8.2 In order to qualify for any one of the holidays specified in paragraph 8.1, an employee not regularly assigned to a full-time weekly-rated position;

- a) must be available for duty on such holiday if it occurs on one of his work days excluding vacation days except that this does not apply in respect of an employee who is laid off or suffering from a bona fide injury, or who is hospitalized on the holiday, or who subsequently qualifies for, weekly sickness benefits because of illness on such holiday; a regularly assigned employee who is required to work on such general holiday shall be given an advance notice of seven calendar days, except for unforeseen exigencies of the service, in which case he will be notified not later than the completion of his shift or tour of duty immediately preceding such holiday that his services will be required. Straight time rate of pay will be the rate of pay of the last position worked prior to the general holiday.

An employee who is again fit for duty shall immediately so inform the corporate officer in charge and will continue his vacation if within his scheduled dates. If the remaining vacation falls outside the employee's scheduled dates, such vacation will be rescheduled as may be locally arranged.
- 9.7** An employee who, due to sickness or injury, or on an authorized leave of absence for union business, is unable to take or complete his annual vacation in that year shall, at the option of that employee, have the right to have such vacation carried to the following year.
- 9.8** An employee who is entitled to vacation shall take same at the time scheduled. If, however, it becomes necessary for the Corporation to reschedule an employee's scheduled vacation dates, he shall be given at least 15 working days' advance notice of such rescheduling and will be paid at the rate of time and one half his regular rate of wages for all work performed during the scheduled vacation period. The rescheduled vacation with pay to which he is entitled will be granted at a locally agreed upon later date. This Article 9.10 does not apply where rescheduling is a result of an employee exercising his seniority to a position covered by another vacation schedule.
- 9.9** (a) Provided an employee render compensated working service in any calendar year, time off duty account bona fide illness, injury, union business in accordance with Articles 17.2, 17.3 and 17.4, called to court as a witness, or for uncompensated jury duty, not exceeding a total of 150 days in any calendar year, shall be included in the computation of service for vacation purpose.
- (b) An employee who takes an authorized leave of absence for maternity and/or parental in accordance with the terms and conditions of the Canada Labour Code, Part III shall have such period included in the computation of service for vacation purposes.

- 9.14** (a) In the event an employee is laid off, they may elect either;
- (i) To receive payment in lieu of vacation for all outstanding vacation due to them at the beginning of the current calendar year, or;
 - (ii) To take the vacation at the time allotted to them pursuant to Article 9.20 or 9.21.
- (b) If the employee is laid off at the time the vacation was scheduled, they shall receive payment in lieu of vacation for all outstanding vacation due to them.
- (c) In the event there is a payment made in lieu of vacation, the number of days of vacation represented by the payment will be included in the computation of cumulative compensated service.

- 9.17** Applications for annual vacations from employees shall be filed prior to February 1st in the group where the employees are currently holding a position.

9.18 Applications filed prior to February 1st, insofar as it is practicable to do so, will be allotted vacation during the summer season, in order of seniority of applicants, and unless otherwise locally arranged, the vacation period shall be continuous. Applicants will be advised in writing in February of dates allotted them in the group where applicants are currently holding a position, and unless otherwise locally arranged, employees must take their vacation at the time allotted.

9.19 Unless otherwise locally arranged, employees who do not apply for vacation prior to February 1st, shall be required to take their vacation at a time to be prescribed by the Corporation.

9.20 Notwithstanding Article 12.1 and 12.6, the Manager responsible for vacation allocation and the Local representative or his/her delegate will meet in November each year to review vacation scheduling in order to, as far as practicable, make local arrangements to carry on work while members are on vacation without incurring additional expense for the Corporation.

Should such arrangements result in the establishment of a vacation relief position, it shall be bulletined in accordance with Article 12. If this is not practicable (first sentence), employees engaged temporarily, or employees temporarily promoted from one position to another, to provide vacation relief, will, if definitely assigned to fulfil the duties and responsibilities of a higher rated position, be paid the schedule rate applicable to such position.

9.21 Employees who exercise their seniority after vacation dates are allotted and transfer from the group to which assigned when vacation dates were allotted will be required to return to such group at least 30 days prior to the scheduled start date of the vacation, failing which they must take their vacation at a time as locally arranged.

9.22 Part-time employees will be compensated for vacation on the basis of a percentage of their previous year's gross earnings, the percentage amounts to be determined based on entitlement as specified under Articles 9.1 through 9.5 of this agreement, that is, 2% per week of vacation:

2 weeks' vacation	-	4%

ARTICLE 10 SENIORITY GROUPINGS

- 10.1** For the purpose of seniority, employees will be grouped as:

VIA Atlantic
VIA Ontario
VIA Quebec
VIA West

ARTICLE 11 SENIORITY

- 11.1** An employee will be considered on probation until they have completed eighty (80) days of actual work in the service of the Corporation. The probationary period commences following the successful completion of training. The employees may be removed for cause, which, in the opinion of the Corporation, renders the employee unsuitable for its service during such period. A Union representative or designate will be invited to participate in the meeting which may be in person or by phone when an employee on probation is discharged or disciplined. The probationary employee shall have access to the grievance procedure.

- 11.2** A seniority list will be maintained for each seniority group showing seniority numbers, names, positions, location, and date of last entry into the Corporation's service in a position covered by such seniority group, from which date seniority will accumulate. Seniority lists will be maintained by the Corporation and a copy furnished to the designated National or Regional Representative of the Union and the Local Chairperson concerned in February, June, and October of each year.

A copy of the appropriate seniority list will be posted each February in a location suitable for the employees concerned. The date the seniority list is posted at each location will be shown on the seniority list.

11.3 (a) Employees service dates will be established upon initially entering training. The name of an employee shall be placed on the seniority list immediately upon successful completion of training and will be retroactive to their service date. Due to the impact of varying start times to work shifts/schedules for establishing seniority, the following process will be used to determine seniority when more than 1 person commences work in the same seniority group:

With the designated union representative for the group present during the prescribed training period as outlined in the collective agreement, a random draw with all the names of current entry level participants will be conducted by the union representative in order to establish seniority.

Employees will remain on the seniority list providing they have compensated service under Agreement No. 1 or No. 2 within 24 months from the day of last entry into service on a position covered by Agreement No. 1 or No. 2, and any period of 24 months thereafter, otherwise they will forfeit their seniority, their name will be removed from the seniority list and their employment will be terminated. The above period of 24 months will commence after the weekly lay-off benefits terminate.

If the affected employee wishes to maintain his seniority, they must so notify the Department Director, or his designate, in writing prior to the completion of the 24-month period. This period will be extended for a further 12 months. If no actual work is performed by the employee for the Corporation within the further 12-month period, the employee then will forfeit his seniority, his name will be removed from the seniority list and his employment with the Corporation will be terminated.

Furthermore, when an employee is on an authorized leave of absence for any reason (i.e., illness, injury, Union leave, WCB and others), he is considered to be as having been on compensated service. The designated National or Regional Representative of the Union shall be provided with a list of the names of those employees who have been removed from the seniority list through the application of this article.

(b) Employees while filling positions under this Agreement who accept positions covered by another wage agreement may continue to fill such positions for a continuous period up to 6 months without loss of seniority. Provided they can hold work on their own seniority region, such employees shall exercise their seniority at, or prior to, the expiration of such 6-month period, or forfeit their seniority rights under this Agreement.

An employee who chooses to remain within the new collective agreement will be eligible for Job Security under the Supplemental Agreement after (2) two years or more of service in the new collective agreement.

As a result, Weekly Lay-off Benefits will be based on the employee's service in the new agreement.

Upon reaching two years' service in the new agreement, transferred employees will be entitled to Weekly Lay-off Benefits based on the calculation of service from the date of entry into the Corporation's service as an employee.

NOTE: The present article will not apply to employees who are transferred from one Agreement to another under a duty to accommodate agreement. Accommodated employees' service will be calculated as though they had not transferred agreements and in accordance with the Supplemental Agreement.

Employees currently on Job Security benefits will remain eligible for such benefits in accordance with the Supplemental Agreement.

- 11.4** Protests respecting seniority status must be submitted in writing within 60 calendar days from the date seniority lists are posted. When proof of error is presented by an employee or his representative, such error will be corrected and when so corrected the agreed upon seniority date shall be final. No change shall be made in the existing seniority status of an employee unless concurred by the designated National or Regional Representative of the Union.
- 11.5** No change shall be made in the seniority date accredited an employee which has appeared on two consecutive annual seniority lists unless the seniority date appearing on such lists was protested in writing within the 60-calendar day period allowed for correctional purposes. Names which have not appeared on two consecutive annual seniority lists shall not be restored to such seniority lists except in accordance with Article 11.13 or by agreement with the designated National or Regional Representative of the Union. A supplemental bulletin will be issued by the Corporation and posted by June 30th of each year showing any corrections to the seniority list as provided for above.
- 11.6** An employee with less than one year's seniority who, while filling a position under this Agreement, accepts a non-supervisory position under another wage agreement shall forfeit his seniority under this Agreement and his name shall be removed from the seniority list. This shall not apply when the employee accepts temporary and/or relief work under another wage agreement but should such temporary and/or relief work extend into a continuous period exceeding six months, he shall forfeit his seniority under this Agreement and his name shall be removed from the seniority list.

11.7 An employee with one year's seniority or more who, while filling a position under this Agreement, accepts non-supervisory work under another wage agreement shall be permitted to perform such work for a continuous period up to six months without loss of seniority. However, provided he can hold work in his own seniority group, he must return to such group at or prior to the expiration of such six-month period or forfeit his seniority rights under this Agreement and his name shall be removed from the seniority list. After return from work under another wage agreement, the employee must remain on a position covered by this Agreement for a continuous period of at least six months. If he returns to work under another wage agreement before the expiration of such six months, except when required for emergency work under another wage agreement, he will forfeit his seniority under this Agreement.

11.8 The provisions of Articles 11.6 and 11.7 shall not apply to an employee who, while holding seniority rights under another wage agreement, obtains employment and establishes seniority rights under this Agreement. If such an employee, while filling a position under this Agreement, exercises his seniority under the provisions of another wage agreement, his name shall be removed from the seniority list. An employee shall not be regarded as having exercised seniority rights when used for emergency service only.

11.9 (a) Permanent Positions

An employee holding seniority under this Agreement and who is presently filling or who may in the future be promoted to an official permanent position with the Corporation which is excepted from any provision of this or any Collective Agreement, will have his or her name continued on the seniority list of the group from which promoted at his or her home seniority terminal and will retain seniority rights and continue to accumulate seniority while so employed for the duration of six (6) cumulative months. The employee shall be required to pay unions dues at the rate of the last position held prior to being staffed out for the duration of six (6) cumulative months for the sole purpose of protecting seniority. The corporation will be required to provide written notice to the Regional Representative of promotions at the time when the employee is staffed out.

Thereafter, such employee will cease to accumulate any further seniority until such employee returns to a position within the bargaining unit. The period of six cumulative months may be extended through a management-union accord.

When an employee who has not forfeited his seniority under the above provisions, is released from such excepted employment, except at his own request or as provided in Article 12.19, he may exercise his seniority rights to any position in his seniority group which he is qualified to fill. He must make his choice of a position, in writing, within 10 calendar days from the date of release from excepted employment and commence work on such position within 30 calendar days from the date of release from excepted employment. Failing this, he shall forfeit his seniority and his name shall be removed from the seniority list.

NOTE: When an employee is promoted to an excepted position his position will be filled in accordance with Article 12.1. When released from the excepted position he must exercise seniority within his seniority group for which he is qualified to fill.

NOTE: If the employee who is temporarily promoted does not advise the Regional Representative in writing before the end of the next pay period of the date, he is occupying a management position, the employee's seniority will be forfeited as of the date he started on the excepted management position.

(b) Temporary Positions

An employee holding seniority under this Agreement and who is presently filling or who may in the future be promoted temporarily to an official or any Temporary position with the Corporation which is excepted from any provision of this or any Collective Agreement, will have his name continued on the seniority list of the group from which promoted at his home seniority terminal and will retain seniority rights and continue to accumulate seniority while so employed for a period of twelve (12) consecutive months. The employee shall be required to pay unions dues at the rate of the last position held prior to being staffed out for the duration of the twelve (12) consecutive months for the sole purpose of protecting seniority. Thereafter, such employee will cease to accumulate any further seniority until he returns to a position within the bargaining unit. The appropriate officer of the Corporation shall advise the Regional Representative in writing of such temporary promotions and the duration thereof at the time when the employee is staffed out. The period of twelve consecutive months may be extended through a mutual agreement

When an employee who has not forfeited his seniority under the above provisions, is released from such excepted employment, except at his own request or as provided in Article 12.19, he may exercise his seniority rights to any position in his seniority group which he is qualified to fill. He must make his choice of a position, in writing, within 10 calendar days from the date of release from excepted employment and commence work on such position within 30 calendar days from the date of release from excepted employment. Failing this, he shall forfeit his seniority and his name shall be removed from the seniority list.

NOTE: When an employee is temporarily promoted to an excepted position for less than 90 days his position will be filled in accordance with Article 12.6. When released from the excepted position he must return to his regular assignment.

NOTE: In the application of this paragraph, should an employee holding a non-scheduled, official, or excepted position be set back to a position covered by this Collective Agreement for a period of less than 90 days such time will be considered as part of the twelve (12) consecutive months.

NOTE: If the employee who is promoted temporarily does not advise the Regional Representative in writing before the end of the next pay period of the date, he is occupying a management position, the employee's seniority will be forfeited as of the date he started on the excepted management position.

If the 12-month temporary position becomes permanent, the seniority will freeze at the end of the 6-month period.

(c) Temporary Training Instructor

An employee holding seniority under this agreement and who is presently filling or who may in the future be promoted to an official or excepted position as temporary training instructor with the Corporation which is excepted from any provision or any Collective Agreement will have his or her name continued on the seniority list of the group for a period of twelve months from which promoted at his or her home seniority group and will retain seniority rights and continue to accumulate seniority while so employed. The employee shall be required to pay unions dues at the rate of the last position held prior to being staffed out for the duration of the twelve (12) consecutive months for the sole purpose of protecting seniority. The Corporation will notify the Regional representative in writing of such promotions at the time the employee is staffed out.

When an employee who has not forfeited his seniority under the above provisions, is released from such excepted employment, except at his own request or as provided in Article 12.19, he may exercise his seniority rights to any position in his seniority group which he is qualified to fill. He must make his choice of a position, in writing, within 10 calendar days from the date of release from excepted employment and commence work on such position within 30 calendar days from the date of release from excepted employment. Failing this, he shall forfeit his seniority and his name shall be removed from the seniority list.

NOTE: When an employee is temporarily promoted to an excepted position for less than 90 days his position will be filled in accordance with Article 12.6. When released from the excepted position he must return to his regular assignment.

NOTE: If the employee who is promoted temporarily does not advise the Regional Representative in writing before the end of the next pay period of the date, he is occupying a management position, the employee's seniority will be forfeited.

If the 12-month temporary position becomes permanent, the seniority will freeze at the end of the 6-month period.

11.10 The name of an employee who has been or is transferred from a position covered by this Agreement to a position with an association affiliated with the Corporation, e.g. The Railway Association of Canada, will be continued on the seniority list for the group in which he holds seniority and shall continue to accumulate seniority while so employed. Such individual, when released from such employment, except as provided in Article 12.19, may exercise his seniority rights to any position in his seniority group which he is qualified to fill. He must make his choice of a position, in writing, within 10 calendar days from the date of release from such other employment and commence work on such position within 30 calendar days from the date of release from such other employment. Failing this, he shall forfeit his seniority and his name shall be removed from the seniority list.

11.11 The name of an employee transferred with his work from a staff covered by this Agreement to a staff not covered by this Agreement, shall be removed from the seniority list.

11.12 The seniority status of an employee transferred with his work from a staff not covered by this Agreement to a staff covered by this Agreement shall be decided by agreement between the proper officer of the Corporation and the designated National or Regional Representative of the Union. The basis of such decision shall be the seniority to which he would have been entitled had his service on such other staff been governed by the terms of this Agreement.

11.13 An employee who has been discharged and is subsequently returned to the service on a position covered by this Agreement will only be allowed seniority from the date of his return to the service, unless reinstated with his former seniority status. An employee who is not reinstated with his former seniority status within two years of the date of his discharge may only be so reinstated by agreement between the proper officer of the Corporation and the designated National or Regional Representative of the Union.

ARTICLE 12 BULLETINING AND FILLING OF POSITIONS

12.1 Temporary vacancies, newly created positions, or seasonal positions, any of which are known to be of more than 90 calendar days' duration, and vacancies in permanent positions will be bulletined on the Region to the seniority group concerned.

12.2 When required, Regional bulletins will be issued every third Wednesday. Bulletins will be posted promptly for a period of 12 calendar days in places accessible to all employees affected and a copy of each bulletin will be furnished to the Local Chairperson concerned.

12.3 All bulletins will show classification and location of the position, general description of duties, necessary qualifications (where applicable), rate of pay, level of the position, hours of assignment including meal period, assigned rest days, the approximate date of commencement for seasonal and temporary assignments and their approximate duration. Where the nature of the work will require the successful applicant to perform his duties outside, such information will be specified in the bulletin.

Employees other than those referred to in Article 11.9 desiring such position will submit written application showing seniority number, present classification and location, together with their qualifications. Except as provided in Article 12.4, applications must be filed to reach the designated officer not later than the twelfth day after the date of bulletin. As evidence that an application has been submitted each applicant must forward a copy of his application to his Local Chairperson.

12.4 A permanent position shall be declared vacant and bulletined only to the seniority group at the station or terminal affected, when the regularly assigned starting time or spread of hours is changed two hours but less than eight hours or assigned rest day or days are changed. Such position shall be awarded to the qualified senior employee at such station or terminal affected who makes written application therefore within five calendar days from the date the bulletin is posted, and subsequent vacancies will be advertised in the same manner.

An employee displaced as a result of the foregoing must within three calendar days of being displaced exercise his seniority rights to another position which he is qualified to fill in his own seniority group at his station or terminal. When the starting time or spread of hours of a position is changed eight hours or more, the position will be bulletined to the region.

12.5 When the assigned starting time or spread of hours of a position is changed one hour or more but less than two hours, the meal period is changed, the incumbent of such position may exercise his seniority to another position within the same classification at the same office or station. The employees affected thereby will exercise their seniority within the same classification at the same office or station. Such employees will not be considered as displaced within the meaning of Article 13.

12.6 Temporary vacancies, newly created positions, and seasonal positions, when known to be for 90-calendar days' duration or less, will not be bulletined. However, suitable advice notice will be posted, as required, at the station or terminal affected and a copy of the advice notice will be sent to the Local Chairperson. Such position shall be awarded to the qualified senior employee on the Region who makes application therefore within five calendar days from the date notice is posted. The successful applicant shall be permitted to assume the temporary vacancy within 10 days from the date the advice notice is posted. Applications from regularly assigned employees will only be accepted when it is known the vacancy is for more than 10 working days and when it involves an increase in rate of pay, or a change in shift, or rest day or days. When other qualified employees are available regularly assigned employees will not be allowed to commence work on a temporary vacancy and work their regular assignment on the same day.

Note: For a ninety (90) day period expiring one week following labour day, employees awarded a 12.6 assignment, will be required to remain on the assignment for the length indicated. Exception will be made if the employee bids on and obtains a vacant permanent position posted under article 12.1 or on a training posted under article 16.3, 16.4 or any other 12.6 vacancy within the department or is displaced.

12.7 Temporary vacancies of 10 working days or less, and vacancies in other positions pending occupancy by the successful applicant may be filled without the necessity of advice notice or bulletin:

- (a) first by a qualified part-time employee who has not completed 40 hours of work for any particular week;
- (b) then by a senior qualified regularly assigned employee at the same station or terminal who desires such work.

An employee filling a temporary vacancy pending occupancy by the successful applicant will not be subject to displacement during the first 30 days of occupancy. When it is known that a temporary vacancy will occur, employees desiring the position may be required, as locally arranged, to make their intentions known some time prior to the starting time of the vacancy. The employee, so assigned, will not be subject to displacement during such period, except by a senior qualified employee unable to hold work at the station or terminal affected.

12.8 An employee, who has applied for a bulletined position, may cancel his application provided written cancellation reaches the designated officer not later than the twelfth calendar day after date of a Regional bulletin or the fifth calendar day in the case of a station bulletin. As evidence that the application has been cancelled, the employee must forward a copy of his cancellation to the Local Chairperson.

APPENDIX C
LETTER ON CONTRACTING OUT

May 14, 1987

Mr. T. McGrath
National Vice-President
C.B.R.T. & G.W.
2300 Carling Avenue
Ottawa, Ontario
K2B 7G1

Dear Mr. McGrath:

This has reference to the award of the Arbitrator, the Honourable Emmet M. Hall, dated December 9, 1974, concerning the contracting out of work.

In accordance with the provisions as set out on Page 49 of the above-mentioned award, it is agreed that work presently and normally performed by employees represented by the Union will not be contracted out except:

- 1) when technical or managerial skills are not available from within the Railway; or
- 2) where sufficient employees, qualified to perform the work, are not available from the active or laid-off employees; or
- 3) when essential equipment or facilities are not available and cannot be made available from Railway-owned property at the time and place required; or
- 4) where the nature or volume of work is such that it does not justify the capital or operating expenditure involved; or
- 5) the required time of completion of the work cannot be met with the skills, personnel or equipment available on the property; or
- 6) where the nature or volume of the work is such that undesirable fluctuations in employment would automatically result.

The conditions set forth will not apply in emergencies, to items normally obtained from manufacturers or suppliers, nor to the performance of warranty work.

It is further agreed that at a mutually convenient time at the beginning of each year and, in any event, no later than January 31, of each year, representatives of the Union will meet with the designated officers to discuss the Corporation's plans with respect to contracting out of work for that year. In the event Union representatives are unavailable for such meetings, such unavailability will not delay implementation of the Corporation plans with respect to contracting out of work for that year.

In addition, the Corporation will advise the Union representatives involved in writing, as far in advance as practicable, of its intention to contract out work which would have a material and adverse effect on employees. Except in case of emergency, such notice will be no less than 30 days.

Such advice will contain a description of the work to be contracted out; the anticipated duration; the reasons for contracting out and, if possible, the date the contract is to commence. If the Union designated National or Regional Representative, or equivalent, requests a meeting to discuss matters relating to the contracting out of work specified in the above notice, the appropriate Corporation representative will promptly meet with him for that purpose.

Should a designated National or Regional Representative or equivalent, request information respecting contracting out which has not been covered by a notice of intent, it will be supplied to him promptly. If he requests a meeting to discuss such contracting out, it will be arranged at a mutually acceptable time and place.

Where the Union contends that the Corporation has contracted out work contrary to the foregoing, the Union may progress a grievance by using the grievance procedure which would apply if this were a grievance under the Collective Agreement. Such grievance shall commence at the second step, the Union officer submitting the facts on which the Union relies to support its contention. Any such grievance must be submitted within 30 days from the alleged non-compliance.

Yours truly,

(signed A.D. Andrew)

APPENDIX D

BILINGUALISM

A national approach will be utilized for identifying and providing the bilingual requirements of the Corporation in order to serve the travelling public. Representatives of the Union and the Corporation will meet to discuss the bilingual requirements for the System before any changes are implemented.

Both parties recognize that there are already many employees with bilingual skills. Where bilingual employees are already available in the positions required, formal designation would be unnecessary. Accordingly, attention will be focused on identifying specific positions only when the status quo has failed to fulfill the needs.

If the Union disagrees with the designation of any specific position to satisfy the needs of the travelling public or to comply with the Official Languages Act, a grievance may be commenced at Step 3 of the Grievance Procedure within 60 days of receiving the Corporation's decision to designate said position. If the grievance is not regulated at Step 3, the matter may be referred to arbitration in an expedited manner.

A language training bulletin will be posted twice per year for a 15-day period, inviting applications from employees desiring to qualify in the bilingual requirements for positions covered by this Agreement. Unilingual employees will be given language training in seniority order, or as mutually arranged. Employees having completed the home study language training will be compensated 40 hours pay at the classification rate of pay last worked immediately prior to commencing training for each module completed.

Employees who would prefer to study the second language at community colleges or local educational institutions, shall, with prior approval of the Corporation, receive full reimbursement for tuition fees, and required learning materials, upon presentation of proof of successful completion of the course.

After a position has been designated bilingual, efforts to staff it with a bilingual employee will be made if and when the regularly assigned position becomes vacant. Bilingual employees who are working on other positions will not be forced to fill bilingual positions, unless it is necessary to staff a customer contact position with a bilingual employee to comply with the Official Languages Act.

In any event, no employees will be compelled to accept work outside their home stations or terminals, or off their regularly assigned train solely because of bilingualism.

Unilingual employees will not be laid-off or forced to take the spare board solely because they are not bilingual. If in the case of a reduction of staff, a unilingual employee would otherwise have been laid-off solely because he is not bilingual, he would in that case be permitted to displace a junior employee from a designated bilingual position. A unilingual employee who by reason only of not being bilingual, is unable to hold a position at his existing rate of pay, will be assured maintenance of earnings, until he is trained for a bilingual position.

If at the time of the staff reduction (for whatever reason) a unilingual employee is unable to hold a position at his existing rate of pay, solely because he is not bilingual, and is required to take a lower-rated position, he will be assured maintenance of earnings at his existing rate of pay, until he is trained for a bilingual position. If he is subsequently able to hold a position at least equal to the level of his maintenance of earnings, the maintenance of earnings will thereupon be eliminated. However, if he subsequently again is compelled to take a lower-rated position, solely because he is not bilingual, he will again be assured maintenance of earnings, and so on, until he is trained for a bilingual position.

Unilingual employees who are holding designated jobs on the date this agreement comes into effect, who are presently rated at the "C" level in the second language, and whose test results indicate that they could achieve bilingual status with a minimum exposure to immersion training, will be offered such training, with salary protection for up to four (4) weeks salary at their basic rate of pay, if the employee requests it.

BETWEEN: Unifor National Council 4000 Canada
(hereinafter referred to as the "Union")

AND: VIA Rail Canada Inc.
(hereinafter referred to as the "Corporation")

WHEREAS the Union expressed a concern during negotiations that grievances were not being heard on a timely basis due to backlogs at CROA;

AND WHEREAS the Corporation has agreed to a procedure in an effort to expedite grievances;

THEREFORE, the parties hereto have agreed to an expedited process to ensure the orderly and timely resolution of outstanding grievances.

1. The process will continue with the signing of this Collective Agreement and remain in effect for the life of the Collective Agreement commencing January 2020.
2. The parties will agree on an arbitrator, for one day only each April and October, unless mutually agreed on an alternate date, to hear predetermined cases in mediation-arbitration. The cases scheduled for Mediation-Arbitration will be agreed upon by the parties no later than the 15th of the preceding month.
3. Any and all fees charged by, or costs incurred by the Mediator-Arbitrator, shall be shared equally between the Corporation and the Union.
4. This arrangement for mediation-expedited arbitration is undertaken by the Union and the Corporation in an attempt, in good faith, to clear up outstanding grievances.
5. Any settlements reached in the mediation phase shall be without prejudice to either party, and shall not be regarded as an admission of liability by either the Corporation or the Union.
6. Should any dispute not be settled in the mediation phase, it may be progressed by either the Corporation or the Union to the expedited arbitration phase.

7. The jurisdiction of the Mediator-Arbitrator shall extend and be limited to solely the mediation and expedited arbitration of specific disputes respecting the meaning or alleged violation of any one or more provisions of a valid and subsisting collective agreement between the Union and the Corporation, or pertinent legislation, including any claims related to such provisions that an employee has been unjustly or excessively disciplined but specifically excluding any cases involving the discharge of an employee.
8. This special mediation-expedited arbitration process will be conducted in accordance with the instructions of the Mediator-Arbitrator, or as otherwise agreed to by the parties at the time of the commencement of the proceedings.
9. Should a case not be resolved by mediation, either party may refer the matter to the Mediator-Arbitrator for final and binding resolution. The submissions of the parties shall be limited to oral presentations of a maximum duration of 20 minutes (including rebuttal) for each party, per case.
10. Representations and arguments during this special process of mediation-arbitration shall be restricted and limited for each case, to no more than two (2) spokespersons for the Union and two (2) spokespersons for the Corporation, per case. Legal counsel will not be permitted to attend on behalf of either party.
11. The cases referred to the Mediator-Arbitrator for mediation and final and binding resolution shall be limited to those specifically agreed upon beforehand, in writing, by the Union and the Corporation. The cases will be presented to the Mediator-Arbitrator in date order: i.e.: from the oldest to the most recent.
12. Each case referred to the Mediator-Arbitrator for expedited arbitration will be numbered consecutively by the Mediator-Arbitrator and he shall provide his decision orally immediately following the presentation of each case, unless otherwise agreed to between the Corporation and the Union. At the request of either of the parties, the Mediator-Arbitrator shall provide the parties with a short, written summary of his decision(s), within 30 days of the special proceedings, or as otherwise agreed to by the parties.
13. The decisions of the Mediator-Arbitrator on any case referred to him for final and binding resolution under this process will not be used by the parties hereto for the purpose of establishing precedents or jurisprudence for the handling of any future cases of a like or similar nature and neither party may rely on any of these cases to support a claim that the issue had been definitively settled by a decision on any other case. The Mediator-Arbitrator shall not, in any case, add to, subtract

from, modify, rescind, or disregard any provision of the Collective Agreement.

14. Each decision of the Mediator-Arbitrator, which is made under the jurisdiction of this memorandum of agreement, shall be final and binding upon the Corporation and the Union, as well as the employee(s) involved.
15. The Corporation and the Union agree that the powers of the Mediator-Arbitrator are restricted by and to these rules notwithstanding any other agreement to the contrary. The Mediator-Arbitrator shall not have the power to modify these agreed upon rules without the written consent of both the Corporation and the Union.
16. In the event that the parties encounter difficulties in implementing the decision(s) of the Mediator-Arbitrator, the Corporation and the Union agree that the Mediator-Arbitrator will remain seized of each of the cases presented to him for arbitration.
17. The decision of the Mediator-Arbitrator shall not be subject to appeal by either the Corporation, the Union or the employee(s) involved.
18. These special mediation-arbitration sessions will be held at times and locations as mutually agreed upon by the parties.

LETTER ON SPLITTING OF "BEREAVEMENT LEAVE"

April 19, 1989

Mr. T. McGrath
National Vice-President,
Canadian Brotherhood of Railway
Transport and General Workers

Dear Mr. McGrath:

During the national negotiations of the renewal of the Collective Agreements we discussed the Brotherhood's demand regarding the splitting of "Bereavement Leave".

It was the Corporation's position that the splitting of the three or five consecutive days (except rest days) was not within the intent or purpose of the Rule. The Brotherhood agreed and the demand as such was dropped. However, there was a request that some consideration be given to an employee who had taken less than the three or five consecutive days at the time of death, to be allowed the balance of the leave at a later date. The purpose of the request was to enable the employee to attend the interment when it was not part of the funeral.

The Corporation agreed that when bona fide situations of this nature arose the employees should be given appropriate consideration and that we would advise the Corporation's officers accordingly.

For the purposes of this agreement personal leave and sick leave will be defined and identified as per the Canadian Labour Code.

Dear Mr. Fitzgerald,

During the negotiation of the Memorandum of Settlement for Collective Agreement No. 1 we discussed the Corporation's proposal to provide for the assessment of discipline for minor offences without the necessity of holding an investigation under Article 24.2 of Agreement No. 1.

In resolution of that proposal, the parties agreed to the following:

1. Articles 24.1 and 24.2 will be applicable to employees disciplined or discharged for a major offence.
2. An employee who has completed his probationary period, who is alleged to have committed a minor offence, will not be assessed discipline without having been counselled by a Supervisor in the presence of the Local Chairperson or his authorized Committee person or a designated employee.
 - (a) Upon completion of the counselling session, if deemed necessary minor discipline may be assessed immediately or within 5 days. Such discipline may range from a verbal caution, written reprimand, or up to a maximum of five (5) demerit marks and will be communicated to the employee in writing with a copy to the Local Chairperson.
 - (b) Such minor discipline assessed as a result of a minor offence if considered unjust may be appealed within 28 calendar days in accordance with the grievance procedure commencing at Step 2 of the grievance procedure in accordance with Article 24.5.

- (c) The Corporation will inform its supervisors of the intent of this approach and will monitor its use over the period of this agreement, to ensure that range of disciplinary action is utilized in a manner consistent with the nature of the offence.
- (d) Should a disciplinary action for an alleged offence be contemplated for an employee whose discipline records stands at twenty (20) demerit marks or more, an investigation must be held pursuant to Article 24

If the Regional Vice-President so wishes, the Local Chairperson may accompany him. The names and addresses of complainants or other witnesses may be withheld if considered necessary by the Corporation, unless required for subpoena by the National Vice-President of the Union.

July 19, 2007

Mr. D. Olshewski

Winnipeg, Manitoba
R3M 3Y4

Dear Mr. Olshewski,

SUBJECT: Application of Article 11.9 of Collective Agreement No. 1 and Article 11.6 of Collective Agreement No. 2

The issue was raised in negotiations regarding the manner in which we administer employees promoted to excepted positions.

The problems arise when promoted employees remain staffed on unionized positions while performing management duties. As their status is not changed in VIP, there is no trigger to stop the payment of union dues or to start the 12-month clock to freeze seniority.

To resolve the matter, the Corporation has agreed to ensure that employees who are promoted are staffed accordingly. A copy of the staff form should be forwarded to the Regional Representative. Also, the designated union officer shall be provided with a quarterly report by e-mail of employees who are promoted to a permanent or temporary position with the information available by region, province and by collective agreement.

Thank you for your cooperation in this matter.

RED-CIRCLED FULL-TIME EMPLOYEES

In the event a full-time employee holding a permanent position is facing lay-off they will have the option to accept lay-off status or displace a junior part-time employee within their J-SET. In these circumstances only and notwithstanding the terms of the Supplemental Agreement, the full-time employee will be “Red- Circled” in that position and will be allowed to return to a full-time permanent position when their seniority permits.

If the employee chooses to accept part-time work, they are obligated to bid on all full-time vacant positions for which they are qualified in their J-SET when such is bulletined. Should the employee fail to bid on a permanent full-time job, they will become a part-time employee and will lose their red-circled status. They are entitled to an unpaid leave of absence for this period under Article 247.5(1) of the Canada Labour Code.

The Corporation proposes the following;

- Leave – for military training – payment of top up benefit: 100% of base salary (the difference between the employee's gross salary and the pay received by the Reserve Force) -1 leave per year, a maximum of 15 working days per year;
- Group Insurance – all coverages maintained – (Note: no benefits paid if expenses, claims or disability arise from war or insurrection.)

AND

UNIFOR, COUNCIL 4000

(Herein referred to as the “Union”)

SUBJECT: Vacation Entitlement Calculations – Application starting January 2023

WHEREAS During the 2021-2022 bargaining sessions, the parties have identified that the calculation for employees’ vacations, or moreover, the triggering point which transitions the employee between vacation entitlement categories under Articles 9.1 through 9.5 of Collective Agreements One and Two, has been applied by utilizing calculations based on Cumulative Compensated Service rather than by Continuous Employment Relationship from service date.

WHEREAS The parties recognize for the sole purpose of vacation calculation, twelve (12) calendar months constitutes one years’ service.

WHEREAS The parties recognize that the standard indicator for movement between vacation entitlement categories is based on the anniversary of the employee’s date of hire (service date).

WHEREAS The parties recognize that the term Continuous Employment Relationship encompasses active service, periods of lay off for determination of vacation allotment, periods of absence as defined under Article 9.11, and/or any other circumstances as mutually agreed between the parties.

THEREFORE, the parties agree to the following:

1. Going forward the triggering point which transitions employees between entitlement categories under Articles 9.1 through 9.5 for vacation calculation purposes will be based on annual increments from the employee’s date of hire (service date) and will apply to the following calendar year.
2. Actual days of vacation entitlement days under Articles 9.1 through 9.5 of Collective Agreements One and Two will be maintained as based on the days worked or the major portion thereof in the previous calendar year.

3. The current practice for calculating what constitutes a “day worked” for vacation calculation purposes when applied to spareboard employees in Agreement Two will remain in effect whereas eight hours constitutes one day of work.

4. This Agreement is made with precedent serves to rescind any previous practices which refer to Cumulative Compensated Service for the calculation of vacation entitlements. The use of Cumulative Compensated Service will remain in effect as defined under Article 1.8 of Collective Agreements One and 1.1(u) of Collective Agreement Two (whereas 250 days cumulative compensated service constitutes one years’ service) for the purposes of calculating Pensionable Service and any protections under the Supplemental Agreements (ESIMA).

COMPASSIONATE CARE LEAVE

The leave begins during one of the following weeks, whichever occurs first:

- the week the health care practitioner signs the medical certificate;
- the week the health care practitioner examines the gravely ill family member, or;

The leave ends when:

- the twenty-eight (28) weeks of compassionate care are complete;
- the gravely ill family member dies or no longer requires care or support, or;
- the fifty-two (52) week period expires.

Two (2) or more employees can share compassionate care leave when looking after the same family member. However, the total amount of leave taken by all cannot be more than twenty-eight (28) weeks within the fifty-two (52) week period.

An employee can consecutively take the leave related to critical illness to care for the same person, if eligible. However, they cannot take compassionate care leave if one (1) or more employees are taking the leave related to critical illness in respect of the same person.

The employee must give the Corporation written notice, as soon as possible, advising of the reason(s) for the leave and the intended length of the leave. If the leave taken is more than four (4) weeks and the employee wants to change the length of the leave, they must provide the Corporation with four (4) weeks' notice, unless there is a valid reason why this is not possible.

If requested in writing by The Corporation, the employee must provide a certificate from a health care practitioner within fifteen (15) days of their return to work. JOB SHARING

Purpose

The Union and the Corporation jointly developed a job-sharing arrangement to allow employees to temporarily share a position or assignment that better meets their particular needs without changing their permanent status with the Corporation.

1. Eligibility

To be eligible to enter into a job-sharing arrangement, both the “Host” person whose job will be shared and the “Guest”, the one sharing the position, must hold full time assignments. The Guest must be an active employee and qualified on the job to be shared. Neither Host nor Guest can be subject to a lock-in as a result of training or subject to the obligations of Maintenance of Basic Rates (MBR), although they can waive their rights to MBR if they wish. The Host and/or Guest will be advised in writing of the consequences of waiving their rights.

2. Duration of Job-Sharing Arrangement

A job-sharing arrangement will be for six calendar months. The Host and/or Guest may terminate the arrangement earlier upon 30 calendar days’ notice in writing. At the end of the six-month period or until the next general bid, the Host and Guest may apply for an extension of the job-sharing arrangement. If they are selected, they will have a further 6 calendar months or until next general bid. There can be no further extensions of the job-sharing arrangement after one year to the same Host and Guest unless the maximum amount of job-sharing positions allowable in that region has not been maintained.

3. Application Process

For Collective Agreement, No. 1 and No. 2, a total of 2 job sharing opportunities will be distributed as follow, for a total of 8 opportunities:

- 2 opportunities for the Eastern region (Halifax – Moncton)
- 2 opportunities for Corridor East
- 2 opportunities for Central region
- 2 opportunities for the Western region

*This may be readjusted based on operational needs.

If any job-sharing opportunities are not used in a region, the number of opportunities may be increased by a corresponding number in other regions if they have additional demand. If accepted for a job-sharing arrangement, the Guest's permanent position will be posted for bid in accordance with Article 12.1 (long term temporary position or 12.6) under Agreement #1 and Article 12.3 under Agreement #2.

4. Selection process

- a) Individual employees at their work location will be responsible for finding their own partners to job share.
- b) Applications received will be considered, based on seniority, seniority of the host governing.
- c) Applications will be considered by date of application.

5. Review of Job Hours

In the event there is a job-sharing arrangement for a position under Agreement #1, the Corporation may offer the Host and the Guest a new distribution of work hours as long as it better meets operational needs and agreed by both the Host and the Guest.

The change of hours agreed will not result in changes to current schedules or positions. If agreed, the hours of work would be changed for the duration of the job-sharing arrangement only, on a without prejudice or precedent basis. The hours of work for the Host position would revert to the original hours of work at the end of the job-sharing arrangement.

6. Rules for Job Sharing

- a) The hours of the assignment or position will be shared as equally as possible with no more than one week between days of work for Agreement #1 and Agreement #2 Corridor, two weeks for Agreement #2, Long hauls and Remotes.
- b) Both the Host and Guest must maintain an attendance rate of not less than 95% in any continuous 3-month period. Workers Compensation and STD will not be included in the 95% rate.
- c) Guest and Host will continue the benefit coverage they enjoyed prior to job sharing, either single or family coverage, for the duration of the job-sharing arrangement.
- d) Guest nor Host may take promotional training or other training requiring a lock-in while in a job-sharing arrangement.

- e) The employees will be permitted to declare for work (including “Standby”) on their layover period, however they will only be paid overtime after an accumulation of 160 hours in a four (4) week period Corridor (320 long haul). (The work accepted must be able to be completed during the layover period).
- f) If the Guest is displaced from their permanent position upon completion of the job-sharing agreement, they can exercise seniority in accordance with the Collective Agreement.
- g) If the Host or Guest position is abolished while in a job-sharing agreement, the agreement will be terminated on the date of abolishment.
- i) For Agreement #2 employees, the guarantee payment available for the assignment will be divided as equally as possible between the Host and the Guest.
- j) The possibility of Host having a “Job Share” covered by the spareboard may be authorized under special circumstances established by the corporation in the event a Guest is not available.

7. Cancellation of Job-Sharing Arrangement

The Guest, Host, Union or Corporation may cancel the any specific job-sharing arrangement at any time upon 30 days’ written notice.

However, if any of the following events occur, the job-sharing arrangement will may be cancelled automatically with 30 days to return to their original assignments:

- a) Failure of either Guest or Host to maintain and attendance rate of 95% or greater in any continuous 3-month period.
- b) The Host is displaced from his/her permanent position
- c) If either Guest or Host are absent or will be absent due to illness for more than 30 calendar days
- d) If either the Guest or Host are injured and in receipt of Worker’s Compensation Benefits for 15 calendar days or more.

8. Duration

The job-sharing agreement will commence January 1, 2020. The agreement will be in force for the life of the collective agreement.

9. Statutory Holiday Pay

If both the Host and the Guest are on the scheduled layover days of the assignment during a statutory holiday, they will both be paid 4 hours holiday pay. If one of the two (2) employees works on a statutory holiday, only that employee will receive the corresponding eight (8) hour holiday pay.

Ms. Chapados:

During the 2019-2020 contract renewal negotiations, the Union and the Corporation discussed the need for a common interpretation of Article 38.6 of Collective Agreement No. 1. The Union expressed concern that our members were not being provided with outerwear in a timely fashion in certain locations across the country.

The Corporation committed, when an employee whose position regularly requires them to work outside during the colder periods of the year or is required to work in colder environments inside the Corporation's facilities (for example, a refrigerator or freezer), to ensuring that individual employees are issued with suitable outerwear within the guideline of the uniform policy or upon request of the employee to their manager. The manager will furthermore take positive steps to ensure that each employee possesses the appropriate Corporation-supplied apparel within a reasonable period before the beginning of the colder season.

If the foregoing clearly reflects our understanding, please so indicate by signing below.

Women's Advocacy Program at VIA Rail for Council 4000

Women's Advocacy Program at VIA Rail

This refers to our recent discussions at the bargaining table pertaining to unique situations faced by women in the workplace.

The parties recognize that female employees may sometimes need to discuss with another woman matters such as violence or abuse at home or workplace harassment. They may also need to find out about specialized resources in the community such as counselors or women's shelters to assist them in dealing with these and other issues.

Therefore, in addition to the current resources such as the Corporation-sponsored Employee Assistance Program, the Corporation and Union agree to implement the Women's Advocacy Program at VIA Rail subject to the following terms and conditions:

1. The Corporation agrees to a maximum of five (5) Women's Advocates positions, one per region. Consideration for the foregoing will include at least one (1) French-speaking advocate for the province of Quebec to be included in the total number of regional Women's Advocate's positions.
2. The Women's Advocates will be jointly selected by the Corporation and the Union from a group of female employees nominated by the Union.
3. The successful candidate(s) will agree to perform the Women's Advocate position for the duration of the Collective Agreement.
4. The Women's Advocates will be afforded two (2) hours per week to perform her duties. This time will be mutually agreed upon between the Women's Advocate and her manager in advance. This time will be scheduled to ensure that it has the least impact to operation.
5. The Company agrees to provide the Women's Advocate with access to a confidential phone line to be used exclusively for the duties of the Women's

Advocate. When a female member requests a meeting in person with the Women's Advocate at a VIA location, the Corporation will make its best effort to provide access to a private office so that confidentiality can be maintained when a female employee is meeting with the Women's Advocate.

6. The Corporation and the union will develop appropriate communications to inform employees about the advocacy role of the Women's Advocate and provide the contact number for the confidential phone line.
7. The Women's Advocate will participate in an initial forty (40) hours training program organized by the Union and annually a three (3) day training program including travel time. The Corporation may select a Corporate representative to participate in the training (This is done separately for employer representatives).
8. The Women's Advocates may be called on to assist with other Corporate Programs including Mental Health and Wellness.
9. This program is implemented for the duration of the current collective agreement.

If you are agreeable to the above, please indicate your concurrence below.

UNIFOR, COUNCIL 4000

(Herein referred to as the "Union")

During the 2021-2022 round of collective bargaining, the Union raised concerns regarding the challenges some Agreement 1 employees had faced in attempting to access or displace onto positions that they have previously been trained and qualified to work.

In understanding these concerns, the parties agree that should an employee exercise their seniority rights through displacement under Article 13 of Agreement 1 to a position they were previously deemed qualified for, but have not worked during an extended period and their ability to perform the essential duties of the position may be in question, the following conditions will apply:

1. The employee will tentatively be awarded the position.
2. Management will meet with the employee and their Union representative to outline their expectations of the position.
3. A familiarization period of not less than five (5) working days will be provided and where upon request, the employee will be provided with 'on-the-job' mentoring, and should the employee properly demonstrate their qualification, they will be awarded the position. During this period the previous incumbent will remain on the position.
4. After the familiarization period, should the employee be unable to demonstrate their ability to perform the essential duties of the position, they will be removed from the position and Article 13.7 of the collective agreement shall apply.
5. Should the employee be unable to demonstrate qualification after the familiarization period, they shall be eligible to qualify for the position at the next available training sessions provided under Article 16.4 of the collective agreement.

This policy will not apply to the position of Locomotive Attendant, whereas the employer will be mandated to inform qualified employees that their rules qualifications will be lapsing and will be required to provide sufficient training to maintain qualification.
