During this period, the competence and suitability of the employee for a regular position shall be determined. Such an employee

may be terminated at any time during the probationary period without notice if the Employer does not find the employee suitable for regular employment.

Notwithstanding provisions contained in this section, Regular Part-Time Employees shall be required to put in equivalent hours of a Regular Full-Time Employee with respect to the completion of a probationary period leading to seniority status.

The rights and obligations secured under this Agreement shall not be extended to employees engaged on a probationary basis as identified within Article 14, Section 1.

14.2: Definition

Seniority is defined as the continuous length of service in the bargaining unit, and/or with the Employer as a Regular Full-Time or Regular Part-Time Employee. There shall be two (2) Divisions, an Inside Division and an Outside Division, containing those job titles which are listed and appended as salary and wage schedules to the Agreement. Present seniority shall be carried by each employee to the Division.

14.3: Calculation

Seniority shall be established on the basis of a regular employee's continuous service with the Employer, calculated from the date upon which the employee commenced employment with the Employer. In the case of Regular Part-Time Employees, seniority shall be calculated on the accumulated hours worked.

When a position is increased in hours to less than full-time hours, it shall not become a new position; and when a part-time position is so increased in hours the incumbent shall accept the position as to the total hours, or the job shall be posted.

14.4: Backdating Service

It is understood that if an Auxiliary, Temporary Employee, or Incentive Program Employee is selected for a full-time position during or at the completion of employment and successfully completes the probationary period identified in Article 14, that employee shall have seniority rights recognized retroactive to the last original date of hire.

Such seniority shall be accumulative based on straight-time hours of work.

14.5: Auxiliary and Temporary Full-Time Employees - Seniority

Temporary Full-Time Employees and Auxiliary Employees shall be entitled to seniority after the completion of twelve hundred (1200) straight-time hours worked in two (2) consecutive calendar years and such service shall be backdated to the last date of hire. Such seniority shall only be used to distinguish between two (2) or more candidates who are equally qualified when competing for a regular full-time or regular part-time position posted in accordance with Article 13, Section 5.

Temporary Full-Time Employees and Auxiliary Employees who are rehired within one (1) year following their last assignment shall have any accumulated seniority or hours worked towards seniority status reinstated. Temporary Full-Time Employees and Auxiliary Employees rehired after one (1) year shall be treated for all purposes as if they were new employees.

14.6: Seniority List

The Employer shall prepare semi-annually, an up-to-date Seniority List containing the employee's name, classification, and the date from which the employee's seniority is calculated for all its Regular Full-Time employees and seniority hours for Regular Part-Time employees.

The Employer shall prepare semi-annually, an up-to-date Seniority List containing the employee's name and seniority hours for all auxiliary employees with seniority.

The aforementioned seniority lists shall be posted by the Employer on March 1st and October 1st for fifteen (15) working days. Any objection to the accuracy of the information contained therein must be submitted in writing to the Director of Human Resources during the said posting period. Thereafter, the posted lists will be deemed to be valid and correct for all purposes.

14.7: Loss of Seniority

An employee shall lose seniority as a regular employee and their employment status shall cease in the following circumstances:

- (a) Discharged for proper cause and is not reinstated;
- (b) Resigns;
- (c) Absent from work in excess of five (5) working days without sufficient cause or without notifying the Employer, unless such notice was not reasonably possible;
- (d) Fails to return to work within seven (7) calendar days following a layoff and after being notified by registered mail to do so unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Employer informed of a current address.
- (e) Absence due to a layoff for a period equal to the employee's seniority, if the seniority of that employee is less than twelve (12) months.
- (f) Absence due to layoff for a period in excess of twelve (12) consecutive months if the employee's seniority is one (1) year or greater.

For purposes of the two (2) preceding paragraphs, a recall of ten (10) consecutive working days or less shall not be deemed to interrupt an absence due to layoff.

This is not intended to affect layoff and recall provisions in Article 15.

Except in the case of Maternity/Parental Leave, Sick Leave and approved Union Leave, an employee who is absent on unpaid leave in excess of a total of sixty (60) consecutive working days or an employee who has been suspended for twenty (20) consecutive working days or more shall have their seniority date adjusted for the period of absence.

14.8: Resignation and Re-employment

A Regular Full-Time or Regular Part-Time Employee who has voluntarily resigned and is re-employed as a Regular Full-Time or Regular Part-Time Employee within one (1) year from the last termination of service as a Regular Full-Time or Regular Part-Time Employee, shall be considered eligible for reinstatement under the applicable employee benefits, provided, in each case, length of service, benefits, and seniority are adjusted by the period of absence. An employee who has voluntarily resigned and is re-employed after one (1) year from the last termination of service shall be considered a new employee as regards seniority, employee benefits and salary.

Reinstatement into Superannuation will be in accordance with the Municipal Pension Plan.

14.9: Historic Benefits

Seniority employees shall not suffer loss of any historic benefit or condition of work that is consistent with the provisions of this Agreement.

ARTICLE 15: LAYOFF AND RECALL AND SEVERANCE PAY

15.1: Layoff and Recall

Both the Employer and the Union recognize that job security should increase in proportion to the length of service. Therefore:

- (a) In the event of a layoff, employees shall be laid off in the reverse order of their seniority, by classification within their Division. An employee who is subject to lay off may exercise seniority within the employee's classification, or to a lower classification within the employee's Division, provided the employee currently possesses the required knowledge, ability and skills, to properly and efficiently fulfill all the duties, responsibilities and requirements currently inherent in the lateral or lower classification.
- (b) When exercising paragraph (a) the employee shall have five (5) working days in which to demonstrate that such employee can properly and satisfactorily perform the job to the satisfaction of the Employer.
- (c) Seniority rights must be exercised within five (5) working days of notification of layoff.
- (d) Employees assuming lower classifications as a result of exercising seniority rights also assume the lower rates and inherent conditions.
- (e) When a less senior employee is occupying a job which cannot be immediately filled by the senior employee exercising their seniority rights, the employee with the next least seniority will be laid off.
- (f) Employees shall be recalled in the order of their seniority, providing the employees have demonstrated that they have the required knowledge, ability and skills necessary to perform the work.

- (g) An employee who is laid off and fails to return to work when given seven (7) calendar days' notification to return to work shall be deemed to have abandoned employment with the Employer.
- (h) Contact will be made at the last known address.
- (i) No new employees will be hired until those laid off have been given an opportunity of re-employment, provided the laid off employees have demonstrated that they have the required knowledge, ability and skills necessary to perform the work.
- (j) The Employer shall notify, in writing, those employees who are to be laid off five (5) working days before the lay off is to be effective. If the employee laid off has not had the opportunity to work five (5) full days after notice of lay off, the employee shall be paid in lieu of work for that part of five (5) days during which work was not made available. This provision (j) shall not apply because of temporary suspension of work due to inclement weather or mechanical breakdown.

15.2: Seniority During Layoff

A Regular Full-Time and Regular Part-Time Employee shall be credited with seniority during the period of a layoff providing their employment status does not cease as per Article 14.7(e) or (f). Such crediting shall be solely for the purposes of calculating seniority.

15.3: Severance Pay

A Full-Time Employee or Regular Part-Time Employee who has received written notice of lay off shall within five (5) calendar days, elect to:

- (a) exercise their seniority rights under Article 15; or
- (b) accept severance pay as provided herein.

Upon acceptance of severance pay all provisions of Article 15 cease; or upon acceptance of retention of seniority rights of lay off and recall, all rights to severance pay under these provisions cease.

Entitlement to and severance pay for each Full-Time Employee or Regular Part-Time Employee will be as follows:

- (a) Three (3) days' pay for each calendar year of service up to and including five (5) calendar years of service.
- (b) Five (5) days' pay for each calendar year of service after six (6) years of service.
- (c) The maximum number of days' pay for severance will be ninety (90) days' pay.

Part-time service shall be calculated on a pro-rata basis. Salary upon which severance pay is calculated shall be based on the employee's salary at the effective date of termination.

ARTICLE 16: TEMPORARY WORKING CONDITIONS

16.1: Conditions of Transfers

In the event that the Employer finds it necessary, from time to time, to adjust its work force to meet emergent conditions resulting in the transfer of seniority employees, the following conditions shall apply:

- (a) An employee transferred to a higher rated position shall receive the rate of pay for the higher position upon transfer; it being understood that such employee shall revert to their regular rate of pay when the employee returns to their regular duties.
- (b) When an employee has worked temporarily in a higher rated position for more than fifteen (15) consecutive working days immediately prior to an illness, vacation or statutory holiday, the employee shall receive that higher rate of pay upon illness, vacation or statutory holiday.
- (c) An employee transferred to a lower rated position shall maintain their normal rate of pay as established by the position from which the employee was transferred.
- (d) No employee affected by the temporary transfer shall suffer loss of seniority or compensation.
- (e) Work experience gained as a result of a temporary assignment will not prejudicially affect seniority provisions as applied to the regular promotional procedure established under the Agreement.
- (f) This provision shall not apply beyond twenty-five (25) working days' duration of temporary assignment.

In applying this Article 16, Section 1, it is understood that the temporary transfer of employees shall not be subject to the requirements of Article 13 (Promotions) and Article 18 (Classifications) of the Employer's and the Union's Agreement.

16.2: Temporary Transfer

Regular employees who transfer to positions made available by augmenting the regular staff or by a special project of limited duration shall, upon completion of said assignment, be returned to their former position without loss of seniority and scheduled rate of pay.

16.3: Exempt Transfer

- (a) No employee shall be transferred to a position outside the bargaining unit without the employee's consent unless there is no other employee who is qualified to perform the work, in which case the employee shall be transferred outside the scope of the bargaining unit but shall retain all rights and privileges and protections under the Collective Agreement.
- (b) Employees temporarily assigned a portion of the duties and responsibilities of a position outside the scope of this Collective Agreement, will be paid from and including the first day of the temporarily assigned duties and responsibilities, ten percent (10%) above the assigned employee's regular classification rate or the first step in the exempt pay grade for the position,

whichever is less. Employees assigned the full level of duties and responsibilities will receive the 1st step in the exempt pay grade for the position.

ARTICLE 17: GRIEVANCE PROCEDURE

Preamble

Both the Employer and the Union agree that expediency of the grievance procedure is of the utmost importance and they shall work to accomplish this.

17.1: Grievance Investigation

The Employer recognizes that Stewards may be required from time to time to investigate disputes arising from the interpretation, application, or operation of the Agreement. The Union recognizes that each Steward is employed full-time by the Employer and that the Steward will not leave work during working hours without first receiving permission from their non-bargaining unit supervisor, which will be granted provided the employee can be spared without materially affecting the operation of the department.

17.2: Grievance Steps

Any difference concerning the dismissal, discipline or suspension of an employee or the interpretation, application or operation of this Agreement or any alleged violation thereof, including any question as to whether any matter is arbitrable, shall without stoppage of work, be finally and conclusively settled in the following manner:

Step 1

Within ten (10) working days of the date on which the incident giving rise to the grievance occurred or of the date when the employee(s) first became aware of the incident, whichever is later, the employee(s) shall advise their immediate non-bargaining unit supervisor of the grievance. Within ten (10) working days of receiving the grievance, the immediate non-bargaining unit supervisor and the employee(s) shall meet to attempt to resolve the matter.

Step 2

Failing satisfactory settlement at Step 1, the Union shall, within ten (10) working days, submit the grievance in writing to the Director/General Manager denoting the particulars of the alleged violation, including the clauses violated, the date and circumstances of the incident and the remedy sought. The Director/General Manager shall meet with a representative of the Union and the employee(s) and shall render a decision within ten (10) working days of receipt of the grievance.

Step 3

Failing satisfactory settlement at Step 2, the Union shall, within ten (10) working days, submit the grievance, in writing, to the Municipal Administrator or designate. The Municipal Administrator

or designate shall meet with the Union and the employee(s) and shall render a decision within ten (10) working days of receipt of the grievance.

Step 4

Failing satisfactory settlement at Step 3, the Union may, within ten (10) working days, refer the grievance to a Board of Arbitration.

The Board of Arbitration shall consist of one (1) nominee appointed by the Employer and one (1) appointed by the Union. These two (2) nominees shall name a third member who shall be Chairperson.

Should the nominees fail to select a Chairperson within ten (10) working days, then either the Employer or the Union may apply to the Minister of Labour for the Province of British Columbia to appoint such member. The Employer and the Union shall each pay the expenses of their nominee and shall pay half the expenses of the Chairperson.

Within ten (10) working days following the establishment of the Board of Arbitration, it shall report its decision on the grievance. The majority decision of the Board shall be final and binding on the Employer and the Union.

17.3: Arbitrator's Jurisdiction

An arbitrator or Board of Arbitrators shall have no right to add to, take away or alter any condition of the Collective Agreement.

17.4: Adverse Report

The Employer agrees not to introduce as evidence in a hearing related to disciplinary action, any document from the file of an employee that was not known to have existed by the employee prior to the hearing, thereby denying the employee the opportunity of placing a written response on the record.

17.5: Dismissal and Suspension - Remedy

An employee who alleges wrongful dismissal, discipline, or suspension by the Employer shall be entitled to have such grievance settled in accordance with the grievance procedure set forth in Article 17. If the employee is found by a Board of Arbitration appointed under the provisions of Article 17 to be dismissed, suspended or otherwise disciplined for other than proper cause, the Board of Arbitration may:

- (a) direct the Employer to reinstate the employee and pay to the employee a sum equal to the employee's wages lost by reason of the dismissal, suspension or other discipline, or such lesser sum as in the opinion of the Board of Arbitration is fair and reasonable; or
- (b) make such order as it considers fair and reasonable, having regard to the terms of this Agreement.
- (c) In the event an employee is wrongfully dismissed or suspended, and is subsequently reinstated, either as a result of direct negotiation with the Employer, or as a result of a decision of an Arbitrator or a Board of Arbitration outlined in the grievance procedure contained in this

Agreement, such employee may receive payment of all wages or salary and be entitled to all additional benefits the employee would have otherwise received but for wrongful dismissal or suspension, subject to Article 17.5(a) and (b).

An employee who is reinstated by a Board of Arbitration shall be entitled to reinstatement without loss of seniority.

17.6: Dismissal and Suspension - Impact on Benefits

Any employee may be subject to immediate suspension or be dismissed without notice, for cause, and subject to Statutory Regulations be deprived of benefits that the employee would otherwise receive on retirement, or at the discretion of Council, such notice and benefits as the Council may authorize; provided however, that any employee so dismissed shall have the right to grieve in accordance with established procedures outlined in this Agreement.

17.7: Dismissal and Suspension - Union Representation

Where the Employer calls a meeting with an employee for the express purpose of written discipline, suspension or dismissal of an employee, the employee may elect to have a Union Representative present. Where the employee elects not to have a Union Representative present or a Union Representative is not available, the absence of a Union Representative shall not affect the Employer's right to discipline, suspend or dismiss and shall not be used as a reason to request an arbitrator to amend or overturn the action taken. The Employer agrees to make a reasonable effort to obtain a Union Representative where an Employee elects to have such representation.

17.8: Accelerated Procedure

A difference or grievance involving a dispute of general application or interpretation of this Agreement, or arising from the suspension or dismissal of an employee shall be initiated in writing to the Municipal Administrator under Article 17, Section 2, Step 3, omitting Step 1 and Step 2.

17.9: Time Limits

Wherever a stipulated time is mentioned herein, the said time may be extended by mutual consent of the Employer and the Union.

17.10: Single Arbitrator

Wherever a Board of Arbitration is mentioned herein, a single mutually agreeable Arbitrator may be utilized in lieu thereof by mutual consent of the Employer and the Union.

17.11: Optional Grievance Investigation Procedure

- (a) Recognizing that there are times and circumstances in which it may be advantageous to seek third-party assistance in the resolution of grievances, and in an attempt to find a way in which to bring about such resolutions without incurring the costs and delays associated with formal arbitration proceedings, the Employer and the Union have agreed to provide for an optional grievance investigation procedure.

The process is intended to complement the grievance and arbitration procedures otherwise provided for in this Agreement. It is not intended to replace those other procedures.

- (b) As provided for in the Labour Relations Code, where a difference arises between the Employer and the Union relating to the dismissal, discipline or suspension of an employee, or to the interpretation, application, operation or alleged violation of this Agreement, the Employer and the Union will appoint one (1) of the persons named hereunder as "investigators", or a substitute agreed to by the Employer and the Union, to
- (i) investigate the difference;
 - (ii) define the issue in the difference; and
 - (iii) make written recommendations to resolve the difference within five (5) days of the date of the receipt of the request; and, for those five (5) days from that date, time does not run in respect of the grievance procedure.

- (c) As provided for in the Labour Relations Code, the Employer and the Union shall pay one-third ($\frac{1}{3}$) of the cost incurred in relation to the reasonable remuneration, travelling and out-of-pocket expenses of the Investigator or a substitute. The remaining one-third ($\frac{1}{3}$) will be paid by the Provincial Government.

Each of the Employer and the Union shall be separately responsible for all other costs by each of them in relation to the preparation and presentation of their respective cases and submissions to the Investigator.

- (d) The Employer and the Union have agreed that for the term of this Agreement, the following persons will be recognized as their "Investigators" for purposes of this investigation procedure:

David McPhillips, Robert Dieboldt, Judi Korbin.

Selection of the specific individual from the above list to serve in each instance shall be by agreement of the Employer and the Union. Should the Employer and the Union fail to agree on the selection, then each may cross one name off the list above and the remaining person will be appointed.

- (e) Either the Employer or the Union may choose to implement the investigation procedure, provided that all steps of the grievance procedure, prior to reference to arbitration, have been exhausted without a resolution of the difference. Either the Employer or the Union wishing to use the investigation procedure shall notify the other of the decision, within 15 working days of the receipt of the reply at Article 17, Section 2, Step 3 of the grievance procedure. Such notification must be in writing.

Either the Employer or the Union receiving the notification may refuse to accept the investigation procedure, in which case the provisions of Article 17, Section 2, Step 4, are then applicable and the time limit contained in that section begins to run from the date of the refusal decision being delivered in writing. No reasons for the refusal need be given.

- (f) While the grievance investigation process is intended to yield non-binding recommendations, the Employer and the Union may agree that the recommendations will represent a binding award. Such agreement must be made in advance of the appointment of the Investigator.

ARTICLE 18: CLASSIFICATIONS

18.1: Establishment of Classes and Rates

New employees or employees re-engaged shall be entitled to the standard rate of wage for the position for which engaged. If there is no classification and wage scale in Schedule "A", "B", "C" or "D", of the Agreement covering the position, such shall be negotiated between the Employer and the Union.

18.2: Class Specifications/Job Descriptions

The Employer agrees to develop class specifications and/or job descriptions for all positions covered by Schedule "A" of this Agreement. Such class specifications and/or job descriptions shall be discussed with the Union upon completion.

18.3: New Classifications

The Employer agrees to develop class specifications for all positions covered by this Agreement.

- (a) When a new or substantially altered classification covered by the Agreement is introduced, the Employer may implement the classification and attach a salary grade thereto. As soon as the decision with regard to the classification and salary grade has been made, the Employer shall send written advice of the decision to the Union.
- (b) In the event that the Union disagrees with the salary grade attached to the classification, the matter shall, within one (1) month of receipt of written notification that the Employer has introduced a new or substantially altered classification, be taken up with the Employer in an attempt to negotiate the salary grade.
- (c) If the Employer and the Union are unable to agree on the applicable salary grade within ten (10) working days of their first meeting, or such longer period as may be mutually agreed to by the Employer and the Union, the matter may then be referred to arbitration pursuant to Article 17 of this Agreement.

Any adjustment to the salary grade, whether such adjustment results from negotiations or from the award of an arbitration board, shall become effective on the date that the employee assumed the responsibility for the duties of the position.

18.4: Classification Appeal Procedure

An employee shall have the right to appeal, through the Union, the classification of the position occupied. Such an appeal shall be in accordance with the following provisions and shall not be considered a grievance under Article 17 of the Collective Agreement.

- (a) If an employee believes their position is improperly classified or has been substantially altered, the employee shall complete a standard questionnaire provided by the Employer and submit it, along with a dated covering memo, to their immediate non-bargaining unit supervisor for review and transmittal to the Human Resources Division. The date the completed questionnaire is received by the non-bargaining unit supervisor shall be the official date of any change that may occur.
- (b) Upon receipt of the completed questionnaire, the Human Resources Division shall notify the Union in writing that a request has been received on behalf of the employee and provide the Union with a copy of the employee's submission.
- (c) The employee completing the questionnaire will be provided an opportunity to be interviewed except in cases where there has been a recent decision issued with no significant changes since the last review or where adequate information can be gathered through interviewing a representative sample of employees submitting requests as part of the review of an entire class of positions. A decision on the employee's request will be issued to the employee with a copy to the Union. Such decision shall be issued by the Human Resources Division following discussions with the MVRD Labour Relations Department and the employee's General Manager/Director or authorized designate but shall, as far as is practicable, be issued within four (4) calendar months from date of the questionnaire being completed and submitted to the Human Resources Division.
- (d) Upon receipt of the classification decision the employee shall, as soon as possible, provide the Union with their comments concerning the classification decision and the Union shall advise the Human Resources Division in writing as to whether they intend to appeal the decision. Such notice to the Human Resources Division shall, as far as is practicable, be issued within one (1) calendar month from the date of the original classification decision.
- (e) Where the Union has indicated an intent to appeal the decision of the Employer, the Director of Human Resources or designate and the Union shall meet within one (1) calendar month to discuss and seek to resolve the matter.
- (f) If the parties are unable to resolve the matter, it shall be referred by the Union to a Joint Classification Appeal Committee (JCAC) consisting of one (1) representative of CUPE National and one representative of the MVRD no later than one (1) month after the internal process is exhausted. The initial representatives to the JCAC shall be the Compensation Supervisor, MVRD, and a Job Evaluation Representative from CUPE.
- (g) The JCAC will return appeals to the parties for further discussion if, in their opinion, a concerted attempt has not been made to address and resolve the issues.
- (h) The JCAC shall have two (2) calendar months from receipt of the appeal to review, meet and report back to the parties. For the purpose of processing appeals, reclassifications shall only occur where there have either been significant changes in the duties, level of responsibility and requirements of a position or a position has been found to have been improperly allocated to an existing classification. This process shall not be used to make salary adjustments to existing positions or classes of positions. If necessary, revised class specifications will be prepared.

Comparison classes shall be internal related classes and the prevailing class and value among closely related regional classes from municipalities participating in the MVRD Labour Relations job classification system. Notwithstanding the consideration of external regional classes, the valuation of new classes will not disrupt the wage hierarchy of existing internal classes.

- (i) If the JCAC is in agreement, no further appeals will be available to the parties.
- (j) If the JCAC is not in agreement, the Union shall have one (1) additional calendar month to indicate whether it wishes to proceed to expedited arbitration.
- (k) The elements of the expedited arbitration process shall be as follows:
 - One (1) representative each from the MVRD and CUPE National will exchange written positions on the dispute three (3) weeks prior to the scheduled hearing; no additional information shall be presented at the arbitration hearing unless there is mutual agreement that a dispute over the facts exists. In that case, the JCAC shall attempt to resolve these issues prior to the hearing. Witnesses shall be asked to present factual evidence to a mutually agreeable arbitrator only if the dispute over facts cannot be resolved.
 - One (1) representative each from the MVRD and CUPE National will present the Employer and Union positions at the arbitration hearing.
 - The hearing will be limited to the issues in dispute.
 - Any costs associated with the hearing will be shared by the Employer and CUPE Local 403.
 - The arbitrator will have one (1) calendar month from notification to convene the hearing and one (1) calendar month after the date of the hearing to render a decision. Such decision shall be limited to the issues in dispute.
- (l) In the event a position is reclassified upwards the incumbent shall be placed on the lowest step of the new pay range which exceeds the incumbent's previous rate of pay and their increment date shall be amended accordingly. Where a single rate exists for the class of positions, the incumbent shall receive the rate of pay for the position.

In the event a position is reclassified downwards the incumbent shall suffer no reduction in their rate of pay by virtue only of a reclassification downwards and shall continue to receive all general pay increases and increments to which there would otherwise have been an entitlement, provided that at any time during the two (2) years immediately following the date when the position was reclassified downwards the Employer may unilaterally promote such incumbent to any other vacant position for which the employee is qualified, and which is valued at the same level as the position was formerly valued.

- (m) It will be incumbent on all parties to keep each other informed at all stages of this process and to request any extensions to the time limits that may be occasioned by unforeseen circumstances.

It will be the responsibility of CUPE Local 403 to keep its members informed at all stages of the process.

SCHEDULE "E"TEMPORARY, AUXILIARY AND INCENTIVE EMPLOYEES - HOURS OF WORK AND OVERTIME

Notwithstanding Article 5.2, the Employer and the Union agree as follows:

Daily Hours

Effective 2023 April 21:

The daily hours of Temporary Auxiliary and Incentive Employees shall be based on the length of the work day for full-time staff occupying the same classification (for example, the Clerk Typist 2 classification is based on a seven (7) hour day, the Information Officer classification is based on a ten (10) hour day, and the Telecommunications Operator classification is based on a twelve (12) hour day). Where there are Temporary Auxiliary and Incentive Employee classifications with no full-time equivalent, the hours of work would continue to be eight (8) hours per day (e.g., Schedule "D" classifications).

Daily Overtime

Daily overtime shall be in accordance with Article 8.1 (subject to Daily Hours referenced above), such that the first two (2) hours of daily overtime are paid at one and one-half times (1½X) the rate for the classification in which the employee is working at the time, and double time (2X) for all hours worked thereafter.

Weekly Overtime

Any overtime hours worked in excess of forty (40) hours in a week would be paid at one and one-half times (1½X) for the first two (2) hours, and double time (2X) for weekly overtime hours worked thereafter. It being understood that any hours for which overtime was paid on a daily basis would be excluded from the calculation with respect to weekly overtime (i.e., no double counting of hours for which overtime has already been paid).

For those employees who work on a compressed work week schedule, weekly overtime shall not be paid until such time as an employee has worked in excess of a Regular Full-Time Employee's weekly shift.

For purposes of the weekly overtime computation the last hours worked in the work week shall be those considered for determining the rate used in computing any overtime owed.

Work Week

For purposes of this Agreement, the work week shall be defined as Friday midnight to Friday midnight in order to facilitate operational, scheduling, and payroll calculations.

RE: MECHANIC APPRENTICESHIP PROGRAM

This Letter will serve as a Letter of Understanding between the Township of Langley and CUPE Local 403 in regards to an Apprenticeship Plan for the Mechanic Shop in the Engineering Department.

Both the Corporation and the Union have agreed to the following in respect to an Apprenticeship Program.

Terms and Conditions

1. Apprentices may be indentured under the provisions of the APPRENTICESHIP ACT of the Province of B.C. only in the Mechanics Shop of the Engineering Department.
2. A minimum of one (1) apprentice may be employed, provided however, the Director of Engineering may increase the number of apprentices if in his opinion such adjustment is warranted.
3. All vacancies for apprentice positions shall be posted as per Article 13.1 of the current Collective Agreement.
4. All candidates for the Apprenticeship Program shall have completion of the 12th school grade supplemented by an applicable Pre-Apprenticeship Program at a recognized post-secondary institution OR completed programs, trades courses and training in applicable subjects related to the Mechanical Maintenance Industry plus some related experience.
5. All apprentices shall be required to successfully complete a six (6) month probationary period as an apprentice. Upon successful completion of the probation period, an apprentice shall be credited with six (6) months of apprenticeship service.
6. Apprentices who were employed with the Township at the time of their acceptance as apprentices and who had seniority shall be entitled to exercise such seniority in the event that:
 - (a) they fail to complete the probationary period as an apprentice for any reason;

- (b) they fail to fulfill the terms of their apprenticeship contract.
7. Apprentices shall be paid not less than 70% of the Tradesman II rate and up to 90% of the Tradesman II rate of pay depending upon the level obtained in the Apprenticeship Program. (see attached schedule)
 8. An apprentice who has served time as an apprentice with a former Employer may be placed at a level consistent with their practical experience and theoretical knowledge, subject to the approval of the Apprenticeship Branch, Ministry of Labour for the Province of B.C. It is understood that time served with the former Employer shall not be considered in calculation of seniority.
 9. Apprentices who are employed with the Township shall be paid the difference between their regular rate of pay and the allowances granted by Labour Canada and Employment and Immigration Canada while they are attending courses set by a training authority acceptable to the Director of Engineering during each year of their apprenticeships. The payment shall be made for only one course of apprenticeship completion and certification. No payment shall be made to an apprentice for repetition of a course occasioned by his failure to pass an examination.
 10. An apprentice failing an examination acceptable to the Director of Engineering or the Apprenticeship Branch shall be permitted to repeat the examination once only at the next available examination period, if his superintendent considers the apprentice's in-shop performance adequate. In the event that the apprentice fails the examination a second time, the "apprenticeship" may be terminated at the discretion of the Director of Engineering.
 11. Every apprentice shall be bound by all the provisions of the Collective Agreement between the Township and CUPE 403 prevailing from time to time, provided however that:
 - (a) where the provisions of the Collective Agreement between the Township and the Union are inconsistent with the provisions of the apprentice's contract of apprenticeship and/or the provisions of this Schedule, then the provisions of the apprenticeship contract and/or this Schedule shall supersede the provisions of the Collective Agreement to the extent of such inconsistency;
 - (b) this Schedule and the contracts of apprenticeship entered into pursuant to this Schedule shall be governed by the provisions of the Apprenticeship Act.
 12. Every apprentice who has obtained a certificate of proficiency or a certificate of apprenticeship in his designated trade under the Act and for whom no journeyman's position is immediately open in the Garage shall, subject to availability of work, be retained on staff for a maximum of six (6) months at the final step of the appropriate apprentice pay scale as provided in his contract of apprenticeship; and after expiration of the said six (6) month period, the Township shall have no obligation to continue his employment.

- 13. Where an apprentice is absent from work by reason of sickness or injury, the term of such apprentice's contract shall be extended accordingly, PROVIDED that such extension shall not exceed six (6) months in duration without the approval of the Director of Engineering.
- 14. Every journeyman taken on staff shall be required to have a B.C. Certificate of Qualification and a B.C. Certificate of Apprentice or either certificate in the designated trade as required by the Act.
- 15. No provision of this Schedule shall infringe upon or limit the Township's right to hire, discharge or layoff employees.
- 16. For the purpose of layoff or bumping, the provision of Article 15.1 shall be in effect.

RCMP CIVILIAN STAFF - TRAINING

Whereas the Corporation and CUPE 403 have agreed to implement a revised process with respect to the rescheduling of training shifts for RCMP civilian staff, both parties hereby agree that the following provisions and procedures shall be used when amending established shift schedules.

A. Training - Attendance Required

Where the Corporation requires RCMP civilian staff to attend at training courses and such training requires an amendment to the shift schedule of one or more employees, the Civilian Supervisor will advise the affected employees of the need for a shift change thirty (30) calendar days in advance of the commencement of training. The Civilian Supervisor and each affected employee shall, thereafter, attempt to reach a mutually acceptable shift arrangement. Failing agreement, the Civilian Supervisor shall make the reassignment of hours (shift change) and provide a minimum of seven (7) calendar days' notice to affected employees. Shift changes for training purposes may be made with fewer than seven (7) calendar days but only with the consent of the affected employee(s).

Where such a shift change is made, the affected employees shall be entitled to receive their full regular pay (including shift differential) for all hours that would normally have occurred during that period had the schedule not been modified. For example, if a Telecommunication Operator was scheduled to work two twelve (12) hour days and two twelve (12) hour night shifts for a total of forty-eight (48) hours, and the schedule was changed to provide two twelve (12) hour day shifts, one twelve (12) hour night shift, and one eight (8) hour training shift for a total of forty-four (44) hours, the employee would be entitled to forty-eight (48) hours of pay at straight-time rates plus any shift differential that would normally have occurred had one of the night shifts not been amended.

If the seven (7) calendar day minimum notice period is not provided or a shorter period consented to by the employee, the employee shall be entitled to overtime for the hours actually worked on his/her normal day of rest. In the above, example, the affected employee would be entitled to regular pay for the three (3) twelve hour shifts and sixteen hours for the training shift for a total

of fifty-two (52) hours of pay plus any shift differential that would normally have occurred had one of the night shifts not been amended.

If, as a result of any such shift change, an employee actually works in excess of their normally scheduled hours in a pay period, the employee shall be entitled to overtime compensation as per the Collective Agreement.

B. Training - Attendance Optional

The Corporation and the Union recognize that voluntary training is at the discretion of the Corporation whether on an unpaid basis or paid for at straight-time rates for hours actually involved in the training. However, where the Corporation makes voluntary training available to employees and such training is on a paid basis, the Corporation will offer such training as follows. Employees who are not on shift at the time of the training will only be paid for the hours actually spent in the training. In most cases, this will involve an eight (8) hour shift rather than the normal twelve (12) hour shift configuration. Similarly, employees who are scheduled to work but elect to take voluntary training will only be paid for the hours actually spent in the training. They will, however, be able to use banked statutory holiday time, overtime or vacation time to cover off the difference between the hours spent in training and those they were normally scheduled to work. Alternatively, the Civilian Supervisor will attempt to make it possible for an employee to work part of their shift and have the balance of the shift covered through auxiliary replacements (if operationally warranted) in order to provide the employee with an additional option to maintain full pay.

The above provisions and procedures are agreed to on a “without prejudice” basis to the interpretation of the provisions of Schedule “C” of the Collective Agreement governing shift changes for RCMP civilian staff.

This Agreement shall be effective the date of ratification of the Memorandum of Agreement.

Agreed to this 2nd day of May, 1997.

LETTER OF UNDERSTANDING

CORPORATION OF THE TOWNSHIP OF LANGLEY

(hereinafter called 'the Corporation')

and the

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 403

(hereinafter called "the Union")

JOB SHARING

Whereas the Township of Langley and CUPE Local 403 intend to establish a formal job sharing agreement and whereas the parties agree that job sharing is not a right of employees but an accommodation that may be made to establish an alternative work arrangement enabling two employees to fill a single position, the parties hereby agree that the following shall govern individual agreements approved on behalf of employees.

- A "Job Sharing Arrangement" refers to a specific written agreement setting out the names of the participants, the position to be shared, how the duties will be divided, and the terms and conditions which shall apply if the arrangement is to be approved. The written agreement shall be signed off by the Manager of Human Resources, CUPE Local 403, and the affected employees.
- No "Job Sharing Arrangement" shall be considered or continued which conflicts with the terms of the Collective Agreement, creates significant operational difficulties, service delivery issues or administration complications, or adversely impacts directly on the rights of other employees.
- Participation of employees in a Job Sharing Arrangement shall be voluntary.
- Participation shall be limited to Regular Full-Time and Regular Part-Time Employees who have completed their probationary period and are considered by the Township to be qualified and capable of undertaking the work of the position proposed for job sharing.
- Participation in any Job Sharing Arrangement shall normally be arranged from within the same classification. No employee shall attain a promotion through the approval of a job sharing arrangement although an employee may voluntarily accept a demotion in order to participate in job sharing.
- Employees wishing to establish a Job Sharing Arrangement must submit a written proposal to management and the Union outlining the reasons for the arrangement, its feasibility, and operating details necessary to implement it, such as: start date, days and hours worked, absence coverage, and sharing of responsibilities.

- Shared positions shall be treated in all respects as though they were single positions with regard to scheduling and job descriptions.
- Where a Job Sharing Arrangement has been approved for implementation by the Township, the operating divisions shall have a trial period of up to sixty (60) working days to determine whether the job sharing agreement is workable.
- A regular full-time vacancy created as a result of a Job Sharing Arrangement shall be posted in accordance with the provisions of Article 13.1 of the Collective Agreement although nothing in this Letter of Understanding shall obligate the Township to post and fill positions which are not required. The operating division may, however, delay the final appointment to a job sharing vacancy until such time as the trial period has successfully concluded.
- A work schedule will be set out in advance showing days, hours or shifts to be worked by the Job Sharing partners.
- During the period of the Job Sharing Arrangement, the accumulation of sick leave, vacation and statutory holiday time shall be pro-rated based on the schedule of hours agreed upon for the participants. Previously accumulated banked vacation, statutory holiday time, sick leave and overtime will not be affected.
- Job Sharers shall accumulate seniority on the basis of hours worked.
- Job Sharers shall earn increments based on the accumulation of hours equivalent to that of a full-time employee occupying the same classification.
- Job Sharing partners shall continue to be entitled to full coverage under the Health and Welfare benefits such as medical, dental, extended health, and group life insurance, but shall be responsible for the additional benefit premium costs associated with the Township employing two employees in one position.
- Employees engaged in a Job Sharing Arrangement may work up to the normal weekly hours of work associated with their classification (i.e., 35, 37½, 40 or 42 hours per week) in order to meet the hours specified for the Job Sharing Arrangement and/or to provide sick leave coverage or vacation relief for their partner or to assist occasionally in work overload situations. In doing so, their regular hours of work shall continue to be governed by Article 7 of the Collective Agreement and the employees shall be entitled to the daily overtime rates set out in Article 8.1 for any shifts so scheduled. The intent, however, is not to have job sharing partners working full-time hours on a regular or continuous basis. Job Sharers shall not be entitled to bid on additional regular part-time positions or work in additional auxiliary capacities in order to augment their Job Sharing Arrangement.
- A Job Sharing Arrangement may be terminated upon sixty (60) working days' written notice for the following reasons:

- (a) the employment of a Job Sharing partner terminates, or
- (b) a party to the arrangement applies for a vacancy and is appointed, or
- (c) service delivery issues or administrative complications for the Township.

Nothing in this Letter of Understanding shall require the Township to continue a position which is no longer required nor shall it limit the rights of the Township pursuant to Article 2.1 of the Collective Agreement.

- Where notice to terminate a Job Sharing Arrangement has been given because of one partner terminating, the remaining partner may use the sixty (60) day notice period to locate a qualified and capable individual to continue the Job Sharing Arrangement. In the event a qualified and capable individual cannot be found, one of the following will transpire:
 - (a) the remaining partner will become the regular full-time incumbent; or
 - (b) the position will be posted if the remaining partner elects to resign rather than to accept the increase in hours; or
 - (c) upon approval of the Division Director that the Township wishes in this instance to continue with a job sharing arrangement the remaining partner shall have the following option available:
 1. If after the 60 day notice period, a qualified and capable individual (RFT or RPT status) cannot be found, the remaining partner will have the opportunity to discuss with their Division Director the option of posting the “job share” arrangement as per the posting process outlined in the Collective Agreement. Posting of the “job sharing” arrangement will be subject to the Division Director’s approval and the Departments/Divisions operational requirements. If this option is not exercised by the remaining partner within 10 working days following the 60 day notice period, the remaining partner will become the regular full-time incumbent or the position will be posted if the remaining partner elects to resign rather than to accept the increase in hours.
 2. If a job sharing arrangement is posted as per #1 above, any Township employee (RFT, RPT and Auxiliary) who has completed their probationary period (with the exception of auxiliary) shall be eligible to apply for the job sharing arrangement. In the event an auxiliary employee is the successful applicant in the position, the auxiliary employee’s status will remain as an auxiliary and receive benefits as per Article 9.6(a) until such time that they post into a RFT or RPT position. In the event an RPT or RFT employee with the required knowledge, ability and skills fills the job sharing arrangement, upon acceptance of the job sharing arrangement the RPT or RFT position that they held prior to the acceptance of the job sharing arrangement shall be posted as per Article 13.1.
 3. If a job sharing arrangement is posted as per #1 above, and there are not qualified candidates with the required knowledge, ability and skills to fill the job sharing arrangement

the remaining partner will become the regular full-time incumbent or the position will be posted if the remaining partner elects to resign rather than to accept the increase in hours.

- Given that job sharing is an accommodation and not a right under the Collective Agreement, conflicts arising from the interpretation or application of Job Sharing Arrangements shall not be considered as grievances and shall, instead, be subject to discussion between the Township of Langley and CUPE Local 403 as part of the Labour/Management Committee.
- The parties recognize that Regular Full-Time and Regular Part-Time Employees engaged in an approved Job Sharing Arrangement shall, except as modified herein, be considered as regular employees for application of the Collective Agreement.

This Agreement shall be effective from the date of signing.

Agreed to this 30 day of Aug. 2004.

WHEREAS:

A. The Township has from time to time implemented a Christmas / Holiday closure around the Christmas / Holiday period (hereinafter referred to as the "Closure"), and as such, many of the Township facilities / sites do not operate and are not staffed during the Closure;

B. The Union grieved the actions of the Township in implementing the Closure in 2007 (grievance number 07-022) and 2008 (grievance number 08-001) (the "Grievances");

C. In an effort to resolve outstanding differences between them in respect of the Closure in 2009, the Township and the Union entered into the Letter of Understanding Regarding Callout During the 2009 Christmas / Holiday Closure dated September 24, 2009 that governed the rates of pay for both employees scheduled to work at facilities / sites that were for the most part closed over the Closure and for those employees that were called back to work during the Closure to such facilities/sites;

D. In an effort to resolve the outstanding differences between them in respect of the Closure, in 2009 the Township implemented a pilot holiday closure deferred bank program which provided an opportunity for employees to defer a specified number of hours per pay cheque to a bank which would then be used to compensate the employee over the Closure (the "Deferred Bank Program");
