(hereinafter referred to as the "Union")

JOB SHARING

The Employer and the Union agree that where a regular employee wishes to share **their** full time position, that such job sharing agreement be mutually agreed upon for a "trial period" of up to one year using the following principles, provided however that nothing in this Letter of Understanding be construed as altering the existing rights and/or obligations of either Party under the Collective Agreement.

1. General

Where an employee occupying a regular full-time position wishes to share **their** position with another employee and has received written approval from the Administrator or designate and the Union, the employee shall be entitled to do so in accordance with the provisions of this Letter of Understanding.

2. Procedure

- (a) The employee shall apply in writing to **their** Supervisor indicating the reason for the request, including the hours and days of the week the employee wishes to share. A copy of the request shall be forwarded to the Administrator or designate and the Union.
- (b) The job share partner shall be selected by the Employer with the primary consideration being compatibility and must be qualified to perform the duties and responsibilities of the position. It is understood that job sharing units (pairings) shall be posted. An internal posting will occur before recruiting an outside applicant.
- (c) Where an employee's request is approved and results in an acceptable job sharing agreement, the Administrator or designate shall provide each affected employee with a letter covering the terms and conditions of the job sharing arrangement signed by the Employer and the Union.

- (d) The regular daily and weekly hours of the position being shared shall remain unchanged as a result of the job sharing arrangement unless such hours are specifically varied by the terms and conditions of the Letter referred to in paragraph 2 (c) above.
- (e) A job sharing arrangement shall be for a minimum period of one year and may be extended by mutual agreement between the Employer and the Union.
- (f) The minimum percentage of time allocated to a job share partner shall be forty percent (40%) of a full-time position, and the maximum time allocation shall not exceed sixty percent (60%) of a full-time position.
- (g) Where an employee's request is denied, the Union may request a meeting with the **CAO** (or designate) to discuss the matter.

3. Employee Status and Working Conditions

- (a) (i) An employee in a job-sharing arrangement shall continue to maintain their original employee status during the period of time covered by the job sharing arrangement and shall accumulate seniority in accordance with the employee's scheduled hours of work in the job sharing arrangement. Such an employee shall be entitled to use accumulated seniority for all applicable purposes set out in the Collective Agreement. Seniority shall be determined by the number of hours worked.
- (ii) In the event an auxiliary employee is a partner to a job share arrangement, then the auxiliary employee shall be converted to regular status should the job share arrangement continue beyond the one-year trial period.
- (b) The general principles with respect to wage rates, employee benefit entitlement and premium payments for employees in job-sharing arrangements are as follows:
 - (i) Wages shall be paid in accordance with the ratio that the employee's scheduled weekly hour's bears to the full-time hours of the position being shared.
 - (ii) Paid leave benefits, such as Vacation, Public Holidays and Sick Leave shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.
 - (iii) The employee's share of the premium payments for health and welfare benefits, such as Medical, Dental, Extended Health and Group Life shall increase proportionately as the number of scheduled weekly hours decrease in relation to the full-time hours of the position being shared.

- (c) In accordance with the general principles outlined in paragraph 3(b) above, except as otherwise provided herein, the following shall apply to employees:
 - (i) Vacation Entitlement - the employee's annual vacation entitlement shall be prorated according to the number of weekly hours the employee is scheduled to work in comparison to the full-time hours of the position being shared.
 - (ii) Public Holidays
 - 1) The employee's public holiday entitlement and pay shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared or effective as at the commencement of the job-sharing arrangement in respect of the public holidays remaining in the balance of that calendar year.
 - 2) Where the employee has received an overage on the number of paid public holiday hours, the employee may be scheduled to work without pay to make up the equivalent number of overpaid hours.
 - (iii) MSP, Dental, Extended Health and Group Life - the Employer shall pay a prorated share of the premiums for the above noted benefits based on the proportion of the employee's scheduled hours work compared to the full-time hours of the position being shared relative to the premiums normally paid by the Employer for a full-time employee. The employee shall pay the balance in order to maintain full coverage.
 - (iv) Sick Leave – for the period of the job-sharing arrangement, the employee shall have sick leave credited on a prorated basis, calculated on the same proportionate basis as the employee's scheduled hours of work bears to the full-time hours of the position being shared.
 - (v) Municipal Pension Plan – where an employee is contributing to Municipal Pension Plan and enters into a job sharing arrangement, the employee shall be required to continue making payments towards Municipal Pension Plan. The existing cost-sharing arrangement shall continue to apply on the same percentage basis applied to the reduced earnings.
 - (vi) Bereavement Leave – shall apply to employees participating in a job sharing arrangement, except that the maximum paid leave to be granted such employees is one and one-half (1½) working days.
- (d) When one member of a job-sharing unit (pairing) is absent (e.g., sick leave, vacation, etc.) the other member of that unit (pairing) shall make every reasonable effort to cover for such absence by working full-time, rather than employ a temporary replacement when full-time coverage is required by the Employer.

4. Termination of Job Share Arrangement

- (a) A job share arrangement may be terminated earlier than expected by either of the employees or by the Employer, provided thirty (30) calendar days written notice has been served to the other employee(s) and Party(ies), or as otherwise provided for in this Letter referred to in paragraph 2(c) above. Other employees temporarily appointed to fill positions vacated as a direct result of job sharing shall be advised at the time of their temporary appointment that their term in the position could be abbreviated as a result of an early cancellation.
- (b) Upon the expiry or termination of the job sharing arrangement, the employee shall revert to working in their original position under the terms and conditions then applicable unless some alternate job sharing arrangement has been approved in the interim. If the original position is not available or the employee did not occupy a position, **they** shall be either laid off or if a regular employee may bump a more junior employee in accordance with Article 15.03 of the Collective Agreement, on the same basis as any other employee, except where the junior incumbent was a regular full-time employee immediately prior to the job sharing such employee may bump a more junior regular full-time employee.

5. Either Party may cancel this Letter of Understanding by providing at least thirty (30) calendar days written notice to the other Party.

IN WITNESS WHEREOF the Parties hereto have caused this Letter of Understanding to be executed on this 23rd day of June in the City of Victoria, Province of British Columbia.
