ARTICLE 1 - PURPOSE

1.01 Purpose of Agreement

The purpose of this Agreement is to establish and maintain mutually satisfactory working conditions, wages and benefits for the employees, to maintain collective bargaining relations between the University and the Union and to provide machinery for the prompt and equitable disposition of disputes.

1.02 No Conflicting Agreement

No employee shall make any written or verbal contract which may conflict with this Agreement.

ARTICLE 2 - DEFINITIONS

2.01 Employees

(a) Employee: The term "employee" shall mean any person employed by the University whose position is included in the Union by:

- (i) the certification granted to the Union by the Labour Relations Board of British Columbia; or
- (ii) any decision by the Labour Relations Board of British Columbia that alters the original certification granted to the Union.

(b) Continuing Employee: A continuing employee shall mean an employee hired with no predetermined termination date.

(c) Temporary Employees: A temporary employee is an employee hired with a predetermined termination date. If temporary employment continues for longer than four (4) months of continuous employment in the same position, the employee shall be eligible for the benefits and pay in lieu of benefits for temporary employees as per Article 52.

Change(s) in position number or minor changes in job duties shall not be considered a change in position for the purposes of the application of pay and benefits per Article 52.

No full-time or part-time position shall be filled for a period of more than four (4) months by terminating and rehiring the same temporary employee, or by terminating and hiring a series of temporary employees.

Notwithstanding the preceding paragraph, in special cases, such as project work, or work tied to temporary funding, a temporary non-recurring full-time or part-time position may be created for a period of more than six (6) months but no more than fifteen (15) months. Job postings for such positions shall state the predetermined termination date. The Union shall be given a written explanation of the special circumstances of each such case.

Employees filling such positions will be eligible for temporary benefits and pay in lieu of benefits per Article 52. However, such an employee will not be eligible for involuntary transfer upon reaching their predetermined termination date, but they will be placed on the laid off list, and if the position is reopened, the employee shall be recalled to that position as outlined in Article 14.

(d) Full-Time Employee: A full-time employee shall mean an employee whose work week averages 35 hours (excluding overtime). (Includes continuing and temporary employees.)

(e) Part-Time Employee: A part-time employee shall mean an employee whose work week averages less than 35 hours (excluding overtime). (Includes continuing and temporary employees.)

2.02 Time

(a) "Day" shall be the period from 0001 hours to 2400 hours.

(b) "Working Day" shall mean any day Monday to Friday, exclusive of statutory holidays and University closures.

(c) "Week" shall be the period of time from 0001 hours Monday to 2400 hours the following Sunday.

(d) "Bi-weekly period" shall be a period of time consisting of two (2) consecutive calendar weeks.

(e) "Month" shall mean a calendar month.

ARTICLE 3 - UNION RECOGNITION AND CHECKOFF OF UNION DUES

3.01 Union Recognition

The Union is the sole bargaining authority for all employees of the University for which the Union is certified under the Labour Code of British Columbia.

3.02 Authorization for Checkoff

All employees will be required to sign an authorization for dues and assessments deductions. A copy of this authorization will be sent to the Union.

3.03 Deduction of Dues

The University shall deduct Union dues and assessments bi-weekly.

3.04 Transmittal to Union

Before the fourth (4th) working day of each month, the University will forward the collected dues, by cheque, to the Treasurer of the Union, together with a detailed list of names, employee numbers, position numbers where applicable, email addresses, departments and amounts deducted.

3.05 Year-End Statement of Members' Dues Deduction

T-4 income tax forms issued to employees will include the amount of Union dues deducted in the previous calendar year.

ARTICLE 4 - UNION SECURITY

4.01 No Discrimination for Union Activity

There shall be no discrimination or retaliation against, or intimidation of any employee for reasons of union membership or union activity, or for the exercise of rights provided for in this agreement or in the Labour Relations Code of British Columbia.

4.02 Membership Requirements

(a) Current Employees: Employees who were members of the Union on and after April 20, 1975 shall continue as members of the Union.

Employees who were members of the bargaining unit on April 20, 1975, but who were not members of the Union on that date shall not

be required to join the Union, but shall be required to pay any dues, fees or assessments to the Union.

(b) New Employees: Employees hired after April 20, 1975 shall become Union members within two (2) weeks of their date of hire, and shall maintain membership in the Union throughout their employment.

(c) The Union shall not, without good and sufficient cause, refuse an employee applying for membership, nor suspend and expel from membership any member without cause.

4.03 Notification by the University

The University agrees to notify the Union, by electronic mail or data transfer where practicable, or else in writing, within five (5) working days, of the name, position and location of each employee who resigns or is hired, promoted, transferred, demoted, laid off, recalled, suspended or terminated.

4.04 Union Representatives

(a) Recognition: The University recognizes Stewards and other Union representatives selected by the Union for the purpose of representing employees on matters pertaining to these Articles of Agreement, and shall not discriminate against such representatives for carrying out the duties proper to their position. Shop Stewards shall be selected from members of the bargaining unit.

(b) Limitation: The number of Stewards recognized by the University shall not exceed ten (10) percent of the employees at any one time.

(c) Notification: The Union will provide the Human Resources department with a minimum of 1 week's notice of the appointment or election of an employee to any Union representative position prior to the representative performing any duties on behalf of the Union. The notification will identify the position or duty which the employee will be undertaking. If such notice is not received by Human Resources, the employee will not be given recognition as a Union representative. The one week notice period may be reduced by mutual agreement between the parties. Within one week after an employee ceases to be a Union representative, the Union shall notify Human Resources about the change in status.

(d) Responsibility: Stewards shall be granted reasonable time during regular working hours to perform their duties within their unit,

without loss of pay. Such granting shall not be unreasonably withheld.

(e) Where the required arrangements have been made for time off during working hours to perform Union duties, such time off shall be given without loss of pay for:

(i) stewards to perform their duties within the unit in which they work in accordance with 4.04(d) above or in another unit at the same work site if the local steward is not available;

(ii) Union representatives who are members of a joint committee to attend any joint meetings of their committee provided that the committee was established in order to comply with the terms of this collective agreement or was established by the University through the Executive Director, Human Resources & Labour Relations or their designate;

(iii) any Union representative to attend a joint meeting requested by either party and agreed to by the Executive Director, Human Resources & Labour Relations or their designate and a member of the Union Executive (excluding contract negotiations meetings which are governed by Article 6.03(g) and grievance/arbitration meetings/proceedings which are governed by Articles 9 and 10);

(iv) any Union representative to attend a joint meeting for consultations required under this collective agreement;

(v) a Union representative to meet with new employees in accordance with Article 6.03(a) provided that the meeting is at the work site where the Union representative works; and

(vi) any other situation where time off without loss of pay is specified in this collective agreement.

4.05 Observation of Picket Lines

(a) Observation No Breach: Failure of an employee to cross an established picket line shall not be considered a breach of this Agreement. No employee shall be discriminated against for their failure to cross an established picket line. Employees who observe picket lines shall be recorded as being absent without pay.

(b) Other Bona Fide Picket Lines: Where the picket line is a result of actions of persons other than the CUPE Local 3338 members, the CUPE Executive will advise the University whether or not they regard the picket line which has been set up as a bona fide picket line.

(c) CUPE Authorized Picket Lines: When a Union authorized picket line is to be set up, the University will be provided with a statement, giving the location, and reasons for the picket line.

(d) Insured Benefit Premiums: During the observation of picket lines, both the employee and University premium contributions to all insured benefit plans shall be paid by the University. Upon return to work, the employee shall reimburse the University for the entire amount of employee and University premium contributions by payroll deduction over the number of pay periods equal to the number of months and/or part of a month that the employee honoured the picket line.

(e) Conditions for Illness or Injury: During the observation of picket lines, the Sick Leave provisions are suspended. If during the observation of picket lines, the twenty-six (26) week qualifying period for Long Term Disability is met, the employee may apply for Long Term Disability benefits. If following the withdrawal of picket lines, an employee is unable to return to work due to illness or injury, the employee shall be entitled to the balance of paid sick leave which has not been used for that illness or injury in accordance with Article 35 provided that the employee has not applied for Long Term Disability benefits.

(f) Essential Services: Also, during such period, any essential services which are the subject of Letters of Understanding between the parties, will be maintained.

4.06 Reductions in the Workforce

The University will not reduce the workforce, through layoff or attrition, without a corresponding reduction in the workload, except in those cases where the parties to the Agreement have discussed the proposed reduction.

In the event that the workforce is being reduced, the University will provide the Union with advance written notice of any services or functions that will be discontinued.

ARTICLE 5 - NEW EMPLOYEE ORIENTATION

- (a) All new continuing employees and new temporary employees with assignments longer than three continuous months shall attend paid orientation.
- (b) The University reserves the right to change an employee's regular schedule to accommodate the orientation time in a

reasonable manner and will make every reasonable effort to provide as much notice as possible of schedule changes. With the exception of 26.02 – Split Shifts, Article 25 and 26 do not apply for the purposes of schedule changes to accommodate orientation, unless the schedule change results in the employee working longer hours above the regular work day.

ARTICLE 6 - UNION/UNIVERSITY RELATIONS

6.01 Union Business

Union business shall not be conducted on employees' scheduled working time, except as otherwise provided for herein.

6.02 Union Communications

The University will provide the following of its facilities to assist the Union with communications and the conduct of its business.

- (b) Rooms for meetings at cost subject to the same conditions as other on-campus organization users.
- (c) Bulletin Boards: Up to twenty-five boards for conveying information on the business affairs of the Union.
- (d) Paid Time Off for Meetings: When the University and the Union agree that such would be of mutual benefit, paid two (2) hour meetings during working hours will be arranged for the membership.
- (e) Campus Mail: The Union shall have the right to communicate with its members through campus mail and through electronic mail. For bulk campus mailings the Union must provide the manager responsible for the Mail Room with written notice five (5) working days in advance of each mailing. The written notice on bulk mailings can be provided as an electronic message to the manager.

6.03 Union Activity

- (a) New Employee Information Meetings: The University agrees that a Union representative shall be allowed approximately one (1) hour to meet with new employees to explain the functions of the Union and sign new employees into the Union. This meeting will be held at the orientation in accordance with Article 5.
- (b) Executive Contacting Members at Work: Members of the local Union Executive, on matters respecting this Agreement or its administration, shall have the right:

(i) to make a reasonable number of phone calls and electronic messages to employees at work.

(ii) to confer privately with employees during working hours, providing they have made prior arrangements with their respective supervisors.

(c) Representatives or other advisors chosen by the Union shall have access to University premises in order to meet with Union and or University representatives. Meetings with Union Representatives during working hours are subject to prior arrangements being made with the respective supervisor. Meetings with University representatives must be arranged in advance with the Executive Director, Human Resources & Labour Relations or their delegate.

- (ii) define the issue in the difference, and
- (iii) make written recommendations to resolve the difference

within 30 days of the date of receipt of the request and, for those 30 days from that date, time does not run in respect of the grievance procedure.

(f) Where mediation fails or is not appropriate, a decision will be rendered as contemplated herein and shall be binding on the parties.

13.02 Job Postings

(a) Vacancies for all continuing positions shall be posted. Vacancies for all temporary positions over three (3) months shall be posted except when an employee leaves a temporary position to take another position within the University, or leaves the University, and the remaining term in the vacated position is less than six (6) months.

(b) All postings shall be posted on the Human Resources website for a minimum of five (5) working days. A copy will be sent to the Union office. Employees on the laid off list who have agreed with the

University on the classifications that are within their scope shall be informed to review the Human Resources website for job postings.

(c) Each posting shall include job title, position number, salary, outline of job duties, and necessary qualifications and skills. Each Notice of Vacancy shall state "Simon Fraser University is committed to equity, diversity and inclusion".

(d) Supervisors will use a standard format and set of questions for all applicants interviewed for a posted job.

(e) An unsuccessful applicant to a posted position shall have ten (10) working days from the date they become aware that another applicant was selected for the position to request written reasons why they were unsuccessful. The hiring department will respond in writing within ten (10) working days from the date of the request. Such written responses shall not be placed in the applicant's employee file in Human Resources. The time limit for requesting written reasons or for responding to a request for reasons may be extended by mutual written agreement between the University and the Union.

(f) If an unsuccessful applicant or the Union has further questions or concerns after receiving the supervisor's written reasons, then within ten (10) working days after the employee has received the written reasons, the employee or the Union may request a meeting where the supervisor, the employee and a Union representative will be present to discuss the reasons why the employee was unsuccessful. The meeting will take place within ten (10) working days of the request. The time limits in this paragraph may be extended by mutual written agreement between the University and the Union.

(g) The University shall notify the Union in writing of the discontinuation of any vacant position as soon as the decision is made to discontinue the position.

13.03 Continuing Employees and Temporary Appointments

(a) Except for 13.03(b), if a continuing employee is the successful applicant for a temporary vacancy, then prior to accepting the appointment the employee may submit a written request to their current supervisor for the opportunity to return to their continuing position at the end of the temporary appointment. The granting of such a request will be subject to the ability of the respective department to accommodate the temporary absence, but granting will not be unreasonably withheld.

The supervisor's response to the request will be communicated in writing to the employee prior to the commencement of the temporary appointment.

(b) Notwithstanding 13.03(a), if a non-probationary continuing employee is the successful applicant for a temporary promotion of between six (6) months and three (3) years, the employee shall be able to return to their former continuing position at the end of that temporary assignment. In the case of a temporary promotion of more than three (3) years, one that is extended beyond three (3) years, or in the event of a further temporary promotion, the employee's former continuing position may be posted at the manager's discretion.

(c) At the end of a temporary assignment of more than three (3) years, and in the case where the employee's former continuing position was posted and filled, the employee shall go through the Involuntary Transfer process as per Article 14.

(d) 13.03 (a) and (b) shall not apply to employees on probation or a trial period.

13.04 Promotion

(a) Definition: The movement of an employee from one position to another in a higher salary grade, other than by reclassification.

(b) Both parties agree:

(i) with the principle of promotion within the service of the University and,

(ii) that job opportunity shall increase in proportion to the length of service.

Promotions shall be based equally on ability, qualifications and seniority.

(c) When making promotions the University shall give primary consideration to the ability and qualifications of applicants. If after such consideration two or more applicants for a position are considered to have equal ability and qualifications, the one with the most seniority shall receive the promotion.

(d) In any arbitration, pursuant to this provision, if the Union is able to demonstrate that the senior applicant has the required ability and qualifications to perform the job, the University must establish that the grievor's ability and qualifications are not equal to those of the successful applicant.

13.05 Temporary Promotion

(a) Definition: The movement of an employee from one position to another in a higher salary grade, (other than by reclassification), for a period of time after which the employee is to be returned to the position and pay rate held prior to the promotion (allowing for step increases earned through accrual of classification service during the promotion).

(b) The rate of payment for a temporary promotion shall be in accordance with the conditions of 13.07 (Salary Adjustment), and shall apply for the duration of the temporary promotion provided that the period is equal to or greater than thirty-five (35) hours.

13.06 Demotion

(a) Definition: The movement of an employee from one position to another in a lower salary grade, other than by reclassification.

(b) Any employee shall have the right to apply for a vacant position in a lower salary range and classification, subject to the conditions of "promotion", Article 13.04.

13.07 Salary Adjustment

(a) The salary of an employee promoted to a higher classified position shall be increased to the closest increment step in the higher pay grade that provides for a minimum increase of five (5) percent bi-weekly.

(b) Where an employee has advanced from a recognized "training" position, the employee's salary shall be increased to the closest increment step in the higher pay grade that provides for a minimum increase of five (5) percent bi-weekly.

(c) If an employee chooses to apply for, and receives, a position in a lower classification, the salary shall be that of the lower classification. The employee's classification service in their previous position shall apply in the lower classification.

(d) When an employee moves into a position on a continuing basis, they shall be given increment service credit for service in any temporary assignment in the same position provided that the temporary assignment ended no more than six (6) months prior to the start date for the continuing appointment.

13.08 Transfer, Definition

(a) Definition: A change from an employee's position to another in the same salary grade via the job posting procedure or as otherwise specified in this contract, e.g. 14.04(b)(i).

(b) Any employee shall have the right to apply for a vacant position in the same salary range and classification, subject to the conditions of "promotion", Article 13.04.

13.09 Status Upon Movement to Temporary Position

An employee will be allowed to maintain their continuing status when the employee permanently leaves their continuing position and moves (voluntarily or involuntarily) into a temporary assignment. This status will apply to the first temporary assignment and only if there is no break in service between the continuing assignment and the temporary assignment.

An employee who voluntarily leaves a continuing position to move into a temporary assignment without a break in service shall have the same status as an employee who has resigned from a continuing position upon the termination of the temporary assignment (ref. Article 12.06).

13.10 Transfer or Promotion Outside the Bargaining Unit

(a) No employee shall be transferred or promoted to a position outside the bargaining unit without their consent. If the employee is transferred back to a position inside the bargaining unit, seniority will have accrued during the period of transfer or promotion.

(b) The provisions of 13.11 (b) will apply to an employee who has been transferred or promoted outside of the bargaining unit in accordance with 13.10 (a) above. The trial period in a position outside of the bargaining unit will be of a duration specified in the terms and conditions of employment governing the position into which the employee has been transferred or promoted.

(c) Article 13.03 (b) shall apply to continuing employees who are successful applicants to positions outside of the bargaining unit.

13.11 Trial Period

(a) Definition: That initial one (1) month period in each position held by the same employee during which the employee finds whether or not the job is satisfactory, and the University finds whether or not

the employee is able (or will be able with the job orientation) to meet the basic job requirements.

For a part-time employee the trial period will be one hundred and fifty-two (152) hours or two (2) months whichever is less, unless the trial period is extended in accordance with Article 13.11 (b) below.

(b) When promoted, transferred, voluntarily demoted, reinstated to a new position, involuntary transferred, or rehired through the job application procedure from the laid off list, the employee shall be on a trial period for one (1) month, (except as in 13.11(c)). If during the trial period the employee finds the job unsatisfactory, or is unable to meet the basic job requirements, where possible, they shall be returned to their former position or to one of at least equal salary range. If no suitable vacancy exists, the employee shall be placed on the laid off list rather than terminated. The trial period may be extended by mutual agreement in writing.

(c) The trial period shall be waived where an employee is being placed into a position in which that employee has already passed the trial period.

(d) The University shall conduct bi-weekly evaluations of each continuing employee who is on a trial period. Such evaluations shall be reviewed with the employee as they are completed.

13.12 Probationary Period

(a) Definition: That initial four (4) month period of service where the University finds whether or not the employee is able to meet the basic job requirements. The probationary period may be waived, reduced, or extended by mutual written agreement between the University and the Union.

(b) All employees on initial hiring, (or rehiring after seniority has been lost, reference Article 12.04), will be subject to a four (4) month probationary period. The employment of such employees may be terminated at any time during the probationary period, subject to Article 11.05(d). Continuing employees that are on probation shall be entitled to all the rights and privileges of this Agreement.

(c) No employee shall have more than one probationary period as long as that employee's seniority is in effect. However, the provisions of Article 13.11 (Trial Period) shall apply.

(d) The University shall conduct a minimum of three (3) evaluations of employees who are on probation. Such evaluations shall be reviewed with the employee as they are completed.

ARTICLE 14 - INVOLUNTARY TRANSFER, LAYOFF AND RECALL

14.01 Definitions

- (a) Layoff shall mean the discontinuance or reduction in hours of a position(s) due to lack of work or reduction or discontinuation of a service or services. The discontinuation of services may be due to the elimination of a program or programs or to inadequate funding or to technological change (ref: Article 48). Employees whose positions have been so affected shall be subject to the involuntary transfer procedure as provided in this Agreement.
- (b) Involuntary transfer shall mean a transfer due to a layoff which takes place by means other than the employee applying for and receiving a posted vacancy.
- (c) Laid off shall mean the involuntary cessation of employment due to a layoff.
- (d) Recall shall mean the direct return of an employee from the laid off list to their former position of employment, bypassing the job posting procedure.

14.02 Employees to be Involuntarily Transferred or Laid Off

The determination of which employee(s) are to be involuntarily transferred or laid off shall be made on the basis of the inverse order of seniority having regard for the nature of the remaining work and the ability of the remaining employee(s) to perform the work. If one of a number of similar positions within a faculty, department or a division of the University is to be eliminated, the employee involuntarily transferred or laid-off shall be the one with the least seniority.

14.03 Notice of Intent to Layoff

- (a) At least five (5) working days prior to issuing notice of intent to layoff, the University shall meet with the Union to discuss the actions being considered, the reasons for the actions, alternatives, if any, and the impact on employees. The University shall endeavour to provide the Union with at least five (5) working days' notice of this meeting.
- (b) Any vacancy which is or becomes available following the notice of the meeting in 14.03(a), will not be filled until it is determined that the position will not be utilized for an involuntary transfer.
- (c) The University shall give the Union and the employee(s) written notice of intent to layoff and advise the employee of the potential of

being involuntarily transferred or laid off and the severance pay the employee may be entitled to. In the case of temporary employees occupying positions which normally recur on a semester or yearly basis, they shall receive notice of termination as provided in Article 11.05. The notice of intent to layoff shall specify the reasons for the layoff. The Union shall be sent copies of all such notices.

14.04 Involuntary Transfer/Laid Off Procedure

(a) A continuing employee who is impacted by a layoff shall be interviewed by Human Resources to determine the following:

(i) Job classifications that are within their scope or are likely to be within their scope given the job orientation of the trial period.

(ii) Departments in which they would prefer to work, and such expressed preferences will be considered where possible.

(iii) If a full-time employee whose position is being reduced to part-time is electing to remain in the reduced position, utilize the involuntary transfer/laid off procedure to secure another full-time position, or remain in the reduced position and utilize the involuntary transfer/laid off procedure to secure another part-time position to make up full-time hours.

(iv) If an employee is electing to be laid off rather than undertake an involuntary transfer.

(v) If an employee is considering electing to receive severance pay rather than undertake an involuntary transfer or to be laid off.

(b) Within five (5) working days of receiving the written notice of intent to layoff the continuing employee whose position is being discontinued or whose hours in the position are being reduced shall elect to participate in the involuntary transfer/laid off procedure or receive severance pay.

(c) The following shall also be considered prior to determining involuntary transfers:

(i) An employee may be involuntarily transferred to a vacancy or to replace a person with less seniority provided that the employee being involuntarily transferred either has, or will likely have, the qualifications and ability to maintain the job requirements within the trial period.

(ii) If a vacancy will be utilized as an involuntary transfer position, the posting procedures for that position will be waived.

(iii) All involuntary transfer options shall be exhausted before an employee is laid off.

(iv) No continuing employee shall be laid off as long as there are temporary employees performing work within the capabilities of that employee.

(d) When the information mentioned above has been obtained and collated, the University, in consultation with the Union, will arrange involuntary transfers so as to require the least number of employees being involuntarily transferred and laid off. Human Resources will then issue Involuntary Transfer and Laid Off Notices in accordance with the relevant articles of this Agreement. Involuntary transfers thereby necessitated shall not be subject to the Grievance Procedure provided they do not contravene the above procedure.

(e) The elapsed time between the Notice of Intent to Layoff, as described in Article 14.03 (c) and the issue of Involuntary Transfer and Laid Off Notices shall not exceed four (4) weeks.

(f) The elapsed time between the Notice of Intent to Layoff, as described in Article 14.03(c) and the issue of Notice of Severance shall not exceed two (2) weeks.

14.05 Movement into a Temporary Position

An employee who is involuntarily transferred into a temporary assignment shall have the same status as an employee who is laid off from a continuing position upon the termination of the temporary assignment (ref. Article 14.08).

An employee who refuses the University's offer of involuntary transfer into a continuing position in favour of taking a temporary assignment shall be laid off upon the termination of their continuing assignment and shall remain on the laid-off list for twelve months from that date. The temporary assignment will not be identified as an involuntary transfer, but the employee's status will be governed by Article 13.09.

14.06 Involuntary Transfer and Laid Off Notice

(a) Employees shall be given four (4) weeks' notice of involuntary transfer.

(b) Should an employee on notice of layoff leave the University prior to the expiry of the time limit set out in Article 14.06(c), and their position is scheduled to be filled by an employee on involuntary transfer, the time limit on involuntary transfer, as set out in 14.06(a), shall be waived. Other than as provided for in this article, all layoffs and involuntary transfers will take place on expiry of the time limits provided.

(c) Employees being laid off shall be given a minimum of four (4) weeks' notice or four (4) weeks' pay in lieu of notice. In the case of irregular earnings, "payment in lieu" shall be the same as that stated for termination in Article 11.05(f). Employees laid off as a result of their position being discontinued due to technological change shall receive severance pay and notice as provided in 48.07.

14.07 Salary on Involuntary Transfer

(a) Where an employee is involuntarily transferred to a position of the same salary grade level they shall retain their step level.

(b) Where an employee is involuntarily transferred to a position providing a lower pay grade, they will have their former increment step at the higher pay grade frozen until the employee's classification service in the new (lower) pay grade is sufficient to provide for a salary increase to a higher increment step in the lower pay grade.

An employee whose increment step is frozen will be eligible for any general wage increases which apply to the pay grade and the increment step at which the employee is frozen.

14.08 Maintenance on Laid Off List

A laid off list shall be established and the laid off employee's name shall be placed on the list effective the day after their last day of employment, and shall be kept on the list for a period of two (2) years. It shall be the responsibility of the employee on the laid off list to keep the University informed of their current address.

14.09 Notice of Recall

(a) Notice of recall shall be made by telephone, or, if this is unsuccessful, by registered mail to the last known address of the employee. A copy shall be sent to the Union.

(b) A person on the laid off list, when served recall notice, shall have seven (7) days from the mailing of the notice to reply except where extenuating circumstances such as sickness, etc. prevents the recalled employee meeting the time limit. It is the responsibility of the

recalled employee or the Union to inform the University of the extenuating circumstances within a reasonable period of the expiry of the time limit provided. Failure of the recalled employee to respond shall result in loss of seniority as provided in Article 12.04(e).

(c) If within two (2) years of the discontinuation of a position, that position is reinstated in the same department, the employee who was involuntarily transferred out of the discontinued position shall have the choice of staying in their present position, or transferring to the newly opened (their former) position bypassing the job application procedure, without loss of step increases to which the employee would have been entitled had they not been involuntarily transferred. If the former incumbent of the discontinued position has been laid off they shall be recalled to the newly opened (their former) position.

14.10 Salary of Recalled Employee

An employee recalled as defined in Article 14.01(d) shall be returned to the step level which they had attained at the time of layoff and shall receive the current rate of pay for that step level.

14.11 Severance Pay

An employee whose position is being discontinued or whose hours in the position are being reduced who elects severance pay shall receive six (6) weeks' pay or one (1) week's pay for each year of service up to a maximum of ten (10) years (i.e. maximum ten weeks' pay), whichever is greater.

ARTICLE 15 - JOB DESCRIPTIONS

15.01 University to Provide

(a) All positions within the bargaining unit must have a job description. The University agrees to provide:

- (i) employees with a copy of their individual job description on their date of hire, promotion, demotion or transfer and a copy of their revised job description within two (2) weeks of being written and approved by the University;
- (ii) the Union with access to the electronic job description database for job descriptions of positions in the bargaining unit and notification of new job descriptions and revised job descriptions within two (2) weeks of being written and approved by the University.

The parties agree that such descriptions are the recognized job descriptions, unless formally changed in accordance with Article 17 or as otherwise provided for in this Article.

This requirement for a job description is not necessary where an employee is hired to a position of a shorter duration than one month provided a similar position (i.e. having no major differences) does not exist in the bargaining unit and has not existed in the past. However, if the Union feels that the terms of Agreement are being violated, the Union may request a job description for any position within the bargaining unit and the University agrees to provide the description.

(b) The list of job duties in the job description shall serve as an outline of the job. It shall be in conformity with the recognized position title and it shall not conflict with any terms of this Agreement. Job descriptions must follow a standard format and use standard terminology to describe the duties and responsibilities of the job. The minimum qualifications required to perform the work must be directly related to the duties and responsibilities of the job.

15.02 Changes in Job Descriptions

(a) The University may change or modify a job description provided the changes do not violate the terms of the Agreement. If the changes to a job description are inconsistent with the current position title then the job must be reviewed under Article 17. Following a re-evaluation under Article 17, the job description and the position title shall be consistent.

If a job description is changed to the extent that the current incumbent does not have the qualifications and abilities to perform the duties of the position then either the University will offer to provide appropriate training to the incumbent to enable the employee to perform the new duties or the change in duties will be considered a deletion of the position previously described and the creation of a new position. In a case where the former position is deleted, the continuing incumbent will be eligible for the layoff and involuntary transfer procedure in accordance with Article 14.

(b) Job descriptions forwarded to the Union as set out in Article 15.01 shall be considered accepted if no request for review has been received from the Union and/or the employee within thirty (30) working days of the date of forwarding to the Union. This time limit may be extended with the mutual consent of both parties.

Requests for review of job descriptions must be submitted to the Executive Director, Human Resources & Labour Relations who will

forward the requests to the members of the Job Description Committee within five (5) working days of receipt. The Job Description Committee shall be comprised of one (1) representative appointed by the Union and one (1) representative appointed by the University. Requests for review shall include a summary identifying where the job description is inaccurate, inconsistent or where it violates the terms of the Agreement. The Committee shall make a recommendation to the University, Union and employee to resolve the dispute within five (5) working days following their receipt of the request. The University, Union and/or employee shall have five (5) working days to accept the recommendation. If the Committee is unable to make a joint recommendation or if the Committee's recommendation is not accepted by the University, Union or employee, the dispute over the job description shall be considered a grievance commencing at step two (2) of the Standard Grievance Procedure.

15.03 Review of Job Descriptions

At least once annually the employee and their supervisor shall conduct a joint review of the job description to determine its currency.

15.04 Job Descriptions Documentation

The standard job description form cannot be revised without mutual agreement between the University and the Union.

ARTICLE 16 - JOB SPLITTING

16.01 Entitlement

The University shall allow job splitting (two (2) employees sharing one position). The details will be worked out between the employees requesting job splitting and their immediate supervisor, but the schedule of hours of work for an employee in a job split must not be less than fourteen (14) biweekly.

16.02 Eligibility to Participate as Non-Incumbent

Continuing and temporary employees and individuals who are not currently employed by the University but are on the laid off list or the temporary employees' seniority list shall be eligible to participate as non- incumbents in job splits arranged in accordance with this article provided that all of the other conditions and requirements for job splitting are met.

16.03 Temporary Absences

When one of the employees in a job split (whether they are the incumbent or non-incumbent) is temporarily absent from the position, then if the supervisor and the employee who remains at work agree, the remaining employee will assume all or a portion of the absent employee's hours of work and duties. If the supervisor and the remaining employee do not agree, then the absence from the job split arrangement will be treated like an absence from a part-time position. The department may then, if it wishes, fill all or a portion of the hours of work and duties left by the absent employee through the normal procedures for replacement.

16.04 Termination of Job Split

(a) The incumbent in a split position is entitled to terminate the job split upon three (3) months' notice in writing to the supervisor, the non-incumbent and Human Resources. Upon the expiration of the notice, the non-incumbent will be terminated.

(b) If the incumbent vacates the position, with or without notice, the non-incumbent will be terminated and shall be treated the same way as a temporary employee whose appointment has ended.

(c) A non-incumbent who is terminated in accordance with (a) or (b) above, shall retain their seniority for a period of twelve (12) months from the date of the termination.

16.05 Benefits or Pay in Lieu

The incumbent and non-incumbent in a split position shall be entitled to part-time employee benefits or pay in lieu of benefits as provided elsewhere in this agreement.

ARTICLE 17 - JOB RE-EVALUATION AND RECLASSIFICATION

17.01 Definition

Job re-evaluation consists of an evaluation and comparison of the duties and responsibilities, skills and knowledge, effort and working conditions required in a position relative to all other positions in the bargaining unit.

17.02 When Re-evaluation is Appropriate

Re-evaluation is appropriate when the duties and responsibilities, skill and knowledge, effort and working conditions of a position

substantively change or when the University, Union or employee believes a position is incorrectly classified.

17.03 Requests for Re-evaluation

(a) Requests for re-evaluation may originate from the University, Union or employee. Requests originating from the University must be approved by the Dean/Director before being forwarded to Human Resources. Requests originating from the Union or employee must be forwarded by the supervisor to Human Resources within twenty (20) working days. If the request originates from the employee, the supervisor will send a copy of the request to the Union on the same day that the request is forwarded to Human Resources. Supervisors shall provide employees whose positions are undergoing re-evaluation with a copy of the standard job description form, job description writing guide and glossary of job description writing verbs.

(b) Requests must be signed and dated by the individual initiating the request and must include:

(c) Human Resources will conduct a re-evaluation which may include an interview and/or on-site visit with the employee and/or supervisor. At the request of the employee or supervisor an interview and/or on-site visit will be conducted.

17.04 Re-evaluation Process for Employee or Union Requests

(a) Prior to completing a re-evaluation initiated by an employee or the Union, Human Resources will review the revised approved job description which was submitted to Human Resources with the request. If the review results in revisions to the submitted job description, a copy of the new revised approved job description will

be forwarded to the Union by Human Resources. If the review does not result in revisions to the submitted job description, Human Resources will inform the Union in writing (via e-mail or letter) that no changes have been made to the submitted job description.

(b) The Union and/or the employee may initiate a request for review of the revised approved job description under Article 15.02(b) within thirty (30) working days following receipt of the job description or the written notice from Human Resources outlined in 17.04(a) above. The re-evaluation will not be completed until one of the following occurs:

- (i) the Union notifies Human Resources in writing (via e-mail or letter) that the job description has been accepted by the Union and the employee,
- (ii) the review process identified in Article 15.02(b) (including grievance and arbitration where applicable) is complete, or
- (iii) thirty (30) working days have elapsed since the new revised approved job description or the written notice to the Union (under 17.04(a) above) was received by the Union and Human Resources has not received notice of acceptance or a request for a review under Article 15.02(b) from either the Union and/or the employee.

17.05 Notification of Re-evaluation Results and Documents Distribution

(a) The employee will be notified by letter of the re-evaluation results within thirty (30) working days following receipt of the employee or Union re-evaluation request by Human Resources. The thirty (30) working days shall not include the period of time beginning when Human Resources forwards the new revised approved job description or the written notice of no change to the Union in accordance with 17.04(a) above, and ending when 17.04 (b)(i), (ii) or (iii) occurs. The time limit in this Article 17.05(a) may be altered by mutual consent of the parties.

(b) A copy of the revised approved job description, the re-evaluation report and any supporting documentation will be provided to the employee, the Union and the supervisor when the review is completed.

17.06 Salary Increase Retroactive

A wage increase as a result of reclassification resulting from re-evaluation will be retroactive to the date of request for the re-evaluation, unless the new duties are to begin at a future date.

17.07 No Probationary Period

If an employee's position is reclassified as a result of re-evaluation, they shall not be placed on probation.

17.08 Salary Increase

(a) If an employee has been performing the duties and responsibilities outlined in the revised approved job description, the salary of that employee will be increased to the same increment step in the higher pay grade (ref. Appendix J). They will not be placed on a trial period.

(b) If an employee will be performing the duties and responsibilities outlined in the revised approved job description at a future date, the salary of that employee will be increased to the closest increment step in the higher pay grade that provides for a minimum increase of five (5%) percent bi-weekly (ref. Appendix J). They may be placed on a trial period as described in Article 13.11.

17.09 Re-evaluation Appeals

(a) Where the Union or the employee believes that a position has been incorrectly classified as a result of an employee or Union initiated re-evaluation request, the employee and/or the Union shall have thirty (30) working days following receipt of the re-evaluation report referred to in Article 17.05 (b) to submit an appeal to the Executive Director, Human Resources & Labour Relations. The employee or the Union may only appeal the differences between the authorized profile challenger responses to the WJQ Part II questions and the responses to the questions which were originally submitted by the employee or the Union as part of the re-evaluation request. The appeal must include a summary of the differences of alleged inaccuracies in the re-evaluation report with appropriate references to the revised approved job description and the job questionnaire (see Article 17.05(b)).

The Executive Director, Human Resources & Labour Relations will acknowledge receipt of the appeal within ten (10) working days and forward the appeal and a copy of the revised approved job description, re-evaluation report, and any supporting documentation to the Joint Re-evaluation Appeal Committee.

(b) The Joint Re-evaluation Appeal Committee will be a standing committee composed of two (2) representatives from the University and two (2) representatives from the Union. A University representative and Union representative will jointly train Committee members in the job evaluation method.

(c) The purpose of the Joint Re-evaluation Appeal Committee is to make a final and binding decision on the appeal. The Committee's decision will be supported by a rationale and shall not contravene or amend the Articles of agreement or the principles and practices of the job evaluation method.

(d) The Joint Re-evaluation Appeal Committee members shall have equal votes. If an issue cannot be resolved after two (2) meetings, a fifth mutually acceptable individual will be brought in to cast the deciding vote. The parties to this agreement shall maintain a list of "fifth" members in a Letter of Agreement.

(e) Re-evaluation Appeal Procedure

(i) The Joint Re-evaluation Appeal Committee, unless extenuating circumstances exist, shall meet within fifteen (15) days of the receipt of the appeal by the Executive Director, Human Resources & Labour Relations.

17.12 WJQ (Custom) and Pay Equity

The implementation plan for Weighted Job Questionnaire WJQ (Custom) is outlined in Appendix J to this Agreement.

ARTICLE 18 - BONDING

18.01 Arrangements

If the University requires any employee to be bonded, then the University shall make arrangements with a recognized firm to bond the employee, and the University shall pay all costs attached thereto. If the University's bonding firm is not willing to issue a bond, the employee shall have the right to obtain a bond from some other reputable and recognized bonding firm, with the cost to be borne by the University, provided the cost is not greater than the cost would be if the bond were obtained by the University. In the case where the cost is greater, the employee will be responsible for the additional cost of the bond.

18.02 Bonding Pre-Condition on New Employees

A new employee may be hired with the provision that they are bondable. If said employee is unbondable, (as in Article 18.01) they may be dismissed without notice.

ARTICLE 19 - CONTRACTING OUT

The University will not normally contract out work normally performed by members of the bargaining unit.

Where contracting out is deemed necessary by the University, the Union will be consulted in advance. Where possible such consultation will take place at least two (2) weeks prior to the contracting out.

No employee will be terminated, laid off, or have their regularly scheduled work day or regularly scheduled work week reduced as a result of contracting out.

ARTICLE 20 - USE OF UNIVERSITY FACILITIES

20.01 Facilities

The University shall provide access for all employees to University recreational, library and food services facilities during those hours scheduled for staff or public use, providing such use does not conflict with the scheduled hours of work. Where such use conflicts with scheduled hours of work, the prior approval of the respective supervisor is required. Make-up time shall not be considered overtime.

20.02 Library Cards

All employees shall be provided, free of charge, a library card entitling the holder to the use of facilities as enjoyed by the rest of the University community. Upon retirement, an employee shall receive a renewable lifetime library card entitling them to all privileges as enjoyed by the rest of the University community.

ARTICLE 21 - ATTENDANCE AT UNIVERSITY FUNCTIONS

21.01 Request in Advance

Where a function or activity sponsored by a University department (exclusive of events covered by Article 23) conflicts with an employee's scheduled working hours, an advance request may be made of the supervisor for time off to attend.

Unless, in the opinion of the supervisor, departmental requirements cannot be met, the request will be granted.

21.02 Make-Up Time

The University shall encourage departments to provide on-the-job training for employees to upgrade their skills and knowledge as would be required for promotion within the Department. The employee may submit a request to their supervisor to take a course or series of courses, programs, lectures or conferences, etc. related to skill upgrading for future utilization by the department or University. Each request will be considered on its individual merits. If the request is approved, the University shall allow time off with pay and may reimburse the employee for fees and costs incurred. If training is required of an employee by a department, then all fees and expenses will be paid by the department.

22.03 Training on New Equipment or Software

Where an employee is required to use new equipment or software which is introduced into the work place, the University shall provide the employee with adequate training on this new equipment or software.

- (c) Otherwise, the same conditions and arrangements as outlined in 23.01 will apply.

Only continuing employees are eligible for this benefit. Continuing part-time employees shall have their tuition waiver prorated on the basis of the normal hours worked in a bi-weekly pay period. Continuing employees on approved extended leave without pay as per Article 44.01 (a) (ii) will be eligible for this benefit.

23.04 Children and Spouses

Children under twenty-five (25) years of age and spouses of continuing employees shall be exempt from the payment of tuition fees for any academic courses taken at Simon Fraser University subject to the following limitations and conditions:

24.01 Standard Work Day

Standard Work Day will be seven (7) hours, exclusive of the meal period.

24.04 Modified Work Week - Proposals

(a) Employees may submit proposals through the immediate supervisor to the department head to establish a Modified Work Week. The supervisor shall forward the request within five (5) days of receipt. Employees presently on Modified Work Week schedules will not be required to submit proposals to remain on the Modified Work Week.

The criteria necessary for operation of the Modified Work Week are:

- (i) The services provided by the department to the University will not be diminished.
- (ii) No appreciable additional costs to the University will result from the implementation of the Modified Work Week.

If these criteria are met, approval of such proposals shall not be denied.

Employees shall be informed of the decision regarding proposals within fifteen (15) working days of submission. The time limit may be extended if the proposal is not adequately documented.

There will be a four (4) month trial period and if during this period the criteria are not met, the Modified Work Week may be discontinued.

If the criteria are met during the trial period the Modified Work Week will remain in operation unless changed as provided for in 24.04(b).

(b) Should the criteria in 24.04(a) cease to be met, or should changes in the hours of operation in the department require a change in the arrangement of hours comprising the Modified Work Week schedule, the department head may propose a change to the employees affected. Failing agreement between the parties concerned, the department head's proposal shall be submitted to the Modified Work Week Joint Committee for recommendations. The Modified Work Week Joint Committee shall be comprised of three representatives from the Union and three representatives from the University. The Modified Work Week Joint Committee will make recommendations on proposals, and such recommendations will be forwarded to the Dean, Director, or equivalent involved in the proposed change through the Executive Director of Human Resources. The Dean, Director, or equivalent will consider the recommendations prior to implementing any change.

ARTICLE 25 - OVERTIME

25.01 Definition

Overtime is that time worked in excess of the normal or modified work day, work week or bi-weekly period which is applicable (ref: Article 24).

Overtime for part-time employees working in more than one position in a day is that time worked in excess of eight (8) continuous hours.

Scheduled overtime is overtime that has been prearranged. This does not preclude the operation of Article 25.03.

25.02 Rate of Compensation

(a) Day Shift: Compensation for overtime shall be paid at the rate of two (2) times the hourly rate for hours worked to the nearest one-quarter (1/4) hour.

(b) Other Shifts: Overtime worked in addition to a shift, other than day shift, will be paid for at two (2) times the differential rate.

25.03 Continuous Work Day

Overtime worked continuous with the work day [no unpaid break between regular shift and overtime except for the first unpaid one-half hour meal period, (25.07)] shall be paid for a minimum of one half (1/2) hour at overtime rates.

25.04 Overtime Work Performed at Home

Any overtime work which is performed by the employee at their residence shall be paid for a minimum of one half (1/2) hour at overtime rates.

25.05 Call Out

Employees called out to work before the beginning of, or called back after completing, a regular day's work, where such work is not continuous with the regular shift, or from a day off, shall be paid for a minimum of four (4) hours at overtime rates. In addition, if an unpaid period [other than the first unpaid one-half (1/2) hour meal period, (25.07)] occurs between the regular shift and overtime which is worked on a regular work day, such overtime shall be considered Call Out and shall be paid for a minimum of four (4) hours at overtime rates unless the employee performs the overtime work at their residence (ref: Article 25.04).

25.06 Time Off in Lieu of Payment

Employees working overtime may take compensatory time off, calculated at double time, in lieu of payment or a combination of time off and pay. Such arrangements will be made in consultation with the supervisor.

25.07 Unpaid Meal Period in Overtime

Employees requested to work overtime in excess of two (2) hours beyond their regular work day shall be allowed an unpaid one-half (1/2) hour meal period before, during or after the overtime work period.

25.08 Paid Meal Period in Overtime

A one-half (1/2) hour paid meal period shall be provided after every four (4) hours of overtime worked beyond the regular work day. Reasonable meal costs will be reimbursed, based on receipts.

25.09 Overtime Voluntary

The University shall endeavour to keep overtime to a minimum. Overtime shall be on a voluntary basis. The opportunity to work pre-scheduled overtime shall be offered by seniority to qualified individuals on a rotational basis.

25.10 Standby Time

For each twenty-four (24) hour period accumulated "standby" time, the employee will be paid one (1) hour's pay, or time off in lieu of payment, with approval of supervisor. Employees on vacation cannot be placed on standby.

25.11 Cancellation of Call Out

Cancellation of call out, either before or after the employee starts work, will result in a four (4) hour minimum at overtime rates.

25.12 Cancellation of Scheduled Overtime

Cancellation of scheduled overtime, either before or after the employee starts work, will result in a one (1) hour minimum at overtime rates.

25.13 Compensating Time Off for Late Overtime

If an employee works more than six (6) hours of overtime continuous with a standard or modified work day then they will report to work the following day one (1) hour after the normal starting time for each hour worked beyond the six (6) overtime hours, with no loss in pay.

ARTICLE 26 - SHIFTS AND SHIFT DIFFERENTIALS

26.01 Shift Definitions

SHIFT	TIME BOUNDARIES	RATE	RATE
		Mon. 0001- Sat. 2400	Sun. 0001-2400
DAY	0800 - 1800	reg. hrly. rate	r.h.r. + \$0.60/hr.
AFT.	1800 - 2400	r.h.r. + \$0.75/hr.	r.h.r. + \$1.25/hr.
NIGHT	0001 - 0800	r.h.r. + \$1.00/hr.	r.h.r. + \$1.50/hr.

Employees will be paid shift rate for all time worked in a shift, exclusive of meal breaks, and including rest periods. Employees

working a day shift will not be eligible for shift rates where their modified work day extends beyond 1800, unless the extension is due to scheduling requirements.

26.02 Split Shifts

There shall be no split shifts for full-time employees. Part-time employees may elect to work split shifts.

26.03 Shift Schedules

(a) Shift schedules shall be posted fourteen (14) days in advance and employees will be consulted prior to any change in the shift schedule in order to determine their availability.

(b) Changes to starting times and changes to days on which work is to be performed for employees on either Standard or Modified Work Week will be implemented as in 26.03(c) and (d).

Changes in the arrangement of hours which comprise the Modified Work Week may be implemented as in 24.04.

(c) The employee may be required to make temporary changes to starting times or to days on which work will be performed in order to cover for other employees who report to the same supervisor and who are temporarily absent, or for events. The supervisor will take into account the employee's availability, as determined by consultation. Such temporary changes are subject to Temporary Promotion, Article 13.05. Such temporary changes will be for periods not to exceed four (4) weeks duration.

(d) Changes in schedules which affect starting times by more than one (1) hour, or which affect days on which work will be performed and which exceed four (4) weeks duration shall be subject to joint University/Union negotiations. In the event of disagreement, the schedule of starting times and days on which work is to be performed will remain as Article 26.01 until the disagreement is resolved by the Labour/Management Committee.

26.04 Time Between Shifts

There shall be at least twelve (12) hours between the end of work on one regular shift and the commencement of the next regular shift, unless the employee gives their consent in writing.

26.05 Consecutive Days Off

Shift days will be chosen so as to provide a minimum of two (2) consecutive days off, unless the employee gives their consent in

writing. Such consent may be withdrawn by the employee with thirty (30) days' notice to the Employer.

26.06 Reporting Allowance for Part-Time Employees

Any part-time employee who is called in to work and for whom there then is no work upon arrival, and who was not notified of this fact twelve (12) hours in advance, will receive two (2) hours' pay at regular rates.

26.07 Temporary Part-Time Employee Shift Cancellation

Wherever possible, a temporary part-time employee shall be given a minimum of eight (8) hours' notice of a shift cancellation. If less than eight (8) hours' notice of cancellation is provided, the employee shall be given two (2) hours' pay at their regular rate for the canceled shift.

If a supervisor or their designate attempts to provide notice under this article 26.07 by telephone to the most recent telephone number provided by the employee, the notice will be deemed to be served even if the employee does not answer the telephone provided that a message is left for the employee or two telephone calls are made to the number, but are not answered.

ARTICLE 27 - EMPLOYEES WHO INSTRUCT

In many positions, instruction forms a part of the job and will be part of the job description. In these cases, this component of the position has already been included in the determination of appropriate salary range.

On occasion however, there are situations, i.e. in a workshop, seminar, or course where, because of expertise possessed, an employee may be requested to develop and present instructional material. In such instances, an additional stipend must be arranged through the department requesting the services, giving concern for the length and nature of the preparation and presentation and whether the instruction is additive or substitutive to the employee's regular responsibilities.

The employee may refuse these requests if satisfactory arrangements cannot be made.

ARTICLE 28 - CAR POOLS AND OTHER TRANSPORTATION

28.01 Public Transportation Not Available after Overtime or Call Out

When an employee commences or ends a period of overtime or call out when public transport is not in operation or will cease operation before the employee arrives at home, the employee will be reimbursed taxi fare.

28.02 Scheduling Regular Shifts

(a) Compatible with Transport:

(i) The University shall attempt to arrange end of shifts in such a manner so the employee has access to public transportation with no more than a fifteen (15) minute wait.

(ii) An employee's shift start and/or finish times may be amended by up to one half (1/2) hour upon approval of the supervisor in order to accommodate the employee's public transportation or car-pooling arrangements. Such approval will not be unreasonably withheld.

(b) Staffing if Incompatible: When shifts begin or end at hours incompatible with public transport, the University shall attempt to staff shifts amongst employees capable of arranging their own transportation. In the event this is not possible, the University shall provide taxi vouchers or reimbursement for taxi fare.

28.03 Escort Arrangements

Employees required to work beyond normal closing time and apprehensive about personal safety should make prior arrangements with Traffic and Security or their supervisor for escort to their chosen form of transport.

28.04 Car Pools

The University shall assist the Union in its efforts to establish a car pool registration system and encourage employees to participate in car pools.

ARTICLE 29 - PARKING

29.01 Parking Spaces

Employees whose parking space is taken over for other purposes, shall be provided parking in the next nearest available parking lot at a rate not to exceed the previously paid rate. If the original parking

space is returned to service, the original holder of that space shall have first option to regain parking rights.

29.02 Payroll Deduction

The University will implement a system of payroll deduction for parking fees. This deduction shall be mandatory for all continuing employees. Parking fees will be deducted no less than once per month. This payroll deduction will not be available to temporary employees.

ARTICLE 30 - MEAL PERIODS

The employee shall be entitled to a meal break of at least one-half (1/2) hour and normally not more than one (1) hour in each shift. Providing always that departmental requirements are met, the time of and length of the meal period shall be determined by mutual agreement between the employee and their immediate supervisor.

ARTICLE 31 - RELIEF PERIODS (COFFEE BREAKS)

The employees shall be entitled to two (2) paid relief periods of fifteen (15) minutes each, one such period to be taken part way through the first one-half (1/2) of the work period and the other part way through the second one-half (1/2).

The preceding notwithstanding, in some circumstances it may be appropriate for the supervisor and an employee to make other mutually agreeable arrangements for the taking of relief periods.

Where the proposed timing of relief periods results in a conflict between employees, the supervisor shall use seniority to determine who receives the preferred relief period.

This provision will not result in a shorter work day or a longer meal break on a regular basis.

ARTICLE 32 - PAID HOLIDAYS

32.01 Definition

A paid or general holiday is any statutory holiday or any official University holiday (see Article 32.02).

32.02 List

- | | | |
|-----|----------------|--|
| (a) | New Year's Day | Labour Day |
| | Family Day | <u>National Day for Truth and Reconciliation</u> |
| | Good Friday | Thanksgiving Day |
| | Easter Monday | Remembrance Day |
| | Victoria Day | Christmas Day |
| | Canada Day | Boxing Day |
| | B.C. Day | |

(b) In addition, any other day proclaimed by the federal, provincial or municipal governments, or any other day in lieu of a statutory holiday shall be recognized as a paid holiday for all staff except for those employees who work weekend shifts. In such cases the actual paid holiday will be observed as the paid holiday rather than the day in lieu.

32.03 Paid Holiday on Scheduled Day Off

Where a paid holiday falls on a scheduled day off, employees shall normally receive equivalent time off, usually within the same bi-weekly pay period. Such time off will be arranged by mutual agreement between the employee and the supervisor. Should the department be unable to grant time off because of work loads then the employee shall receive pay in lieu at regular rates (i.e. the rate that would have been in effect for the shift). For continuing part-time employees also see 32.06(b) for special scheduling arrangements.

32.04 Work on a Paid Holiday

Where an employee works on a paid holiday, or a day provided in lieu thereof, they will be provided an equivalent day off or pay in lieu as outlined in 32.03 above. In addition, all hours worked will be compensated for at overtime rates (two (2) times) based on the shift rate of pay in effect for the hours worked (see Differential Premiums, Article 26).

32.05 Additional Religious Holidays

Employees who wish to observe additional religious holidays will be given leave of absence without pay.

32.06 Employee Eligibility

(a) All full-time continuing employees.

(b) Part-time continuing employees shall be eligible for general holiday pay. The pay to be received shall be prorated according to the number of straight time hours which would normally have been worked by the employee in the bi-weekly period within which the general holiday falls. Where a paid holiday falls on a scheduled working day, or on a scheduled day off and the employee is taking equivalent time off (as provided in 32.03), and the time off thus provided is more than that paid for by holiday pay, the employee may elect to work extra hours to make up for the difference. The make-up time shall be arranged by mutual agreement between the employee and the supervisor and shall normally be completed within the bi-weekly pay period.

ARTICLE 33 - OFFICIAL UNIVERSITY CLOSURE

Should the University, or an area of the University, be officially closed temporarily due to environmental conditions, utility disruptions, road conditions, acts of God, or other reasons beyond the control of the employees covered by this Agreement, employees affected by the closure shall receive salary maintenance. These closures shall not be considered a University holiday as in Article 32.

Those employees required to remain on duty to provide essential services shall be given the equivalent time off with such time off to be taken within the following calendar month. Should these employees be required to remain beyond their normal hours of work, the usual provisions for overtime would apply.

Employees who are requested to report for work for an afternoon or night shift which commences during a closure shall receive equivalent time off for all hours worked on the shift, with such time off to be taken within the following calendar month. Should these employees be required to remain beyond their normal hours of work, the usual provisions for overtime would apply.

Employees able to work in a manner unaffected by the closure are expected to perform their regular duties.

ARTICLE 34 - ANNUAL VACATIONS

34.01 Calendar Year

For the purpose of this Agreement, the calendar year shall mean the twelve (12) month period from January 1 to December 31, inclusive.

34.02 Vacation Entitlement for the First Incomplete Year

For the first incomplete calendar year of service each employee shall receive a vacation credit effective the date of commencing employment with the University. Such credit shall be designated in hours and minutes and shall be calculated by multiplying one hundred and five (105) hours by the number of calendar days remaining in the year upon commencement of employment and then dividing by three hundred and sixty-five (365) (or 366 in a leap year). The vacation credit may be scheduled in the first calendar year of service or up to two-thirds (2/3) may be banked in accordance with Article 34.04, 34.05, 34.06 and 34.07.

34.03 Vacation Entitlement for Subsequent Years

Employees shall receive subsequent annual vacations with pay on the following basis:

- (a) Three (3) weeks in the second, third, fourth and fifth calendar years of service;
- (b) Four (4) weeks in the sixth, seventh and eighth calendar years of service;
- (c) Five (5) weeks in the ninth, tenth, eleventh, twelfth, thirteenth and fourteenth calendar years of service;
- (d) Commencing with their fifteenth calendar year of service, employees shall receive one (1) additional day of annual vacation with pay for each additional year of service to a maximum of six (6) additional days. Vacation pay in each of the above cases shall be those rates which the employee would have received if they had worked. For computation of vacation entitlement employees shall be deemed to be in their second calendar year on January 1, if they have had service immediately preceding that date.

Prorated Reductions: Where the employee is absent from work for more than twenty (20) working days in the calendar year (except on sick leave or maternity leave) the vacation entitlement will be prorated accordingly.

34.04 Accumulation or "Banking" of Vacations

Employees shall be entitled to bank up to a maximum of two-thirds (2/3) of their vacation but must take the banked vacation in the following year. Such banked vacation will receive pay at the rates the employee would normally have received had they worked that period in the year in which the banked vacation is taken. Employees may bank up to one hundred percent (100%) of their vacation with consent of their supervisor.

34.05 Vacation Flexibility

Other than in the first incomplete calendar year, as of January 1, each employee shall have one full calendar year's vacation entitlement available to them to take within that calendar year. This time of vacation is to be determined by mutual agreement between the department and the individual employee.

34.06 Vacation Schedule

(a) Departments shall post or begin to circulate a schedule for employee vacation requests by no later than January 31 of each calendar year. The schedule will cover a twelve (12) month period from April 1 of the current calendar year through March 31 of the next calendar year. The vacation scheduled in the period January 1 through March 31 of the next calendar year may be vacation entitlement which is banked from the current calendar year in accordance with Article 34.04 or the vacation entitlement for the next calendar year.

(b) All of the employees affected by the schedule shall write in their requests for vacation for the twelve (12) month period by no later than March 15.

(c) Employees who fail to write in their requests for vacation by March 15 shall not be able to use their seniority under Article 34.07. Departments shall then discuss any conflicts with the employees directly affected and the employees shall revise their vacation requests accordingly.

(d) The approved vacation schedule shall be posted by no later than April 1 each year. The schedule may be changed thereafter by mutual agreement between the employee and the department.

34.07 Vacation Scheduling

Scheduling of vacation shall be on the basis of seniority where there is a conflict of scheduling between employees. Employees desiring

to take holidays in broken periods shall be entitled to take their vacation subject to the requirements of their department.

34.08 Compensation for Holidays Falling Within Vacations

When a statutory or University holiday falls on or is observed during an employee's annual vacation, they shall be granted an additional day's vacation with full pay, for any such holiday so occurring, in addition to their vacation time.

34.09 Vacation Pay on Retirement

Normal retirement is on the first of the month coincident with or following the employee's sixty-fifth (65) birthday. On normal or early retirement taken in accordance with the terms of the Pension Plan for Members of the Administrative Staff each employee shall be entitled to the same vacation which they would have had if they had continued working to the end of the calendar year.

34.10 Paycheques

(a) Employees may, upon giving fifteen (15) calendar days prior written notice to their respective supervisors, receive any or all pay which would normally fall due during the period of their vacation.

(b) Vacation pay requested in advance will be in the form of a paycheque. Vacation paycheques will be made available at Payroll for pick-up by the employee at least one (1) full banking day prior to the commencement of the vacation.

34.11 Utilization of Sick Leave During Vacation

Where an employee is eligible for sick leave while they are on vacation there shall be, on application, special arrangements made where illness or accident can be proven. The intent of this sub-section is to ensure that an employee will not lose vacation time due to some unforeseen misfortune.

34.12 No Termination, Layoff or Loss of Seniority

No employee shall be terminated, laid off, or lose seniority while they are on vacation.

34.13 Employee Entitlement

(a) Continuing full-time employees as set out in this Article (34).

(b) Continuing part-time employees shall receive vacation entitlement on a pro rata basis according to the number of hours worked in a standard bi-weekly pay period.

ARTICLE 35 - SICK LEAVE

For the duration of this collective agreement, the Sick Leave Protocol, Appendix G, shall apply to this Article. Where a difference exists between this article and the Sick Leave Protocol, the Sick Leave Protocol shall prevail.

35.01 Seniority

No employee shall be terminated, laid off or lose seniority because of illness or injury.

35.02 Entitlement and Aggregation

(a) Entitlement to sick leave for each illness or injury shall be based on seniority as follows:

Less than three (3) months (includes probation)

- one (1) week at one hundred percent (100%) salary.

Three (3) months but less than one (1) year

- four (4) weeks at one hundred percent (100%), then twelve (12) weeks at seventy-five percent (75%), then ten (10) weeks at sixty percent (60%) of salary.

One (1) year but less than five (5) years

- twelve (12) weeks at one hundred percent (100%), then four (4) weeks at seventy-five percent (75%), then ten (10) weeks at sixty percent (60%) of salary.

Five (5) years or more

- twenty-six (26) weeks at one hundred percent (100%) of salary.

(b) Sick leave usage for each illness or injury shall not be aggregated for a period greater than seven (7) years.

(c) The provisions of the Employment Standards Act (ESA) are incorporated into this Article such that all employees are entitled to a minimum of five (5) paid days of sick leave after completing ninety (90) calendar days of service. The illness and injury entitlement in the ESA, which is currently five (5) days, is not in addition to any entitlement accrued above.

35.03 Casual Illness

Continuous absence due to illness or injury of three (3) working days or less will be called "Casual Illness", and will not require a physician's certificate except where there is excessive use or possible abuse of the Casual Illness provisions. Where there is excessive use

or possible abuse of the Casual Illness provisions, medical certificates satisfactory to the University may be required. When a physician's certificate will be required for a Casual Illness absence due to a possible abuse, the supervisor will notify the employee prior to their return to work from the absence. In cases where there is possible abuse of the Casual Illness provisions, the supervisor may also inform the employee that physician's certificates will be required for future Casual Illness absences. When physician's certificates will be required for Casual Illness absences in a case of excessive use, the supervisor must inform the employee in advance that physician's certificates will be required for future Casual Illness absences. All Casual Illness will be recorded on bi-weekly Time and Absence Reports.

35.04 Extended Absence

Extended Absence is more than three (3) consecutive working days absence due to illness or injury. The University may require sick leave in excess of three (3) consecutive working days to be supported by a physician's certificate, satisfactory to the University.

35.05 Claim for Benefit

All Casual Illness or Sick Leave must be supported by a Claim for Casual Illness or Sick Leave Benefit form to be presented on return from the absence. Failure to submit a claim form (with adequate physician's statements as may be required in 35.03 and 35.04 above) will result in subsequent loss of pay for the absence until such documents are provided.

35.06 Notice of Absence

For any of the above sections to be operable, an employee who is unable to come to work because of illness or injury, must advise their supervisor by contacting a designated telephone number, prior to the start of their shift, except in extenuating circumstances.

Introduction

These are positions for employees who support students in on-site SFU student accommodation. They are part time, live-in student leadership positions within the department of Residence & Housing.

A majority of hours worked will be scheduled by the employer. Whenever possible, employee availability and time off requests will be considered when scheduling shifts. The nature of the work may require employees to address exigent issues outside of employer-scheduled hours; these hours are to be reported to the employee’s supervisor and appropriate adjustment of hours and compensation actioned. Employees are also encouraged to engage with the Residence community through activities and events. Time spent in preparation for and attendance at such events will be pre-authorized. Where pre-authorization is not possible, employees are to seek authorization as soon as practically possible after the event.

The positions covered by this LOU are temporary employees hired with a predetermined termination date and are covered by the articles of the CUPE Collective Agreement listed in the Common Clauses section of this LOU. Where a Common Clause is not listed, the language of this LOU will apply.

Posting and Appointment

The number and nature of positions required for each semester (i.e., Summer, Fall, and Spring) will be determined by the employer.

A student must meet all eligibility requirements for hire before being considered for a Residence Student Staff position. These criteria are inclusive of eligibility to live in residence.

Re-hire rights: Any currently employed Residence Student Staff having expressed an intention to return to the same role, and having received a satisfactory recommendation from their supervisor (based on the departmental evaluation process and subsequent performance) will be given priority for re-hire. Re-hire will be conditional upon the availability of positions and to be eligible for re-hire, the employee must meet all posted requirements.

The supervisor will ensure that the employee is aware of the reasons for an unsatisfactory recommendation prior to giving the recommendation to the hiring committee. Whenever reasonably possible, employees will be informed in a timely manner of any issues that may lead to an unsatisfactory recommendation and will be provided the opportunity to make improvements prior to the supervisor giving an unsatisfactory recommendation to the hiring committee.

A student who resigns from their appointment with Residence and Housing, or who is not re-appointed to a Residence Student Staff position for three (3) or more consecutive semesters, will be required to apply through the departmental posting and appointment process and will not have re-hire rights.

Returning Residence Student Staff

Residence & Housing will establish appointment and placement guidelines for use in any selection between applicants with re-hire rights. The appointment and placement guidelines will be posted in a prominent location on the departmental website and will be forwarded to the Union office when it is first posted and each time it is amended. Disagreements concerning the appointment and placement guidelines shall be resolved by the Labour/Management committee. If unresolved, the matter may be grieved.

If it appears that, in any given year, too many current employees want to return to their role, positions will be offered based on the appointment and placement guidelines.

Residence Location and Priority

Where operationally feasible, the University will attempt to accommodate preference requests for specific residence building placements for returning residence student staff.

Terms of Appointment

Program Assistants (PA) will normally be appointed for the Academic year from mid-August to the end of April (Academic Year). The PA is an hourly position. The provisions in the Collective Agreement that deal with overtime, hours of work, shifts and shift differentials, meal periods, relief periods, paid holidays, payment of wages, and official university closure will apply to these positions.

ACs, CAs, and LLCAs will normally be appointed from mid-August to the end of April (Academic Year) and from the last week of April to the last week of August (Summer Semester).

SSCAs will normally be appointed from the last week of April to the last week of August (Summer Semester).

Semester/Breaks/Days of Rest

Residence Student Staff will carry out their responsibilities intermittently throughout the day and/or night. Unless mutually agreed upon by the employee and their supervisor, the shift schedule will be issued monthly and will define shift times and dates. Shifts required by the employer will normally go no later than:

- 11:00 p.m. for shifts scheduled on Sunday through Thursday.
- 2:00 a.m. for shifts scheduled to begin on Friday and end Saturday, and for shifts scheduled to begin on Saturday and end Sunday.

Residence Student Staff will be provided with sufficient opportunity for breaks during training periods and In-night Shifts that exceed 4 hours.

The parties intend that Residence Student Staff will have two (2) days per week (Sunday to Saturday) without employer-scheduled shifts unless the employee gives their consent in writing. Such consent may be withdrawn by the employee with thirty (30) days' notice to the Employer. Employer-scheduled shifts are identified in the Hours Reporting Form.

Hours of Work

Employees and their supervisor will review hours at least once approximately halfway through the appointment to ensure they are tracking assigned responsibilities and expectations.

No employee normally shall work longer than four (4) hours without at least one-half (1/2) free from work for a meal break. All employees working 7 hour shifts or longer shall be entitled to two additional (2) fifteen (15) minute breaks each day.

University Breaks

During the Seasonal Closure, an employee is not required to work. As there are students living in residence during the Seasonal Closure, Residence Student Staff support may be needed. For this reason, there may be optional shifts available to those wishing to complete extra shifts for additional compensation as outlined in the Optional Shifts section.

Official University Closure per Article 33 will not apply to stipend employees.

Optional Shifts

Optional shifts are shifts available between semesters outside of contracted dates. Employees offered optional shifts will be compensated as below and do not include the Hours of Work listed in the Compensation section:

- \$24.08 per hour.
- Fourteen (14) percent pay in lieu of all benefits for all regular hours worked as optional shifts.
- The employer will establish lists of employees who are qualified to perform various kinds of work and will offer optional shifts by an equal opportunity rotation for such work.

Employee Misconduct

Employees who engage in misconduct will be subject to progressive discipline as outlined in Article 11.

The parties acknowledge that certain forms of misconduct are sufficiently serious as to warrant an expedited process.

Reporting Absences

When an employee is unable to work a scheduled shift, they are responsible for advising their supervisor prior to the start of their shift. On the first occasion an employee does not attend a scheduled shift, without first

informing their supervisor, they will receive a written warning. On the second occasion, they may receive a suspension. The third occasion may result in termination.

Where an employee has been disciplined pursuant to this section, but has subsequently worked for three (3) full semesters with no further discipline related to unreported absences, their disciplinary record involving unreported absences will be reduced by one step.

Academic Leave

At the start of employment each semester, an employee is responsible for reporting any known University scheduled academic duties (e.g. classes, conferences or an examination) to their supervisor to enable scheduling. The University will make every reasonable effort not to schedule or reschedule shifts in such a way that it conflicts with an employee's University scheduled academic duties. Where a conflict exists between an employee's University scheduled academic duties and their Residence & Housing shifts, the employee and their supervisor will attempt to resolve the conflict. If that is not possible, the Manager of Residence Life and the Union will be notified expeditiously so that every effort can be made to assist in finding a solution, and the University will resolve the conflict in a manner least disruptive to the employee and the University.

Pregnancy and Parental Leaves

Employees are entitled to Pregnancy and Parental Leaves as specified under the British Columbia Employment Standards Act. The employee will be returned to their original position if their appointment has not expired, and they are registered as a full-time student. If the term has expired, and the employee is registered as a full-time student, the employee remains eligible for rehire under the "Returning Residence Student Staff" clause.

Employee Absences

Employees who are absent and are unable to attend their employer-scheduled shifts will advise their Supervisor prior to the start of their employer-scheduled shift.

Where an absence is a result of an illness or injury, hourly employees will be compensated for up to five (5) missed shifts. If the absence is as a result of an illness or injury which continues beyond three days, or is expected at the outset to be more than three days, the employee will advise their supervisor of their anticipated return date. The Supervisor will arrange for

interim coverage, when necessary, and may request a physician's certificate.

If the stipend employee is absent for more than five (5) shifts, their stipend will be reduced by 1/85th for each shift missed per semester.

Alternatively, the employee may have the option of exchanging shifts with another employee or asking the Supervisor to be involved in making an exchange possible. Shift exchanges will normally take place in the scheduled period within which the absence occurred and shall be arranged by mutual agreement between the employee and the supervisor.

Adjustments in workload related to an employee's absence, which reduce the total compensation received by an employee, will be deducted from the employee's subsequent pay cheques until repayment is complete. If an employee owes money to the University at the end of their appointment, the employee will normally be required to repay all outstanding amounts before being considered for re-hire as a returning Residence Student Staff. This condition may be waived by mutual agreement between the Union and the supervisor.

Compassionate Leave

Employees are entitled to compassionate leave per Article 38. Stipend employees shall be recorded as having worked scheduled hours over the leave period according to the number of scheduled hours worked in the in the bi-weekly pay period immediately preceding the compassionate leave. The number of scheduled hours that will be recorded as having been worked over the leave period will be determined through consultation between the employee and their supervisor.

Short Term Leave Without Pay (Up To 4 Weeks)

An employee may arrange to exchange scheduled shifts with another qualified employee or employees acceptable to the University for short periods (up to and including 7 days). The employees involved ensure that the required shifts are fully covered. This substitution must be approved by the supervisor in advance.

An employee needing a leave without pay for between 8 days and 4 weeks must make the request in writing to their supervisor at least two weeks in advance. The request will not be unreasonably denied. If the request is approved, the supervisor may be involved in arranging the exchange of shifts with another employee or employees.

Leave for Witness or Jury Duty

Employees will be entitled to witness or jury duty in accordance with Article 40.01

Job Descriptions

Existing and new job descriptions summarizing the general nature of the duties assigned by the University for AC/CA/LLCA/SSCA positions within Residence and Housing will be copied to the Union and all relevant employees and supervisors.

Existing and new job descriptions for PA positions will be governed pursuant to the CUPE Collective Agreement.

Uniforms

Employees shall be issued an SFU ID tag and SFU apparel to identify them as University employees. These shall be supplied by the University. All employees issued such ID Tags and apparel shall wear them during scheduled shifts and shall take reasonable care of them.

Training Hours

The educational development of leadership skills is central to the existence and strength of the SFU Residence Life program. For that reason, in addition to ongoing training throughout the academic year, there will be a training program held immediately before the commencement of a new contract (i.e. the start of the Summer and Fall semesters). These training programs will consist of mandatory and optional workshops and events. An employee's attendance is at the discretion of management and may not be required if the employee has already completed similar training in the past. Where mutually agreed between the employee and the supervisor, returning Residence Student Staff may be requested to train other employees as part of their normal duties.

Training days will not exceed 7.0 hours of mandatory time.

Labour/Management Meetings

The parties agree to hold regular Labour/Management meetings at the request of either party. The purpose of these meetings shall be to discuss and attempt to settle any difference of opinion on matters of concern between the parties.

APPENDIX B: LOU – COLA [NEW]**Letter of Understanding: Cost of Living Adjustments (COLA)**

The parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on April 1, 2024, the "annualized average of BC CPI over twelve months" means the Latest 12-month Average (Index) % Change reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The Latest 12-month Average Index, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The Latest 12-month Average % Change is reported publicly by BC Stats in the monthly BC Stats Consumer Price Index Highlights report. The BC Stats Consumer Price Index Highlights report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February. For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

Note: Original version signed July 27, 2023 as part of Final Memorandum of Agreement between CUPE Local 3338 and Simon Fraser University for 2022-2025.

APPENDIX C: LOU – Living Wage Commitment [NEW]

Letter of Understanding: Living Wage Commitment

For the term of this agreement, any salary placement in the APPENDIX A-1 CUPE Local 3338 WJQ SALARY SCHEDULE, or stipend in Residence and Housing LOU, will be consistent with the University's commitment to living wage and the requirements of the Living Wage for Families BC Program.

Note: Original version signed July 27, 2023 as part of Final Memorandum of Agreement between CUPE Local 3338 and Simon Fraser University for 2022-2025.

APPENDIX D: LOU – 2019-2022 SIA [NEW]**Letter Of Understanding: 2019-2022 Service Improvement Allocation (SIA)**

This offer if accepted is conditional upon the appropriate approval and ratification processes.

Background:

As part of the 2019-2022 Collective Agreement, the parties agreed that the additional 0.25% of total labour costs for the bargaining unit each year shall be utilized to address existing chronic labour market challenges for the difficult to recruit classifications and to support targeted training to incentivize your personnel. In addition, the fund will also be utilized to support ongoing training and development to more efficiently respond to growth, modernization and innovation; all in a manner consistent with the PSEC 2019 Sustainable Services Negotiating Mandate. These funds are referred to as the Service Improvement Allocation (“SIA”).

Usage of the SIA Funds:

Part of the SIA funds were used to address recruiting and retention challenges for lifeguards in Letter of Understanding (“LOU”) dated January 17, 2022 with the creation of a new CUPE Lifeguard Wage Scale. The Lifeguard wage scales in the LOU are incorporated into the 2022-2025 Collective Agreement.

The table below describes the available ongoing funding for the program, to the end of the 2022-2025 Collective Agreement that runs from April 1, 2022 to March 31, 2025.

		Total SIA	Allocated to Lifeguards	SIA Remaining	Rolling Allocation Unspent
Year 1: 2019 – 2020	SIA	\$124,000	\$39,203	\$84,797	\$84,797
Year 2: 2020 – 2021	SIA+2% GWI	\$251,000	\$38,555	\$212,445	\$297,242
Year 3: 2021 – 2022	SIA+2% GWI	\$381,000	\$38,393	\$342,607	\$639,849

Year 4: 2022 – 2023	SIA	\$381,000	\$38,393	\$342,607	\$982,456
Year 5: 2023 – 2024	SIA	\$381,000	\$38,393	\$342,607	\$1,376,311
Year 6: 2024 – 2025	SIA	\$381,000	\$38,393	\$342,607	\$1,718,918

The University’s proposal for the use of the rolling allocation unspent to date, and SIA funding to the end of the 2022-2025 Collective Agreement at March 31, 2025 is to create a Professional Development Program available to employees in line with the spirit of Article 22 Employee Training and Development. This fund will be “utilized to support ongoing training and development to more efficiently respond to growth, modernization and innovation” as per the April 2, 2020 MOA. Employees will be eligible for funding for computer-related costs, software, conferences, journals and books, membership fees and airfare in accordance with the criteria of the program and eligibility criteria and funding.

APPENDIX G: Sick Leave Protocol [NEW]

**PROTOCOL FOR APPLICATION AND OPERATION OF SICK
LEAVE FOR CUPE EMPLOYEES 2019**

1. **Definition of “physician” for this Protocol.** For purposes of this protocol “physician” will mean a licensed medical practitioner operating within the scope of their license (e.g. nurse practitioner, physiotherapist, etc.)
2. **Inclusion in the Protocol.** This protocol will apply to all continuing full-time employees, and continuing part time employees on a pro-rata basis according to hours worked in a bi-weekly period.
3. **Entitlement and Aggregation.** Aggregation of sick leave for same illness or injury will no longer apply. Entitlement to sick leave for any and all illness or injury will be based on seniority as follows:
 - a. For employees with seniority of less than three (3) months, including probation, sick leave entitlement is one (1) week at 100% salary;
 - b. For employees with seniority of three (3) months but less than one (1) year, including probation, sick leave entitlement is the first four (4) continuous weeks at 100% salary and then 75% of salary for the balance of twenty-six (26) weeks;
 - c. For employees with seniority of one (1) year but less than five (5) years, sick leave entitlement is the first twelve (12) continuous weeks at 100% salary and then 75% of salary for the balance of twenty-six (26) weeks;
 - d. For employees with seniority of five (5) years or more, sick leave will be paid at 100% of salary for twenty-six (26) continuous weeks.
4. **Seniority.** Seniority for the purpose of calculating entitlement to sick leave will be based on seniority effective on the first day of the continuous period of sick leave. If an employee has been on a continuous period of sick leave and returns to full duties, full hours for less than a continuous period of four (4) weeks before taking sick leave again for the same illness or injury, this will be considered a recurrence and will be included in the twenty-six (26) week waiting period for LTD benefits. The entitlement to sick leave benefits will be

based on the seniority in place on the first day of the original absence. If an employee has been on a continuous period of sick leave and returns to full duties full hours for a continuous period of four (4) weeks or more, the entitlement to sick leave benefits will be based on the seniority in place on the first day of the subsequent absence.

5. **Absences and Medical Requirements:** When there is a continuous absence due to illness or injury of thirty-five (35) consecutive working hours or less, the employee will not be required to produce a physician's certificate except where there is use of sick leave beyond the threshold detailed in section 11 below. For absences of more than thirty-five (35) consecutive working hours due to illness or injury, the University may require a physician's certificate, satisfactory to the University. Hours will be pro-rated for continuing part time employees.
6. **Reporting an Absence Due to Illness or Injury.** An employee who is unable to come to work because of illness or injury must advise their supervisor prior to the start of their shift, except in extenuating circumstances.
7. **Medical Examinations and Certificates.** The cost of medical examinations and certificates to support claims for pay under the sick leave benefits are the responsibility of the employee. In the event that the University requires an employee to submit to a medical examination as a condition of employment, the employee may have the examination done by their doctor. The medical examination shall be at the University's expense and the employee shall receive a written copy of the doctor's report.
8. **Holidays and Closure Days during Sick Leave.** When a statutory holiday falls within, or contiguous to, a period of paid sick leave, the holiday shall not be assessed against the employee's sick leave. Employees on sick leave are not entitled to University closure compensation or time off in lieu.
9. **Union involvement in Wellness and Recovery and Return to Work.** A Joint Case Review Committee will be established with Union and University representation and will adhere to a strictly confidential review process. This Committee will meet at the request of either Party to consider individual cases, appeals and decisions related to appeals. The Wellness and Recovery Program staff will

advise employees of the Union's role in return to work or accommodation discussions. Terms of reference for the Joint Case Review Committee are at Appendix A and include a confidentiality provision.

10. **Referral to Wellness and Recovery Program.** If a period of continuous sick leave extends beyond four (4) weeks the employee will be referred to the Wellness and Recovery program. Notwithstanding the requirement above, all employees may participate in this program by contacting the Wellness and Recovery staff for advice and resources.
11. **Threshold.** Employees will also be referred to the Wellness & Recovery program for a period of six (6) months when there are four (4) occurrences and a total of fourteen (14) days for a full-time employee on 7-hour day (98 hours) in any twelve (12) month period (the threshold). The Supervisor will consult with the Wellness and Recovery staff to determine further action on a case by case basis. Medical certificates satisfactory to the University will be required for all future absences while on the Wellness & Recovery program, or unless advised differently by the Wellness and Recovery staff.
12. **Appeals related to Sick Leave.** An employee may appeal a decision related to sick leave by requesting a review of the case by the Joint Case Review Committee through either the Union or the Wellness & Recovery Office. Copies of all full or partial denials related to appeals, redacted for the protection of personal information and privacy only, will be reviewed by the Joint Case Review Committee.
13. **Attendance Management Program.** Nothing in this protocol document interferes with the University's right to administer the Attendance Management Program (AMP).
14. **Pilot Project.** This protocol will be introduced as a pilot project per the MOA signed by both parties on July 30, 2019 (Appendix C) relaunched July 1, 2023, to continue for the duration of the new collective agreement until March 31, 2025, or to the termination of the pilot project as per 14(b).
 - a. **Evaluation of Pilot.** A joint Union/University Evaluation Committee shall meet on a regular basis throughout the pilot to evaluate the impact of the new protocol. Terms of

reference for the Joint Evaluation Committee are at Appendix B. A final evaluation report will be delivered to the AVP Human Resources no later than 3 months before the end date of the pilot.

APPENDIX C
MEMORANDUM OF AGREEMENT – JULY 30, 2019

Memorandum of Agreement

Between

Simon Fraser University (SFU)
(the “University”)

And

Canadian Union of Public Employees, Local 3338 (CUPE)
(the “Union”)

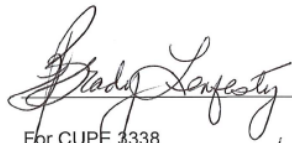

RE: Sick Leave, Article 35 - Protocol for the Application and Operation of Sick Leave for CUPE Employees 2019 (“The Agreement and Protocol”).

- 1) In February of 2016, the outstanding Policy Grievance regarding the interpretation and operation of CUPE Article 35 was scheduled to proceed to Arbitration. The Policy Grievance centered on the administration of sick leave and the methodologies for aggregating sick leave usage for each illness or injury. Specifically, the Policy Grievance was intending to address: concurrent illnesses or injuries; casual sick leave usage; sick leave for the same illness or injury before and after 5 years of seniority and triggers and thresholds for informing employees about their aggregates.
- 2) In Spring 2016, the Parties agreed to a mediate a resolution in lieu of proceeding to arbitration. The Parties met in September 2016 and June 22, 2017. The Parties signed the “The Agreement and Protocol” on June 22, 2017.
- 3) The University has been managing CUPE sick leave in accordance with the Agreement and Protocol since late 2017. Despite reaching agreement on its administration/application, the University and CUPE acknowledge and agree that the administration of the Protocol has

some challenges. The Parties met periodically from late 2017 onward in an effort to resolve outstanding issues on a case by case basis. The cases reviewed exemplified the outstanding problems all parties were having with the new protocols.

- 4) In the Fall of 2018, the University reviewed its general practices within the Return To Work/Disability Management (RTW/DM) Unit including the processes for the administration of the CUPE sick leave.
- 5) Following the review, the University approached CUPE with a request to revisit the current operation of the Protocol document with the intention of improving the overall administration of the Plan for CUPE employees. Through a series of without prejudice discussions, the parties have created a revised protocol to streamline the administration of CUPE sick leave. The protocol will be implemented in accordance with a joint project plan which includes robust communication, education, evaluation procedures and a Joint Case Review Committee.
- 6) This Agreement and the Protocol will be run on a pilot basis, implementation Fall 2019. It will run for the duration of the new Collective Agreement, whatever the negotiated term, and will continue until the ratification and approval of the subsequent Collective Agreement. The pilot will be evaluated on a continuous basis by the Joint Evaluation Committee, who will have authority to review, propose amendment and propose termination of the pilot project.
- 7) Either party may give notice of 120 days to end the pilot. In the event that the pilot is terminated, the previous Agreement and Protocol (Protocol for the Application and Operation of CUPE Sick Leave 2017) will recommence.
- 8) The provisions of Article 35 will apply throughout this pilot unless addressed by the Protocol for the Application and Operation of Sick Leave for CUPE Employees 2019.

2. The target salary for any employee who occupies or occupied a position which will remain at the same grade or a position which will move to a higher grade as a result of WJQ evaluations shall be the step occupied on the current salary scale, but on the appropriate grade in the WJQ salary schedule. However, reaching that target salary for all such employees will be accomplished in phases as follows.

Phase 1 - Retroactive to April 1, 1993, 2.81% will be applied to the normal straight time salary (based on the current salary schedule in Appendix A-3) which was paid to each employee who is eligible to move to the WJQ salary schedule; this will result in a figure which will be known as the April 1, 1993 calculated salary. For the period from April 1, 1993 to March 31, 1994 each of these employees will be retroactively paid the lower of either the April 1, 1993 calculated salary or the target salary for each position held over the period.

Phase 2 - Retroactive to April 1, 1994, 0.46% will be applied to the April 1, 1993 calculated salary for each employee who has not yet reached their target salary and this will result in a figure which will be known as the April 1, 1994 calculated salary. For the period from April 1, 1994 to March 31, 1995 each of these employees will be paid the lower of either the April 1, 1994 calculated salary or the target salary for each position held since April 1, 1994.

Phases 3 to 6 - The following funds will be applied to the future implementation of WJQ:

- 1.0% of total 1994/95 payroll for CUPE staff effective April 1, 1995;
- 1.0% of total 1995/96 payroll for CUPE staff effective April 1, 1996;
- 1.0% of total 1996/97 payroll for CUPE staff effective April 1, 1997; and
- up to 1.0% of total 1997/98 payroll for CUPE staff effective April 1, 1998 until all eligible employees have moved to their target salaries. The funds which are available in these latter 4 phases will be applied to individual salaries in the same manner as in the first 2 phases of implementation.

3. Employees who occupy positions which are identified as anomalies as a result of WJQ evaluations (i.e. the positions are evaluated to be at a lower grade than currently assigned) shall remain on the current salary schedule

in their current grade and shall continue to receive step increases and general wage increases which are applicable to that schedule.

4. Employees who were involuntarily transferred on April 1, 1993 or earlier and who, as a result of the transfer, are being paid at a grade which is higher than the WJQ grade for the position they currently occupy will remain at their current grade and step on the current salary schedule, but may be eligible for salary increases in the future in accordance with Article 14.07(b).

An employee who was involuntarily transferred on April 2, 1993 or later will be eligible for any retroactive salary increase (as outlined in Phase 1 and Phase 2 of point number 2 above) which is applicable to their former position for a period when that position was occupied by the employee. If the salary of the employee in the former position (including any applicable retroactive increase) on the day before the involuntary transfer is higher than the appropriate WJQ implementation salary for the involuntary transfer position on the day of the transfer, then the employee's salary will be governed by Article 14.07(b) from the date of the involuntary transfer.

5. Employees who occupy positions which were evaluated under WJQ (Custom) prior to the effective date of the Memorandum of Agreement, shall have thirty (30) working days from the date the Memorandum of Agreement is ratified by the Union membership or approved by the Employee Relations Committee of the Board of Governors, whichever occurs last, to make a written request for appeal under Article 17.09 of the collective agreement. All such appeals must be based on the job descriptions and job questionnaires which were originally submitted for the positions. Final decisions must be made on all appeals raised under this point number 5 by no later than June 1, 1995. Any retroactive pay resulting from such appeals will be paid from the money which is made available by the Provincial Government for Phase 3 of the WJQ implementation plan. Therefore, Phase 3 funds will only be distributed after the results of Appeals under this point number 5 are known.

6. Until WJQ target salaries are fully implemented new continuing positions will be evaluated under both the old classification job evaluation system and the WJQ system. If the grade assigned is lower under WJQ than under the old classification system, then the individual hired, promoted, or transferred into the position will be paid at the appropriate grade on the target WJQ salary schedule. If the grade assigned under WJQ is the same as or higher than the grade assigned under the old classification system, then the individual hired, promoted, or transferred into the position will be paid the salary appropriate to the position based on the stage of implementation of WJQ as outlined above.

7. Evaluation of temporary positions under WJQ will begin when the provisions in the Memorandum of Agreement come into effect. Only temporary positions which have not been filled when the Memorandum comes into effect will be evaluated under WJQ. Until WJQ target salaries are fully implemented for continuing positions, new temporary positions will be evaluated under both the old classification job evaluation system and under WJQ. If the grade assigned is lower under WJQ than under the old classification system, then the individual hired, promoted, or transferred into the temporary position will be paid at the appropriate grade on the target WJQ salary schedule. If the grade assigned under WJQ is the same as or higher than the grade assigned under the old classification system, then the individual hired, promoted, or transferred into the temporary position will be paid the salary appropriate to the position based on the stage of implementation of WJQ as outlined above.

The WJQ evaluation of a temporary position which will initially be filled for three (3) months or less will be based on a description of the duties and responsibilities of the position (written on the Personnel Action Requisition), and a WJQ Custom Part II: Job Questionnaire which will be completed by the supervisor. The WJQ evaluation of a temporary position which will initially be filled for greater than three (3) months will be based on both the WJQ Part I: Job Description and Part II: Job Questionnaire which will be completed by the supervisor.

8. Following ratification and approval of the Memorandum of Agreement, re-evaluations of existing positions will be conducted only under the WJQ (Custom) system. Implementation of the results of the re-evaluations will be consistent with the intent behind overall WJQ implementation as outlined in points 1. through 3. above.

The new language for 17.01 through 17.09 from the 1992-94 Memorandum of Agreement will replace the current 17.01 through 17.09 in the collective agreement. In addition, this Letter of Agreement which will be appended to the collective agreement as Appendix D will be referenced in Article 17.

9. When the results of WJQ (Custom) have been fully implemented as outlined in point number 2. above, the current classification system of job evaluation will be completely discontinued and all positions in the bargaining unit will be evaluated using WJQ (Custom) only.

Note: Temporary evaluations under WJQ will continue to be handled in accordance with the second paragraph under point number 7 above.

10. Appendix A of the current collective agreement will be amended by removing the level designations for the current classifications. Following ratification and approval of the Memorandum of Agreement, the current classification position titles in Appendix A will be reviewed by a committee of two (2) persons appointed by each party with the objective of more appropriately defining and describing the types of jobs within the workplace. This committee shall make its report to the parties within sixty (60) calendar days of the date of ratification. Any recommendations arising out of their report must be ratified by the parties. Each party will submit the recommendations to its respective principals within thirty (30) calendar days of the date of the report.

11. The Letters of Agreement on Language Allowance, Scientific Technicians Allowance, and Industrial First Aid Attendant Premiums will terminate when the Memorandum of Agreement comes into effect. However, an employee who is receiving an allowance or premium under one of these Letters of Agreement on the day before this Memorandum of Agreement comes into effect will be eligible to continue to receive their salary on the former salary grid plus the allowance or premium provided that the employee and their position continue to satisfy all of the other terms and conditions which were contained in the original applicable Letter of Agreement. Such employees shall continue to receive the allowance or premium in addition to their salary on the former salary grid until such time as the salary which the employee would otherwise be entitled to receive under the WJQ implementation plan exceeds the salary which the employee is receiving on the old salary grid plus the premium or allowance.

12. The parties agree that the WJQ (Custom) job evaluation system used by the parties to evaluate positions shall not be amended or changed in anyway except by mutual agreement of the parties.

13. If the Provincial Government does not approve the WJQ (Custom) job evaluation system and results for pay equity funding, the parties will meet to negotiate a new or revised plan for the distribution of the pay equity funds.

APPENDIX M: LOA – Lifeguards

LETTER OF AGREEMENT

BETWEEN

SIMON FRASER UNIVERSITY

AND

THE CANADIAN UNION OF PUBLIC EMPLOYEES,

LOCAL 3338

Re: LIFEGUARDS

The University and the Union agree that this Appendix constitutes the wages and working conditions for all persons employed as Lifeguards by the University and for whom the Union is the bargaining authority.

The University and the Union agree that the Articles of the Collective Agreement apply to the Lifeguards except as modified below:

Article 2 - Definitions

Student Lifeguard Employee: An employee who is currently registered as an SFU undergraduate student taking courses totaling six (6) credit hours or more during the academic term that they are working, or having taken courses totaling twelve (12) credit hours or more in the two most recent semesters, registered in the Professional Development program, a co-operative education program, or a Graduate Studies degree-granting program.

A non-student lifeguard may be hired in the event that no qualified student lifeguard is available for a specific program or shift.

Lifeguards are defined as temporary employees and will be entitled to benefits pursuant to Article 52.01(a) of the Collective Agreement. Lifeguards shall also receive nine (9%) percent of their straight time hourly rate of pay (as calculated from the salaries in the Lifeguard New Salary Scales) in lieu of all benefits (except those noted in 52.01(a)), for all regular hours worked as a lifeguard when their lifeguard seniority hours are less than six hundred (600).

When their lifeguard seniority hours are equal to or greater than six hundred (600) hours, they shall receive sixteen (16%) percent of their straight time hourly rate of pay in lieu of all benefits except those previously noted for all further regular hours worked as a lifeguard for as long as the lifeguard maintains their lifeguard seniority.

Article 17 - Job Re-Evaluation and Reclassification

The parties agree that this Article does not apply to the Lifeguards but that the Union reserves the right to raise the issue of the applicability of the Article at the next round of collective bargaining.

Article 19 - Contracting Out Specialty Services

The Employer reserves the right to allow SFU Varsity programs, the Department, any SFU organization that has a member(s) who has taken all the necessary training at the University and has met all the certification criteria set by the University, to use their own designated individuals (such as coaches, assistant coaches, course instructors, assistant course instructors or others) to act as either the primary and/or back-up lifeguard.

The Employer reserves the right to continue its past practice to allow any non-SFU organization that has a member(s) who has taken all the necessary training at the University and has met all certification criteria set by the University, to use their own designated individual to act as the back-up lifeguard.

Article 22 - Employee Training and Development

The Department will pay the cost of the CPR (Cardio Pulmonary Resuscitation) re-certification course for student lifeguard employees who have worked in the past semester, where such re-certification is arranged through or set up by the Recreation Services and Athletics Department at the University. The cost of re-certification taken other than at the University will not be paid by the Department.

The Department will pay the cost of the NLS (National Lifeguard Service) re-certification course for student lifeguard employees, where such employees have worked at least three hundred (300)

hours in the previous three (3) semesters. The cost of re-certification taken other than at the University will not be paid by the Department.

All time spent for re-certification for CPR or NLS is the responsibility of the employee and is to be done on the employee's own time.

Time spent at mandatory in-service training sessions will be paid by the Department at the employee's normal rate of pay.

Article 24 - Hours of Work

Student Lifeguard Employees will work the hours assigned based on the respective semester Shift Schedule. Hours of work are up to seven (7) per day or thirty-five (35) per week. Hours in excess of seven (7) per day or thirty-five (35) per week shall be paid overtime.

The parties acknowledge the serious financial impact to the SFU Pool of overtime. Any employee choosing to work additional hours that will result in overtime must obtain prior approval from his/her supervisor.

Article 26- Shifts and Shift Differentials

No shift differentials are applicable for Lifeguards.

Shift Schedule

Prior to the commencement of the semester, an interim schedule will be posted. This schedule will be in effect for no longer than the first three (3) weeks of that semester. At the beginning of the fourth (4th) week of that semester a final schedule will be posted.

Employees wishing to be considered for work in the upcoming semester will submit their availability on the appropriate availability sheet to the Aquatic Coordinator or designate no later than the first (1st) Friday of each semester. Should an employee fail to submit an availability sheet by this date, they will not be placed on the schedule for that semester, except as noted below.

Normally, employees will be scheduled for a maximum of twelve (12) hours per week. If additional shifts are available, such shifts will be assigned following the procedure used in creating the final schedule. If additional shifts remain available, the University may assign such shifts to employees who submitted late availability sheets.

In creating the final schedule, the University will take into consideration the seniority, qualifications, which may include experience of the employees, and the equitable distribution of shifts.

Consecutive Day Off

An employee will normally receive two (2) consecutive days off per week but may choose to waive this provision by indicating so on their availability sheets. Such waiver will not result in overtime unless the employee works in excess of thirty-five (35) hours per week.

An employee anticipating working overtime shall obtain prior approval from his/her supervisor.

Additional Employee Work

Employees seeking to work additional hours will make this desire known, in writing, to the supervisor.

Where an employee has indicated their availability to work extra shifts and a shift becomes available which is contiguous with a scheduled shift (ie. the additional hours immediately precede or immediately follow the scheduled shift), the extra shift will be assigned to this employee as follows:

- a) if there is less than seventy-two (72) hours' notice of the additional hours, the employee will be assigned the additional hours if the employee agrees to work them.
- b) if there is greater than seventy-two (72) hours but less than two (2) weeks' notice of the additional hours, the shift extension will be assigned to the employee and the employee will be notified.

- c) if there is greater than two (2) weeks' notice of the additional hours, the shift extension will be assigned to the employee and be recorded on the schedule. The revised schedule will be posted and such posting will constitute notice to the employee of the shift extension.

It is the responsibility of all employees seeking additional work to regularly check the posted schedule for the assignment of such additional work.

Additional shifts that become available that are not contiguous with any employee's scheduled shift will be posted where the employer has seventy-two (72) hours or more notice to the start of the additional shift. In cases of less than seventy-two (72) hours' notice, shifts will be first offered to employees currently on shift. If no employee currently on shift agrees to work the additional shift, the employer will offer the shift to those employees who have indicated in writing their desire to work additional hours, taking into consideration the seniority, qualifications which may include experience, of the employees and the equitable distribution of shifts.

Employee Absences

When an employee is unable to work their scheduled shift, they are responsible for ensuring a qualified replacement employee will work the shift on their behalf. If a replacement employee agrees to work the shift for the originally scheduled employee, the replacement employee becomes responsible for attending the shift as scheduled. If taking that shift will result in working overtime, the replacement employee must obtain prior approval from the employee's supervisor.

The parties acknowledge the serious nature of employee absences. On the first occasion an employee does not attend a scheduled shift, (or one they have agreed to work that was originally scheduled for another employee) they will receive a verbal warning. On the second occasion, they will receive a written warning. The third occasion will result in a suspension, and the fourth will result in termination.

When an employee is absent from work and it is impossible for that employee to arrange for a replacement they may apply to his/her supervisor for a waiver from discipline under this section. Request for such a waiver shall not be unreasonably denied provided the merits of the particular case warrant the provision of such a waiver.

Where an employee has been disciplined pursuant to this article, but has subsequently worked for one full semester with no further discipline, their disciplinary record involving absence from work will be reduced by one step.

Shift Cancellation

The Employer has the right to cancel previously scheduled shifts when operational needs require. When such shifts are cancelled due to operational requirements, the affected employees will be given as much notice as is reasonably possible. An employee will be paid for a cancelled shift if fewer than twelve (12) hours' notice is given.

Time Between Shifts

An employee may choose to work split shifts or to pick up additional shifts including on a day with a regularly scheduled shift, regardless of the amount of time between shifts and will not be paid overtime unless the total time worked exceeds seven (7) hours per day. If the split shift occurs over more than twelve (12) hours, and only where the employee has obtained prior approval, the employee will be paid overtime for the hours in excess of twelve (12).

An employee choosing to work a split shift that will result in overtime must obtain prior approval from his/her supervisor.

Article 30 Meal Periods

Any lifeguard working a shift greater than four and one half (4 1/2) continuous hours will be paid one-half (1/2) hour for a meal break, during which break the lifeguard is to be available for work and remain within whistle range to respond to any calls.

Article 44 Extended Leave Without Pay

Lifeguards may make an application for leave pursuant to this Article, however, where such leave is granted, seniority will be

frozen as of the date of the commencement of the leave and will recommence upon return to work, unless seniority has been lost pursuant to Article 12.04.

Lifeguards performing any of the following Instructor duties; masters swimming, masters diving, swimming lessons or Aquafit and holding the appropriate certifications, will receive the Instructor rate. Despite the fact that such duties fall outside of the scope of a Lifeguard, such time that a Lifeguard spends as an Instructor will be credited towards Lifeguard seniority hours.

Pay Equity

The University and the Union agree that if the Provincial Government approves and provides funding for pay equity for lifeguards, the parties will meet to discuss the distribution of such pay equity funding.

LETTER OF AGREEMENT

BETWEEN

RE: Additional Continuing Part Time Employee Work (Library and Bookstore).

The University and the Union agree that for the duration of the collective agreement, the below noted procedures for the assignment of additional available work for continuing part time employees working at the W.A.C. Bennett Library and the Bookstore (SFU Burnaby, SFU Vancouver or SFU Surrey) will apply. The amount of additional hours to be assigned to eligible continuing part time employees will be at the discretion of the respective Department. It is further acknowledged that nothing in this agreement will impact on the past practice in the two Departments involving the priority assignment of employment to students.

(i) Continuing part time employees seeking to work additional hours in their department will make this desire known, in writing, to their supervisor. Such notification will include the times and days which the employee is available for additional work.

(ii) Additional work that becomes available with seventy-two (72) hours or less notice to the supervisor will be first offered to continuing part time employees on shift when the additional work is offered.

(iii) Additional work that becomes available with more than seventy-two (72) hours' notice to the supervisor will be offered to continuing part time employees.

(iv) All additional work that becomes available will be first offered to continuing part time employees able to work the entire available shift or block of shifts, without preventing them from completing their normally scheduled shifts. Where there is no continuing part time employee available to take the entire available shift or block of shifts, the Department will assign the required additional hours or shift(s) to any available continuing part time employee(s) so as to require the least number of employees being moved from their normal shift.

(v) In the assignment of additional work primary consideration will be given to availability, ability and qualifications. When two or more part time continuing employees are available, the part time continuing employee with the greater seniority and the ability to perform the additional work shall be assigned.

(vi) The assignment of additional work shall not result in overtime, without the prior approval of the supervisor.
