**WHEREAS** the Parties entered into a Collective Agreement (hereinafter referred to as the Agreement) effective February 1st, 2013.

**AND WHEREAS** the Parties desire to interpret the Agreement for the purpose of the implementation of Article 7 - Vacations With Pay.

**NOW THEREFORE** this Letter of Understanding shall constitute an integral part of the Agreement and provides an interpretation of the Agreement in the following particulars:

**(A)** Adjustment of Anniversary Date to Cut-Off Date.

**Reasons therefore:** Since the employment date of an employee seldom coincides with a vacation cut-off date, it is necessary, in order to administer vacations in an orderly manner to adjust an employee's vacation pay and vacation time to the cut-off date.

- Four percent (4%) of their gross earnings.

- One (1) day's vacation for each major fraction of a month worked (maximum ten (10) working days).

The provisions of this **Article** are the basis of adjusting a new employee's vacation pay and vacation time to a cut-off date.

- (2) When an employee becomes entitled to three (3) weeks' vacation, their vacation pay and vacation time off will be adjusted to the cut-off date by:
  - Crediting the employee's vacation account with two percent (2%) of their gross earnings from their employment anniversary date to the cut-off date.
  - Crediting the employee's vacation account with the amount of time off resulting from applying the fraction of the year between their anniversary date and the cut-off date to five (5) working days.
- (3) When an employee becomes entitled to four (4) weeks' vacation, their vacation pay and vacation time off will be adjusted to the cut-off date by:
  - Crediting the employee's vacation account with two percent (2%) of their gross earnings from their employment anniversary date to the cut-off date.
  - Crediting the employee's vacation account with the amount of time off resulting from applying the fraction of the year between their anniversary date and the cut-off date to five (5) working days.
- (4) When an employee becomes entitled to five (5) weeks' vacation, their vacation pay and vacation time off will be adjusted to the cut-off date by:
  - Crediting the employee's vacation account with two percent (2%) of their gross earnings from their employment anniversary date to the cut-off date.
  - Crediting the employee's vacation account with the amount of time off resulting from applying the fraction of the year between their anniversary date and the cut-off date to five (5) working days.
- (5) When an employee becomes entitled to six (6) weeks' vacation, their vacation pay and vacation time off will be adjusted to the cut-off date by:
  - Crediting the employee's vacation account with two percent (2%) of their gross earnings from their employment anniversary date to the cut-off date.
  - Crediting the employee's vacation account with the amount of time off resulting from applying the fraction of the year between his anniversary date and the cut-off date to five (5) working days.
- (6) When an employee becomes entitled to seven (7) weeks' vacation, their vacation pay and vacation time off will be adjusted to the cut-off date by:
  - Crediting the employee's vacation account with two percent (2%) of their gross earnings from their employment anniversary date to the cut-off date.

- Crediting the employee's vacation account with the amount of time off resulting from applying the fraction of the year between their anniversary date and the cut-off date to five (5) working days.
