BETWEEN:

DISTRICT OF HOPE
(Hereinafter called the “Employer”)

PARTY OF THE FIRST PART;

AND:

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 458
(Hereinafter called the “Union”)
Chartered by the Canadian Union of Public Employees

PARTY OF THE SECOND PART

ARTICLE 1 - PREAMBLE

The purpose of this Agreement is to secure for the Employer, the Union and the *Employees* of the Employer, the full benefit of orderly and legal collective bargaining and to ensure, to the utmost extent possible, the safety and physical welfare of the *Employees*, economy of operation, quality and quantity of output and protection of property. It is recognized by the Agreement to be the duty of the Employer and the Union and the *Employees* of the Employer to co-operate fully, individually and collectively for the advancement of said conditions.

The Employer and the Union agree to abide by the terms set out in this Agreement. The Union further agrees that it will, at all times, instruct its members to act in accordance with the terms contained in this Agreement. The Employer agrees, in the exercise of the functions of Management, that the provisions of this Agreement will be carried out.

Plural or Feminine Terms May Apply

Wherever the singular or masculine is used in this Agreement it shall be considered as if the plural or feminine has been used where the context of the part or parties hereto so require.

ARTICLE 2 - EMPLOYEE DEFINITIONS

- (a) When used in this Agreement, a “day actually worked” or a “day worked” is any twenty-four (24) hour calendar day period on which an *Employee* actually performs work for the Employer irrespective of the number of hours that an *Employee* actually works on that day (i.e. a “day actually worked” or a “day worked” is inclusive of all straight-time hours actually worked, overtime hours actually worked and call-out hours actually worked on that day, but is exclusive of time that an *Employee* is on stand-by and is not called out to work).
- (b) **“Employee”** shall mean a person who is an “Employee” as defined in the Labour Code.
- (c) **“Regular Employee”** means an Employee who is employed on a full-time or part-time basis in a regular (on-going) position and who has successfully completed probation pursuant to Article 9, Clause (c). Regular employees shall be paid at the rate set out on Schedule “B”.

After successfully completing probation, regular employees (i.e. regular full-time and Regular Part-Time Employees) shall have “start date” seniority based upon their most recent date of employment as a regular employee, subject to the bridging provisions contained in Article 2(g)(ii).

- (d) **“Probationary Employee”** means any Employee who has not successfully completed probation pursuant to Article 9, Clause (c).
- (e) **“Regular Full-Time Employee”** means a Regular Employee who is normally and regularly scheduled to work the full-time hours that apply to the Employee’s classification per Article 12, Section 1, Clause (a) and (b) of this Agreement.

Regular full-time employees shall be entitled to all of the terms and conditions of this Agreement, after successfully completing the probationary period, provided that all insured health benefits under Article 19 shall be effective the first of the month following completion of the probationary period.

A Regular Employee who was employed as a Time Duration Employee immediately prior to their appointment to a regular position and who receives their regular appointment without any break in service, shall be entitled to enrolment in the following benefit plans under Article 19: Medical Services and Extended Health Plans [Article 19(a)], the Group Life Insurance Plan [Article 19(a)] and the Dental Plan [Article 19(b)], provided the Employee worked sufficient time before receiving the regular appointment to meet the normal qualification requirements for such plans as set out in Article 2(c).

- (f) **“Regular Part-Time Employee”** means a Regular Employee who is normally and regularly scheduled to work less than the full-time hours that apply to the employee’s classification per Article 12, Section 1, Clause (a) and (b) of this Agreement.

- (i) Regular Part-Time Employees, who are normally and regularly scheduled to work twenty-one (21) hours or more per week, shall be entitled to all of the terms and conditions of this Agreement, after successfully completing the probationary period, provide that:
- All insured health benefits under Article 19 shall be effective the first of the month following completion of the probationary period.
 - Statutory holiday pay shall be prorated in accordance with the formulae for calculating statutory holiday pay set out in the Employment Standards Act.
 - Vacation, sick leave, and all the other provisions of this Agreement, shall be prorated in proportion to the percentage (%) of the applicable full-time hours that the Employee normally and regularly works at straight time.
- (ii) After completing the probationary period, Regular Part-Time Employees, who normally and regularly work less than twenty-one (21) hours per week, shall be paid sixteen percent (16%) of their gross earnings in lieu of all of the other terms and conditions of this Agreement to which they are not eligible (for example, without limiting generality: vacation, sick leave, medical, dental, extended health benefits, etc.).
- (g) ***“Time Duration Employee”*** means an Employee who is hired to augment the regular staff or who is employed for a limited duration not exceeding one hundred and twenty (120) days actually worked without a break in service. The period of employment for any Time Duration Employee may be extended by the mutual agreement of the parties, in writing, which agreement shall not be unreasonably denied.

The above one hundred and twenty (120) day time limit that governs the employment of time duration employees shall not apply where an Employee is hired to augment staff who are absent on maternity, sick leave, leave for Union business, or Workers Compensation.

- (i) After successfully completing probation, Time Duration Employees shall have “start date” seniority based upon their most recent date of employment as a time duration employee.
- (ii) Time Duration Employees lose their seniority when they have a break in service of longer than ninety (90) calendar days. When a Time Duration Employee ends one time duration assignment and within ninety (90) calendar days is appointed to a regular position or commences another time duration assignment, the Employee’s seniority is “bridged” (i.e. they retain their previous start date seniority).
- (iii) Time Duration Employees may request unpaid leave up to ninety (90) calendar days in lieu of vacation time off under Article 14. Approval of such

requests may be granted by the Employer subject to operational requirements, which approval shall not be unreasonably denied.

- (iv) Time Duration Employees shall be eligible for unpaid leave in lieu of the time off provisions of Article 16, Clauses (a), (b), (d), (e), (g), (h) and (i).
- (v) Time Duration Employees eligibility shall be as follows:

- (vi) After completing the probationary period, Time Duration Employees shall be paid sixteen percent (16%) of their gross earnings in lieu of all of the terms and conditions of this Agreement to which they are not eligible (for example, without limiting generality: vacation, medical, dental, extended health benefits, etc.).
- (vii) Time Duration Employees shall be paid at the rate set out on Schedule “B”.
- (viii) Should a Regular Employee accept a time durated position, their status shall be a Regular Employee in a time durated position. Upon conclusion of the time durated position, they shall have the right to revert to their regular position without loss of seniority.
- (h) **“Casual Employee”** means an Employee who is employed to replace other Employees who are absent from work for up to ninety (90) consecutive calendar days without a break in service. The period of employment for any casual employee may be extended by the mutual agreement of the parties, in writing, which agreement shall not be unreasonably denied. Casual employees may also be employed when the Employer has an immediate need to fill a position until the expiration and subsequent hiring resulting from a posting.
 - (i) The employment of any Casual Employee is at the Employer’s discretion, provided in the case of termination that the standard of just cause to apply is suitability for continued employment.
 - (ii) After completing nine hundred and sixty (960) hours actually worked [eight hundred and forty (840) hours for Employees who work or who average thirty-five (35) hours per week], casual employees shall accumulate seniority (i.e. cumulative casual seniority) based upon their hours actually worked as a Casual Employee. Casual employees may only rely on their cumulative casual seniority when applying for posted vacancies filled under Article 10(b). Casual employees may not “leap frog” any Regular Employee’s seniority. In the event that this would occur, the Casual Employee shall be given a cumulative casual seniority date that falls immediately below the

most junior current Regular Employee’s seniority date. Cumulative casual seniority is lost when a Casual Employee has not actually performed any work for the Employer for ninety (90) calendar days.

When a casual employee ends one casual assignment and within ninety (90) calendar days is appointed to a regular position or commences another casual assignment or commences a time duration assignment the Employee’s seniority is “bridged” (i.e. they retain their previous start date seniority).

(iii) Casual Employees eligibility shall be as follows:

(iv) After completing the probationary period, Casual Employees shall be paid sixteen percent (16%) of their gross earnings in lieu of all of the terms and conditions of this Agreement to which they are not eligible (for example, without limiting generality: vacation, sick leave, medical, dental, extended health benefits, etc.).

(i) **“Student Employee”** means an Employee hired on the basis of the Summer Student Position Description that forms part of this Agreement.

All Student Employees shall be hired at the student rate. It is agreed that Student Employees shall not be entitled to fringe benefits other than those to which a person becomes entitled by reason of statute. The employment of any Student Employee is at the Employer’s discretion, provided in the case of termination that the standard of just cause to apply is suitability for continued employment. A Student Employee shall accumulate seniority provided that such seniority is lost when a Student Employee has not actually performed any work for the Employer for fourteen (14) calendar days.

(j) **“Work Experience Student”** shall mean a student in school wishing to gain work experience within the local government field.

This individual shall not be entitled to any wages or benefits but will be allowed to job shadow a Regular Employee and perform as their ability dictates all jobs currently allowed under the Letter of Understanding Work Experience Students/Job Shadowing.

ARTICLE 3 - RECOGNITION AND NEGOTIATIONS

(a) **Recognition**

The Employer recognizes the Canadian Union of Public Employees, Local No. 458, as the sole and exclusive collective bargaining agency for all of its *Employees* except for those who are excluded by the Labour Relations Code of British Columbia and hereby consents and agrees to negotiate with the Union, or any of its authorized committees, concerning all matters affecting the relationship between the parties to this Agreement, looking towards a peaceful and amicable settlement of any differences that may arise between them.

(b) **Employee Agreements**

No *Employee* shall be required or permitted to make any written or verbal agreement with the Employer or his representatives, which may conflict with the terms of this Collective Agreement.

ARTICLE 4 - MANAGEMENT RIGHTS

The management, and the operation of, and the direction of the working force is vested exclusively in the Employer.

ARTICLE 5 - UNION SECURITY

All *Employees* of the Employer covered by the Union's Certification, shall, as a condition of continuing employment, become and remain members in good standing of the Union, according to the Constitution and Bylaws of the Union.

The Employer shall ensure that newly hired *Employees* are provided with a Union member contact information form and personally introduced to a Union Officer shortly after they commence work (subject to operational requirements) and shall allow a brief period of time [maximum thirty (30) minutes] for the *Employee* and the Union Officer to chat at the time of such introduction.

ARTICLE 6 - CHECK-OFF OF UNION DUES

- (a) The Employer shall deduct from every *Employee*, after receiving a signed undertaking, any monthly dues, initiations, or assessments levied, in accordance with the Union Constitution and/or Bylaws, and owing by them to the Union.
- (b) The Employer agrees to deduct from the earnings of the *Employee* such dues, fees and assessments and shall forward to the Union the total in accordance with the Constitution and/or Bylaws of the Union. The Union agrees to advise the

Employer of the amounts of such Union dues and/or assessments as may be determined from time to time by the said Union. The Employer, upon receipt of such advice from the Union, shall thereupon deduct from the earnings of the *Employees* such dues, fees and assessments and shall forward to the Union the total of such amounts deducted together with a list of those *Employees* from whom such deductions were made.

- (c) Use of CUPE National's Direct Dues Remittance Procedure is permitted.

ARTICLE 7 - LABOUR/MANAGEMENT RELATIONS

(a) **Representation**

No individual *Employee* or groups of *Employees* shall undertake to represent the Union at meetings with the Employer without proper authorization of the Union. In order that this may be carried out, the Union will supply the Employer with the names of its Officers. Similarly, the Employer will, if requested, supply the Union with a list of its supervisory or other personnel with whom the Union may be required to transact business.

(b) **Joint Labour Management Committee**

A Joint Labour Management Committee shall be appointed and consist of not more than three (3) members of the Employer, as appointees of the Employer and not more than three (3) *Employees* of the Employer, as appointees of the Union. The Union will advise the Employer of the Union nominees to the Joint Labour Management Committee.

(c) **Function of Joint Labour Management Committee**

All matters of mutual concern, including any workload concerns, shall be referred to the Joint Labour Management Committee for its consideration.

(d) **Representative of Canadian Union of Public Employees**

The Union shall have the right at any time to have the assistance of a representative of the Canadian Union of Public *Employees* when dealing or negotiating with the Employer. Such representatives shall have access to the Employer's premises in order to investigate and assist in the settlement of a grievance. On all such occasions the Employer shall be informed by the Representative of his presence and the reasons for it.

(e) **Meeting of the Joint Labour Management Committee**

In the event either party wishes to call a meeting of the Joint Labour Management

Committee, the meeting shall be held at a time and place fixed by mutual agreement. However, such meeting must be held not later than six (6) calendar days after the request has been given, unless otherwise mutually agreed.

(f) **Time Off for Meeting**

Any representative of the Union on the Joint Labour Management Committee, who is in the employ of the Employer, shall have the privilege of attending the Joint Committee meetings held within working hours without loss of remuneration.

(g) **Technical Information**

The parties agree to provide to each other, on request, technical information regarding job descriptions, job classifications, wage rates, pension and welfare plans, etc., required for collective bargaining purposes.

ARTICLE 8 - GRIEVANCE PROCEDURE AND ARBITRATION

Should any difference arise between the persons bound by this Agreement concerning its interpretation, application, operation, or any alleged violation thereof, including any question governing the dismissal or suspension of an *Employee* bound by the Agreement, and including any question as to whether any matter is arbitral, there shall be no stoppage of work on account of such difference and an earnest effort shall be made to settle the difference in the following manner.

Grievance Procedure

Step One (Informal):

The *Employee* involved shall first take up the issue verbally with their immediate Supervisor, recognizing Article 3, within ten (10) working days from the time the *Employee* ought to have reasonably known of the event giving rise to the issue. The Supervisor shall notify the employee of their right to Union Representation at the meeting.

Step Two:

If the issue is not satisfactorily settled at Step One, and the Union decides it will be reduced to a grievance, the grievance shall be presented in writing within ten (10) working days from the meeting at Step One to the appropriate department head who shall arrange a meeting within six (6) calendar days of receipt of the grievance. The department head shall provide a written response to the Union within ten (10) working days from the date of the meeting at Step Two.

Step Three:

If the grievance is not satisfactorily settled at Step Two, the Union may refer the grievance to the Chief Administrative Officer at Step Three within (10) working days from receiving the Step Two response. The Chief Administrative Officer shall arrange a meeting within six (6) calendar days. The Chief Administrative Officer shall reply in writing to the Union within ten (10) working days from the date of the meeting at Step Three.

Step Four:

If the parties are not satisfied with the response at Step Three, the grieving party may give written notice of arbitration to the other within ten (10) working days of receipt of the Step Three response.

Policy Grievance

Where a dispute involving a question of general application or general interpretation of this Agreement occurs, the Employer has a grievance, or a grievance on discharge, layoff or recall occurs, such grievances may be processed commencing at Step 3.

Where a stipulated time is mentioned in Steps One to Four, the time may be extended only by mutual consent of the parties.

Arbitration

- (a) A single Arbitrator, if acceptable to both parties, shall hear the grievance referred to arbitration. Either party shall notify the other, in writing, of the question(s) to be arbitrated and the parties shall select a mutually agreeable arbitrator. Should the parties fail to select an arbitrator either party may request the assistance of the Minister of Labour of the Province of British Columbia in appointing an arbitrator(s). The expenses and compensation of the Arbitrator shall be shared equally between the parties. The decision of the arbitrator shall be final and binding on the parties.
- (b) In the event the Arbitrator finds that an *Employee* has been dismissed or suspended for other than proper cause, the Arbitrator may direct the Employer to reinstate the *Employee* and pay to the *Employee* a sum equal to their wages or salary lost by reason of such suspension or discharge or such lesser sum as in the opinion of the Arbitrator is fair and reasonable or make such other order as it considers fair and reasonable, having regard to the terms of the Collective Agreement between the parties.

ARTICLE 9 - SENIORITY

(a) Seniority Defined

Seniority applies to service in the bargaining unit pursuant to the applicable provisions of this Agreement.

(b) Seniority List

The Employer shall maintain a seniority list showing each *Employee's* seniority. An up-to-date seniority list shall be sent to the Union in an electronic format each January and July.

(c) Probation Period

All newly hired *Employees* shall serve an initial probation period for the first 65 days they actually work to determine suitability for continued employment, in the opinion of the Employer.

- (i) The Employer and the Union may, at the request of either party, mutually agree to extend any *Employee's* probation period by up to an additional 65 days when circumstances warrant. Neither party shall unreasonably refuse to grant an extension under this clause.
- (ii) *Time Duration Employees*, who have not successfully completed probation at the time they are appointed, to a regular position or another time duration position must complete their probation after being so appointed. In addition they are concurrently covered by the trial period provisions of Article 10(c). *Time Duration Employees*, who have a break in service of longer than ninety (90) calendar days prior to being appointed to a regular position or another time duration position must complete a full probationary period after being so appointed.
- (iii) *Casual Employees* who are appointed to either a time duration position or a regular position shall complete their probation after being so appointed. After successfully completing probation, they shall have "start date" seniority based upon their initial date of their appointment as a *Time Duration Employee* or *Regular Employee*, as applicable.

(d) Probationary Employees

Seniority shall apply after successful completion of probation subject to the applicable provisions of this Agreement.

(e) **Loss of Seniority**

An *Employee* shall not lose their seniority rights if they are absent from work because of sickness, accident, layoff or leave of absence provided by the Employer.

(f) **An Employee shall only lose their seniority in the event:**

- (i) They are discharged for just cause and not reinstated;
- (ii) They resigns;
- (iii) They are absent from work without sufficient cause or without notifying the Employer when such notice is reasonably possible;
- (iv) They fail to return to work within seven (7) calendar days following a layoff and after being notified to do so, unless through sickness or other just cause. It shall be the responsibility of the *Employee* to keep the Employer informed of their current address;
- (v) They are laid off for a period of six (6) months if they have less than one (1) year non-consecutive accumulated service or they are laid off for a period of one (1) year if they have more than one (1) year non-consecutive accumulated service.

(g) Loss of seniority shall mean loss of all rights as an *Employee*.

(h) **Transfer Outside Bargaining Unit**

No *Employee* shall be transferred to a permanent position outside the bargaining unit without their consent. It is understood and agreed that an *Employee* who consents to transfer, for any reason, to a position which the Employee knows to be outside the bargaining unit, shall not then initiate proceedings to have that position included in the bargaining unit. It is understood that any Time Duration employee retains their seniority rights for ninety (90) days after the completion of a Time Duration posting.

ARTICLE 10 - PROMOTIONS AND STAFF CHANGES

(a) **Job Postings**

- (i) It is agreed and understood, where vacancies exist or new positions are created, notice thereof will be posted on the Bulletin Boards and a copy provided to the Unit Chair and an electronic copy to the local union. A posting shall be for a minimum of seven (7) calendar days to a maximum of fourteen (14) calendar days, before the appointment is made. Such postings and

notices are to contain the following information: a description of the position, the employment status of the position, required ability, wage rate or salary range and closing date. The initial hours of work shall be contained in the posting for informational purposes only, subject to change.

- (ii) Any vacancy longer than ninety (90) calendar days shall be posted if it is known in advance.
- (iii) The Employer shall fill posted vacancies as soon as operationally possible after the posting period expires.
- (iv) The Employer may advertise vacancies externally, coincidental with posting internally.
- (v) *Employees* who wish to be considered for a particular vacancy in an on-going regular full-time position that might be posted during their vacation time off, shall make their desire known, in writing to the Chief Administrative Officer or delegate prior to leaving on their vacation, stating the particular on-going regular full-time vacancy for which they wish to be considered. It will be the *Employee's* responsibility to notify the Employer if they wish to be considered under this Section (v) each time they go off on vacation (i.e. previous notifications will not apply).

(b) **Method of Making Appointments**

In making promotions and transfers, the posted required knowledge, ability and skills for the position as outlined in the agreed to job description between the parties shall be the primary consideration, and where two or more applicants are equally capable of fulfilling the duties of the position, seniority, as defined in the Agreement, shall be the determining factor; however, it is understood that, in all instances, present *Employees* shall be given preference when suitably qualified.

(c) **Trial Period**

- (i) When, for any reason, a *Regular Employee* or a *Time Duration Employee* is placed in a different regular or time duration position, as applicable, the *Employee* shall be familiarized in such new position.
- (ii) When, for any reason, a *Regular Employee* or a *Time Duration Employee* is placed in a different regular or time duration position, as applicable, the *Employee* shall also be on trial for up to 65 days actually worked, in order to prove satisfactory in the new position. If during this trial period the Employer finds the *Employee* unsatisfactory, or the *Employee* wishes to return to their former position, the *Employee* shall return to their previous regular position and wage rate without loss of seniority, and all other *Employees* who are affected shall be returned to their former positions and wage rates, without loss of seniority (it is understood in this eventuality that *Time Duration*

Employees and Casual Employees who were promoted as a result of the original staff change shall return to their former *Time Duration* or *Casual Employee* status, as applicable).

(d) **Resignation**

An *Employee* shall be required to give not less than 2 weeks notice of their intention to resign, whenever possible.

(e) **Dismissal**

Any *Employee* may, for proper cause, be dismissed without notice, and subject to Statutory Regulations, may be deprived of benefits that they would otherwise receive on retirement or, at the discretion of the Employer, may receive such notice and benefits as the Employer may authorize, provided, however, that any *Employee* so dismissed shall have the right to grieve (Article 8).

(f) **Notification to Union**

- (i) The Union shall be notified electronically of the full name, position and employment status (i.e. full-time, part-time, time duration, casual etc.), start date and work location of all employees hired into the bargaining unit prior to their first day of employment or as soon as practical thereafter.
- (ii) The Employer agrees to notify the Union, electronically, when an *Employee* covered by the Agreement is hired, promoted, demoted, transferred, laid-off, recalled, disciplined, suspended or their employment is terminated.

ARTICLE 11 - LAYOFFS RECALL PROCEDURES AND SEVERANCE PAY

(a) **Definition of Layoff**

A layoff shall be defined as a reduction in the work force, or a reduction in the hours of work.

(b) **Advance Notice of Layoff**

Unless legislation is more favourable to the *Employees*, the Employer shall notify *Regular Employees*, who are to be laid off, four (4) weeks prior to the effective date of layoff or awarded pay in lieu thereof. If the *Employee* laid off has not had the opportunity to work four (4) weeks after notice of layoff, they shall be paid in lieu of work for that part of four (4) weeks during which work was not available.

It is agreed that the Employer may give layoff notice upon the recall of an *Employee* if it is known at that time when their assignment will be completed. The Employer may extend the notice of layoff providing they maintain a minimum notice period as defined in the previous paragraph, but in no case may the notice of layoff be

shortened.

(c) **No New Employees**

If an *Employee* who has been laid off is qualified for a position, they shall have an opportunity for re-employment before a new *Employee* is hired for the position.

(d) **Layoff and Recall Procedure**

Both parties recognize that job security should increase in proportion to length of service. Therefore, in the event of a layoff, *Employees* within the classification in which the Employer determines the reductions will occur shall be laid off in the reverse order of their seniority. *Employees* shall be recalled in the order of their seniority, providing they are qualified to do the work.

Upon written notification, an *Employee* subject to layoff or an *Employee* who is bumped under this clause, may displace an *Employee* with less seniority in any classification providing they are capable of doing the job of the *Employee* they are displacing.

If an *Employee* bumps into another classification, the *Employee* who bumps into another classification shall be paid the wages for that classification.

Employees shall have the right to refuse recall to a part time position without loss of future recall rights. Should an *Employee* chose to return to a part time position they shall be offered any arising fulltime vacancy they would have been recalled to had they remained on the recall list.

A *Regular Employee* who has received written notice of layoff shall, within five (5) calendar days, elect to exercise their seniority rights for bumping purposes, or accept layoff.

If the *Employee* accepts layoff, they shall within thirty (30) calendar days from the effective day of layoff, elect to either retain seniority rights of layoff and recall or accept severance pay.

Upon acceptance of severance pay, all seniority rights and rights of recall under the Agreement are terminated; or upon acceptance of retention of seniority rights of layoff and recall, all rights to severance pay under these provisions are terminated.

Entitlement to, and severance pay for each *Regular Employee* will be as follows:

- (i) Three (3) days pay for each year of service up to and including five (5) years of service;
- (ii) Five (5) days pay for each year of service after six (6) years of service;

ARTICLE 15 - SICK LEAVE

(a) Sick Leave

Employees in their second calendar year of continuous service and all subsequent calendar years of continuous service will be credited for that year's sick leave entitlement on January 1st of each year.

When an employee with at least ten (10) years' service retires with fifty percent (50%) of the maximum sick leave bank accrual, said employee will receive a payout of a third (1/3) of their total bank at their regular rate of pay, to a maximum of 30 days.

 - Eligible *Employees* who do not work full-time hours in the month shall be granted sick leave based upon the above entitlements prorated in proportion to the percentage (%) of the applicable full-time hours each such *Employee* normally and regularly works at straight time.
 - Notwithstanding the above, all employees are entitled to five (5) days of paid sick leave upon completion of ninety (90) days of employment. The amount paid for each sick day shall be calculated as the total amount the employee has been paid over the previous thirty (30) calendar days, divided by the number of days worked in that period.
- (ii) *Employees* are also eligible to use their annual sick leave entitlement to attend doctor and/or dentist appointments at times they would otherwise be scheduled to work, provided they have done everything reasonably possible to schedule the applicable appointment on their rest days off (or lieu days off) or they have done everything reasonably possible to schedule such appointment at the end of their shift, so as to minimize the effect of the absence on operations. In addition, the amount of time taken away from work must be kept to the minimum time necessary to attend the appointment, plus travel (as is reasonable); and the *Employee* must return to work after being so absent, when required to do so by the Employer. Failure to meet the conditions of this subsection (ii) may result in sick leave being denied.
- (iii) New start *Regular Employees* shall be credited with their first monthly earned sick leave entitlement at the end of the month following the month in which they were hired. Thereafter, they may use sick leave they have to their credit even though they are on probation.
- (iv) Eligible *Regular Employees* shall be entitled to accrue all unused sick leave entitlement for their future use, up to a maximum that the current District benefit provider requires for the long term disability waiting period: currently 180 days.

their new maximum.

- (v) Eligible *Employees* shall earn sick leave during paid vacation time off, paid statutory holiday time off, when they are on paid sick leave and all time spent on other paid leaves (when the *Employee* continues to be paid by the Employer, including Union leave when the Union reimburses the Employer's cost).  - (ii) A medical certificate or request for information may be required by the Employer when facilitating a return to work program or otherwise accommodating the needs of the *Employee* as a result of injury or sickness. The cost of such a certificate or request for information will be borne by the Employer.

(h) **Family Illness**

When no one at home other than the *Employee* can provide for the needs of an immediate member of their family who also resides in the *Employee's* home, an *Employee* shall be entitled, after notifying their supervisor, to use a maximum of five (5) accumulated sick leave days per year to care for the member of the family who is ill.

The Employer may request a Doctor's note where family illness sick leave is used.

(i) **Sick Leave Reimbursement**

An *Employee* who has received paid sick leave or paid extended sick leave for injuries caused by a third party shall be obliged in the event such *Employee* undertakes an action or makes a claim for recovery of damages against the third party, to seek recovery of the cost of continuation of wages and benefits, and shall be obliged to reimburse the Employer to the extent the *Employee* succeeds in recovering lost wages and benefits less the proportionate cost of legal fees. The Employer shall reimburse the sick leave and/or extended leave bank the amount of money paid out of sick leave on the *Employee's* behalf in proportion to the total amount of money recovered. Without limiting the foregoing, this provision includes actions or claims made to ICBC.

It is agreed that official representatives of the Union may be granted leave of

absence without pay, to attend Union conventions or perform any other function on behalf of the Union and its affiliation, provided that not more than two (2) Union representatives shall be away at any one time for a period of not more than five (5) working days. Such leave of absence shall not affect the *Employee's* seniority and/or benefits contained in this Agreement.

(c) **Leave of Absence for Full Time Union or Public Duties**

- (i) The Employer recognizes the right of an *Employee* to participate in public affairs. Therefore, upon written request, the Employer shall allow leave of absence of up to three (3) months without loss of benefits provided the *Employee* pays both the Employer and *Employee's* share of benefits, so that the *Employee* may be a candidate in federal, provincial or municipal elections.
- (ii) It is agreed that official representatives of the Union may be granted leave of absence, without pay, to fulfill the full-time officer duties or as elected by the Union, on the following understanding:
 - 1. Where possible, a request for such leave shall be submitted to the Employer at least 6 weeks in advance.

work or who average thirty-five (35) hours per week] in the case of death of a spouse (including common-law spouse), child, sister, brother, mother, father, grandparent, grandchild or legal guardian.

- (ii) *Employees* who are covered by clause (i) above, may utilize some or all of their paid bereavement leave entitlement when a member of their immediate

family, as named therein, is critically ill or critically injured. It is understood by so doing that the *Employee* is reducing the amount of paid bereavement leave that will be available in the event of death of that particular relative as a result of such critical illness or injury.

- (iii) *Regular Full-Time Employees and Regular Part-Time Employees* who are normally and regularly scheduled to work more than twenty-one (21) hours per week shall be granted paid bereavement leave of twenty-four (24) hours – maximum of eight (8) hours per day taken [twenty-one (21) hours – seven (7) hours for each day taken in the case of *Employees* who work or who average thirty-five (35) hours per week] in the case of death of a mother-in-law, father-in-law, brother-in-law or sister-in-law.

LETTER OF UNDERSTANDING # 4

Sick Leave [Article 15(a)]

It is recognized that one of the criteria to be accepted on the current *Employee* paid Long Term Disability Plan is the waiting period as per the current District benefit provider.

It is further recognized that there may be a circumstance where an Employee, who would normally meet the current District benefit provider requirement as set out in Article 15 (a) due to an ongoing illness, may exhaust a portion or all of their accumulated sick leave.

In consideration of this, the Employer agrees to take into account these situations. The Employer agrees to assess the circumstances on a case-by-case basis with a view of allowing the previously unused sick leave [over and above the current District sick leave allowance] to assist with the current District benefit provider's waiting period for the purpose of Long Term Disability.

And

**Re: Change in Article 12 – Hours of Work
Time Durated Labourer Workers**

Whereas during the latest round of Collective Bargaining, the Parties agreed that the regular hours of work for outside employees would be 8 hours per day, 7:00 am to 3:30 pm, with ½ hour for lunch.

It is recognized that all parties appreciate that the summer period experiences the most outdoor special events, most of which occur on the weekends and requiring timely preparation, daily outside routine service and cleanup, at a reasonable cost to the District.

Therefore, in an effort to find a resolution to this situation and notwithstanding Article 12 of the Collective Agreement, the Parties agree, that annually, on a without prejudice or precedent basis, that up to two Time Duration Labourers will be required in the Operations Department to work a Wednesday to Sunday shift. These Time Duration Labourer's work schedules are expected to take place annually, between the months of March 1st and October 31st. In addition, as per Article 2 of the Collective Agreement, the period of employment for these Time Duration Employees will not exceed one hundred and twenty (120) days actually worked unless mutually agreed to by the Parties.
