RE: Fuller Lake Arena shift rotation trial

The parties agree that the Employer will implement 10- and 8-hour shifts on a trial basis, for Maintenance/Icemaker employees. The trial will begin at the commencement of the 2011-2012 ice season, or such earlier time as determined by the Employer.

A draft trial schedule will be developed by the Employer with the following principles:

1. There shall be no additional cost to the Employer arising from employees transitioning into or out of this trial schedule, or rotating through this schedule.
2. All Maintenance/Icemaker employees shall rotate through the shift schedule. However, Lloyd Serson will remain at the Fuller Lake Arena and his shifts will be set to accommodate the schedule.
3. Maintenance/Icemaker employees will work a combination of 10- and 8-hour shifts at the Fuller Lake Arena.
4. The schedule will allow the rotation of Maintenance/Icemakers to Operations.
5. Maintenance/Icemakers will work 8-hour shifts when deployed to Operations.
6. Annual holiday, sick leave, all other leaves of absence, and statutory holiday entitlement shall be earned on the basis of one working day equals 8 hours. All leaves, unless otherwise agreed upon, shall be taken in blocks of 10 hours if the shifts missed are 10-hour shifts, and 8 hours if the shifts missed are 8-hour shifts.

Prior to the expiration of the trial period, the parties agree to meet to discuss issues arising from the implementation of the trial and whether to extend the trial for a second year. If no agreement is reached, the trial will not be extended.

This Letter of Understanding will expire April 30, 2012 or the date of the removal of the ice at the end of the 2011/2012 ice season, whichever occurs first.
