Preamble

THIS AGREEMENT is created in the City of Vancouver in the Province of British Columbia as of the 1st day of April 2025 effective as such date by and between the negotiating producer entities all of whom are parties of the first part, hereinafter referred to collectively as the "Producers" and individually as a "Producer," and the British Columbia and Yukon Council of Film Unions, party of the second part comprised of three separate and distinct local trade Unions, hereinafter referred to as the "Council."

WHEREAS, the Producers are engaged in the making, taking, processing, editing, producing and distributing of motion and still pictures throughout Canada, the United States, and elsewhere, and they severally are desirous of establishing an opportunity to enter into an agreement with respect to the matters and things hereinafter in this agreement set forth; and

WHEREAS, the parties hereto, with the desire and intention of making their relationship harmonious have concluded to make provision herein for the orderly and expeditious consideration and settlement of all matters of collective bargaining and of bilateral rights, including wages, hours, working conditions and the adjustment of grievances, with respect to the employees of the employers for whom the constituent members of the Council are the bargaining agent; and

WHEREAS, the Council has been established under the order of the British Columbia Labour Relations Board as the appropriate bargaining agent for three local trade Unions — whose members are employed in motion picture productions in British Columbia — and each local trade Union that is a member of the Council is severally desirous of entering into an agreement with respect to the matters and things hereafter in this agreement set forth, so that the same may inure to the benefit of the members of the Council's Trade Unions; and

WHEREAS, said three local trade Unions of the Council are named as follows:

Motion Picture Studio Production Technicians, Local 891 of the International Alliance of Theatrical Stage Employees, Motion Picture Technicians, Artists and Allied Crafts of the United States and Canada ("Local 891"); and

Teamsters Local Union No. 155 ("Local 155") affiliated with the International Brotherhood of Teamsters; and

International Cinematographers Guild, Local 669 of the International Alliance of Theatrical Stage Employees, Motion Picture Technicians, Artists and Allied Crafts of the United States and Canada ("Local 669"); and

WHEREAS, this agreement is the "Master Agreement," which has been negotiated and entered into pursuant to the British Columbia Labour Relations Board's December 15, 1995 decision addressing the appropriateness of a Council as bargaining agent for Local 155, Local 669 and Local 891, among others, after an inquiry into the unique and distinguished film industry in British Columbia. This Master Agreement comprises specific provisions covering the Council's member Unions, and Appendices, which contain provisions unique to each individual Council-

member Union. This agreement, including its Appendices, is hereinafter referred to as the "Master Agreement"; and,

WHEREAS, the terms and conditions of this Master Agreement are paramount in the labour relationship between the Parties and take priority over internal rules and policies of the Parties, including the Council's member Unions; and,

WHEREAS, now, therefore, in consideration of the mutual covenants, conditions and agreements herein contained, the Council and the Producers (hereinafter referred to as the "Parties") agree to the following:

Definitions:

Call or Call Time means the place and hour of commencement of work for an Employee.

Loan-Out Company means the corporation through which the lent-out Employee furnishes the Employee's services.

Over-Scale means those wages which an Employee has contracted with the Employer over and above the Scale Wages provided in this Agreement.

Permittee means a person who is not a Member who has been issued a valid work permit from the appropriate Council member Union under Article 3.

Scale Wages means the applicable hourly rate per Appendix "A," "B," or "C."

Employee's Straight Time Contracted Hourly Rate means Scale Wages plus Over-Scale, if any.

Terms to be Given Common Industry Meaning: Unless otherwise specifically defined herein, the terms used shall be given the common meaning in the motion picture industry. Unless the context requires otherwise, words denoting one gender shall include all genders.

Article One: Obligations and Recognition

1.01 Bargaining Unit: The Producers recognize the Council as the sole bargaining agent for all persons or loan-out corporations employed or engaged under this Master Agreement in the classifications listed in the attached Appendices "A," "B," and "C," all of whom are called "Employees" with respect to productions within the exclusive jurisdiction of the Council and as to other productions which an Employer (as defined in Article 1.02 below) elects to produce under this Master Agreement.

1.02 Adherence to Master Agreement: Any person or corporation now or hereafter engaged in the business of producing motion pictures in British Columbia shall be afforded the

opportunity of becoming a party to this Master Agreement. This Master Agreement does not bind the Producers; a Producer is not an "Employer." However, any person or corporation that desires to become a party to this Agreement will provide the Council with an executed Letter of Adherence, which is a statement of agreement to be bound to the terms and conditions of this Master Agreement for a specific production or for a definite period of time within the Term of this Master Agreement (which may include the entire Term of this Master Agreement) along with an acknowledgement of the Council's Prior Obligations set forth in the written notice described in Article 1.03 below. Any person or corporation that provides the Council with an executed Letter of Adherence is hereinafter referred to as the "Employer" for the specific production or period of time covered thereby (which may include the entire Term of this Master Agreement). When reasonable grounds exist to believe that a prospective Employer will be unable to meet its financial obligations under the Master Agreement, the Council may refuse to permit that prospective Employer to adhere to the Master Agreement.

- 1.03 Prior Obligations:** This Master Agreement shall not be construed to interfere with any obligation the Council's member Unions owe their respective national and international organizations by reason of prior obligation or collective agreement, provided that the foregoing shall in no event be construed or applied as to contravene any applicable Federal or Provincial Law, and provided that the Employer has been given express written notice of any such prior obligation before the execution of a Letter of Adherence.
- 1.04 Exclusive Jurisdiction and Scope:** The conditions of work and the rates of pay provided herein shall apply only to Employees and Employers engaged in the production of one (1) hour episodic television series, including one (1) hour pilots, for prime-time exhibition on the ABC, CBS and NBC television networks, and High-Budget-Feature Motion Pictures for initial exhibition as theatrical motion pictures. For purposes of this Master Agreement, "High-Budget-Feature Motion Pictures" are motion pictures that have budgets for Council-represented-Employee-Labour costs exceeding \$4,000,000.00. (Negotiating parties reserve their rights to amend or modify this Article if the Actors or Directors Guild are added to the Council.)
- 1.05 Non-Exclusive Jurisdiction and Scope:** Motion pictures not specifically identified in Article 1.04 above are within the jurisdiction of the Council and Scope of this agreement only if an Employer, with the consent of the Council, elects to produce such a motion picture under the terms of this Master Agreement.

The parties shall adhere to the following election and consent procedure:

- (a) An Employer which desires to produce a motion picture within the non-exclusive jurisdiction of this Agreement shall advise the Council of its willingness to execute a Letter of Adherence for the motion picture and shall identify the terms and conditions (i.e., section of the Master Agreement, Supplemental Master Agreement or Sideletter re Productions Made for New Media that sets out rates and fringes) that it asserts apply to the motion picture.

- (b) No later than the close of business on the second business day after the Employer so advises the Council, the Council shall advise the Employer in writing that:
 - (i) it consents to allow the motion picture to be produced under the terms asserted by the Employer, in which case the Employer shall execute a Letter of Adherence accordingly; or
 - (ii) it does not consent, in which case the Council shall identify the grounds for its refusal to consent, including whether it disputes the Employer's position as to the terms and conditions applicable to the motion picture and, in such case, which terms and conditions it says apply.

It is understood that the Council may not condition its consent on the Employer's agreement to extracontractual terms or conditions.

- (c) Should the Council respond that it does not consent, and the only ground for withholding consent is that it disagrees with the Employer's position as to the terms and conditions applicable to the motion picture, then, no later than the close of business on the third business day after the Employer advised the Council of its willingness to execute a Letter of Adherence, the Employer may submit the matter to expedited arbitration by delivering to the Council a written demand for expedited arbitration, which shall set forth the basis of the dispute, the material facts and the position of the Employer.

Upon delivering a written demand for arbitration, the Employer shall separately contact each of the five individuals on the panel of Arbitrators designated in subparagraph (e) requesting that they respond within forty-eight (48) hours to advise of their earliest available date and time for a hearing. If the individuals are contacted in writing, the Council shall be copied on the written communication. If the individuals are contacted by telephone, the Employer shall request that the individuals respond via e-mail with a copy to the Council. Based upon the responses received within the forty-eight (48) hour period, the individual on the panel with the earliest availability shall serve as the Arbitrator for the matter. No later than the close of business on the day that the forty-eight (48) hour period expires, the Employer shall advise the Council which member of the panel had the earliest availability and will serve as the Arbitrator for the matter.

As soon as practicable after the Arbitrator has been determined, the Employer shall provide to the Arbitrator a copy of its written demand for expedited arbitration, and the Council shall provide to the Arbitrator its written position as to the terms and conditions applicable to the motion picture.

- (d) Should the Council fail to respond by the close of business on the second business day referred to in subparagraph (b) above, the Council shall be deemed not to have consented on the sole basis that it disputes the terms and conditions that the Employer asserts apply to the motion picture, and may not later raise any other

basis for withholding consent. In that event, the Employer may notify the Council in writing, no later than the close of business on the fourth business day after the Employer advised the Council of its willingness to execute a Letter of Adherence, that it intends to petition a member of the arbitration panel described in subparagraph (e) below for an expedited hearing to obtain a declaration confirming that the terms and conditions asserted by the Employer apply to the motion picture. The Employer shall include a copy of the petition in its written notice to the Council.

No later than the close of business on the next business day after the Employer notifies the Council of its petition, the Council shall provide the Employer with its position, in writing, as to the terms and conditions applicable to the motion picture. If the Council agrees with the Employer's position as to the terms and conditions applicable to the motion picture, the matter shall not proceed to a hearing, the Council shall immediately consent to allow the motion picture to be produced on such terms and conditions and the Employer shall execute a Letter of Adherence accordingly. Otherwise, a hearing shall be conducted as set forth below.

Upon receipt of the Council's written position indicating that it does not agree with the Employer as to the terms and conditions applicable to the motion picture, or if the Council fails to provide a written position within the time frame described in the preceding sentence, the Employer shall separately contact each of the five individuals on the panel of Arbitrators designated in subparagraph (e) below requesting that they respond within forty-eight (48) hours to advise of their earliest available date and time for a hearing. If the individuals are contacted in writing, the Council shall be copied on the written communication. If the individuals are contacted by telephone, the Employer shall request that the individuals respond via e-mail with a copy to the Council. Based upon the responses received within the forty-eight (48) hour period, the individual on the panel with the earliest availability shall serve as the Arbitrator for the matter. No later than the close of business on the day that the forty-eight (48) hour period expires, the Employer shall advise the Council which member of the panel had the earliest availability and will serve as the Arbitrator for the matter.

As soon as practicable after the identity of the Arbitrator has been determined, the Employer shall provide to the Arbitrator a copy of its petition, and the Council shall provide to the Arbitrator its written position as to the terms and conditions applicable to the motion picture.

- (e) With respect to the processes described under subparagraphs (c) and (d) above:

The parties designate a panel of five individuals who may serve as the Arbitrator: Jacquie de Aguayo, Allison Matacheskie, Julie Nichols, Randy Noonan and Robert Pekeles. Within thirty (30) days of the AMPTP and CMPA-BC's receipt of notice of ratification, the AMPTP, CMPA-BC and Council shall jointly contact

the five individuals to advise them of their appointment to the panel and to communicate the parties' desire that any hearing under this Article 1.05 be convened within fourteen (14) calendar days of the date that an Employer contacts the individuals to request their availability.

The Employer and Council shall make themselves available for a hearing at the Arbitrator's earliest available date and time. In the interest of obtaining an expedited determination of the matter, the hearing may be convened in the evening or on a Saturday, Sunday or holiday, with the objective of completing the hearing within twenty-four (24) hours if at all possible. The Arbitrator shall not have authority to delay the arbitration hearing absent mutual agreement of the parties.

No stenographic record or transcript shall be made of the hearing. No briefs shall be submitted. However, the Arbitrator shall reserve an equal amount of time for each party to provide a final argument before the hearing concludes.

The Arbitrator's authority shall be limited to deciding whether, consistent with the language of the Master Agreement, Supplemental Master Agreement or Sideletter re: Productions Made for New Media, the terms and conditions proposed by the Employer should apply to the project or whether the terms and conditions proposed by the Council should apply. The Arbitrator shall present a written decision and award, unless the parties to the arbitration mutually agree that a written decision is not necessary. In view of the need for an expeditious determination, the Arbitrator shall issue an award within twenty-four (24) hours after the close of the hearing. The Arbitrator may elect to issue a decision separate from the award. If the Arbitrator does so elect, the decision shall be issued no later than the close of business on the second business day following issuance of the award. The decision and award shall be final and binding on the parties and shall be fully enforceable in a court of competent jurisdiction but shall not be prejudicial to or serve as a precedent for any other dispute.

The Arbitrator's fees and disbursements shall be borne equally by the parties. Expenses of witnesses shall be borne by the party who calls them.

- (f) Once the Arbitrator has issued a decision providing that the terms and conditions asserted by the Employer apply, or once the Council has consented to allow the motion picture to be produced under the terms asserted by the Employer (e.g., as described under subparagraph (b)(i) or the second paragraph of (d) above), the Council may not later revoke its consent or dispute the terms and conditions applicable to the motion picture. However, the Council shall not be precluded from later submitting a dispute regarding the terms and conditions applicable to the motion picture to expedited arbitration pursuant to the procedures in Article 11.05 of the Master Agreement should the budget or length of the motion picture or the platform for which the motion picture is made change and one or more of those change(s) results in the application of terms and conditions under the Master

Agreement, Supplemental Master Agreement or the Sideletter re: Productions Made for New Media that are different from those determined to be applicable by the Arbitrator or those consented to by the Council.

- (g) At any point in time prior to the start of the expedited arbitration hearing, the Employer retains the right to inform the Council that it no longer intends to execute a Letter of Adherence.
- (h) An Employer which does not make a timely written demand for expedited arbitration under this Article 1.05 pursuant to subparagraph (c) or (d) above may nevertheless submit a dispute regarding the terms and conditions applicable to a motion picture within the non-exclusive jurisdiction of this Agreement to expedited arbitration pursuant to the procedures in Article 11.05 of the Master Agreement.
- (i) In the event that a dispute regarding the terms and conditions applicable to a motion picture within the non-exclusive jurisdiction of this Agreement has not been resolved prior to the time that the first individual engaged under the BCCFU Agreement performs services for the Employer for the motion picture, the Council shall nevertheless authorize Employees to work on the motion picture under the terms and conditions asserted by the Employer pending resolution of the dispute, either by the parties or through the expedited arbitration procedure set forth in this Article 1.05 or in Article 11.05 of the Master Agreement. Should the dispute be resolved in favor of the Council's position, the Employer shall pay Employees any additional compensation necessary to meet the minimum compensation requirements applicable under the terms and conditions asserted by the Council.

1.06 Excludes *Labour Relations Code* Section 50(2) and Section 50(3): Pursuant to *Labour Relations Code* Section 50(4), the operation of *Labour Relations Code* Section 50(2) and Section 50(3) shall be excluded from this Master Agreement and shall not apply to this Master Agreement.

1.07 Minimum Rates:

- (a) The Minimum Rates enumerated in the Appendices to this Master Agreement are basic minimum scales and nothing in this Master Agreement shall prevent an Employer from paying the Employees a rate higher than these Minimum Rates, but no Employer will be obligated to pay more than the Minimum Rates without bargaining with an individual Employee for a higher rate and reaching an agreement to pay that Employee a higher rate.
- (b) When a pilot or long-form television motion picture commences principal photography prior to the expiry date of a Master Agreement and continues in production through and after the effective date of the successor Master Agreement, the Minimum Rates applicable prior to the expiry of the Master Agreement shall apply during the entire production of the pilot or long-form television motion picture.

- 1.08 Employer's Exclusive Rights:** The Council recognizes that the Employer reserves all rights of management except where expressly limited by this Master Agreement.
- 1.09 Employer Rules and Regulations:** The Employer's reserved rights of management include the right to establish, and thereafter amend rules, provided that such rules are not inconsistent with the provisions of this Agreement. Any written rules established by the Employer shall be posted by the Employer at the work site and a copy of the rules is to be forwarded to the Council.
- 1.10 Good Standing:** The Employer agrees to employ only members in good standing with the appropriate Council-member Union. An Employee's failure to show good standing with the appropriate Council-member Union shall be sufficient just and reasonable cause for discharge. If any Employee fails to show good standing, then the Union will provide written notice of such failure to such Employee's Employer. The written notice will state the reason why the Employee is not a member in good standing as required pursuant to this Article, and that the Employee has been notified of such failure in writing. If the Employee fails to remedy the Employee's lack of good standing with the Union within three (3) days after the Employer receives such notice, the Employer shall discharge the Employee so long as such discharge is lawful. The Employer shall not be in default unless it fails to act, if necessary, within said time after receipt of such notice.
- For the purposes of this Agreement, "good standing" means:
- (a) the Employee is not in arrears of dues uniformly required by the Council-member Union and the Employee has executed an assignment of wages pursuant to Article 9.06 of this Master Agreement, and has not revoked such assignment; or
 - (b) The Employee has a duly signed and sealed Union Work Permit.
- 1.11 Council Representatives:** Where possible, advance notice will be given to the Employer so an authorized representative of the Council shall be permitted to visit any production location or site during the hours when Employees are working, provided work is not disrupted and the representative complies with the reasonable and generally applied visitor and security rules established by the Employer.
- 1.12 No Strike; No Lockout:** The Council agrees that, during the term of this Master Agreement, there shall be no strike, work stoppages or disruptive activity by the Council, a Council-member Union or by an Employee, and the Employer agrees that there shall be no lockout of Employees. It shall not be a violation of this Agreement and it shall not be cause for dismissal or disciplinary action in the event an Employee refuses to go through or work behind any picket line related to a labour dispute, including such a picket line at the Employer's place of business, unless such picket line is deemed unlawful.

- 1.13 Currency:** All references to "dollars" or money rates of any kind in this Master Agreement, including its Appendices, are in Canadian Dollars except as expressly provided otherwise hereunder.
- 1.14 Applicable Law:** This Master Agreement is made and entered into in the Province of British Columbia and in all respects the laws of British Columbia and/or the laws of competent jurisdiction shall apply.
- 1.15 Severability:** In the event a portion of this Master Agreement is found illegal by a tribunal of competent jurisdiction, the Parties agree that the balance of this Master Agreement shall remain in effect. Should any aspect be reversed in law, the issue will be the subject of good-faith negotiations initiated by the Consultation Committee described in Article 1.17.
- 1.16 Enabling Procedure:** The Council will review each Employer's or prospective Employer's individual request to amend or modify this Master Agreement for a specific production. Within twenty-four (24) hours of receipt of the request, a representative of the Council may request a telephonic meeting with a representative of the party making such request. The representative of the Council and the representative of the party making such request must have authority to conclude an agreement which binds their respective principals to the modifications of this Master Agreement. The Council shall respond to a request for modification within three business days of receipt of the request, unless the party making such request agrees to extend the three business day deadline. Failure to respond to such a request within the said time limits or extensions thereof shall be deemed to be an acceptance of the proposed modification. A copy of any Letter of Understanding will be provided to the Employer, a designated representative thereof and the Canadian Media Producers Association - BC Producers Branch ("CMPA-BC").
- 1.17 Consultation Committee:** A consultation committee shall be established if a party makes a written request for one after the notice to commence collective bargaining is given or after the collective bargaining begins. Such consultation committee will meet annually during the term of this Master Agreement about issues relating to the workplace that affect the Parties, any Employer or any Employee.
- 1.18 Technological Change:**
- (a) **Definition of Technological Change:** As used herein, the term "technological change" means the introduction of any new or modified devices or equipment for the purpose of performing any work by Employees covered by this Master Agreement, which directly results in a change in the number of Employees employed under this Master Agreement or which results, with respect to the performance of work in any classification hereunder, in materially changing the job description thereof or in requiring substantially different training, qualification or skills therefor.

- (b) Notice of Technological Change:
 - (i) When an Employer specifically intends to implement a technological change, it shall give written notice thereof to the Council as soon as possible, but not less than thirty (30) days prior to instituting such change.
 - (ii) If the Council believes a technological change has occurred, it shall provide written notice thereof to all Employers as soon as possible, but not more than thirty (30) days after the Council or any Council-member Union knew or should have known of such technological change.
- (c) Technological Change Adjustment - Consultation Committee: After notice has been given, the Employers and the Council shall meet pursuant to Article 1.17 and, in good faith, endeavour to develop a technological change adjustment plan, which may include provisions respecting any of the following:
 - (i) Human resource planning and Employee counselling and retraining;
 - (ii) Termination of a classification and creation of a new classification with appropriate scale minimum wage;
 - (iii) Notice of termination and severance pay for those Employees displaced by the technological change during the course of a production;
 - (iv) A bipartite process for overseeing the implementation of the adjustment plan.
- (d) Amendment to the Master Agreement: If, after meeting in accordance with subparagraph (c) of this Article 1.18, the parties have agreed to a technological change adjustment plan, it is enforceable as if it were part of the Master Agreement, and the Master Agreement shall be amended accordingly.

1.19 Subcontracting: The Employer will not subcontract bargaining unit work which customarily and historically has been performed by Employees covered by this Master Agreement unless the affected Council-member Union consents thereto; or the Employer lacks the requisite equipment, technology, facilities or personnel to perform the work; or the work of the type being subcontracted has heretofore been subcontracted by a producer engaged in the motion picture and television industry in British Columbia. When practicable, the Employer shall deliver a minimum of one week's advance notice to the Council of its intention to subcontract.

1.20 Discrimination: The Employer agrees it shall not discriminate against or engage in any harassment of any applicant for employment or Employee for reasons based on race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, age,

union membership or activity, or on any other basis prohibited by applicable federal, provincial or territorial law.

- 1.21 Residency:** Employees must provide Canadian and Provincial residency information sufficient to ensure that the production company is eligible to receive the federal and provincial incentives, including tax credits, on or before the date the Employee's first time card is submitted to the accounting department. This information will be held in accordance with the *Personal Information Protection Act*.

Each Employer shall provide the Union with its particular residency documentation requirements, and shall notify the Union in the event of any changes to those requirements.

At the commencement of production, the Employer will notify Employees of its particular residency documentation requirements.

The residency documentation required by the Employer may include, but is not limited to, the following documents which the Canada Revenue Agency (CRA) considers to be evidence of significant ties to Canada, as per the most recent version of the CRA publication RC642 *Film and Media Tax Credits*. As of September 17, 2018, the publication lists the following:

- (a) The CRA requires a copy of any **one** of the following documents to support residency status:
 - (i) Notice of Assessment (T1) showing that the individual is a resident of Canada/province for the relevant tax year.
 - (ii) Letter from the CRA giving an opinion of the individual's residency status in Canada for the relevant year(s) after completing form NR74 *Determination of Residency Status (Entering Canada)* or NR73 *Determination of Residency Status (Leaving Canada)*.
 - (iii) Long-term (one year or more) lease or purchase of a Canadian dwelling with utility and/or cell phone bills showing the individual is living at that Canadian address.
- (b) If none of the options listed in (a) above is available, the CRA requires a copy of **three** of the following documents to support residency status:
 - (i) Copy of the last income tax return filed in the country of origin and/or any document filed with the foreign tax authority in which the individual has declared that they are no longer a resident.
 - (ii) Short-term (less than a year) lease agreement or letter from a landlord supporting a rental agreement.
 - (iii) Provincial/territorial health or services card for the individual, their spouse and/or dependent.
 - (iv) Driver's license or vehicle registration from the relevant province/territory*.
 - (v) Professional association or union membership in Canada.
 - (vi) Statements of accounts (for example: bank accounts, retirement savings

plan, credit cards, securities accounts) from a Canadian branch of a financial institution.

- * A provincial or territorial services card that includes health care and a driver's license will count as two documents.

Employees employed through a loan-out corporation may also be asked to provide to the Employer the loan-out corporation's most recent Notice of Assessment and the most recent Schedule 50 indicating whether the loan-out corporation has single or multiple shareholders. Newly-formed loan-out corporations that have not yet filed tax returns may be asked to provide a Shareholder Register.

The Employer may require any additional or alternative documents approved or required by any relevant taxing authority to determine tax credit eligibility without any need for further negotiation.

Should the Employer inform an Employee and the applicable Council-member Union that the Employee has failed to furnish appropriate residency documentation consistent with the requirements of this Article 1.21, the Employee shall have two (2) business days within which to provide the required documentation to the Employer. Should the Employee fail to do so within that time period, the Employer may replace that Employee or refuse referral of that Employee. The Employer shall notify the applicable Council-member Union of such failure and the Council-member Union shall not dispatch or refer that Employee for any employment under this Agreement with that Employer, or any other Employer, until the Employee has supplied the required residency documentation to the Employer and the Council-member Union.

- 1.22 Union Representation:** Upon request of an Employee, the Employer shall allow a Union representative to be present at any investigatory meeting between the Employee and a representative of the Employer which may lead to the discipline of the Employee. The foregoing shall not apply if the purpose of the meeting is to advise the Employee of any disciplinary action determined prior to the meeting. The Union representative shall not obstruct the investigatory process.

Article Two: Jurisdiction

- 2.01 Territorial Jurisdiction:** The provisions of this Master Agreement shall apply to the Province of British Columbia and, to the extent permitted by law, any Employee hired in British Columbia that the Employer elects to transport outside the Province.
- 2.02 Jurisdictional Disputes:** The Council agrees to co-operate in good faith with the Employer and other unions and guilds in the motion picture industry in resolving jurisdictional disputes. There shall be no work stoppages arising from jurisdictional disputes.

2.03 Terms Applicable to Low Budget Feature Films In Exclusive Jurisdiction

Subject to Article 1.04, for low budget theatrical motion pictures with Budget levels described below, the scale minimum wage rates applicable to Features in Appendices “A,” “B” and “C” of the Master Agreement and Fringe rates in Article 8.02 will be reduced as follows:

- Budgets of more than \$16,000,000 CAD up to \$22,500,000 CAD: five percent (5%) reduction in the wage rate, and a fringe rate of seventeen and one-half percent (17.50%) effective March 30, 2025 for Locals 891 and 669 and eighteen percent (18.00%) effective March 30, 2025 for Local No. 155 plus \$12 per day supplemental contribution to be made to the health plans of each of the three unions.
- Budgets of more than \$9,250,000 CAD up to \$16,000,000 CAD: rates ten percent (10%) less than Feature rates and a fringe rate of sixteen and one-half percent (16.50%) effective March 30, 2025 for Locals 891 and 669 and seventeen percent (17.00%) effective March 30, 2025 for Local No. 155 plus \$12 per day supplemental contribution to be made to the health plans of each of the three unions.
- Budgets of \$9,250,000 CAD and below: rates eighteen percent (18%) less than Feature rates and a fringe rate of sixteen and one-half percent (16.50%) effective March 30, 2025 for Locals 891 and 669 and seventeen percent (17.00%) effective March 30, 2025 for Local No. 155 plus \$12 per day supplemental contribution to be made to the health plans of each of the three unions.

The Council also gets a right to audit on these productions, provided the Council notifies the Employer in writing of the Council’s intent to audit within six (6) months following the completion of all photography. Any production that exceeds the money break has to adjust wages retroactively to the next tier. In the event the Council exercises its right to conduct an audit and it is determined that the Production exceeded the money break, the Employer shall pay the Council’s reasonable audit costs.

“Budget” means the total budget for a project and shall include offsets for tax credit and production incentives but does not include a contingency up to ten percent (10%) of the Budget, costs of financing and bonds.

Article Three: Work Permits

3.01 Work Permit Application:

- (a) The Individual/Employer must apply for a Work Permit in the applicable form attached to this agreement and the individual shall not commence work in British Columbia until the Employer has a copy of the Work Permit signed by the individual and endorsed by the applicable Council-member Union. See pages 121 to 127 for attached forms.

- (b) The properly filled out Council Union Work Permit Application, signed by the applicant, must be accompanied by the following information prior to the Council's consideration of such a request:
 - 1. The reasons for the necessity of that individual being permitted.
 - 2. A list of credits/credentials/professional awards and achievements and/or a professional resume of the requested permittee.
 - 3. Proof of the requested permittee's union affiliation and standing if applicable.
- (c) All permit requests for Individuals who are not members of the Council-member Union must be submitted with at least five (5) working days' notice prior to the call. If there is no response to an application within five working days from the date of submission, the application will be deemed granted.
- (d) Work permits granted under Article 3.03 are in addition to and separate from permits granted under Article 3.02 and Article 3.04. Furthermore, all work permits granted under Article 3.02, Article 3.03 and Article 3.04 will not result in the hiring of a counterpart position under Article 3.05.
- (e) The Employer hiring any person not represented by the Council for any job classification described in the appendices to this agreement shall secure a Work Permit from the appropriate Council-member Union and if necessary, secure clearance from the Employment and Social Development Canada (ESDC) in cooperation with the appropriate Council-member Union.
- (f) The rates, conditions, and/or terms of this Master Agreement must be fully met, except when another collective agreement applies which does not diminish the terms of this Agreement.

3.02 Guaranteed Permits: For a feature motion picture as defined in Article 1.04 of this Agreement, the Employer will be allowed an aggregate of six (6) permits, with a limit of one (1) per department.

For television productions (including pilots), the Employer will be allowed an aggregate of two (2) permits, with a limit of one (1) per Council-member Union.

Notwithstanding the foregoing, this language is not intended to alter the practice of granting work permits to non-Council represented Employees on all feature and television productions covered by this Agreement as outlined herein.

3.03 Qualified Permits:

After the Employer has given reasonable consideration (including the granting of an interview if requested by a Council-member Union) to available qualified applicants, the Council will grant to the Employer work permits for persons who satisfy the following criteria:

- (a) Persons who hold two (2) screen credits on dramatic productions (including situation comedy) that have employed the proposed Director, Producer, or Director of Photography; or
- (b) Persons who:
 - (i) hold three (3) screen credits in the position for which the persons will be employed; or
 - (ii) have personally received at least one (1) nomination for an internationally recognized industry award (*e.g.*, Academy Award, Emmy Award, Golden Globe, Genie, Gemini, Canadian Screen Award, British Academy Award); or
- (c) Persons who will operate specialty equipment not available in British Columbia; or
- (d) Persons for whose position the Council-member Union is unable to supply qualified personnel.

Unless mutually agreed to, permits issued under Article 3.03(a) and (b) above will be limited to one (1) per Department, provided, however, Council-member Unions will not unreasonably deny granting additional work permits consistent with past practices.

3.04 Personal Services Employees: Permits will be granted for a personal Make-Up Artist, personal Hair Stylist, and/or personal Dresser, for an individual Cast member, and that Cast member's Stunt and/or Photo Double. If the permitted Employee is unavailable to implement these duties then an IATSE 891 member will be assigned as needed.

3.05 Counterpart Job Classifications: If the Employer chooses to hire an individual who is not a member of a Council-member Union and does not qualify for a work permit as set out in this Agreement, the Employer must hire a counterpart position. This counterpart position shall be filled at the discretion of the applicable department in concert with the Council-member Union. In the situation where a permit being granted is contingent on a counterpart position being hired from the Council-member Union, the member must be employed for at least the same work hours.

3.06 Distant Location Local-Hire Work Permits: Prior to hiring local Employees on distant location who are not represented by a Council-member Union, the Employer shall advise the applicable Council-member Union that it is seeking to hire Employees on distant

location. Within three (3) business days of such notification by the Employer, the Council-member Union shall provide the Employer in writing with the names of Council represented Employees who either:

- (a) reside within a thirty (30) minute by automobile radius of the headquarters established by the Employer while on distant location and who are available to work on such job assignment upon the commencement of the job assignment; or
- (b) reside outside such thirty (30) minute radius, but who are willing to work as local hires on such job assignment upon the commencement of the job assignment.

Such Council represented Employees who are qualified for the job assignment in question shall be given such assignment. If the Council-member Union fails to supply the necessary number of qualified Council represented Employees to the Employer for the job assignment in question, the Employer may hire persons for the job assignment who are not represented by a Council-member Union. The Council-member Union will grant work permits to such Employees.

- 3.07 Union Roster Permittees:** In the event that there may be only one qualified member available from within a specific department, then that department — in concert with the Council-member Union, taking into account the general local membership, members of sister locals and experienced roster personnel approved by the department in question — will endeavour to provide additional candidates with screen credits at least equal to that of the available member.
- 3.08 Revocation of Work Permit:** If, following the issuance of a Union driven Work Permit, a member of the applicable Council-member Union who is capable in the Union's opinion, of performing the work required becomes available, the Union may revoke the work permit. The Employer agrees to discharge any Employee, except Heads of Departments, First Assistants, and Second Assistants, whose work permit has been revoked and shall hire the Union member who is available. This does not apply to guaranteed work permits as outlined in 3.02, 3.03 and/or 3.04.
- 3.09 Continuity of Work Permit:** For permits granted under Articles 3.02, 3.03, 3.04 or 3.05, a hiatus of thirty (30) or fewer days during a production's schedule will not terminate the engagement of the Employee, and the Employee's Work Permit shall continue to be in effect following such hiatus.

Article Four: Hours Worked and Cancellations

- 4.01 Minimum Daily Call:** The minimum daily call — unless otherwise provided below and in the "Exceptions to Minimum Calls" Articles set forth in the Appendices to this Agreement — will be eight hours. There shall be no split shifts. An Employee may be called to work for not less than four (4) hours' pay at the Employee's straight time contracted hourly rate, or in the case of flat-rate Employees, for not less than one-half (½)

the flat-rate Employee's prorated salary for one-half day, for the following:

- (a) production meetings;
- (b) sign writing;
- (c) screening of rushes;
- (d) screen tests;
- (e) pre-light and pre-rig;
- (f) pick-up shots, inserts and re-shoots where work is to be performed by a bona fide second unit;
- (g) location scouting;
- (h) greens pre-placement for locations with restricted access and greens maintenance;
- (i) script supervisors performing script revision breakdowns; and
- (j) Employer-provided training on a day when the Employee is not also working.

If an Employee on a four (4) hour call as identified herein works more than four (4) hours with the approval of the authorized representative of the Employer, the call shall be an eight (8) hour minimum call.

4.02 Minimum Work Week:

- (a) Each individual Employee may have a different and distinct work week. The Employee's work week begins on the first day worked, unless the fractional work week is utilized in order to match the Employee's schedule with the work unit's work week. A "work unit" means a first unit, second unit, splinter unit, or any identifiable group of Employees working together within the Employer's productions.
- (b) The regular work week shall consist of any five (5) consecutive days out of any seven (7) consecutive days starting on the first of such five (5) days. The sixth and seventh days shall normally be the days off.
- (c) The Employer shall not lay off and rehire the same Employee within the same work week for the sole purpose of avoiding premium pay.
- (d) No Employee shall be entitled to bump another Employee in order to receive premium pay.
- (e) Once every six (6) shooting weeks, and in the case of episodic television, once between hiatus periods (*i.e.*, between the commencement or resumption of production and a cessation of principal photography for the series for at least one week), or more frequently when agreed by the Employer and Union, the Employer may shift the work week without penalty by doing the following:
 - (i) shift the work week forward by adding one (1) or two (2) additional days off from the regular work week and begin the shifted work week on the following day, and

- (ii) shift the work week back:
 - (A) by one (1) day, by changing the seventh day of the regular work week to the first day of the shifted work week, provided that the sixth day of the regular work week is a day off and provided that the thirty-four (34) hour rest period applies;
 - (B) by one (1) day, by making the preceding work week a prorated four (4) day work week, giving the fifth and sixth days off, and making the seventh day the first day of the shifted work week, provided that the fifty (50) hour rest period applies;
 - (C) by two (2) days, by making the preceding work week a prorated three (3) day work week, giving the fourth and fifth days off, and making the sixth day the first day of the shifted work week, provided that the fifty (50) hour rest period applies; or
 - (D) by two (2) days, by making the preceding work week a prorated four (4) day work week, giving the fifth day off, and making the sixth day the first day of the shifted work week, provided that the thirty-four (34) hour rest period applies.
- (iii) The Council and the affected Employees shall be given seven (7) calendar days' notice of such work week shift.
- (iv) The Council agrees that it will not unreasonably withhold enabling of a waiver request of the seven (7) day notice requirement of Article 4.02(e)(iii) when such circumstance giving rise to such request is beyond the reasonable control of the Employer and occurs within the seven (7) day notification period.
- (v) The regular work week during pre-production may be different from the regular work week during principal photography of a motion picture (or a season, in the case of a series), and the regular work week during principal photography may be different from the regular work week during wrap of a motion picture (or a season, in the case of a series) following the completion of principal photography.

The change in the regular work week between pre-production and the commencement of principal photography of the motion picture (or the season, in the case of a series), and the change in the regular work week between the conclusion of principal photography of the motion picture (or the season, in the case of a series) and the commencement of wrap, as applicable, shall not be considered a shift. However, it is agreed and understood that there shall be a minimum of one (1) day off between

pre-production and the commencement of principal photography and between the conclusion of principal photography and the commencement of wrap, as applicable. If work is performed on that day, the rate of pay shall be that of a seventh day of work.

- 4.03 Work Performed on the Sixth Day Worked in the Work Week as Defined in 4.02(a) and 4.02(b):** The minimum hourly rate for work performed on an Employee's sixth day worked for the Employer (local and distant locations) shall be one and one-half (1.5) times the Employee's straight time contracted hourly rate for the first eight (8) hours. Work performed after eight (8) hours worked shall be paid at the rate of two (2) times the Employee's straight time contracted hourly rate up to and including the twelfth hour. Work performed after twelve (12) hours worked shall be paid at the rate of three (3) times the Employee's straight time contracted hourly rate.
- 4.04 Work Performed on the Seventh Day Worked in the Work Week as Defined in 4.02(a) and 4.02(b):** The minimum hourly rate for work performed on an Employee's seventh day worked for the Employer shall be two (2) times the Employee's straight time contracted hourly rate for the first eight (8) hours. Work performed after eight (8) hours worked shall be paid at the rate of three (3) times the Employee's straight time contracted hourly rate.
- 4.05 Calculation of Time:** A work day starting on one calendar day and running into the next calendar day shall be credited to the first calendar day. For the purposes of computing pay for all hours, time shall be calculated in one-tenth (.1) hour increments so that an Employee shall be paid for a one-tenth (.1) hour period if the Employee works any portion of a one-tenth (.1) hour period.
- 4.06 Overtime:** Except as provided above in Articles 4.03 and 4.04, hours worked in excess of eight (8) hours in days one through five (1-5) of an Employee's work week shall be calculated as follows:
- (a) Eight to Twelve Hours: Pay for hours worked after eight (8) hours worked shall be paid at the rate of one and one-half (1.5) times the Employee's straight time contracted hourly rate up to and including the twelfth hour.
 - (b) Thirteen to Fifteen Hours: Pay for hours worked after twelve (12) hours worked shall be paid at the rate of two (2) times the Employee's straight time contracted hourly rate up to and including the fifteenth hour.
 - (c) Time in Excess of Fifteen Hours: Pay for hours worked after the fifteenth hour worked shall be paid at the rate of three (3) times the Employee's straight time contracted hourly rate.
- 4.07 Fractional Work Week:** The Employer shall pay a weekly Employee whose assignment starts on other than the first day of the work week established for that Employee or ends on other than the last day of the work week established for that Employee one-fifth (1/5) of the Employee's weekly wages for each day worked during the fractional work week,

provided that during the preceding or following work week of the Employee's assignment the Employee is provided a full work week. The foregoing is intended to apply to both the start and finish of production, any production hiatus, and the individual crew member coming on or off a production. An Employer may, at its discretion, reduce by one-fifth (1/5) the weekly guarantee for each day an Employee is absent.

4.08 Over-Scale Employees: The Employer and the Employee may, by individual negotiations at the time of the Employee's employment, agree that the portion of the Employee's pay which is in excess of the minimum scale rate for such Employee, may be applied to any of the overtime payments, meal penalties, and premium pay for turn-around encroachment. Calculation of all such payments, meal penalties and premium pay for turnaround encroachment must be recorded in the Employee's weekly timesheets.

4.09 Force Majeure: The Employer may declare a Force Majeure, cancelling work calls, laying off Employees during a work day, or otherwise suspending production without prospective obligations to Employees, as the result of an inability to provide work because of an unforeseen circumstance beyond its reasonable control. Force Majeure includes, but is not limited to: riot, war, fire, earthquake, hurricane, flood, injury, illness, labour dispute, strike, or the failure or inability of a key cast member to perform or the director to undertake the director's duties, or governmental regulation or order in a national emergency. In such unforeseen circumstance, the Employer shall furnish a statement in writing to the Council within twenty-four (24) hours, or as soon thereafter as practicable, as to the reason for the Force Majeure. Employees will be paid at least for the minimum call should the Force Majeure occur during working hours.

4.10 Cancellation of Call and Weather-Permitting Call:

(a) The Employer may cancel an Employee's call up to the start of turnaround in effect prior to the starting time of the call and shall not be required to pay the Employee for such cancelled call. Between the turnaround in effect and eight (8) hours' notice of cancellation prior to the starting time of the call, a minimum of four (4) hours shall be paid to the Employee at the day's prevailing rate. If the notice of cancellation is less than eight (8) hours, the Employee shall be paid for eight (8) hours at the day's prevailing rate.

(b) Notwithstanding the above, the Employer may issue a "weather-permitting" call for extreme heat, extreme cold, snow, sleet or ice storms to an Employee prior to the Employee's dismissal for the day and for persons not on payroll up to twelve (12) hours prior to their call time (even if a call had previously been given). The Employer shall provide notice to the Council upon the issuance of a "weather-permitting" call. The Employer may cancel a "weather-permitting" call up to four (4) hours prior to the Employee's call time. In the event the Employee is notified not to report to work, the Employee shall be paid four (4) hours of pay at straight time if employed by the day or one-tenth (1/10) of the weekly rate if employed by the week, which shall be subject to fringe contributions. With respect to that portion of contributions to the health plans that is calculated on a "per day" basis,

the Employer shall contribute one-third (1/3) of the “per day” rate. However, if the notification is less than four (4) hours prior to the Employee’s call time, the Employee shall be paid for an eight (8) hour minimum call, which shall be subject to fringe contributions.

The foregoing is in addition to the Employer’s rights under Article 4.10(a) above.

The Council agrees that it will not unreasonably deny a request by the Employer to issue a “weather-permitting” call under this Article 4.10(b) for other weather conditions.

4.11 Change of Call: Any Employer may postpone an Employee's call with a minimum notification of the number of hours of daily turnaround in effect.

4.12 Stand-By Calls: There shall be no stand-by calls. Hiatus, Holidays or days that would otherwise constitute the sixth or seventh day worked in the Employee's work week are not considered regular days of work. When an Employee is dismissed on the fifth day worked in the work week with a call for work on the first day of the following work week, it shall not be considered a relay or stand-by call. The above also applies to calls spanning a Hiatus or Holiday.

4.13 Hiatus: In the event of a hiatus (a break or gap in a continuing production or series of productions without compensation), which exceeds thirty (30) days, Employees shall be free to seek employment on other productions and each party shall be deemed to have provided sufficient notice to the other of the termination of employment.

4.14 Occupational First Aid Certificate Holders: The Laws of British Columbia require an "Attendant" that holds a valid First Aid Certificate, either Basic (or OFA Level One), Intermediate (or OFA Level Two) or Advanced (or OFA Level Three) to be present at the work site. Whether the Attendant must possess a Basic, Intermediate or Advanced First Aid Certificate depends on a number of factors, including the time that may be required to obtain transportation and to transport an injured worker to medical treatment and the number of workers present. Such Attendant may be an Employee. The First Aid Certificate holder shall be determined by the date of hire. If there is not a First Aid or First Aid/Craft Service Employee assigned to a work site that requires an "Attendant" with the requisite First Aid Certificate, an Employee who accepts responsibility for First Aid and who possesses a First Aid Certificate of a Level that is equal to or greater than the level required at the subject work site will be paid the following premium:

If the work site requires a Basic First Aid Certificate - \$1.50/hour;

If the work site requires an Intermediate First Aid Certificate - \$2.00/hour;

If the work site requires an Advanced First Aid Certificate - \$2.50/hour.

Only the First Aid Certificate holder designated by the Employer shall receive the additional amount set forth above. The position of "Attendant" shall not conflict with the Employer’s requirement to employ a First Aid/Craft Service person.

- 4.15 First Aid Assessments:** The Employer shall assess its first aid needs on each production in advance of the work day based on the anticipated circumstances for that day.

Article Five: Travel

5.01 Studio Zones:

- (a) The Vancouver Studio Zone (please see page 172 for map) shall be viewed as a grid, the boundaries of which are:
- On the West, the shoreline;
 - On the North, from the northern municipal boundary of the District of West Vancouver eastward along the northern municipal boundary of the District of North Vancouver to the end of the road at Seymour Dam, then continuing eastward to the eastern shoreline of Coquitlam Lake;
 - On the East, 122 degrees/45 minutes longitude southward to a point of intersection with the 5L82 BC Hydro power line, then southeast following that power line to a point intersecting the end of the paved road at the northern boundary of Minnekhada Park, then continuing east to the western shore of the Pitt River, then following the western shore of the Pitt River to a point directly north of 200th Street in Langley, B.C.; and
 - On the South, the Canada/U.S. border.

For clarity, along the Studio Zone's eastern boundary, the area encompassing all east-west street addresses below 20000 is within the zone. Golden Ears Bridge, and its approaches, also are within the Studio Zone. The studio located at 20175 100A Avenue, Langley, BC - V1M 3X6 and the two studios located at 20146 100A Avenue, Langley, BC - V1M 3G2 (including the parking lots for those studios located at 9758 203 Street, Langley, BC - V1M 3E3 and 20395 102B Avenue, Langley, BC - V1M 3H3) shall be considered within the Studio Zone.

- (b) The Studio Zone for Greater Victoria (please see page 173 for map) is the area of land inside the boundaries of the following communities: North Saanich; Sidney; Central Saanich; Saanich; Victoria; Oak Bay; Highlands; View Royal, Esquimalt; Langford; Colwood; and Metchosin. In addition to the above, the Studio Zone for Greater Victoria will include: an extension west of Metchosin which will include the area of land inside the boundaries of Highway 14 (Sooke Road), Gillespie Road, and East Sooke Road; and an extension north of Langford along Highway One which will include the area inside the boundaries of: the shoreline on the East; Shawnigan Mill Bay Road/Renfrew Road on the North; and West Shawnigan Lake Road/Shawnigan Lake Road on the West.

The parties hereby confirm that the foregoing paragraph establishing the Studio Zone for Greater Victoria will include only land area as described above that is part of the mainland of Vancouver Island and is accessible by a regular motor passenger vehicle without the assistance of a ferry or other water transportation vehicle or device.

- (c) For Distant Locations, the Employer may designate, after consulting with the Council, an additional Studio Zone for an area within a circle having a radius of up to twenty-five (25) kilometres but not to exceed an average driving time of thirty (30) minutes, centered around and measured from the nearest municipal hall. Such Studio Zone may not overlap the Vancouver or Victoria Studio Zones.

5.02 Travel Within Studio Zones: Employees agreeing to use their private vehicles for production use will be paid a minimum of the per kilometre rate set forth in the following chart. This Article shall not apply if on-production Employees are driving from one location within the Studio Zone to another location within the same Studio Zone during the course of the work day.

	Effective April 1, 2025	Effective April 6, 2025	Effective April 5, 2026	Effective April 4, 2027

- (a) Travel time outside a Studio Zone shall be paid at the Employee's straight time contracted hourly rate to a maximum of one-half (.5) hour per day.
- (b) On days when no work is to be or has been performed by the Employee, travel shall be compensated with an allowance equivalent to four (4) hours at the Employee's straight time contracted hourly rate or at the Employee's straight time contracted hourly rate for time travelled, whichever is greater, but in no event an allowance more than the equivalent of eight (8) hours of pay at straight time. The second consecutive day of travel shall be paid as a day worked at no less than the rate for such travelling Employee's minimum call for that day of the Employee's work week. When overseas travel is planned the Employer shall, in good faith, address travel arrangements in advance to mitigate extended travel periods.

5.04 Nearby Location: For locations outside the boundaries of the Studio Zones where the Employee will not be required to be lodged overnight, the Employer shall provide transportation to and from the location from a marshalling point or points within the Studio Zones. If this transportation is provided, Employees shall be obligated to use it. However, the Employer may, at its discretion, grant an Employee's request to be excused from the obligation to use the transportation provided by the Employer, in which case the Employee's travel shall be at the Employee's own expense and the Employee shall not receive pay for travel time. As an alternative, the Employer may pay each Employee using

a personal vehicle the per kilometre rate set forth in the following chart for each kilometre driven from the nearest Studio Zone limit to the location and then back to the nearest Studio Zone limit.

	Effective April 1, 2025	Effective April 6, 2025	Effective April 5, 2026	Effective April 4, 2027
Per Kilometre Rate	\$0.35	\$0.43	\$0.48	\$0.55

5.05 Parking: Whenever the Employer does not provide transportation and Employees use personal vehicles to transport themselves to any type of location, the Employer shall provide secure or supervised parking or reimburse each Employee for parking fees on the same day that the fees are incurred. Parking will be provided within a reasonable distance from the work site.

5.06 Distant Location: When housed overnight or longer, on location outside a Studio Zone, the Employee shall receive, in addition to the applicable wage scale, all necessary lodging expenses (lodging to be single occupancy equal to the Canadian Automobile Association (CAA) standards where reasonably available) plus approved per diem and transportation expenses, to, from, and while on the job.

5.07 Per Diem Allowance: On distant locations within any of the Canadian Provinces or Territories, the Employee shall be paid a per diem allowance commensurate with the standard of living in the work area but not less than the total applicable per diem listed below. However, if meals are provided at the expense of the Employer, the per diem allowance may be reduced by the appropriate amount(s) listed below. The dollar amounts will be payable in U.S. dollars when in the United States. To the extent practicable, the Employer shall pay per diem allowance to an Employee in advance provided the Employee has submitted the requisite start paperwork which has been completed and approved and the Employee has been added to the payroll system prior to travel.

	Effective April 1, 2025	Effective April 6, 2025	Effective April 4, 2027
Breakfast	\$14.50	\$14.50	\$14.50
Lunch	\$20.50	\$22.50	\$25.50
Dinner	\$30.00	\$33.00	\$35.00
Total Per Diem	\$65.00	\$70.00	\$75.00

5.08 Unworked Days on Distant Location: An Employee on distant location shall receive \$130.00 per diem on an unworked sixth day in lieu of any other payment and \$130.00 on an unworked seventh day in lieu of any other payment. An Employee on distant location shall receive a \$65.00 (\$70.00 effective April 6, 2025 and \$75.00 effective April 4, 2027) per diem on an unworked Statutory Holiday in lieu of any other payments. For all additional days not worked while on distant location, the Employee will receive eight (8) hours of straight time pay plus a \$65.00 (\$70.00 effective April 6, 2025 and \$75.00 effective April 4, 2027) per diem. Fringe payments shall not apply to the foregoing.

- 5.09 Travel Insurance:** Each Employer shall provide its Employees with a minimum of \$250,000.00 of Accidental Death and Dismemberment Insurance when the Employee is required to travel at the request of an Employer if transportation is furnished by that Employer and used by the Employee. The benefits resulting from the policy mentioned above shall be payable to the Employee or, in the event of death, to the beneficiary designated by such Employee. If no designation has been made then such indemnity shall be paid to the estate of the deceased.
- 5.10 Weather Warnings:** Each Employee will be informed prior to departure as to what can be expected in respect to weather conditions at or near the shooting site so that the Employee may reasonably provide suitable clothing and/or equipment. However, in extreme cold weather, such as the extreme cold experienced in an Arctic winter for example, the Employer shall make available to the Employees suitable clothing and gear to cope with such conditions.

Article Six: Meals

- 6.01 Scheduling Meal Periods:** An Employee's first meal period shall commence within six (6) hours after the time of the Employee's first daily call; subsequent meal periods shall commence within six (6) hours after the end of the preceding meal period. An Employee's first meal period shall commence no earlier than two (2) hours after the Employee reports to work.
- 6.02 Early Call Employees (Non-Deductible Meal):** An Employee required to report prior to the general crew call shall be provided a reasonable hot meal, which shall be paid-through as time worked. Such paid-through meal (a.k.a. "Non-Deductible Meal") shall be no less than eighteen (18) minutes in duration. During this paid-through meal period, the Employee will be freed of all activity. Such paid-through meal must be within two (2) hours before general crew call or two (2) hours after general crew call and shall not be considered the first meal. The next meal period shall be no later than six (6) hours from general crew call.

The foregoing paid-through provision does not change the provisions of Article A1.19 or Article C7.02 regarding nine (9) hours' work without a break. Such nine (9) hour period will be calculated from the end of the paid-through meal. For purposes of establishing the beginning of such nine (9) hour period only, and not for purposes of establishing whether a paid-through meal was taken, the Employee shall record the time of such paid-through meal on the Employee's time sheet.

- 6.03 Meal Periods:** For the first meal period of the work day, all Employees are to receive an unpaid meal period of no less than thirty (30) minutes after the last crew member has been served, or no more than sixty (60) minutes after the first crew member has been served. Said meal period shall be no less than thirty (30) minutes. The second meal period shall be paid through as time worked. The "non-deductible meal" described in Article 6.02 above shall not be counted as a meal period.

6.04 Calculation of Meal Penalty: If any Employee is unable to commence a meal period by the end of the sixth hour of work, the Employee shall be paid a meal penalty as per the following scale until such time as the meal period is forthcoming:

- (a) First 2/10 (.2) of an hour: no penalty, but shall not be scheduled or abused.
- (b) Next 3/10 (.3) of an hour: \$7.50 for any portion thereof.
- (c) Next one (1) hour: \$2.50 for each 1/10 (.1) hour increment.
- (d) Thereafter: \$3.00 for each 1/10 (.1) hour increment.

The first 2/10 (.2) of an hour grace period shall not be scheduled nor automatic, nor is it intended for everyday use. Such grace period may not be utilized when the meal period has been extended as permitted by Article 6.05.

6.05 Meal Period Extensions: For wrap, the six (6) hour work period following the end of the last meal period may be extended by the Employer for a maximum of one-half (.5) hour. If work exceeds such extension, then meal penalties shall be calculated and paid from the end of such six (6) hour work period.

6.06 Pacific Northwest Hours: Each Employer, with ten (10) hours' notice, may institute a "Pacific Northwest Hours" system which consists of:

- (a) An eleven (11) hour period of elapsed time commencing with the general crew call and ending after camera wrap, which includes one (1) hour of paid meal period before work begins; or includes one-half (½) hour paid meal period before the shift begins and two (2) fifteen (15) minute paid breaks during the rest of such eleven (11) hour period. This eleven (11) hour period shall not be considered a guarantee of eleven (11) hours of work or pay.
- (b) Should work continue past the eleventh hour, such work shall be paid for by the additional payment of the applicable rates of overtime pay.
- (c) Any Employer that institutes Pacific Northwest Hours will provide a continuing hot buffet accessible to the Employees.
- (d) Meal penalties shall apply if work continues past eleven (11) hours of elapsed time commencing with the general crew call, in which case meal penalties shall be paid commencing at the end of the sixth hour from the beginning of the general crew call.
- (e) All Employees not on scheduled Pacific Northwest Hours shall be accorded the meal standards per 6.01 and 6.11 of this Agreement.

6.07 Meal Periods for Employees Working Off-Set: Any Employee working off-set shall be responsible for scheduling the Employee's own meal periods at five (5) hour intervals and shall not incur meal penalties, however:

- (a) When an off-set Employee is required to work on a nearby location (*i.e.* outside a Studio Zone) where convenient meal facilities are lacking, then the Employer will furnish meals unless the Employee is notified no later than the night before reporting to work that such facilities are lacking. If the Employer fails to provide such notice to the Employee or to the Union when requesting dispatch, the Employee will be paid a meal allowance of \$15.00 on the next regular paycheque.
- (b) When the Employer furnishes meals to a shooting unit away from any studio facility and an off-production crew is working on the same site at the same time for the same production, the Employer, at its discretion, may furnish meals to the off-production crew.

6.08 Shelter and Washroom Facilities:

- (a) Shelter: The Employer will endeavour to provide suitable shelter for serving catered meals.
- (b) Washroom Facilities: The Employer will endeavour to provide adequate, conveniently located sanitary washroom facilities on all temporary or permanently established pre-production, production, and post-production work sites. The Employer will endeavour to ensure that provided washrooms are equipped with hand washing facilities and are stocked with a sufficient supply of soap, toilet paper, and individual clean towels. Where the washrooms lack hand washing facilities, the Employer will endeavour to place within immediate proximity to the washrooms adequate hand washing stations.
- (c) An Employee may request suitable private space for breast feeding or pumping by giving reasonable advance notice of the Employee's need to Human Resources and/or the appropriate individual designated by the Employer for the receipt of such requests. Upon receiving the Employee's request, the Employer shall make best efforts to accommodate the Employee's request by providing a suitable private space. It is understood that the availability and type of spaces that may be used to accommodate the Employee's request may vary depending on factors such as the location at which production is operating.
- (d) The Employer shall make best efforts to provide menstrual products at no cost to the Employee, including clean and hygienic tampons and menstrual pads. The Employer may make the products available in restrooms or other areas readily accessible to all employees that offer a reasonable amount of privacy or may give such products to an appropriate individual (*e.g.*, a member of First Aid) for distribution upon request. The Employer shall also make best efforts to provide an appropriate container for the disposal of menstrual products.

6.09 Beverages/Environmental Awareness: The Employer shall provide coffee, tea, ice water and other soft beverages and use its best efforts to make them accessible to all on-set

Employees. The Employer also shall use its best efforts to supply suitable beverages to off-set Employees working in isolated areas. Further, the Employer shall use its best efforts to supply environmentally compatible containers for all such beverages.

- 6.10 Absence of Catering and Culinary Selection:** In the absence of catering, all Employees shall receive a meal break of sixty (60) minutes. Adequate travel time to and from a restaurant or other eating establishment shall be considered time worked but shall not incur penalties.
- 6.11 Proper Meal:** Adequate hot meals with a reasonable selection shall be provided. It is understood and agreed that snacks: *i.e.*, soft drinks, hot dogs, pizza, etc. do not constitute a proper meal.

Article Seven: Holidays

- 7.01 Statutory Holidays:** The following days are defined as Statutory Holidays and must be observed with a day off: New Year's Day, Family Day, Good Friday, Victoria Day, Canada Day, British Columbia Day, Labour Day, National Day for Truth and Reconciliation, Thanksgiving Day, Remembrance Day, Christmas Day, Boxing Day, and any other Holiday prescribed by regulation.

- 7.02 Payment of a Statutory Holiday Worked:** The minimum hourly rate for work performed on a Statutory Holiday worked for the Employer (local and distant locations) shall be one and one-half times (1.5x) the Employee's straight time contracted hourly rate for the first eight (8) hours. Work performed after eight (8) hours worked shall be paid at the rate of two times (2x) the Employee's straight time contracted hourly rate up to and including the twelfth hour. Work performed after twelve (12) hours worked shall be paid at the rate of three times (3x) the Employee's straight time contracted hourly rate.
- 7.03 Payment for an Unworked Statutory Holiday:** Payment for an unworked Statutory Holiday shall be compensated pursuant to Article Eight of this Master Agreement. An Employee engaged on a weekly guarantee will have the Employee's weekly rate or guarantee reduced by one-fifth (1/5) for each unworked holiday that falls within the Employee's guaranteed work week.
- 7.04 Holidays and the Guaranteed Period of Employment:** Holidays shall apply against a guaranteed period of employment whether worked or not.
- 7.05 Waiver of Designated Holiday:** When a holiday, other than Christmas Day, Boxing Day, Good Friday, Remembrance Day and New Year's Day, falls on the second, third, or fourth

work day of the work week, the Employer may designate the first or fifth work day of the work week as the day the holiday is to be observed, and the actual day of the holiday shall be worked and paid for at straight time. If Victoria Day, Canada Day or British Columbia Day falls on a Friday or a Monday, the Employer may switch a Friday holiday to the immediately following Monday as the observed day of the holiday, and a Monday holiday to the immediately preceding Friday as the observed day of the holiday, and the actual day of the holiday shall be worked and paid for at straight time. The Society may pursue education and training initiatives for Employees consistent with the purposes contained in the Society’s constitution.

It is understood and agreed that the Society:

In the case of an Employer which elects to pay Employees via direct deposit, payments will be processed on the fourth work day and shall be deposited in the Employee's account at or before 11:59 p.m. on the fifth work day. Employees are to be made aware of any potential payment delays beyond the production's control. The Employer will include the following in a time report, which may be attached in hard copy to the Employee's paycheque or delivered or made available to the Employee electronically in a manner consistent with the requirements of the Personal Information Protection Act ("PIPA"): Employee's name and address; job classification; pay period ending date; applicable Council-member Union; dates worked; hours worked; wage and overtime rates; itemization and identification of all allowances, penalties, premiums and fringes paid and deductions made; and gross and net amounts of the Employee's cheque for the pay period and year to date totals for gross wages, deductions, allowances, penalties, premiums and fringes.

A copy of Employee time reports will be forwarded to the appropriate Council-member Union, accompanied by all applicable remittances, on a weekly basis. In the event of an alleged pay discrepancy, upon the Council-member Union's request, a copy of the Employee's time sheet will be sent to the appropriate Council-member Union. If a Saturday, Sunday or holiday falls on a regular pay day, payment will be made on the preceding work day, with the understanding that if an Employer elects to pay Employees via direct deposit, funds shall be deposited in an Employee's account at or before 11:59 p.m. of the day following the date the payment is processed. Also, in the event that a production has shifted the work week for its crew but not its accounting department, the

Employer may continue to treat the accounting department's fourth work day as the regular pay day for crew members who are on a shifted work week.

If an Employer has not elected to pay Employees via direct deposit the Employer will distribute paycheques to the Employees during their shifts that day. If, for any reason, this is not feasible in the case of any individual or group of Employees, the Employees involved shall be so notified by the Production Manager before the end of their shifts and advised by the Production Manager as to the time when their paycheques will be available. In any such case, the paycheques shall be given to the Production Manager or the person designated by the Production Manager to distribute the cheques.

All banking information collected by the Employer for purposes of administering direct deposit shall be collected, stored and transmitted in a secure manner consistent with PIPA, and destroyed in accordance with the retention of personal information requirements set out in PIPA. Employees shall not be required to submit information or documents of a personal or confidential nature to any other employee's personal email address.

9.03 Payroll Service: In the event an Employer uses a payroll company or other outside person(s), or entity (herein referred to collectively as the "payroll service") to handle or facilitate the payment of wages or other benefits to or on behalf of an Employee or Employees covered by this Master Agreement, the Employer agrees and acknowledges that it is and remains the Employer of such Employee(s) for the purposes of all the provisions of this Master Agreement, and that the Employer remains liable and responsible for compliance with such provisions.

9.04 Termination Pay:

(a) If the Employment Insurance Separation Certificates and pay cheque are not given to the Employee at the time of termination, they shall be sent by the Employer to the Employee within three (3) working days of the time of termination. If terminated while on distant location, the Employee shall be entitled to room and board at no cost until the Employee is provided return transportation.

(b) As directed by the Employee, a cheque mailed to the address of the Employee, or to the Council office, within the time as required above, is payment hereunder.

9.05 Time-Keeping: Each Employer shall maintain an adequate system of time-keeping to record the times that an Employee reports for and leaves work each day, and to record the commencement and completion of the Employee's meal period(s). The time records shall be open to inspection by a duly authorized representative of the Council at reasonable times and for reasonable cause upon giving the subject Employer reasonable notice. No employee shall be required to sign a blank timesheet.

9.06 Assignment of Wages: Pursuant to British Columbia *Labour Relations Code*, R.S.B.C. 1996, c.244, § 16, the Employer will honour an Employee's written assignment of wages to the Union unless the assignment is declared null and void by the British Columbia

Labour Relations Board or is revoked in writing by the assignor. The Employer will also deduct any fines, assessments, or arrears in membership dues that are not prohibited by the *Labour Relations Code*. The Employer will remit to the appropriate Council-member Union, on a monthly basis, a written statement containing the names of Employees for whom deductions were made and the amount of each deduction along with a copy of any revocation of the assignment. The Employer shall have no financial responsibility for the fees or dues of any Employee and the Union shall hold the Employer harmless for any costs or damages arising from fines, assessments, or membership dues deducted by the Employer.

- 9.07 Deal Memorandum:** The Employer shall, within five (5) days of signing a Deal Memorandum with any individual Employee or dependent contractor covered by this Agreement, supply the appropriate Council-member Union with copy of same.

Article Ten: Lay Off and Discharge

10.01 Guaranteed Period of Employment:

- (a) The obligation of an Employer upon entering into a deal memo for the employment of any Employee to furnish services during guaranteed periods of employment shall be wholly satisfied by the payment of the contracted wages and benefits for the applicable guaranteed period.
- (b) If any Employee is terminated before the completion of the guaranteed period of employment, the Employer shall pay the Employee all remaining unpaid non-deferred, non-contingent wages as provided in the Employee's deal memo. The provision above shall not apply and the Employer shall not be obligated to pay the Employee for the guaranteed period if: (i) the Employer has discharged the Employee with just and reasonable cause; or (ii) the Employer has terminated the Employee in accordance with the Force Majeure provisions of this Master Agreement; or (iii) if the Employee fails to render services.

- 10.02 Lay-Off Defined:** "Lay-Off" means a temporary or permanent severance of employment — other than Discharge — due to a shortage of work, including Holiday, Hiatus, scheduled termination, or general payroll default.

- 10.03 Weekly Employees - Notice of Lay-Off and Severance Pay:** All weekly Employees who have been employed by the Employer for at least three (3) weeks shall be given one (1) week's notice, or one (1) week of severance pay in lieu of such notice, or a combination thereof. In turn, all weekly Employees shall give the Employer one (1) week's notice before resigning and if such Employee fails to do so, the Employer will not be required to re-employ such Employee.

- 10.04 Daily Employees - Notice of Lay-Off:** Daily Employees will be notified prior to the end of their shift with an Employer if they have a call with that same Employer for the next day.
- 10.05 Written Guarantee:** The guaranteed length of employment shall be daily or weekly. A guarantee for a longer term shall be specifically set forth in writing. An employee may be replaced following completion of the guaranteed period of employment.
- 10.06 Discharge:** No Employee shall be discharged (as distinguished from replacements or layoffs) by an Employer without just and reasonable cause. If the Council-member Union believes the action to be unjustified, the Council may file a grievance which shall be handled in accordance with Article Eleven. Any party to the grievance under this Article may make a written demand for an expedited arbitration pursuant to Article 11.05. The Arbitrator shall have the power to reinstate the Employee with or without full compensation, to award damages in lieu of reinstatement, or to sustain the discharge. Refusal to comply with an order, directive, or assignment that is unlawful, unsafe, or which is known by the Employee to be in violation of a location permit shall not result in discipline or discharge. An Employer will not be required to re-employ an Employee previously discharged by such Employer under this Article.
- 10.07 Industry Termination:** An Employer is not required to employ, and the Union will not dispatch a person previously discharged for any reason by the film and television industry Employers three (3) times provided that no Employee shall be discharged (as distinguished from replacements or layoffs) by an Employer without just and reasonable cause. An agreed list of Industry Terminations will be maintained by the Council, the AMPTP and CMPA-BC offices and updated on a regular basis.

Article Eleven: Grievance and Arbitration

- 11.01 Statement of Policy:** The Council or Council-member Union(s) and the Employer recognize the desirability of exerting an earnest effort to settle grievances at the earliest possible time consistent with the provisions of this Article. The Council shall make a careful and thorough investigation of an Employee's complaint before submitting it under the grievance procedure in order to ascertain whether, in its opinion, the complaint is reasonably justified under the terms of this Master Agreement and that there is reasonable ground to believe that the claim is true in fact. No Employee shall be discriminated against for reasonably making a complaint or filing a grievance asserting a violation of this Master Agreement. There shall be no slowdown, disruption or stoppage of work including strikes or lock-outs.
- 11.02 Grievance Defined:** All complaints, discipline, disputes, or questions of the Employer or the Council, as to the interpretation, application, or performance of this Master Agreement (excluding jurisdictional disputes) or any deal memo, including any question about whether a matter is arbitrable, shall be settled between the Employer directly involved and the duly

authorized representative of the Council. Any party to the grievance may participate in grievance meetings.

11.03 Grievance Procedure:

- (a) To be valid, grievances must be filed within thirty (30) calendar days of the occurrence of the event(s) upon which the grievance is based, or, within thirty (30) calendar days after the facts underlying the grievance became known or should have reasonably become known by either the Employee, Employer, or the Council — which ever should have first reasonably gained knowledge of the facts underlying the grievance — but in no case more than one hundred eighty (180) days from the event giving rise to the grievance. A grievance is filed by delivering to the other party a written statement of grievance which shall set forth the basis of the dispute, the contractual provisions alleged to be violated, the material facts, the position of the grievant, and the relief sought. If either the Employer or the Council fail to agree to meet within fourteen (14) calendar days after the receipt of the statement of grievance, or they do meet and fail to resolve the grievance, then the Employer, the Council, or a Council-member Union that has obtained the authorization of a majority of the Council-member Unions may proceed to final and binding arbitration pursuant to Article 11.04.
- (b) Other than a written Arbitrator's award, any other settlement or withdrawal of a grievance shall be non-binding and non-citable in any subsequent grievance or arbitration unless the bargaining parties to this Master Agreement through negotiations or the consultation committee agree in writing to adopt the settlement for purposes of contract interpretation.

11.04 Arbitration Procedure: If the grievance procedure fails to resolve the grievance, either party to the grievance may proceed to final and binding arbitration as permitted by Article 11.03 by delivering to the other party a written demand for arbitration which shall set forth the basis of the dispute, the contractual provisions alleged to be violated, the material facts, the position of the claimant, and the relief sought. Such demand must be served not later than thirty (30) days after the filing of the grievance or the grievance will be waived. Within fourteen (14) calendar days following service of the demand for arbitration, or within such additional time as the parties mutually agree upon in writing, the parties will attempt to mutually agree upon an Arbitrator selected from the list of Arbitrators of the BC Arbitrator's Association, or a mutually agreed upon arbitrator. An Arbitrator named on the list of Arbitrators of the BC Arbitrator's Association may at any time, by mutual agreement, be bypassed or removed from consideration and another Arbitrator substituted. If possible, the date of the arbitration hearing will be within fourteen (14) calendar days from the date the Arbitrator is selected. The Arbitrator shall render a decision on the evidence and arguments presented which shall be final and binding on the parties, including the grievant, and fully enforceable in a Court of competent jurisdiction. The Arbitrator shall present a written decision, unless the parties to the arbitration mutually agree that a written decision is not necessary. The Arbitrator's written decision shall be issued within thirty (30)

calendar days from the date final arbitration briefs, if any, are submitted, or the last day of the arbitration hearing, whichever is later.

11.05 Expedited Arbitration: Expedited Arbitration is available only in cases in which it is specifically permitted under this Master Agreement, or upon the mutual consent of the parties to the arbitration. Within five (5) business days of receipt of a written demand for an expedited arbitration in cases that permit expedited arbitration under this Master Agreement, or within five (5) business days of a written agreement to proceed to an expedited arbitration, an Arbitrator named on the list of Arbitrators of the BC Arbitrator's Association will be selected by the parties. Any Arbitrator may, by mutual agreement, be bypassed or removed from consideration and another Arbitrator substituted. The date of the arbitration hearing will be within fourteen (14) calendar days from the date the Arbitrator is selected. The Arbitrator shall render a decision on the evidence and arguments presented which shall be final and binding on the parties, including the grievant, and fully enforceable in a Court of competent jurisdiction. The Arbitrator shall present a written decision, unless the parties to the arbitration mutually agree that a written decision is not necessary. Arbitration briefs, if any, must be submitted no later than noon on the day after the arbitration hearing. The Arbitrator's written decision shall be issued within five (5) calendar days from the last day of the arbitration hearing or the date final arbitration briefs, if any, are submitted, whichever is later.

11.06 Arbitrator's Authority: The Arbitrator shall have the power to determine and resolve the issue(s) and only award wages, benefits, and/or protections consistent with the contract, which are necessary to ensure the Employee or Employer receives the benefit of the bargained wages, benefits and/or protections. The Arbitrator shall not have the power to amend, modify or effect a change in any of the provisions of this Master Agreement, award punitive damages, award money damages to the Council, its member Unions or the Producers, or to determine jurisdictional disputes.

11.07 Costs: The Arbitrator's fees and a court reporter's fees shall be borne equally by both Parties. Expenses of witnesses, however, shall be borne by the Party who calls them.

Article Twelve: Safety

12.01 It is agreed by the parties that great emphasis shall be placed on the need to provide a safe working environment. In that context, it shall be the responsibility of each Employer:

- (a) to provide employment and places of employment which are safe and healthful for the Employees.
- (b) to provide and use safety devices and safeguards, and adopt and use practices, means, methods, operations and processes which are reasonably adequate to render such employment and places of employment safe and healthful.

- (c) to do every other thing reasonably necessary to protect the life, safety and health of Employees.
 - (d) to not require or permit any Employee to enter into or be in any employment or places of employment which are not safe and healthful.
- 12.02** Every Employer and every Employee shall comply with occupational safety and health standards and all rules, regulations and orders pursuant to applicable laws, which for greater certainty include the *Workers' Compensation Act* and its Regulations.
- 12.03** No Employer or Employee shall:
- (a) remove, displace, damage, destroy or carry off any safety device, safeguard, notice or warning, furnished for the use in any employment or places of employment;
 - (b) interfere with the use of any method or process adopted for the Employee's protection or the protection of any other Employee, in such employment or places of employment.
- 12.04** Rigid observance of safety regulations must be adhered to and willful failure of any Employee to follow safety rules and regulations can lead to disciplinary action including discharge; however, no Employee shall be discharged or otherwise disciplined for refusing to work on a job that exposes the individual to a clear and present danger to life or limb. No set of safety regulations, however, can comprehensively cover all possible unsafe practices of working. The Employer and the Union therefore undertake to promote in every way possible the realization of the responsibility of the individual Employee with regard to preventing accidents involving the Employee or fellow Employees.
- 12.05** The Negotiating Producers shall forthwith appoint a representative to Actsafesafe. Employers shall advise the Council in writing of the Employer Representatives assigned to administer the Production's Occupational Health and Safety Program.
- 12.06**
- (a) Employers will copy the applicable Council member-Union(s) with all WorkSafeBC Form 7's and Employer Incident Investigation Reports within five (5) days of being provided to WorkSafeBC.
 - (b) Employers shall inform the applicable Council member-Union(s) as soon as reasonably practical when a workplace accident has resulted in an Employee being transported to hospital.
- 12.07** All Employees employed under the Master Agreement or Supplemental Master Agreement must have successfully completed the Actsafesafe Motion Picture Safety Awareness course. The BC Motion Picture Training Society shall pay Employees a sixty dollar (\$60.00) stipend for attending the course. Any Employee who has not successfully completed the course shall be ineligible for dispatch or referral.

Article Thirteen: Employee Indemnification

13.01 Employee Indemnification: The Employer will defend, indemnify, and save harmless any Employee (including persons engaged through a loan-out company) for liability incurred during the effective dates of the Master Agreement and in the course of performance of the Employee's assigned duties and performed within the scope of the Employee's employment for the Employer that resulted in bodily injury, property damage suffered by any person(s) subject to the following conditions:

- (a) This shall not apply in any instance in which such injury, loss or damage is the result of or caused, in whole or in part, by the gross negligence or willful misconduct of the Employee. For the purpose of the Article, gross negligence is defined as circumstances when it must be plain the magnitude of the risks involved are such that, if more than ordinary care is not taken, a mishap is likely to occur in which loss of life, serious injury or grave damage is almost inevitable.
- (b) The Employee shall cooperate fully in the defense of the claim or action, including, but not limited to, providing notice to the Employer immediately upon becoming aware of any claim or litigation, attending of hearings and trials, securing and giving evidence and obtaining the attendance of witnesses.

13.02 Duration of Protection: The protection provided to the Employee by Article 13.01 is also personal to the Employee and may be enforced by any Employee in any appropriate court or statutory forum. The protection provided to the Employee in Article 13.01 does not expire with the expiration of the Letter of Adherence but will continue with regard to any claim made against an Employee after the expiration of the Letter of Adherence for liability that was incurred in the course of performance of the Employee's assigned duties performed within the scope of the Employee's employment for the Employer.

13.03 Indemnification: It is expressly understood and agreed that the Employer shall have no recourse of any kind against the Council or the Council-member Unions in respect to training or the issuance of a certificate of training to any Employee under the provisions of any Federal, Provincial, Territorial or Municipal regulating agency.

Article Fourteen: Performance Bonds

14.01 Notwithstanding any provisions in this Agreement or any Individual Employment Contract signed by an Employee, the Employer agrees that no Employee shall be required to start work prior to the signing of a Letter of Adherence with the Council, accompanied by the appropriate Performance Bond to guarantee wages and other moneys due and payable, in the amounts of:

FEATURES:	\$150,000.00
SERIES:	\$100,000.00

PILOTS:	\$ 60,000.00
T.V. MOVIES:	\$ 60,000.00

or an otherwise agreed upon financial instrument.

At the end of principal photography one-half (½) of such amount shall be returned to the Employer if no general payroll default has taken place. The balance of the bond shall be released two (2) weeks after the production has been completed and Separation Certificates have been issued to all Employees and the Employer has satisfied all of the obligations of this Agreement, including the settlement of any outstanding grievances.

Subject to the above, partial bonds shall be returned to the Employer upon application at any time. When a bona fide dispute arises, the amount to be retained by the Council or its member Union will be predicated on the outstanding liability and the Council and/or its member Union shall not withhold bonds beyond that necessary to protect the outstanding liability.

Should an Arbitrator find that the Employer has breached this Agreement, the Council may deduct from the amount of the Bond any monies that the Arbitrator determines are owing to Employees and/or the Union arising out of a breach of this Agreement.

Article Fifteen: Employee Assistance Program

15.01 EAP: The Employer agrees to endorse the concept of the Council-member Union's Employee Assistance Program (EAP) for substance abuse counselling. The parties also agree that such a program is best administered under the aegis of the Council-member Unions and their Good and Welfare entity.

An Employee who has a substance abuse problem which interferes with job performance or attendance will be disciplined in accordance with normal disciplinary procedures as outlined in this Agreement. However, in cases where such abuse problem is made known to the Employer by the Employee or their Council-member Union before the Employee is discharged or disciplinary action is taken the Employer will give advance notice to the Employee's Council-member Union and will meet or confer with a Union representative.

As a part of these procedures or as an alternative thereto, such an Employee may be referred to counselling through the EAP. Any Employee who refuses to accept treatment through such a program or who is disciplined again or discharged pursuant to this Article by the Employer for unsatisfactory job performance or other misconduct arising out of or resulting from substance abuse shall not be entitled to have the second or subsequent disciplinary action(s) reviewed pursuant to the grievance or arbitration procedure.

Notwithstanding the participation by any Employee in an EAP, the Employer and the Council-member Unions recognize that each Employee is and remains responsible for the Employee's own satisfactory job performance.

Article Sixteen: Paid Illness or Injury Leave

16.01 Employers shall provide Employees with paid illness or injury leave in accordance with the qualifications and conditions of the B.C. Employment Standards Act.

Article Seventeen: Artificial Intelligence

17.01 This Article 17 applies prospectively on or after April 1, 2025.

(a) Definitions:

The Canadian Affiliates of the AMPTP, the CMPA-BC and the Council-member Unions (for purposes of this Article 17, the “parties”) acknowledge that “Artificial Intelligence” and “AI” have become catchall names that generally refer to the ability of a machine-based system to apply analysis and logic-based techniques to solve problems or perform tasks and improve as it analyzes more data. An “AI System” is any machine-based system that uses AI as a core function.

- (i) Machine Learning: The parties acknowledge that machine learning (“ML”) is a subset of AI that enables machines to develop algorithms, including via deep learning (as defined below), based on statistical inferences drawn from patterns in submitted training data, including, but not limited to, diffusion models and large language models, for the purpose of performing tasks. Such tasks include, but are not limited to, predicting human behaviors, disseminating information and generating content.
- (ii) Generative Artificial Intelligence: The parties acknowledge that generative artificial intelligence (“Gen AI”) refers to a subset of ML that generates new content including, but not limited to, text, video, audio, three-dimensional (3D) models, code, and images. A “Gen AI System” is any machine-based system that uses Gen AI as a core function.
- (iii) Deep Learning: The parties acknowledge that deep learning refers to a subset of ML based on artificial neural networks that have multiple layers of connected artificial neuron nodes processing data.
- (iv) The terms “Gen AI” and “Deep Learning” are used for convenience and this provision shall also apply to any technology that is consistent with the foregoing definitions, regardless of its name or designation.

(b) Existing Technologies and Practices:

The parties acknowledge that the Employers have historically used digital technologies, including without limitation so-called “traditional AI” technologies programmed to perform specific functions (*e.g.*, CGI, VFX, sound effects), and technologies such as those used during any stage of pre-visualization, pre-production, production, post-production, marketing and distribution and may continue to do so, consistent with their historical practices.

(c) New Technologies and Practices:

(i) The parties acknowledge the importance of human contributions in motion pictures and the need to address the potential impact of the use of AI Systems on employment under this Master Agreement.

(ii) Use of New Technologies:

(A) An Employer continues to have the right to utilize new technologies in connection with motion picture production, including in connection with creative elements. An Employer may require Employees to use any AI System¹ or resulting output of such systems for use in connection with the performance of covered work. Employees who are assigned to utilize an AI System to perform services, including by inputting prompts or otherwise overseeing the use of the AI System, shall continue to be covered under the terms of this Master Agreement while performing such work.

(B) The Employer will not require an Employee to provide prompts furnished by the Employee in the performance of bargaining unit work in a manner that results in the displacement of any covered Employee.

(C) Should an Employee use AI Systems in the performance of covered work, the Employee will be required to adhere to the Employer’s policies (*e.g.*, policies related to ethics, privacy, security, copyrightability or other protection of intellectual property rights), which shall be provided to the Employee. In any event, the Employer retains the right to require that an Employee obtain consent from the Employer before using AI Systems, and the Employer retains the right to reject the use of AI Systems or any output from such use, including when the use could adversely affect the copyrightability or exploitation of the work or create other risks or liabilities for the Employer. The Employer agrees to provide the

¹ Should the Employer agree to use an Employee’s own AI System, the Employer and Employee shall negotiate for reasonable reimbursement for such use.

Council with any written policies governing the use of AI Systems by Employees covered under this Master Agreement.

An Employer's decision to require an Employee to use an AI System in connection with the Employee's performance of bargaining unit work, including for any creative elements or administrative tasks, will be subject to consultation with the Employee at the Employee's request, provided that the requirements of production allow time for the consultation.

- (D) The Employer shall indemnify the Employee from liability and necessary costs, including by providing the Employee a legal defense resulting from any claims arising from the use of AI Systems or the resulting output occurring in the performance of the Employee's duties and within the scope of the Employee's employment with the Employer, subject to the conditions that:
- (1) This subparagraph (D) shall not apply in any instance in which the injury, loss or damage is the result of or caused by, in whole or in part, the gross negligence or willful misconduct of such Employee;
 - (2) The Employee is not in breach of the Employer's policies which have been disclosed to the Employee and the Employee has made appropriate disclosure of the use of AI Systems to the Employer;
 - (3) Immediately upon the Employee and/or the Council-member Union being informed of any claim or litigation, the Employee and/or the Council-member Union shall notify the Employer thereof and give the Employer full details of any claim or the institution of any action for which the Employee seeks indemnification under this subparagraph, including by delivering to the Employer every demand, notice, summons, complaint or other process received;
 - (4) The Employer shall name or cover the Employee as an additional insured on its errors and omissions policies, if any, respecting motion pictures; and
 - (5) The Employee shall cooperate fully in the defense of any claim for which indemnification is provided in this subparagraph (D), including the attending of hearings and trials, securing and giving evidence and obtaining the attendance of witnesses.

(d) **Implementation of Work Training Programs:**

- (i) The parties acknowledge that the preferred method of addressing impact resulting from new technologies is through provision of work training and other programs designed to foster new skills to improve opportunities for employment and effective use of AI tools. The parties agree to cooperate in the establishment of work training and other programs with respect to covered work under this Master Agreement. A committee will be convened for the purpose of formulating and implementing such training and other programs. The training and other programs shall be designed in cooperation between the parties and shall be focused on training Employees in (A) skills required to operate AI Systems associated with the Employee's current work classification and/or (B) new skills required to transition to other classifications of work covered by this Master Agreement. The parties agree that the committee shall meet within ninety (90) days of contract ratification.
- (ii) The parties recommend that funding of costs associated with work training programs be referred to the BC Motion Picture Training Society for review.

- (e) **Ongoing Obligations:** The parties agree to meet regularly during the term of this Master Agreement as follows: (1) on a semi-annual basis, at least one senior executive from the Canadian Affiliates of each AMPTP company and each CMPA-BC company involved in the development and/or use of AI in production agrees to meet with the Council to discuss the current and intended uses of AI in motion picture production; and (2) semi-annually, at the request of the Council, on a company-by-company basis and subject to each participating representative executing mutually agreed-upon confidentiality agreements to discuss and review information related to each company's use and intended use of AI in motion picture production. The Council shall limit its representatives participating in the company-by-company meetings described in subparagraph (2) above to a reasonable number of individuals (i.e., not to exceed eight (8) in total).
- (f) Claims for violation of this Article are arbitrable and must be brought under this Master Agreement. All remedies are available with the exception of injunctive relief. For clarity, the arbitrator shall have no authority to prohibit or restrict the use of any AI System or the resulting outputs.
- (g) Except as explicitly set forth herein, it is understood that this Article does not expand or contract any existing rights and obligations under this Master Agreement. Nothing herein alters the scope of coverage under this Master Agreement.
- (h) No Employee shall be subject to scanning of their visual or vocal likeness for use in a motion picture without the Employee's consent. The Employer shall provide the Employee with a reasonably specific description of the intended use. The consent must be clear and conspicuous and may be obtained through an

endorsement or statement in the employment contract that is separately signed or initialed by the Employee or in a separate writing that is signed by the Employee. A copy of the consent shall be provided to the applicable Council-member Union in advance of it being presented to Employees. The Employee's consent to such scanning may not be a condition of employment and the consent itself shall clearly state the same.

Article Eighteen: Entirety

- 18.01 Entirety:** Except for the provisions of applicable legislation and each Employee's deal memo, this Master Agreement, which hereby incorporates by reference the attached Appendices "A," "B," "C," "Supplemental Master," "Work Permit Forms," and "Sideletters" is the entire understanding between the Parties.

Article Nineteen: Term of Master Agreement

- 19.01 Term:** The term of this Master Agreement shall commence on April 1, 2025 and continue to and including March 31, 2028. All of the provisions hereof shall continue in force until such time as a successor agreement is concluded.

APPENDIX "A" - IATSE LOCAL 891

A1.01 Definitions:

- (a) "Senior Steward": The Employer shall recognize the Senior Steward as an Employee of the Union empowered to provide the Employer with Local 891 Employees covered by this Agreement and further recognizes the Senior Steward and the representative(s) of the Senior Steward as liaison between the Shop Steward and the Employer.
- (b) "Shop Steward": The Employer shall recognize Shop Stewards as appointed by the Union or elected by the members at each studio and/or location. Any person so appointed or so elected shall have the complete cooperation of the Employer in the reasonable performance of Shop Steward duties to inspect all working conditions affecting the terms of the Agreement. As I.A. Local 891's safety representative the Shop Steward shall be recognized as an active member of the Employer's Joint Occupational Safety & Health committee.

A1.02 Screen Credits:

The Employer hereby agrees to display the insignia as herein authorized, unless the Union advises otherwise, on any and all motion picture films or substitutes thereof, such as tapes, recorded by any method and produced under the terms and conditions of the Agreement which carry screen or air credit title or titles. Said insignia to be clear and distinct, and shall appear on a sufficient number of frames.
- (b) All individual screen credits shall be in accordance with British Columbia film industry custom and practice but subject to approval of Broadcasters and Distributors. A1.03 Name Change or Address Change: Should there be a change of name of the Employer and/or the motion picture's name or title, the Employer agrees to notify the Union, in writing, immediately. Any notices directed to either party are to be addressed to the addresses shown on the Letter of Adherence and both parties will keep each other informed of any changes in address.

All such equipment shall, at a minimum, comply with standards prescribed under B.C. law.

A1.24 ETCP Certified Riggers and ETCP Certified Entertainment Electricians: Employees required to hold Entertainment Technician Certification Program (ETCP) certification as a condition of hire shall have their scale rate increased by \$2.00 per hour. APPENDIX "B" – TEAMSTERS LOCAL UNION NO. 155

ARTICLE B1 SCOPE OF AGREEMENT AND RECOGNITION

- B1.01** The Employer recognizes Teamsters Local Union No. 155 as the sole and exclusive Bargaining Agent for all Employees hired within the Territorial Jurisdiction of British Columbia and the Yukon Territory in the job classifications and wage rates listed below and employed by the Employer in the Province of British Columbia and whose services are rendered in connection with the production of motion pictures under the supervision of the Employer's executives managing its productions in British Columbia and who are on the payroll of the Employer all of whom will herein be collectively referred to as "Teamsters." This Agreement shall not be applicable to Independent Contractors of Dogs or Dog Acts, Dog Owners, or Dog Trainers and/or Dog Handlers or to Independent Contractors of Wild Animals or Wild Animal Acts, Wild Animal Owners or Wild Animal Trainers and/or Wild Animal Handlers employed as part of an "act" or "package deal," but such Dog or Wild Animal Trainers or Handlers shall not be paid less than the minimum wage scale rates provided herein for Dog or Wild Animal Trainers or Handlers, respectively, as the case may be. For purposes of this Agreement, the terms Dog Handler or Dog Trainer or Wild Animal Handler or Wild Animal Trainer, as used herein, shall be deemed to refer only to Dog or Wild Animal Handlers and/or Trainers who are subject to this Agreement.
- B1.02** The Employer agrees that all vehicles, including animal drawn vehicles, and all transportation equipment used in pre-production, production and post-production for any purpose whatsoever must be driven or operated by a Teamster who is subject to this Agreement, save and except: Producers and Associate Producers, Production Managers, Location Managers and Assistants, Art Directors and Assistants, Property Masters and Assistants and Buyers, Craft Service/First Aid, Head Painter and Assistants, Construction Coordinator and Assistants, Special Effects Coordinator, Assistants and Buyers, Greens and Assistants, Set Decorators and Assistants and Buyers, Costume Designers and Assistant and Buyers, Accountants and Assistants, Estimators, Editors and Assistant Editors, Production Assistants, Assistant Directors, and Sound Mixer driving the Sound Mixer's own vehicle that is equipped with sound equipment. However, these categories shall not infringe or do work that is historically performed within Local Union No. 155's jurisdiction and within the scope of the Transportation Department. Any violations shall be subject to the Grievance Procedure in Article Eleven of the Master Agreement.
- B1.03** When production of a motion picture commences in British Columbia and subsequently continues production outside of the Province, and Teamsters are employed and taken outside of the Province for said production, all terms of this Agreement shall apply to those Teamsters to the extent permitted by law.
- B1.04 Transportation Coordinator:** The Employer shall employ a Transportation Coordinator to make arrangements with respect to the purchasing, leasing or renting of vehicles which may be required by the Employer. All such arrangements shall be subject to the Employer's approval. The Transportation Coordinator shall be responsible for the supervision of

Teamsters employed by the Employer or its agent. (Discipline or dismissal is solely vested with the Employer.)

B1.05 Driver Captain: The Employer shall employ a Driver Captain, who is subject to this Agreement, to make all arrangements and perform all duties assigned by the Transportation Coordinator. The Driver Captain shall be responsible for the direction of Teamster Employees of the Employer as guided by the Transportation Coordinator.

B1.06 Specialized Equipment: When the Employer requires specialized equipment that is not available in the jurisdiction and such equipment must be brought in from another jurisdiction and a condition of rental is that the lessor must supply the driver, the Union agrees that such driver may be used provided that the driver is a member in good standing of a Teamsters' Local Union. In that event, the driver may be employed subject to the wages and conditions of the driver's own Local Union.

Notwithstanding the above, in the unlikely event that the Employer may require specialized equipment from outside the jurisdiction and a condition of rental is the lessor supply the driver and that driver is not a member of a Teamsters Local Union, that driver shall be employed at rates, terms and conditions no less than those contained herein.

B1.07 Security: When the Employer requires Security personnel (other than licensed and bonded Guards) with respect to vehicles, mobile equipment, animals and supplies associated with the same, such work shall be performed by the Employees of the Employer who are bondable members of the Union. Alternatively, the Employer shall obtain the services of a Security Firm having a collective agreement with Local Union No. 155 or equivalent.

B1.08 Security Captain: There shall be no requirement to designate a Security Captain, except that an individual who is required by the Employer to supervise two (2) or more Security Personnel employed by the Employer shall be designated as a Security Captain. In no event shall the Employer be required to designate more than one (1) Security Captain. It is understood that the Security Captain may be required to perform regular security duties.

B1.09 When the Employer requires the services of a Food Catering Firm with mobile equipment, such work shall be performed by Employees of the Employer who are members of the Union. Alternatively, the Employer shall obtain the services of a Food Catering Firm having a collective agreement with Local Union No. 155 or equivalent.

B1.10 No Employee, except the Transportation Coordinator, shall be required or permitted to make written or verbal agreements with the Employer or its representative which conflicts with this Collective Agreement. Such an Agreement shall not be effective without prior approval of the Union.

B1.11 Dispatch and Layoff:

- (a) Notwithstanding any other provision of this Master Agreement, no person shall be considered to be an Employee with the rights under this Agreement by the sole reason of being eligible to be dispatched from the Union to the Employer. A person will be considered employed by the Employer when the person is actually

dispatched by the Union and the Employer accepts the dispatch assignment. The Employer shall not refuse to accept a dispatched member or delay acceptance of such dispatched member except for just and reasonable cause. Just and reasonable cause for purpose of this provision shall include, but is not limited to:

- (i) Previous discharge from the employ of the Employer;
 - (ii) Being subject to discipline for reasons of safety by the Employer or another movie industry employer at the time the dispatch request is made notwithstanding that an arbitrator may later set aside or modify such discipline.
- (b) For the purposes of dispatch and layoff, Employees shall be a member of one of two groups: Group 1 and Group 2. Members shall belong to Group 2 for seven (7) years prior to becoming eligible for inclusion in Group 1.
- (c) Employees shall be dispatched by the Union on the following basis:
- (i) The Employer shall select the Transportation Coordinator and Captain(s) from among the Union's membership regardless of seniority or length of membership ("name request").

The Transportation Coordinator chosen by the Employer may be a member already working in any classification of a production of the Employer.

- (ii)
 - 1. The Union shall dispatch or the Employer may directly employ persons for employment in the following order:
 - First: Persons in Group 1 who have been selected by an Employer and who accept dispatch.
 - Second: Persons in Group 1 who are available and qualified for dispatch according to Teamsters 155's dispatch procedure.
 - Third: Persons who are in Group 2 who have been selected by an Employer and who accept the dispatch.
 - Fourth: Persons who are in Group 2 and who are available and qualified for dispatch according to the Union's dispatch procedure.
 - 2. When the Union is unable to supply available and qualified persons in accordance with the preceding section, the Employer may employ any person under the terms of the Master Agreement.
 - 3. The Employer shall not unreasonably refuse to accept persons dispatched by the Union. Notwithstanding the foregoing, the

Employer may refuse to employ a driver dispatched by the Union if the driver has exceeded or will exceed the maximum Hours of Service as a result of such employment. Each driver shall track the driver's Hours of Service and shall not accept any call if the driver has exceeded or will exceed the maximum Hours of Service as a result of such employment.

- (iii) Prior to April 1, 2025, Employers may name request any member in Group 1, until only 4% of the Group 1 members remain. On or after April 1, 2025, Employers may name request any member in Group 1, until only 2% of the Group 1 members remain.
- (iv) Employers may then name request any member in Group 2, until only 4% of the Group 2 members remain. In that case, Employers may choose any individual, provided that those individuals who were not already members of the Union must become members of the Union after thirty (30) days of working in the industry.
- (v) A personal cast driver may be chosen by name request by the Employer provided that the cast member and the driver have a prior working relationship on the production or on a prior production. It is understood that those drivers may be assigned to duties beyond transporting the cast member.
- (vi) A job classification and driver's license classification must accompany any order for a driver. (For example, the Employer should specify whether a Class 3, 4 or 5 license is required when requesting a driver for the "Truck Driver – Over 1 Ton" classification.) If an Employer requests that the Union dispatch a driver possessing a Class 1 license and the driver is assigned to drive a vehicle that does not require a Class 1 license, the Employer shall compensate that driver, for the driver's entire shift, at the "Tractor Trailer (Prod. Van)" / "Special Equipment Driver" rate.
- (d) Special Equipment Drivers hired on a daily basis by an Employer may be chosen by name request.
- (e) Caterers, Animal Wranglers and Trainers, and Marine Coordinators may be chosen by name request by the Employer.
- (f) Lay off of Employees shall be at the discretion of the Employer, but the Employer must lay off Employees from Group 2 before laying off Employees from Group 1. If non-Union members have been hired (i.e., once only 4% of Group 2 members remain), the Employer must lay off the non-Union members prior to laying off Employees in Group 2.

- (g) The Employer shall provide to the Union, on a daily basis, a “rundown sheet” listing the name of each Employee employed on the previous day. Should the Employer fail to provide the “rundown sheet” as required, the Union will contact the Employer to allow the Employer to cure any non-compliance.

ARTICLE B2 SHOP STEWARD

B2.01 The Union shall elect or appoint a Shop Steward to ensure that the provisions of this Agreement are adhered to. The Shop Steward shall have no authority to alter, amend, violate, or otherwise change any part of this Agreement. The Employer shall recognize the Shop Steward as the representative of the Employees, and hereby recognizes that the power to elect a Shop Steward on a production or the elimination of the Shop Steward position is solely vested with the Union. The Union shall notify the Employer by telephone and in writing of the name of the Shop Steward and all respect due the position shall be accorded to the Steward. The Union, Shop Steward(s) or other appointed or authorized Union representative shall resolve all differences and disputes arising under this Agreement only with an authorized and designated representative of the Employer.

ARTICLE B3 TURNAROUND

B3.01 Turnaround:

- (a) Daily Turnaround:
 - (i) There shall be an eight (8) hour rest period between the end of one shift and the next call. If such rest period is encroached, the Employee shall be paid for the encroached time at the same rate such Employee was receiving at the end of the Employee’s preceding shift, but in no event less than one and one-half times (1.5x) the Employee’s straight time contracted hourly rate. In no event shall such rate be in excess of three times (3x) such Employee’s straight time contracted hourly rate.
 - (ii) After sixteen (16) hours of work, which does not include the first meal period, when the daily turnaround is encroached by two (2) or more hours for two (2) consecutive days, the Employee(s) will receive an additional hour of daily turnaround for the next call. This shall not apply to weekend turnaround.
 - (iii) Daily turnaround encroachment shall be calculated pursuant to subparagraph (e) below.
- (b) Six-Day Turnaround: Where the Employee works six consecutive days in a work week, there shall be a continuous thirty-two (32) hour rest period, which includes the eight (8) hour rest period in subparagraph (a)(i) above, for each Employee who works the sixth day in a seven day work week. If such rest period is encroached, such Employee shall be paid at a rate equal to two times (2x) the rate such Employee

was receiving at the end of the preceding shift but in no event in excess of three times (3x) such Employee's straight time contracted hourly rate. Such rate shall be paid for the time beginning at the start of the next call through the end of such encroached thirty-two (32) hour rest period and calculated pursuant to subparagraph (e) below.

(i) Six-Day Worked Turnaround Encroachment Applicable to the Seventh Day of Work Week:

Where the sixth day worked occurs on the seventh day of the work week, there shall be a continuous thirty-two (32) hour rest period between the end of the shift on the fifth day and the commencement of the shift on the seventh day for each Employee who works a sixth day on the seventh day of the work week. If this rest period is encroached, the Employee shall be paid at a rate equal to two times (2x) the rate such Employee was receiving at the end of the preceding shift but in no event in excess of three times (3x) such Employee's straight time contracted hourly rate for the time beginning at the start of the sixth day worked through the end of the encroached thirty-two (32) hour rest period and calculated pursuant to subparagraph (e) below.

Should there be no encroachment of this continuous thirty-two (32) hour rest period no turnaround encroachment will apply and only payment per Article 4.03 shall apply.

- (c) Five-Day Turnaround: There shall be a forty-eight (48) hour rest period (fifty (50) hour rest period, effective on a motion picture, program, mini-series or a season of a series which commences principal photography on or after June 29, 2025), which includes the eight (8) hour rest period in subparagraph (a)(i) above, for each Employee who works a five-day-work week. If such rest period is encroached, such Employee shall be paid at a rate equal to two times (2x) the rate such Employee was receiving at the end of the preceding shift but in no event in excess of three times (3x) such Employee's straight time contracted hourly rate. Such rate shall be paid for the time beginning at the start of the next call through the end of such encroached forty-eight (48) hour rest period (or fifty (50) hour rest period, as applicable) and calculated pursuant to subparagraph (e) below.
- (d) Statutory Holiday Turnaround: There shall be a twenty-four (24) hour rest period, in addition to the rest periods described in subparagraphs (a)(i), (b) and (c) above, for each Employee for a Statutory Holiday. If such rest period is encroached, such Employee shall be paid at a rate equal to two times (2x) the rate such Employee was receiving at the end of the preceding shift but in no event in excess of three times (3x) such Employee's straight time contracted hourly rate. Such rate shall be paid for the time beginning at the start of the next call through the end of such encroached thirty-two (32) hour rest period, fifty-six (56) hour rest period or seventy-two (72) hour rest period, which ever applies, and calculated pursuant to subparagraph (e) below.

- (e) When turnaround is encroached by one-half (.5) hour or less, there shall be a payment of one-half (.5) hour of the encroachment rate. If the rest period is encroached by more than one-half (.5) hour, the encroachment rate shall be computed in one-tenth (.1) of an hour increments for the encroached period.

ARTICLE B4 EXCEPTIONS TO MINIMUM CALLS

B4.01 An Employee may be called to work for not less than four (4) hours' pay at the Employee's contracted hourly rate, or in the case of flat-rate Employees, for not less than one-half (½) the flat-rate Employee's prorated salary for one-half day, for cast and office drivers, airport pick-ups/drop-offs on the driver's sixth and seventh days only.

ARTICLE B5 MISCELLANEOUS

B5.01 Performing Duties in a Higher Classification:

- (a) Any Employee may be required to perform work in any job classification listed in the wage scale.
- (b) If at the direction of the Employer, an Employee works for two (2) hours or more in a classification higher than the classification under which the Employee is called for work, the higher rate shall prevail for the entire workday. The Employee reverts to the Employee's regular classification on the following day unless notified to the contrary.
- (c) Work time in either a higher or a lower classification shall be credited to fulfill the minimum call of the current classification.

B5.02 (a) Employee vehicles can be used for Employer business only if authorized by the Employer. An Employee shall arrange for adequate insurance coverage before using the Employee's motor vehicle on Employer business. It shall not be a violation of this Master Agreement for an Employee to refuse to use the Employee's motor vehicle on Employer business. When an Employee uses a personal vehicle for authorized Employer business, an allowance of the per kilometre rate set forth in the following chart shall be paid.

	Effective April 1, 2025	Effective April 6, 2025	Effective April 5, 2026	Effective April 4, 2027
Per Kilometre Rate	\$0.35	\$0.43	\$0.48	\$0.55

- (b) When the Employer requires an Employee to "pre-set" the Employee's personal vehicle during the course of the workday – that is, to move the Employee's personal vehicle to the location where the Employee will be dismissed at the end of that day – the Employee shall be paid the per kilometre rate set forth in the following chart

for travel to that location and be reimbursed, upon presentation of an appropriate record of payment, for any bridge tolls.

	Effective April 1, 2025	Effective April 6, 2025	Effective April 5, 2026	Effective April 4, 2027
Per Kilometre Rate	\$0.35	\$0.43	\$0.48	\$0.55

For example, on Monday, an Employee is asked to report to North Shore Studios where the Employee picks up the production vehicle and drives to the shooting location for Monday and Tuesday at the University of British Columbia (UBC). During the course of the workday on Monday, the Employee is driven back to North Shore Studios so that the Employee can drive the Employee's personal vehicle to UBC, where the Employee will be dismissed for the day on Monday. The production vehicle remains at UBC where it will be used by the shooting company on Tuesday. The Employee will be reimbursed for travel between North Shore Studios and UBC and for any bridge tolls paid.

The foregoing shall not apply when the Employee drives from one shooting location within the Studio Zone to another shooting location within the Studio Zone during the course of the work day.

B5.03 Second Meal Penalty Buyout: Except as provided in Article 6.07 of the Master Agreement, each Employee whose work schedule extends past the start of the second meal (not counting breakfast) shall receive a meal provided by the Employer or, in lieu thereof, shall be paid the following amount on the next regular paycheque: prior to April 6, 2025, \$30.00 per day (\$25.00 per day for Pilots); effective April 6, 2025, \$35.00 per day (\$25.00 per day for Pilots); and effective April 4, 2027, \$40.00 per day (\$25.00 per day for Pilots). Meal penalties are not applicable.

B5.04 Meal Periods for Caterers: A caterer shall be responsible for scheduling the caterer's own meal periods as follows: The first meal period shall commence within five (5) hours after the start of the caterer's work day; subsequent meal periods shall commence within five (5) hours after the end of the preceding meal period. Caterers shall not incur meal penalties. If a caterer is unable to schedule a timely meal period, the caterer shall notify the production manager or the production manager's designee at least one (1) hour in advance of the time at which the caterer's next meal period would be due and, in the event the caterer does not receive a timely meal period, the caterer shall receive the following amount for that day on the next regular paycheque: prior to April 6, 2025, a thirty dollar (\$30.00) payment (twenty-five dollars (\$25.00) on Pilots); effective April 6, 2025, a thirty-five dollar (\$35.00) payment (twenty-five dollars (\$25.00) on Pilots); and effective April 4, 2027, a forty dollar (\$40.00) payment (twenty-five dollars (\$25.00) on Pilots).

B5.05 It is understood that Security Personnel may be requested by the Employer to provide a vehicle, cell phone or other security/safety related equipment as a condition of employment. In the event that the Employee provides such equipment at the request of the Employer, and the Employee presents to the Employer, prior to production wrap, a CRA

Form T2200 with Part A (“Employee Information”) completed, the Employer will complete and sign the remainder of the form.

- (a) Vehicle: When a vehicle is required by the Employer, the Employer shall pay the Employee at the rate of twenty dollars (\$20.00) per day, effective April 6, 2025.
- (b) Cell Phone: This subparagraph (b) is effective April 6, 2025. An Employer that requires an Employee to use a personal cell phone in order to carry out the duties of the job shall pay the Employee at a rate of \$3.00 per day, not to exceed \$15.00 per week. It is understood that the Employer shall not be required to compensate the Employee when a personal cell phone is used to complete start paperwork or time cards, receive call sheets, receive texts with call times or changes in location or for similar uses which do not involve carrying out the duties of the job.
- (c) Other Security/Safety Related Equipment: The Employer and the Employee will individually negotiate payment for security/safety related equipment, other than a vehicle or cell phone, which is required by the Employer. The dollar amount of any such payment which is negotiated on or after April 6, 2025 will be specified in the individual’s deal memo. It is understood that no payment is required with respect to “tools of the trade” (such as a flashlight).

B5.06 Pre-Trip and Post-Trip Inspections: Before a driver commences to operate the vehicle to which the driver is assigned, the driver shall be provided with sufficient time to complete and document the required pre-trip inspection. The driver must also carry the current pre-trip report (and post-trip report, if required) in the vehicle, in electronic or paper format. Should the driver identify issues which would affect the roadworthiness of the vehicle (“Roadworthy Issues”), the driver will immediately bring those Roadworthy Issues to the attention of the Transportation Coordinator/Captain and the Production Manager. The Employer shall correct any “Major Defects” (as defined in National Safety Code Standard 13) before requiring any driver to operate the vehicle. The Union and the Employer shall make every effort to resolve disputes as to whether a driver was given sufficient time to conduct pre-trip and post-trip inspections expeditiously and through discussion.

B5.07 Employees (Other than Security) Supplying Cell Phones: It is understood that the Employer may require Employees (other than Security Personnel) to supply a cell phone in order to carry out the duties of the job. Prior to April 6, 2025, the Employee may individually negotiate with the Employer for remuneration for such cell phone use. On or after April 6, 2025, an Employer that requires an Employee to use a personal cell phone in order to carry out the duties of the job shall pay the Employee at a rate of \$3.00 per day, not to exceed \$15.00 per week. It is understood that the Employer shall not be required to compensate the Employee when a personal cell phone is used to complete start paperwork or time cards, receive call sheets, receive texts with call times or changes in location or for similar uses which do not involve carrying out the duties of the job.

If the Employee supplies a cell phone at the request of the Employer, and the Employee presents to the Employer, prior to production wrap, a CRA Form T2200 with Part A (“Employee Information”) completed, the Employer will complete and sign the remainder of the form.

ARTICLE B6 USE OF ANIMALS

B6.01 The Employer shall protect animals and prevent their abuse during production, assuring responsible, decent, and humane treatment of animals.

- (a) If the Employer requires any Employee to work with or near animals which are being used in the motion picture, then the animals shall be reasonably secured or cordoned off when they are not being used or when the animals are being used, they shall be under the direct and constant supervision of a qualified trainer/wrangler.
- (b) The Employer shall not require any Employee to do anything, or omit to do anything, which constitutes cruelty to animals.
- (c) The Employer will not intentionally torment or kill an animal in the production of a motion picture except that the photography of animals under the provisions of a legal hunting season will be excluded.

The Employee reverts to the Employee's regular classification on the following day unless notified to the contrary.
- (c) If a Camera Operator is upgraded to the position of Director of Photography or, when allowed, to the position of D.O.P./Operator, the Camera Operator shall be paid at the Director of Photography rate for all time worked in that classification; if the Camera Operator works two (2) hours or more as a Director of Photography, the Camera Operator shall be paid at the Director of Photography rate for the entire workday.

The Employer shall inform the Stills Photographer and Local 669 regarding the method under which the Stills Photographer will be hired on the date of hire.

- (c) When the Employer requires digital processing by the Stills Photographer and due to time constraints the processing cannot be completed during the Stills Photographer's minimum call, the Employee, with the authorization of the Production Manager or Producer, will perform such work and will be paid a minimum of one (1) hour or the actual authorized time worked, whichever is greater, at one and one-half times (1.5x) the Employees' *pro rata* contracted hourly rate. Hours paid under this clause shall be considered as time worked, but shall not be included in calculating turnaround or meal penalties. Travel will not be considered work time under this paragraph.

C3.02 Location, Continuity and Administrative Photography: For the purpose of making location photographs, or photographs for pre-production, production, administrative, or continuity, none of which are to be used for other than continuity or identification, the Employer may designate a person or persons, other than a Stills Photographer, to make such photographs and such person shall not be subject to the terms and conditions of the Master Agreement.

 - (i) Provided that not more than one (1) Non-Local 669 Stills Photographer shall be utilized simultaneously on a single production, and is not utilized for more than one-half (½) of the production's shooting schedule on a cumulative basis; and,

ARTICLE C7 TURNAROUND

C7.01 Turnaround:

 - (iii) With respect to all productions other than the first year of a television series: When daily turnaround is encroached by two (2) or more hours for two (2) consecutive days, the Employee(s) will receive an eleven (11) hour rest period between the end of such second consecutive day and the next day's call.
 - (iv) Daily turnaround encroachment shall be calculated pursuant to subparagraph (e) below.

- (b) Six-Day Turnaround: Where the Employee works six consecutive days in a work week, there shall be a continuous thirty-four (34) hour rest period, which includes the ten (10) hour rest period in subparagraph (a)(i) above, for each Employee who works the sixth day in a seven day work week. If such rest period is encroached, such Employee shall be paid at a rate equal to two times (2x) the rate such Employee was receiving at the end of the preceding shift but in no event in excess of three times (3x) such Employee's straight time contracted hourly rate. Such rate shall be paid for the time beginning at the start of the next call through the end of such encroached thirty-four (34) hour rest period and calculated pursuant to subparagraph (e) below.

- (i) Six-Day Worked Turnaround Encroachment Applicable to the Seventh Day of Work Week:

Where the sixth day worked occurs on the seventh day of the work week, there shall be a continuous thirty-four (34) hour rest period between the end of the shift on the fifth day and the commencement of the shift on the seventh day for each Employee who works a sixth day on the seventh day of the work week. If this rest period is encroached, the Employee shall be paid at a rate equal to two times (2x) the rate such Employee was receiving at the end of the preceding shift but in no event in excess of three times (3x) such Employee's straight time contracted hourly rate for the time beginning at the start of the sixth day worked through the end of the encroached thirty-four (34) hour rest period and calculated pursuant to subparagraph (e) below.

British Columbia and Yukon Council of Film Unions

Supplemental Master Agreement

Preamble: All of the terms and conditions of the British Columbia and Yukon Council of Film Unions Master Agreement (“Master Agreement”) shall apply to productions under this Supplemental Master Agreement (“Supplemental Agreement”) except as modified herein.

The Enabling Procedure set forth in Article 1.16 of the Master Agreement shall also apply to productions covered by the Supplemental Master Agreement.

S1. Definitions:

S1.01 The terms used in this Supplemental Agreement shall have the same meaning as in the Master Agreement unless otherwise defined.

S1.02 “Budget” means the total budget for a project and shall include offsets for tax credit and production incentives, but does not include a contingency up to ten percent (10%) of the Budget, costs of financing and bonds.

S1.03 “Canadian Domestic Television Production” means television production without a U.S. distribution agreement at the commencement of principal photography.

S1.04 “Feature Film” means a motion picture produced for initial exhibition in a commercial motion picture theatre.

S1.05 “Long-form Television Motion Picture” means a motion picture such as a movie-of-the-week or mini-series intended for exhibition on television, including cable television.

S1.06 “Television Series” means all episodic television productions outside of the exclusive jurisdiction defined in Article 1.04 of the Master Agreement.

S1.07 “Home Video” means productions made for non-theatrical release.

S2. Applicability and Adherence:

S2.01 This Supplemental Agreement is applicable only to production outside of the Exclusive Jurisdiction defined in Article 1.04 of the Master Agreement.

S2.02 Any person or corporation now or hereafter engaged in the business of producing motion pictures in British Columbia shall be afforded the opportunity of becoming a party to this Supplemental Agreement pursuant to the decision rendered by the British Columbia Labour Relations Board in Case No. 22492 on December 15, 1995. This Supplemental Agreement does not bind the Producers; a Producer is not an "Employer." However, any person or corporation that desires to become a party to this Agreement will provide the Council with an executed Letter of Adherence, which is a statement of agreement to be bound to the terms and

conditions of this Supplemental Agreement for a specific production or for a definite period of time within the Term of this Supplemental Agreement along with an acknowledgement of the Council's Prior Obligations set forth in the written notice described in Article 1.03 of the Master Agreement. Any person or corporation that provides the Council with an executed Letter of Adherence is hereinafter referred to as the "Employer" for the specific production or period of time covered thereby. Notwithstanding the foregoing, when reasonable grounds exist to believe that a prospective Employer will be unable to meet its financial obligations under this Supplemental Agreement the Council may require appropriate security bonding arrangements in order to permit that prospective Employer to adhere to the Supplemental Agreement.

Productions Made for New Media

This confirms the understanding of the British Columbia Council of Film Unions (“BCCFU”) and the Negotiating Producers concerning the terms and conditions which the Employer may elect to apply to the production of entertainment motion pictures of the type that have traditionally been covered under the Master Agreement or the Supplemental Master Agreement which are made for the Internet, mobile devices, or any other new media platform in existence as of March 29, 2009 (hereinafter collectively referred to as “New Media”).¹

When the parties entered into the 2015 negotiations, they mutually understood that the economics of New Media production were uncertain and that greater flexibility in terms and conditions of employment was therefore mutually beneficial. The parties understood that if one or more business models developed such that New Media production became an economically viable medium, then the parties would mutually recognize that fact in future agreements.

During the 2018 negotiations, in recognition of emerging subscription consumer pay New Media services exhibiting high budget dramatic productions, the parties agreed to modify the terms and conditions for “high budget” dramatic productions made for subscription consumer pay New Media platforms as provided in Paragraph D. below.

A. Terms and Conditions of Employment on Derivative New Media Productions (Other than High Budget Derivative Dramatic Motion Pictures and Series Made for Subscription Consumer Pay New Media Platforms)

A “Derivative New Media Production” is a production for New Media based on an existing dramatic television motion picture covered by the Master Agreement, including the Supplemental Master Agreement, that was produced for “traditional” media – *e.g.*, a free television, basic cable or pay television motion picture (“the source production”) – and is otherwise included among the types of motion pictures traditionally covered by the Master or Supplemental Master Agreements.

Except as provided in Paragraph D. below with respect to High Budget Derivative Dramatic Motion Pictures and Series Made for Subscription Consumer Pay New Media Platforms, the terms and conditions applicable to Derivative New Media Productions are as follows:

Employees may be employed by an Employer and assigned to a Derivative New Media Production as part of their regular workday on the source production. The work for the Derivative Production shall be considered part of the workday for the Employees on the source production and shall trigger overtime if work on the Derivative Production extends the workday on the source production past the point at which overtime would normally be triggered on the source production. All other terms and conditions, including fringe

¹ This Sideletter applies to the production of certain types of programs intended for initial use in New Media and does not cover work involved in the selection of content for, design or management of any website or any other New Media platform on which productions made for New Media appear.

benefits, shall continue as if the Employee were continuing to work on the source production.

In all other situations, terms and conditions of employment are freely negotiable between the Employee and Employer, to the extent permitted by the B.C. Employment Standards Act, except for those provisions identified in Paragraph C. below, and provided that the Employee and Employer cannot negotiate wages and overtime less than the minimums set out in the B.C. Employment Standards Act for Employees not covered by a collective agreement.

B. Terms and Conditions of Employment on Original New Media Productions (Other than High Budget Original Dramatic Motion Pictures and Series Made for Subscription Consumer Pay New Media Platforms)

Terms and conditions of employment on Original New Media Productions (other than High Budget Original Dramatic Motion Pictures and Series Made for Subscription Consumer Pay New Media Platforms) are freely negotiable between the Employee and Employer, to the extent permitted by the B.C. Employment Standards Act, except for those provisions identified in Paragraph C. below, and provided that the Employee and Employer cannot negotiate wages and overtime less than the minimums set out in the B.C. Employment Standards Act for Employees not covered by a collective agreement.

C. Other Provisions

(1) Fringe Rates

- (a) The aggregate fringe rate payable for Pension, Health, Holiday Pay and Vacation Pay on covered Derivative New Media Productions and Original New Media Productions with a Budget under \$25,000 CAD per exhibited minute shall be eleven and one-half percent (11.50%) of straight time earnings only.
- (b) The aggregate fringe rate payable for Pension, Health, Holiday Pay and Vacation Pay on covered Original New Media Productions with a Budget over \$25,000 CAD per exhibited minute shall be sixteen and one-half percent (16.50%) of straight time earnings only.
- (c) For the purposes of this Paragraph C., the term “Budget” shall mean the total budget for a project and shall include offsets for tax credit and production incentives but does not include a contingency up to ten percent (10%) of the Budget, costs of financing and bonds.

The Council shall allocate the percentage among the aforementioned fringe categories. The Employer is not required to make Pension and Health contributions on behalf of any Employee who has been issued a work permit, provided that proof of payment to such Employee’s applicable IATSE or Teamsters Pension and Health plan is provided to the Council.

(2) Grievance and Arbitration

The provisions of Article Eleven of the Master Agreement, "Grievance and Arbitration" shall apply.

(3) Staffing

It is expressly understood and agreed that there shall be no staffing requirements on New Media Productions and that there will be full interchange of job functions among Employees, so that a single Employee may be required to perform the functions of multiple job classifications covered hereunder.

(4) No Strike, No Lockout

The provisions of Article 1.12 of the Master Agreement, "No Strike, No Lockout," shall apply.

Any such request shall be made within thirty (30) days from the commencement of principal photography. The Council shall treat all budget top sheets provided to it as confidential.

WORK PERMIT APPLICATION FORM—page 2

Permits will be granted under §3.03 if they meet the following conditions.

After the Employer has given reasonable consideration (including the granting of an interview if requested by a Council-member Union) to available qualified applicants, the Council will grant to the Employer work permits for persons who satisfy the following criteria:

- (a) Persons who hold two (2) screen credits on dramatic productions (including situation comedy) that have employed the proposed Director, Producer, or Director of Photography; or
- (b) Persons who:
 - (i) hold three (3) screen credits in the position for which the persons will be employed; or
 - (ii) have personally received at least one (1) nomination for an internationally recognized industry award (*e.g.*, Academy Award, Emmy Award, Golden Globe, Genie, Gemini, British Academy Award, Canadian Screen Award); or
- (c) Persons who will operate specialty equipment not available in British Columbia; or
- (d) Persons for whose position the Council-member Union is unable to supply qualified personnel.
- (e) Unless mutually agreed to, permits issued under Article 3.03(a) and (b) above will be limited to one (1) per Department, provided, however, Council-member Unions will not unreasonably deny granting additional work permits consistent with past practices.

Work permits granted under Article 3.03 are in addition to and separate from permits granted under Article 3.02 and Article 3.04. Furthermore, all work permits granted under Article 3.02, Article 3.03 and Article 3.04 will not result in the hiring of a counterpart position under Article 3.05.

The Employer hiring any person not represented by the Council for any job classification described in the appendices to this agreement shall secure a Work Permit from the appropriate Council-member Union and if necessary, secure clearance from Canada Employment and Immigration (CEIC) in cooperation with the appropriate Council-member Union.

The rates, conditions, and/or terms of this Master Agreement must be fully met, except when another collective agreement applies which does not diminish the terms of this Agreement.

The Company understands that permits granted under §3.04 shall only authorize the permitted individual to perform job tasks on the individual Cast member specified, and that Cast member's Stunt and/or Photo Double. If the permitted Employee is unavailable to implement these duties, then an IATSE 891 member will be assigned as needed.

The Company understands that permits granted under §3.05 are contingent upon a counterpart employee being hired from within the membership of IATSE Local 891. Said match employee shall be filled at the discretion of the applicable department in concert with IATSE Local 891. In the situation where a permit being granted is contingent on a counterpart position being hired from IATSE Local 891, the member must be employed for at least the same work hours.

If, following the issuance of a Union driven Work Permit, a member of the applicable Council Union who is capable, in the Union's opinion, of performing the work required becomes available, the union may revoke the work permit. The Employer agrees to discharge any Employee, except Heads of Departments and First Assistants/Best Boy, and Second Assistants whose work permit has been revoked and shall hire the Union member who is available. This does not apply to guaranteed work permits as outlined in 3.02, 3.03 and/or 3.04.

By signing this form, the Company is bound by the terms herein.

Dear Messrs. Ramsden and Vernon:

During the negotiations of the 1996 Master Agreement, IATSE Local 891, IATSE Local 669 and the undersigned negotiating producers agreed to incorporate into the Master Agreement a provision creating probationary periods of employment for weekly Employees of both Local 891 and Local 669. The negotiating parties agreed that dismissal for just and reasonable cause includes dismissal for artistic and creative differences and/or unsuitability.

In the unlikely event that any disputes may arise concerning a discharge of a post-probationary-period Employee, the parties to such dispute will employ the services of a "Non-Binding Trouble Shooter," like that used in the British Columbia Health Care Providers System, to address any such disputes prior to implementing the grievance and arbitration procedure set forth in Article Eleven of the Master Agreement.

The costs of such Trouble Shooter will be shared equally by the parties. The Trouble Shooter's findings will be non-binding and inadmissible as evidence should the matter proceed to arbitration.

The VFX employees, set out below, may be employed directly by the production upon the following terms and conditions. This Agreement is not to be used to prohibit or inhibit the historical rights and practices of producers to have VFX work performed by third parties and employees, including those from other jurisdictions, without regard to union status or union affiliations. The parties agree that:

1. The Employer shall have the unrestricted right to subcontract any or all VFX work of a production without restriction as to union status, membership, or affiliation.

4. These rates are basic minimum scale rates. Nothing in this Sideletter shall prevent the Employer from paying the employees a rate higher than these minimum rates, but no Employer will be obligated to pay more than the minimum rates without bargaining with an individual employee for a higher rate and reaching an agreement to pay that employee a higher rate.

Re: Operation of Video Cameras

Dear Gerry:

This letter confirms the parties' agreement reached during the negotiations for the 2000 Master Agreement that the parties will refer to the Consultation Committee for discussion the issue of the use of video cameras by persons other than Local #669 Video Camera Operators for purposes of assisting in the securing of location, or for pre-production purposes, production, administrative or continuity purposes. The parties will recommend that the Consultation Committee adopt the following language in a sideletter to the Master Agreement:

"For the purpose of assisting in the securing of location, or for pre-production purposes, production, administrative, or continuity purposes, none of which are to be used for other than continuity or identification, the Employer may designate a person or persons, other than a Local #669 Video Camera Operator, to operate a Video Camera and such person shall not be subject to the terms and conditions of the Master Agreement. The Employer agrees to notify the camera crew and the Union as to the identity of said person(s).

Please confirm your agreement and acceptance by executing the originals of this letter, which will arrive by mail, in the space provided and returning one of the three originals to me and one to Richard Longpre.

Sincerely,

J. Nicholas Counter III

Sideletter – Reconciliation, Equity, Diversity and Inclusion

The Negotiating Producers, on the one hand, and the Council and its Council-member Unions, on the other hand (collectively referred to as the “Parties”), recognize their joint interest in promoting reconciliation, equity, diversity and inclusion in the workplace, so that Indigenous people and people from disadvantaged and under-represented groups are provided with employment opportunities and greater representation in the film and television industry in British Columbia. The Parties’ goal in pursuing these initiatives is to increase measurably the diversity in the active workforce in the film and television industry in British Columbia, at all times guided by the British Columbia’s Human Rights Code and its principles.

In furtherance of this goal, the Parties shall form a committee (“Committee”) within thirty (30) days of ratification consisting of:

- a. one representative from the Council;
- b. one representative from each of the Council-member Unions; and
- c. four representatives from the Negotiating Producers.

The Committee shall be co-chaired by one Council-member Union representative and one Negotiating Producer representative.

The Committee’s first meeting shall take place within 30 days of its formation and shall meet on a quarterly basis thereafter. The Committee may choose to meet more frequently as needed to accomplish its work, which shall include the matters described in this Sideletter.

The parties recommend that funding of costs associated with the application for the special program be provided by the BC Motion Picture Training Society, and that the Training Society take any necessary steps to effectuate its provision of funding. The Committee will discuss funding for costs associated with the work of the Committee which are not otherwise borne by the Employer, the Council or its Council-member Unions.

Special Program

The Parties agree to make a joint application for a special program under Section 42 of the British Columbia Human Rights Code (“BCHRC”). The Committee will promptly develop and mutually agree on the elements of the special program.

1. The goals of the special program include to:
 - (a) address under-representation and/or barriers in the industry faced by persons or groups with one or more protected characteristics;
 - (b) provide meaningful employment opportunities that will allow such persons to establish and maintain a career in the industry; and
 - (c) establish accountability and monitoring, including ways to measure and track success in increasing diversity in the active workforce.
2. The Committee will:
 - (a) establish which groups with protected characteristics as set out in the BCHRC (“Protected Characteristics”) are statistically under-represented in the BC film industry as compared to the general BC labour pool, understanding that the purpose of examining the general BC labour pool is to ascertain where gaps exist in representation within the industry;
 - (b) identify those groups the Parties intend to prioritize with the special program, including groups identified in Paragraph 2.(a) above or other groups deemed to be a priority by the Committee (the “Target Group(s)”), and make such recommendations as it considers necessary to ensure that hires and trainees under the special program as set out in this Sideletter reflect these priorities;
 - (c) develop mechanisms to allow the Council-member Unions to collect and maintain a database of persons on the Council-member Union hiring rosters who voluntarily self-identify as having one or more Protected Characteristics;
 - (d) allow Employers to provide meaningful employment opportunities to such persons;
 - (e) allow Employers to seek and hire Trainees from existing Council-member Trainee programs or otherwise;
 - (f) identify and ameliorate specific barriers to entry and retention in the industry, including accommodations;
 - (g) identify how to track, and regularly report to the Parties, success in increasing diversity in the active workforce; and

- (h) agree on the time frame in which the special program shall be in effect, subject to a mutual agreement to make a renewal application to, or otherwise, extend it in whole or in part.
- 3. As part of the Parties' shared commitment to the goal of increasing diversity, the Parties agree to cooperate in providing whatever additional information the Committee and/or BC Office of the Human Rights Commissioner may require while complying with BC privacy and other applicable law.
- 4. Subject to approval of the application for the special program, the Parties agree that:
 - (a) Employers will be permitted to seek candidates who already possess the skills necessary for work in the industry for employment based on Protected Characteristics;
 - (b) Employers may make such requests to the Council and its Council-member Unions for dispatch of Employees in the Target Groups and to hire Employees based on membership in the Target Groups as set out in this Sideletter.
 - (c) In addition to seeking individuals from the Target Groups who already possess skills necessary for work in the industry, the special program will also seek to recruit and train such Employees to acquire the necessary skills and experience for a career in the industry.
 - (d) The special program will permit collection of information regarding the Protected Characteristics of the existing and future workforce by asking Employees to self-identify, so that the Parties can measure whether they are making progress towards the goal of increasing diversity.
 - (e) The Parties further agree that implementation of special programs or training programs approved under this Sideletter will not constitute a violation of Article 1.20 of the Master Agreement.
- 5. For greater clarity, and subject to approval under the special program, the following will permit the Employer and the affected Council-member union to agree to hire persons who have voluntarily self-identified as being a member of a Target Group(s) on specific productions as set out below:
 - (a) For IATSE Local 891:
 - i. If the Employer is directly hiring Employees, the Employer shall request from IATSE Local 891 a list of those in a particular classification on the Department Roster who are from a Target Group(s). Once due consideration is given to those available individuals on the Department Roster, the Employer may request a list of those in the same classification on the Auxiliary Roster who are from a Target Group(s). If IATSE Local

891 is unable to fulfill the Employer's request from those on the Department Roster or Auxiliary Roster, the Employer may engage a qualified individual from the Target Group from outside the Department Roster/Auxiliary Roster pursuant to the special program under this paragraph 5(a)i. The maximum number of individuals hired pursuant to the preceding sentence at any given time shall be limited to no more than one (1) in any one (1) department. Further, an Employer may only hire an individual from outside the Department Roster/Auxiliary Roster pursuant to this paragraph 5(a)i. in a particular department if at least one (1) individual on either the Department Roster or Auxiliary Roster is engaged in that department, provided that a qualified individual from the Department Roster or Auxiliary Roster is available.

- ii. If the Employer is requesting Employees through Dispatch, the Employer may request priority Dispatch under the special program of individuals from the Target Group(s), and IATSE Local 891 will dispatch individuals in the Target Group(s), if any are available. Such requests shall be limited at any given time to one (1) in departments of two (2) to seven (7) Employees and two (2) in departments of eight (8) or more Employees.
- iii. Any individual hired under i. shall be included in the aggregate number of persons dispatched under ii. The aggregate number of individuals hired on a production under i. and ii. above shall be limited to no more than twelve (12) at any given time.
- iv. For purposes of this paragraph 5(a), the departments shall be as follows: Accounting; Art; Construction/Painting; Costume; Editing; First Aid/Craft Service; Greens; Grips; Hair; Lighting/Electrics; Make-Up; Production Office; Props/Set Decorating; Script Supervisor/Continuity Coordinator; Sound/Video; and Special Effects.
- v. An individual not on the Department Roster/Auxiliary Roster who has worked at least one (1) day pursuant to the special program provisions of paragraph 5(a)i. above shall be entitled to the same priority in hiring and layoff pursuant to the 'Order of Dispatch' provisions in paragraph 5 of Article A1.09 and the provisions of Article A1.11 as is applicable to any individual on the Auxiliary Roster in the same classification. That is, that individual may be hired directly by the Employer notwithstanding the fact that qualified persons on the Auxiliary Roster may be available. The individual may also continue to be hired pursuant to the special program provisions of paragraph 5(a)i. above. The Union shall maintain a listing of individuals who, by virtue of their employment under paragraph 5(a)i. above, are entitled to the same priority in hiring as any person on the Auxiliary Roster. The Union shall make the list freely available to Employers in a form in which it can be readily accessed.

(b) For Teamsters Local Union No. 155:

- i. If the Employer is requesting Employees who belong to a Target Group through Dispatch Referral, the Employer may ask Teamsters Local Union No. 155 to dispatch members from its Membership Roster who are from the Target Group, based on their seniority relative to other members who are from that Target Group. If no available members have identified as belonging to the Target Group, the Employer may ask the Union to dispatch individuals who are from that Target Group from the Teamsters' permittee list. If no qualified individual on the permittee list is available, the Employer may engage a qualified individual from outside Groups 1 and 2 and outside the permittee list pursuant to paragraph 5(b)ii. below.
- ii. If Teamsters Local Union No. 155 is unable to fulfill the Employer's request from Groups 1 or 2 (or from those on its permittee list in the case of an Employer who has elected to ask the Union to dispatch individuals from the Target Group from the permittee list), the Employer may engage a qualified individual from the Target Group from outside Groups 1 and 2 and the permittee list pursuant to the special program under this paragraph 5(b)ii. The maximum number of individuals hired pursuant to this paragraph 5(b)ii. at any given time shall be limited to two (2) per production with no more than one (1) in the Transportation department and one (1) in the Security department. Further, an Employer may only hire an individual under this paragraph 5(b)ii. in the Transportation department if at least one (1) individual from Group 1 or Group 2 is engaged in that department, provided that there is a qualified individual from Group 1 or Group 2 available.
- iii. If the Employer is requesting an employee by name and the person so requested is from the Target Group and accepts the job, then the Union will refer that person in accordance with the individual's seniority relative to other individuals in Group 1 or 2 or on the permittee list who are from that Target Group.
- iv. The Employer shall be limited to requesting a maximum, per production and at any given time, of two (2) special program hires in departments with ten (10) or more employees, and one (1) special program hire in departments with fewer than ten (10) employees.
- v. Nothing in this provision shall prevent Teamsters Local Union No. 155 from referring people belonging to Target Groups in Groups 1 or 2 or on the permittee list through the regular operation of its referral practices above the maximums set out in this provision.
- vi. An individual who is not in Group 1 or 2 nor on the permittee list and who is employed pursuant to paragraph 5(b)ii. above shall be entitled to the

same priority in hiring and layoff as is applicable to any individual on the permittee list. The individual may also continue to be hired pursuant to the special program provisions of paragraph 5(b)ii. above. The Union shall maintain a listing of individuals who, by virtue of their employment under paragraph 5(b)ii., are entitled to the same priority in hiring as any person on the permittee list. The Union shall make the list freely available to Employers in a form in which it can be readily accessed.

- (c) For ICG 669:
 - i. It is mutually understood that an Employer may hire an Employee from a Target Group from the short-term and long-term availability lists for ICG 669 under the special program.
 - ii. If there is no available Employee from the Target Group on the ICG 669 availability list(s), the Employer may engage one (1) qualified individual at any given time from outside the current membership pursuant to the special program under this paragraph 5(c)ii. An ICG 669 trainee who has already been assigned to the production shall not be displaced by an individual hired under this paragraph 5(c)ii.
 - (d) Individuals hired pursuant to paragraphs 5(a), (b) and (c) above shall not be subject to any bumping provisions.
- 6. An individual hired pursuant to the special program must have resided in British Columbia for at least six months prior to being hired and must be a citizen or permanent resident of Canada, unless the individual is a recognized refugee in Canada. The applicable Council-member Union shall not unreasonably deny a request by an Employer to waive the foregoing requirements for an individual who has demonstrated a commitment to residing in British Columbia. Persons hired pursuant to the special program shall work under the Master Agreement or Supplemental Master Agreement, as applicable.
 - 7. An individual hired pursuant to the special program must successfully complete the Workplace Hazardous Materials Information Systems (WHMIS) course on or prior to the individual's first day of employment, and must successfully complete the following courses within the same timeline as is applicable to any other individual working under the Master Agreement or Supplemental Master Agreement:
 - (a) Actsafe Motion Picture Safety 101 – General Safety Awareness; and
 - (b) MPPIA Motion Picture Industry Orientation (including the Motion Picture Industry Orientation exam).
 - 8. If an individual hired pursuant to the special program completes a course specified in paragraph 7 above while in the employ of an Employer, the Employer shall reimburse the individual for the cost of the course and shall compensate the individual for time spent in

completing the course at the individual's straight time contracted hourly rate.

9. Any individual hired pursuant to the special program whose job duties cannot be performed without fulfilling a statutory entrance requirement(s) (e.g., Advanced First Aid for First Aid/Craft Service, Red Seal certificate and/or Beauty Council of BC Certificate of Qualification for Hair; Professional Cook Red Seal Endorsement, Elevated Platform tickets, Forklift tickets, Firearms PAL, Class 1, or 3/4 Driver's License, Security Worker License) must satisfy the requirements prior to working on a production.

Training Program

10. The application for the special program will include provisions which allow the Committee and the affected Council-member Union to modify established training programs or develop new ones to hire trainees from the Target Group(s) ("Trainees"), so that they will have opportunities for hands-on training and continued work in the film and television industry in British Columbia.

IATSE Local 891 Training Program

11. Subject to approval of the application for the special program, the following provisions will be implemented with respect to IATSE Local 891:
 - (a) Trainees must have resided in Canada for at least six months prior to commencing participation in the training program and must be citizens or permanent residents of Canada, unless the trainee is a recognized refugee in Canada. IATSE Local 891 shall not unreasonably deny a request by an Employer to waive the foregoing requirements for an individual who has demonstrated a commitment to residing in British Columbia.
 - (b) On each production, the Employer may place one Trainee in each recognized department of IATSE Local 891. During the assignment, the Trainee may learn and perform bargaining unit work within an otherwise fully staffed department. Trainees in this capacity will not displace any crew members working under the terms of the BCCFU Master Agreement and will be an additional position in the department. The Employer will consult the department head about the placement. Trainees are not to be utilized to displace experienced Employees and shall work under the supervision of the appropriate department head.
 - (c) Any such Trainee must successfully complete the Workplace Hazardous Materials Information Systems (WHMIS) course on or prior to the first day of employment, and must successfully complete the following courses within sixty (60) calendar days of their first day of work on a production:
 - i. Actsafe Motion Picture Safety 101 – General Safety Awareness; and
 - ii. MPPIA Motion Picture Industry Orientation (including the Motion Picture Industry Orientation online exam).

- (d) The Employer shall reimburse the Trainee for the cost of the courses in paragraph 8(c) above and shall compensate the Trainee for time spent in completing such courses at the rate specified in paragraph 8(f) below.
- (e) Any Trainee whose job duties cannot be performed without fulfilling a statutory entrance requirement(s) (e.g., Advanced First Aid for First Aid/Craft Service, Red Seal certificate and/or Beauty Council of BC Certificate of Qualification for Hair, Elevated Platform tickets, Forklift tickets, Firearms PAL) must satisfy the requirement(s) prior to placement on a production.
- (f) Trainees shall work under the Master Agreement or Supplemental Master Agreement, as applicable, and shall be compensated at the Accounting Trainee rate.
- (g) An Employer may employ a Trainee on a participating production on a weekly basis of five (5) days per week on a single production in any single classification.
- (h) An Employer has discretion to continue to employ a Trainee up to a maximum of one hundred twenty (120) days and may allow a Trainee to rotate to another of its productions (or a production of an affiliated or related Employer).
- (i) A Trainee who works ninety (90) work days in any one department and who has applied for and been accepted into membership with Local 891 (which membership shall not be unreasonably withheld) will be added to the Department Roster, and will be removed from the Trainee Program. In the event that an Employer (or its related or affiliated Employers) does not have sufficient work to employ a Trainee for the ninety (90) work days necessary to obtain placement on the Department Roster, other unrelated or unaffiliated Employers may hire that individual as a Trainee under the provisions of this paragraph 11, or, if the Trainee has completed sixty (60) work days in any one department as a trainee, under the provisions of paragraph 5(a) above. An Employer shall notify Local 891 of any Trainee who has not yet completed the ninety (90) work days necessary for placement on the Department Roster and who is no longer working for that Employer (or a related or affiliated Employer) due to insufficient work, and indicate the number of work days that the Trainee has completed in each department in which the Trainee worked. Local 891 shall maintain a list of such Trainees, as well as the number of work days each Trainee has completed in a given department, and shall make the list freely available to Employers in a form in which it can be readily accessed.

ICG Local 669 Training Program

- 12. Effective no later than September 1, 2022, ICG 669 shall reduce the number of days that a Trainee in the existing ICG 669 2nd AC Camera Trainee Program must work to gain membership to 100 days. ICG 669 also agrees that the application for the special program will include provisions modifying the existing ICG 669 2nd AC Camera Trainee

Program to increase the emphasis placed upon diversity in the selection of Trainees and allowing the Employer to request Trainees from Target Group(s). The rate applicable to Trainees in the existing ICG 669 2nd AC Camera Trainee Program shall be equal to the Accounting Trainee rate, effective as of the first Sunday following the later of: (1) the effective date of the reduction in work days required of a Trainee for membership; and (2) the date that the special program is approved with the modifications described in the preceding sentence.

Communications Plan

13. The Parties acknowledge the importance of receiving the support of the membership of the Council-member Unions in achieving the goal of creating a welcoming and inclusive environment for Employees from the Target Groups. Accordingly, during the pendency of the Parties' application for the special program, the Council-member Unions will develop and institute a communications plan to explain to their respective memberships the goals and objectives of the special program application, as well as the benefits of increasing the representation of Indigenous People and people from disadvantaged and under-represented groups in the active workforce in the film and television industry in British Columbia measurably and substantially. The Council-member Unions may ask for assistance from the Negotiating Producers in developing and instituting this communications plan.

Ongoing Review

14. As part of the ongoing review and assessment of the special program, and/or based on recommendations from the Commissioner and/or the Committee, the parties may mutually agree to modify the provisions herein, including changes to the residency requirements and the maximum number of hires or trainees, by production or department, as the case may be, in order to achieve the goal of increased representation of persons in the Target Groups.

Dear Ms. Lombardini and Mr. Lee:

Further to our discussions at the bargaining table for the renewal of the 2018-2021 Master Agreement relating to the Producers' proposal to amend Article 10.06 Discharge, the BC and Yukon Council of Film Unions (BCCFU) is prepared to make the following commitment, effective as of June 12, 2022, to allow an Employer to refuse to hire a person who has been previously discharged for cause by a related or affiliated entity of the Employer (including as provided in Paragraph B. below), if the person has engaged in serious culpable misconduct. "Culpable conduct" is conduct that ranges from intentional or deliberate acts to reckless, careless or negligent acts; "serious culpable misconduct" is specifically set out in Paragraph A., below.

- A. An Employer is not required to hire a person previously discharged for cause by a related or affiliated entity for a period of four (4) years from the date of discharge when the discharge in question:
- (i) is for serious culpable misconduct involving the following offences:
 - (a) violent acts or serious threats of violence;
 - (b) significant harassment (including sexual harassment), bullying or discriminatory behaviour;
 - (c) significant theft or misappropriation of Employer assets;
 - (d) substantial fraud committed upon the Employer;
 - (e) retaliation; or
 - (f) actions that pose a significant threat to the health and safety of others.

- (ii) the BCCFU or Council-member Union has either not grieved the discharge or has unsuccessfully grieved/arbitrated the designation of the discharge as being for reasons identified in paragraph (i), above.
 - (iii) A “sustained discharge” for the purposes of this Sideletter is established if the requirements of (i) and (ii) above are satisfied.
 - B. In the case of an individual subject to a sustained discharge from a series, neither an Employer nor its related or affiliated entities shall be required to hire that individual on any future season(s) of the series, regardless of whether four (4) years have elapsed since the date of discharge.
 - C. “Related or affiliated entities” of an Employer shall mean production companies that are commonly owned and controlled by the Employer or its parent company.
 - D. The BCCFU or Council-member Union is entitled to have the designation of a discharge for serious culpable misconduct referred to expedited arbitration either by way of the provisions in the Master Agreement or pursuant to s.104 of the Labour Relations Code of BC. Likewise, an Employer may also refer a challenge of the designation of a discharge for serious culpable misconduct by the BCCFU or Council-member Union to expedited arbitration pursuant to the provisions of the Master Agreement or s.104 of the Labour Relations Code of BC.
- “It is understood that an individual may be properly discharged for just and reasonable cause under Article 10.06 and for purposes of Article 10.07 (“Industry Termination”), even if the arbitrator determines that the discharge was not for serious culpable misconduct as defined in this Sideletter.
- E. In the event that the BCCFU or Council-member Union grieves/arbitrates the designation of the discharge as being for serious culpable misconduct, entities related to or affiliated with the discharging Employer are not required to hire an individual who has been discharged for alleged serious culpable misconduct pending the decision of the arbitrator.
 - F. Notwithstanding a sustained discharge for serious culpable misconduct, after three (3) years have elapsed since the date of discharge, the BCCFU or Council-member Union may make a request to the Employer to reduce the four (4) year period during which an Employer and its related or affiliated entities is entitled to refuse to hire the discharged person (and/or, in the case of a sustained discharge from a series, to allow the discharged person to be hired on future season(s) of the series) on the basis that the individual has sufficiently reformed or been rehabilitated.

After expiration of the four (4) year period, the Employer and its related or affiliated entities shall no longer have the right to refuse to hire the discharged person (other than on future season(s) of the series, if the individual was discharged from a series), unless the Employer makes a successful application to an arbitrator to expand the right beyond four (4) years on the basis that the individual has not sufficiently reformed or been rehabilitated to the extent it would be reasonable to continue to deny the individual the

right to employment with its related or affiliated entities. Such application may include a request to place conditions on the individual's right to be employed with the related or affiliated entity.

- G. An Employer may make an application to an arbitrator for declaratory relief pursuant to the second paragraph of F. above after three (3) years have elapsed since the date of discharge for serious culpable misconduct, and the arbitrator will have broad discretion to place terms and conditions on any order they may render in such matters.
- H. This Sideletter only applies to discharges alleged to be for serious culpable misconduct involving one of the offences listed in Paragraph A.(i) above and shall have no application to any other discharge issued pursuant to Article 10.06. The Employer will provide written notice to the discharged individual within sixty (60) days of the date of discharge, with a copy to the applicable Council-member Union, in the event it determines that a discharge is for serious culpable misconduct involving one of the offences listed in Paragraph A.(i) above, and shall identify the related or affiliated entities to which this Sideletter will apply. Should any related or affiliated entities be formed or identified after the time of the notice, the Employer shall notify the BCCFU of the additional related or affiliated entities to which this Sideletter applies. The BCCFU or a Council-member Union may refer to arbitration the question of whether an entity or entities is properly characterized as a related or affiliated entity as defined herein.

SIDELETTER NO. 19

As of April 1, 2021
(updated as of April 1, 2025)

Amanda Bronswyk, President
IATSE Local 891
1640 Boundary Road
Burnaby, BC V5K 4V4
Canada

Ms. Bronswyk:

This is to confirm the agreement reached during the 2025 negotiations on provisions which are designed to address the industry's need for Employees in the hair and make-up departments who have knowledge, skills and experience in the following areas (which list may be amended by mutual approval of the Negotiating Producers and subject matter experts from IATSE Local 891):

Hair

Styling and/or cutting natural textured hair, which includes:

- blow drying and flat ironing or curling;
- braiding and twisting techniques (e.g., box braids, flat twist, two-strand twist, locs);
- pressing and curling;
- applying wigs and extensions;
- flat top and fade haircuts;
- general barbering;
- men's styling with twist or sponge technique; and
- knowledge of hair care products for the above-mentioned hair types and hairstyles.

Make-up

Applying make-up to individuals with dark skin tones and developing looks for such individuals, which includes:

- dark under-eye correction;
- matching skin tone with correct concealer and foundation;
- correcting hyperpigmentation;
- contouring and shading;
- knowledge of cosmetic lines with shades for women and men of colour.

In order to serve the industry's needs in these areas, and in order to expand the pool of talent within IATSE Local 891's membership, the parties have agreed to the following:

1. IATSE Local 891 will maintain a list of existing active members from the Hair and Makeup Departments who currently have knowledge, skills and experience in the areas listed above and will make this list available upon request of an Employer.

2. Individuals will be placed on this list based on an evaluation of skills and experience by a three-person panel of industry experts for the Hair Department and a three-person panel of industry experts for the Makeup Department who will be jointly selected by the Negotiating Producers and IATSE Local 891 for this purpose. Members of the Hair Department will be evaluated on the skills listed above in an evaluation module or modules to be determined by the Negotiating Producers and subject matter experts of IATSE Local 891, and added to the list maintained by IATSE Local 891 upon successful completion of the module(s). The parties recommend that funding of costs associated with the evaluation(s) be provided by the BC Motion Picture Training Society, and that the Training Society take any necessary steps to effectuate its provision of such funding. For each craft, two representatives of the Negotiating Producers and two representatives of IATSE Local 891 shall maintain, and update if necessary, the three-person panels of industry experts, and make any other necessary arrangements to enable the panels' evaluations to be made. The list of individuals with the appropriate skills and experience will be maintained by IATSE Local 891.
3. The Employer shall give reasonable consideration to available individuals on the list prior to IATSE Local 891 granting a work permit under Article 3.03 of the BCCFU Master Agreement for a position requiring such knowledge, skills, and experience. Employers seeking specific skills need only consider members of the Hair Department who have successfully completed an evaluation for said skill. For example, Employers seeking a member of the Hair Department who is qualified in braiding, but not barbering, need only consider a member of the Hair Department who has successfully completed an evaluation for braiding, but not barbering.
4. The parties will jointly sponsor a series of courses, including but not limited to skills training in the areas listed above. The courses will be approved by the Negotiating Producers and subject matter experts from IATSE Local 891. The panels of industry experts shall evaluate IATSE Local 891 members who have completed the training course series for placement on the list of members who have knowledge, skills and experience in the areas listed above.
5. Union members who participate in the training course series will be paid a stipend equivalent to the minimum daily call identified in Article 4.01. The parties recommend that funding of costs associated with the stipend be provided by the BC Motion Picture Training Society, and that the Training Society take any necessary steps to effectuate its provision of such funding.
6. Until such time as the initiative outlined in Item 2 has been implemented, IATSE Local 891 shall provide the Employer with the names and credentials of available individuals within its existing membership who have self-identified as possessing the knowledge, skills and experience in the areas listed above when an Employer requests a Hair Stylist and/or Makeup Artist possessing such knowledge, skills and experience. Once the Employer has reasonably considered those individuals and/or granted an interview if requested by IATSE Local 891, the Employer will be deemed to have given reasonable consideration to available qualified applicants for purposes of Article 3.03.

7. The terms of this Sideletter will expire on March 31, 2028, unless renewed by mutual agreement of the parties.

Re: **Number of Subscribers to a Subscription Consumer Pay Platform**

Reference is made to Paragraph D.(8) of the Sideletter re: Productions Made for New Media, which provides that the number of subscribers to a subscription consumer pay New Media platform in the United States and Canada shall be determined as of July 1st of each year of the Master Agreement.

During the 2021 negotiations, the Employers advised the Council and its Council-member Unions that it has entered into collective bargaining agreements with other Guilds and Unions in the United States and Canada under which the number of subscribers to a subscription consumer pay New Media platform in the United States and Canada is determined as of July 1st of each year. The Employers further expressed their desire for consistency among their collective bargaining agreements in North America, so that at any given point in time, a particular subscription consumer pay New Media platform would be deemed to have the same number of subscribers in the United States and Canada under all collective bargaining agreements in North America. In the interest of developing consistency among the collective bargaining agreements in the industry, the parties have agreed that any agreement between the AMPTP and the United States Guilds and Unions regarding the number of subscribers to a subscription consumer pay New Media platform in the United States and Canada shall also apply under the Sideletter re: Productions Made for New Media to the BCCFU Master Agreement.

RE: **New Technologies**

During the 2025 negotiations, the Canadian Affiliates of the AMPTP, the CMPA-BC and the Council-member Unions (for purposes of this Sideletter, the “parties”) reached agreement to add a new Article 17 to the Master Agreement to address the Employer’s right to use new technologies, including artificial intelligence and AI Systems (as those terms are defined therein), in connection with motion picture production. Article 17 was the result of discussions between the parties, and calls for regular meetings between the parties during the term to keep the Council-member Unions advised and informed of developments in the use of AI Systems affecting bargaining unit members. The parties acknowledge both the Employer’s right to use new technologies involving AI System(s) in Article 17 and the Employer’s obligation, upon request of the applicable Council-member Union, to negotiate over any impact of such use on bargaining unit Employees as required by law.

Under the Master Agreement, Employers may have additional obligations under Article 1.18 (Technological Change) as the result of the introduction of an AI System. Should that be the case, that Article, including the protections provided therein, shall apply to Employees working under the Master Agreement in addition to the provisions of this Sideletter and Article 17

The parties confirm that the foregoing obligation shall not apply when an Employer experiments with using an AI System for the primary purpose of determining, under operating conditions, the feasibility and/or adequacy of performance of any AI System and/or tests the AI System under operating conditions by persons under the jurisdiction of the Master Agreement on a temporary basis.

NOTICE TO ALL EMPLOYERS ANTICIPATING PRODUCING MOTION PICTURES IN
BRITISH COLUMBIA
UNDER THE BRITISH COLUMBIA AND YUKON COUNCIL OF FILM UNIONS
MASTER AGREEMENT

This is to request that when you are filming in British Columbia, you instruct your Assistant Directors to "police" the meal lines during meal breaks to assure that the crew is served and moved through the line efficiently.

During negotiations with the B.C. and Yukon Council of Film Unions earlier this year, the negotiating producers agreed to informally assist in assuring that the crew receive adequate time to eat during the meal periods by simply keeping the meal line moving and open for any crew members on their lunch breaks. This may mean asking visitors to the set or location to wait until the crew has been served as well as instructing certain crew members to refrain from excessive conversation while moving through the line.

Your cooperation and assistance on this matter will be greatly appreciated.

Sincerely,

Stephen C. Carroll

Re: Bulletin/Guidelines Regarding Extended Work Days

Theatrical and television productions are budgeted for specified hours of production. There are cost deterrents which encourage the production to be on budget and on time.

When an extended work day is necessary, the need for same should be identified as far in advance as possible so that appropriate planning may occur.

The following guidelines set forth common sense measures which should be considered when extended work days are necessitated:

1. Sleep deprivation, which may be caused by factors other than an extended work day, should be identified by the employee. The Canadian Automobile Association (CAA) cautions drivers as to the following danger signs:

- Eyes closing by themselves
- Difficulty in paying attention
- Frequent yawning
- Swerving in lane

CAA warns that drivers experiencing any of these danger signs could fall asleep at any time. CAA recommends three basic solutions: sleep, exercise, and caffeine. CAA urges drivers who are too drowsy to drive safely to pull off the road to a safe area, lock the doors, and take a nap - even twenty minutes will help. Upon waking, the driver should get some exercise and consume caffeine for an extra boost.

2. Any employee who believes that he/she is too tired to drive safely should notify an authorized representative of the Producer before leaving the set. In that event, the Producer will endeavor to find alternative means of transportation or provide a rest area or hotel room. Such request may be made without any fear of reprisal and will not affect any future employment opportunities.

3. When the production company anticipates an extended work day, the employees should be encouraged to car pool.
4. When an extended work day is necessary, appropriate beverages and easily metabolized foods should be available.

J. Nicholas Counter III

Re: Bulletin/Shifts in the Work Week: Section 4.02(e)

During the negotiation of the 2003 British Columbia and Yukon Council of Film Unions Master Agreement, the B.C. Council of Film Unions expressed concern that an Employer could shift an Employee's work week under Section 4.02(e) to avoid paying premiums in the following scenarios:

Scenario #1:

An Employee who works a Monday through Friday work week is shifted to a Tuesday through Saturday work week during a week in which a holiday occurs on the Monday of that work week.

The Employee was shifted to the Tuesday through Saturday work week solely to avoid payment of premium pay for work on a Saturday.

In the above example, the Employee is entitled to premium pay because there was no legitimate production reason for the shift.

Scenario #2:

An Employee works a Monday through Friday work week. The work week is shifted to a Sunday to Thursday work week for the sole purpose of avoiding a normal day off. There was no production reason for the shift other than to create a shorter shooting schedule.

In the above example, the Employee is entitled to premium pay because there was no legitimate production reason for the shift.

J. Nicholas Counter III

BULLETIN

Re: Employment Expenses – Completion of T2200 form

Introduction

This Bulletin discusses the circumstances under which an employee may request the completion of a T2200 form. It is hoped that this Bulletin will facilitate the completion of those forms in a timely and efficient manner.

Purpose of the T2200 Form

The *Income Tax Act* of Canada permits employees to deduct certain expenses from their income when those expenses have been incurred as a result of their employment. Examples of such deductions include expenses incurred as a result of having used a motor vehicle or having paid the costs of travel.

In order to claim these expenses, an employee must obtain from his or her employer a prescribed form certifying that certain conditions have been met. That form is known as a Form T2200 and can be found at <http://www.canada.ca/en/revenue-agency/services/forms-publications/forms/t2200.html>; a copy of the current version is attached.

Timing

Because the Form requires an employer to certify certain conditions of employment, it is important that employees request to have the form completed while they are still actively employed and the production is still underway. When requests are not made during this time frame, it may be extremely difficult for an employer to make the necessary declarations contained in the form.

Summary

It is part of the payroll obligations of an employer to complete the T2200 form when requested to do so. The form may be completed before or after the production wraps. At the same time, such requests must be made before a production wraps in order that an employer's representative who is knowledgeable about the declarations contained in the form be available.

RE: Accommodations on Distant Location

During the 2025 negotiations for the British Columbia and Yukon Council of Film Unions Master Agreement, the Unions brought to our attention that Employees who are lodged overnight on Distant Location are not always provided accommodations for the entire daily rest period required under Articles A1.20, B3.01 and C7.01. This situation could raise health and safety concerns should an Employee drive home from Distant Location rather than remain in accommodations that will not be available for the entire daily rest period.

It is important to remember that Employers have obligations under Article 12.01 and the Workers Compensation Act to provide a safe work environment. Adequate rest after a work shift, particularly a lengthy work shift, is an important element for maintaining a safe and healthy working environment.

To ensure that Employees have adequate rest prior to returning from Distant Location, productions should strive to ensure that housing accommodations are available to the Employee for the entire daily rest period. In addition, Employers should encourage Employees to remain on Distant Location during their daily rest period after dismissal from their last work shift at that location rather than driving home if the work shift has been lengthy and the Employee is tired.

Please ensure a copy of this bulletin is distributed to appropriate production personnel.

RE: Meal Periods of Caterers

During the 2025 negotiations for the British Columbia and Yukon Council of Film Unions Master Agreement, Teamsters Local 155 raised concerns regarding the meal periods of Caterers. Specifically, Local 155 advised that Caterers are sometimes unable to take a timely meal period.

This bulletin serves as a reminder that productions should make efforts to ensure that Caterers are provided with a timely meal period, to enable them to eat as well as have time to rest during the workday. The parties recognize that Caterers are busy when the remainder of the crew is in meal period. For that reason, productions should endeavor to provide a meal break prior to the meal service for the remainder of the crew.

The parties also discussed the one (1) hour advance notice that is required under Article B5.04, when the Caterer is unable to schedule a timely meal period. It is understood that some productions may specify the form of that notice (e.g., by text message or email).

Please ensure a copy of this bulletin is distributed to appropriate production personnel.

RE: Drone Classifications

During the 2025 negotiations for the British Columbia and Yukon Council of Film Unions Master Agreement, ICG Local 669 and the Negotiating Producers discussed a problem the Union has with some third party vendors who are engaged by the Employers to provide drone photography services failing to remit fringe contributions under their respective collective agreements with ICG Local 669.

ICG Local 669 requested, and the Negotiating Producers agreed, to partner with the Union to raise awareness of this problem. Accordingly, when entering into contractual arrangements with third party vendors who are signatory to a collective agreement with ICG Local 669 for drone photography work, please emphasize to those vendors that it is essential to comply with their fringe payment obligations.

Please ensure a copy of this bulletin is distributed to appropriate production, legal and risk management personnel.
