Either party may at any time within 4 months immediately preceding the expiry date of this Agreement, give written notice of its intention to reopen or amend the Agreement on its expiry date. After the expiry date and until a revised Agreement is signed, this Agreement and all its provisions shall remain in full force and effect until such revised Agreement is signed without prejudicing the position of the revised Agreement in making any matter retroactive to any date detailed in such revised Agreement.

Notwithstanding the paragraph above, the employees may strike, and the Company may lock out after this Agreement expiry date, within the provisions of the legislation existing at the time as a part of the negotiating process in arriving at a new Agreement.

ARTICLE 2 - JOB EVALUATION

2.01 THE JOB CLASSIFICATION SYSTEM

The FORTISBC/MoveUP Point-Factor Plan shall be the sole determinant of job groupings for the Classification Levels used in the Job Classification System.

- a) The Company shall be responsible for maintaining the Job Family and Level definitions and evaluations to meet ongoing operational requirements.
- b) The job levels for employees shall be determined by application of the Job Classification System, except as outlined in Article 2.07.
- c) The parties acknowledge the practicality of determining the evaluation of a position by the use of Job Family and level definitions, particularly where a specific job is clearly defined by the Family, Sub-Family, Level Definition or Summary of a Representative Job and where there is an appropriate benchmark (or benchmarks) as a comparison. However it is also acknowledged that the evaluation of specific positions may not be so readily determined because the job is not clearly defined in the Job Family and Level definitions and/or there are no comparable benchmarks; in these cases, the position(s) will be evaluated under the Point Factor Plan. It is understood that all benchmarks will be point-factored.
- d) Should there be a dispute as to whether the evaluation of a position has been properly determined pursuant to application of either the Job Family and Level definitions or the Point-Factor Plan, the matter will be referred to the appeal process set out in the remainder of this Article. If the appeal proceeds to the Standing Arbitrator, the level must be confirmed by the Point Factor Plan pursuant to Article 2.05(b).
- e) The Human Resources Department (HRD) is responsible for ensuring that all Job Descriptions and Evaluations are current. In order to discharge this responsibility, the HRD shall plan and carry out an annual review of only the jobs that have been substantially altered.

- c) A new job is defined for the purpose of this Article as:
 - i) A newly created job which has not previously existed, or;
 - ii) Any job that the duties of which have not been performed by an employee during the previous 6 month period. Seasonal jobs, agreed training jobs and jobs which are part of a hierarchy, will not be considered as new jobs under this definition.
- d) When jobs are to be downgrouped the Union will be notified and given reasons in writing 30 calendar days prior to the effective date.

- a) Job Review Requests
 - i) The incumbent(s) or the Union may request that a job be reviewed.
 - ii) The immediate Manager shall, within 7 calendar days of receipt of the request, either accept or reject the request. If the request is rejected, the incumbent(s) or the Union may initiate an appeal pursuant to Article 2.04(b) within 7 calendar days of notification of the rejection.
 - iii) If the request is accepted, the Company will have 14 calendar days to prepare and issue a draft job description to the incumbent(s) and the Union. The Company will then have an additional 14 calendar days in which to issue a final evaluated job description.

Such appeal shall be referred in writing to the immediate Manager, with copies to the Compensation designate, and to Labour Relations, and specify the grounds of the appeal.
- b) Job Evaluation Appeal Procedure
 - i) Step 1

The appeal will be jointly investigated by a MoveUP Job Evaluation Officer and the appropriate Compensation designate in an effort to resolve the appeal with the immediate Manager and the employee. Following completion of the investigation, the immediate Manager will consider the appeal and provide a written response to the MoveUP Job Evaluation Officer (with copies to the Compensation designate and Labour Relations) within 10 working days.
 - ii) Step 2

An appeal not settled at Step 1 may be referred in writing by the Union to the appropriate Vice President (with copies to the Compensation designate and Labour Relations) within 10 working days of the Step 1 reply. The Parties shall meet to discuss and attempt to resolve the appeal. The Company shall reply within 15 working days of the date of the written referral to Step 2. If the appeal is not settled at this step, it may be referred to Step 3 by the Union within 40 working days of receipt of the Company's reply.

 - i) To receive and to rule on appeals from employees, or the Union regarding the interpretation and application of the Job Classification System in terms of:
 - (1) whether all assigned duties and responsibilities have been considered in making the job classification decision;
 - (2) whether the job has been assigned to the appropriate Job Family based on its assigned duties and responsibilities;
 - (3) whether the job has been assigned to the appropriate Classification level based on its assigned duties and responsibilities; and
 - (4) whether the level is confirmed by the Point Factor Plan.
 - ii) To recommend to the Parties administrative procedures required for JEAC to effectively carry out its responsibilities.
- c) Procedures
 - i) JEAC decisions shall be by majority vote of the voting members. Voting members, 2 from the Company and 2 from the Union shall be selected by the Parties in advance of each meeting.
 - ii) All voting members of the committee shall cast a vote on all questions. Tied votes shall be resolved by the casting of a vote by the JEAC Standing Arbitrator.

2.06 **COST APPORTIONMENT**

- a) JEAC Standing Arbitrator
 - i) The costs of the Standing Arbitrator shall be shared equally by the Parties. Such costs shall include the following: Arbitrator's salary and benefits, secretary, travel and incidental expenses.
 - ii) The shared portion shall be billed to the Union.
 - iii) A per diem rate will be determined by the Parties and reviewed and approved by the Parties annually. Where the parties cannot agree upon the per diem rate, such matter shall be referred to arbitration under Article 3.10 of the Collective Agreement. Such per diem rate will be shared equally by the Parties.

If they agree, they will document the reason(s) for the Job Evaluation Exclusion.
- b) If they cannot agree on the exclusion, or an agreement has not been reached within 5 working days, the question shall be referred to the JEAC Standing Arbitrator who will act as a single arbitrator in determining the applicability of the Plan to the job in question. The JEAC Standing Arbitrator will provide a ruling final and binding on both Parties, except as provided for in 2.07(d), within 5 working days of receiving the question and will provide the Parties with documented reason(s) for the ruling.
- c) In the event that the Parties are unable to agree on an appropriate salary for a Job Evaluation Exclusion within 10 working days of a decision under (a) or (b) above, the Company shall implement the salary they proposed for the job, subject to the Union's right to refer the matter to arbitration pursuant to Article 3.10.
- d) Excluded jobs will be reviewed bi-annually by the HRD Officer and the Union Job Evaluation Officer (or delegates) to determine whether or not the reasons for exclusion still exist and whether or not the Job Evaluation Exclusion status should continue to apply. If they cannot agree, then (b) above shall apply.
- e) Once a question of exclusion has been resolved under the provisions of (a), (b) and/or (d) above, the question may not again be raised for the same job(s) within the term of the Collective Agreement.

ARTICLE 3 - GRIEVANCE PROCEDURE AND ARBITRATION

3.01 The parties to this Agreement are agreed that it is of the utmost importance to adjust complaints and grievances as quickly as possible in accordance with the procedures as set out in this Article. At the time that either party serves notice, in writing, of its intention to proceed to arbitration, it shall at the same time notify the other party of the names of potential arbitrators. The other party shall not be obligated to agree to 1 of the names put forward. Nevertheless, the Union and the Company shall, within 5 working days of notification being received by the other party, agree on a single arbitrator.

Should the parties fail to agree on the selection of an arbitrator within the prescribed time limit, application may be made by either party to the Minister of Labour to appoint an arbitrator.

- b) The arbitrator shall be requested to render a decision within a period of 1 month following their appointment. The arbitrator's decision shall be final and binding on both parties to this Agreement.

3.11 Time limits specified in Article 3 may be extended by written agreement between the two parties.

SECTIONS 103 AND 87

- 3.13 Notwithstanding all of the foregoing provisions of this Article, at any time after the commencement of Step 1, the procedure set out in Section 103 of the Labour Relations Code of British Columbia (Bill 84 - 1992) may be implemented as follows:

"Where a difference arises between the parties relating to the dismissal, discipline, or suspension of an employee, or to the interpretation, application, operation, or alleged violation of this agreement, including any question as to whether a matter is arbitrable, during the term of this collective agreement, Mr. V. Ready or a substitute agreed to by the parties, shall at the request of either party:

- a) investigate the difference;
- b) define the issue in the difference; and
- c) make written recommendations to resolve the difference within 5 days of the date of receipt of the request; and, for those 5 days from that date, time does not run in respect of the grievance procedure."

- 3.14 Section 87 of the Labour Relations Code of British Columbia shall be excluded by the operation of Article 3 of this Collective Agreement unless otherwise agreed by the parties on an ad hoc basis.

3.15 **ALTERNATIVE DISPUTE RESOLUTION (ADR) PROCESS (formerly LOU #36)**

- a) The Parties recognize that there are times when an expedited arbitration may be desirable, and therefore, agree that the following process may be used as a substitute for the formal grievance procedure outlined in Article 3 of the Collective Agreement.
- b) The process can only be used by mutual agreement between the Parties who are signatory to this Collective Agreement.
- c) The Parties will decide in advance of initiating the process whether the outcome will be a binding or non-binding recommendation.
- d) Each party to the arbitration will be responsible for its own costs and will share equally the cost associated with the Arbitrator.
- e) The offices of MoveUP or FortisBC will be used for the process on an alternating basis.
- f) No legal counsel will be used by either party. The Union will designate and use an elected officer or union representative. The Company will use employees of their Labour Relations Department. Legal counsel will not be used during the hearing by either party. Until further notice the Parties agree their respective representatives in these hearings shall be, the Union Representative on behalf of the Union, and the Manager, Labour Relations, on behalf of the Company.
- g) The Parties will create a schedule for the process in advance, based on a mutual assessment of the length of time needed to present each case.
- h) The Parties and the arbitrator will have a brief file management conference call prior to setting the agenda for any hearing dates. This will be to ensure the agenda is kept to a manageable length.
- i) Within one week of the hearing, the Parties will provide an agreed statement of facts to the arbitrator.

- j) Wherever possible the arbitrator will attempt to mediate a settlement between the Parties. The arbitrator shall have no authority to amend or alter the terms of the collective agreement.
- k) In such case that the arbitrator must write a decision, such decision shall be 1 to 5 pages long and to the point.
- l) Any decisions arising from this process shall be without precedent or prejudice to any position either party may take in the future with regard to same or similar matters. The arbitrator will remain seized with respect to implementation, interpretation and application of the decision.
- m) Procedure Guidelines
 - i) The Opening Statement: This should basically set out the case from each party's perspective. The arbitrator will seek at this point to define the issue and to determine what evidence is agreed to and what is not.
 - ii) The Hearing: Sufficient witnesses should be called to ensure the "story" is properly told. Where it is an issue of credibility or conflicting evidence, the key individuals must testify. There shall be no grievors, managers, witnesses or supervisors to the greatest extent possible.
 - iii) The Argument: The Parties will not cite legal precedents but may refer to Brown and Beatty, Palmer, etc. However, it is imperative that the relevant provisions of the Collective Agreement be canvassed by each party to ensure that all relevant clauses are put before the arbitrator.
 - iv) The Decision: If mediation fails or is not appropriate and if the decision can be rendered after a short deliberation, the arbitrator will do so. By meeting first with the Parties to explain the framework of the arbitrator's decision, the Parties are provided with an opportunity to influence the exact terms of resolution. Within the framework of settlement as outlined by the arbitrator, the Parties can work out exact terms which best suit the specifics of the case. Such an opportunity should not be wasted by continuing to argue the merits of the case.
- n) The Mediator/Arbitrator will be Wayne Moore. Each of the Parties reserves the right to require both Parties to jointly terminate the relationship with the Mediator/Arbitrator. In order to exercise this right, 30 days written notice must be provided to the other party. Such termination shall be done by a letter addressed to Mr. Moore and jointly signed by the Parties' representatives. The Parties will attempt to find a suitable replacement as expeditiously as possible.
- o) This agreement is without prejudice to the Parties' application and interpretation of Article 3.

9.04 **MEDICAL/DENTAL APPOINTMENTS**

- a) Wherever possible, employees shall schedule medical and dental appointments outside of normal working hours. Regular employees who go for medical and dental appointments will not have any such time deducted from their sick leave or their pay where the period of absence from work is two hours or less. Medical and dental appointments requiring an absence from work beyond two hours will result in the excess over two hours being deducted from sick leave or from pay (if paid sick leave is exhausted). Managers at their discretion may grant extra time without deduction in locations where medical and dental facilities are remote.
- b) The Union agrees that employees should cooperate with their Manager by providing as much notice as they can of pending medical and dental appointments; this is to facilitate replacement staff and scheduling of work. Furthermore, the Union will encourage its members to make every effort to schedule their appointments on PDO days, near the end of a working day or lunch time to help minimize the impact of medical or dental appointments.

9.05 **LEAVES OF ABSENCE WITHOUT PAY**

- a) Regular employees may be granted leave of absence without pay upon application to their Manager where such leave of absence does not exceed 14 calendar days, insofar as the proper operation of the service will permit. All leaves of absence must be approved by the Company.
- b) Employees who have completed 5 or more years of service shall, on request, receive 10 scheduled working days leave of absence per year without pay. All days taken in any calendar year must be consecutive, (exclusive of other scheduled days off), i.e. 1 occurrence per year only. The leave of absence shall be scheduled at a time mutually agreeable between the employee and the Company and such agreement will not be unreasonably withheld.
- c) It is agreed that an employee cannot request or be granted a leave of absence, for reasons other than pregnancy/parental leave, until all of their outstanding vacation entitlement has either been taken, or is scheduled to be taken.

- d) After 10 calendar years of service an employee will be entitled to a one-time unpaid long service leave of up to 12 months. No alternative paid employment may be undertaken by an employee during this leave. This leave is subject to the terms and conditions set out in Article 20.02.

9.06 **PREGNANCY LEAVE**

- a) An employee who qualifies for pregnancy leave shall be entitled to a maximum of 17 weeks without pay in accordance with the Employment Standards Act of B.C.. During the pregnancy leave of absence, the B.C. Medical Services Plan, Extended Health Benefit Plan, Life Insurance, Dental Plan and Pension Plan (as applicable) will continue in force subject to the employee paying her share, if any, of the costs. Employees shall have the option of prorating the reimbursement amounts over the period of six months.
- b) Employees requesting both pregnancy and parental leave must apply for them both at the same time.
- c) No less than thirty (30) days prior to the commencement of the leave, the employee must notify her manager (or designate) of the start date for the leave, the number of weeks leave she intends to take and provide a certificate or letter from a duly qualified medical practitioner, which will state the expected delivery date.
- d) The period of leave can be shortened after commencement of the leave upon a further thirty days notice.
- e) Any extension of leave beyond the total leave of 52 weeks (pregnancy and parental together) will be at the sole discretion of the company. There will be no annual vacation accrual during any such extension period.

9.07 **PARENTAL LEAVE**

- a) To request parental leave only, an employee must notify their manager in writing no less than 30 days prior to the commencement of the leave. The notice must include the start and end dates. During parental leave, the B.C. Medical Services, Extended Health Benefit Plan, Life Insurance, Dental Plan and Pension (as applicable) will continue in force subject to the employee paying their share, if any, of the costs. Employees shall have the option of prorating the reimbursement amounts over the period of six months.
- b) If this leave is in conjunction with the pregnancy leave, notice must have been received at the same time the pregnancy leave was requested.
- c) An employee who qualifies for parental leave shall be entitled to leave without pay in accordance with the Employment Standards Act of B.C. as follows:
 - i) for a parent who takes pregnancy leave in relation to the birth of the child or children with respect to whom the parental leave is to be taken, up to 35 consecutive weeks of unpaid leave beginning immediately after the end of the pregnancy leave taken unless the employer and employee agree otherwise;
 - ii) for a parent, other than an adopting parent, who does not take pregnancy leave in relation to the birth of the child or children with respect to whom the parental leave is to be taken, up to 37 consecutive weeks of unpaid leave beginning after the child's birth and within 52 weeks after that event; and,
 - iii) for an adopting parent, up to 37 consecutive weeks of unpaid leave beginning within 52 weeks after the child is placed with the parent.

Any requests for this leave must be accompanied by legal documentation of the birth or adoption.

- d) To change to an earlier return date, employees must notify their immediate manager (or designate) in writing no less than 30 days prior to the desired date of return. If the employee fails to provide notice or fails to return to work on the expected return date, the vacancy may be filled on a permanent basis.

9.08 **PREGNANCY LEAVE DISABILITY**

- a) The parties agree that regular employees who are on pregnancy leave and who have given birth to a child shall receive a six-week EI top-up as follows:
- b) Eligibility for the top-up is identical to the eligibility criteria for paid sick leave allowances on the employee's last working day prior to commencing pregnancy leave.
- c) The top-up shall be to 70% or 100% of regular earnings (per the employee's entitlements under Article 10.02) and shall commence with the date of birth.
- d) Regular earnings for purposes of this Article are defined as the employee's base rate earnings for her regular job (not necessarily the job she is in when commencing pregnancy leave) and do not include any premium payments.
- e) The company's contributions pursuant to the foregoing shall not reduce the employee's paid sick leave allowances or any other of the employee's time-off entitlements. However, the company's contributions are limited to the equivalent of the employee's balance of paid sick leave allowances - in other words, an employee is not entitled to a greater 'sick leave' benefit under this Article than she would be for any other disability.
- f) The first stage of top-up (currently the two-week EI waiting period) is subject to proof that the employee has filed an EI Maternity Claim and is serving the EI waiting period.
- g) The second stage of the top-up (following the two-week EI waiting period) is subject to the employee submitting proof of receipt of EI benefits during the applicable period.
- h) Employees can expect a delay of several weeks in obtaining the documentation from EI, and therefore should expect to receive some or all of the FortisBC top-up retroactively
- i) Should the employee's birth-related disability continue beyond the six-week top-up period, the company will continue the appropriate top-up amount for so long as the birth-related disability continues, or until EI entitlements are exhausted, or until 'sick-leave-equivalent' entitlements are exhausted (per Paragraph e, above), whichever first occurs.
- j) The disability-related portion of the pregnancy leave is considered part of the term of pregnancy leave specified by Article 9.06.
- k) Should the employee continue to be disabled as a result of complications from the childbirth at the end of the pregnancy leave period, the LTD provider's 15-week waiting period is deemed to run concurrently with the employee's pregnancy leave from the date of childbirth.
- l) The FortisBC claims management process will be used to assess all medically-related absences except for the six-week period immediately following the date of childbirth. Absences immediately following this six-week period will not be subject to the normal five-day waiting period for claims management.
- m) The employee is not eligible for paid sick leave allowances for a disability not related to childbirth unless the disability was pre-existing to the period of pregnancy leave.

ARTICLE 10 - PAID SICK LEAVE ALLOWANCES

- 10.01 A regular employee becomes eligible for paid sick leave benefits after accumulating 3 months of service with the Company.

- 10.03 A plan year is defined as a 12 month period beginning on July 1st, and ending on June 30th.
- 10.04 a) For purposes of the Article "regular earnings" means the daily rate in effect at the date of disability, for the employee's normal job classification, as determined by dividing the employee's normal bi-weekly salary by ten.
- b) Where an employee is in receipt of a temporary promotional increase pursuant to Article 18.08 and that promotional increase is for a specific period of time exceeding 2 weeks in length, then, the employee's "temporary earnings" will be utilized to calculate the daily rate outlined in the first paragraph above. The daily calculation will not utilize the "temporary earnings" for a longer period of time than originally specified.
- 10.05 When the entitlement at full regular earnings has been exhausted, employees will be eligible to receive further paid sick leave benefits of seventy percent (70%) of regular earnings for the balance of a 26 week period. Note: See Article 21.04(e) for supplementary entitlement.
- 10.06 Any unused days of paid sick leave allowance at full regular earnings cannot be carried over from one plan year to the next. If a disability continues into a new plan year, the amount of benefits at

full regular earnings for that disability in the new plan year will be the balance of what is left from the previous plan year's full regular earnings entitlement.

- 10.07 Employees may utilize part of the paid sick leave allowance accruing to them under Article 10.02 in the event of injury or illness to a dependent child on the following conditions:

 - c) use of this provision is limited to a maximum of 4 separate occurrences per plan year.
- 10.08
- a) If an employee has received 26 weeks of paid sick leave benefits and returns to active duty, the employee will have their entitlement as at the previous July 1st, reinstated after 1 month's service in the case of a new disability, and after 3 months' service in the case of the same or a related disability.
 - b) If a disabled employee has exhausted their paid sick leave benefits prior to the expiry of the 26 week elimination period for Long Term Disability, s/he shall be paid 70% of regular earnings for the balance of the elimination period.
- 10.09 Benefits under this plan will be reduced by any benefits an employee receives under any government sponsored plans, other than Employment Insurance. Income benefits from any individual disability policy which has been purchased by an employee will not be considered in determining benefit entitlement under this plan.
- 10.10 Employees absent from work for any of the following reasons will not be eligible for paid sick leave benefits:

All such medical certificates are expected to meet the standards for Medical Certificates in the CPSBC Policy Manual, and the cost of such medical certificate, if any, will be borne by the Company.
 - b) The Company recognizes its duty to accommodate to the point of undue hardship, employees with medical disabilities. Where it is clear that an employee's absences are related to a recognized disability, the Company will endeavour to work with the employee, the employee's doctor and the Union, in order to accommodate the employee in preference to continually requesting medical certificates pursuant to Article 10.13(a) above. This process does not prejudice the employee, the Company or the Union from implementing other process that are legally available to them.

- c) An employee may be required to submit to an examination by a licensed physician who is mutually agreeable to the employee and the Company. Should this examination result in a cost that is not borne by the Company's medical plan, the cost of such examination will be paid by the Company. - 10.15 It is understood that the plan may be altered or amended from time to time in order that the plan will continue to meet the standards of the Employment Insurance regulations and thereby qualify the Company for a full premium reduction.
- 10.16 In cases where employees are on compensation and receiving Workers' Compensation Board payments, the Company will pay the difference between such payments up to a maximum of 85% of the employee's normal 37.5 hour weekly straight time wages for the period the employee is paid by the Workers' Compensation Board, but in any event, the percentage of contribution by the Company shall not be greater than that which would give the employee an income, including the Workers' Compensation Board payments that s/he would have received for a normal 37.5 hours straight time wage after the deduction of income tax. 18.02 TRADE DIFFERENTIALS AND FLOOR RATES

a) Definitions

- i) By definition, "base rate" shall mean the monthly amount (according to the salary scale) paid to an employee, exclusive of overtime, premiums, allowances, trade differentials, etc.
- ii) By definition, "floor rate" shall mean a monthly amount paid to an employee consisting of their base rate plus a trade differential, as defined in Article 18.02(a)(iii), for the purposes of maintaining a pay relationship between a job within the MoveUP bargaining unit and a job in another union within the Company.
- iii) By definition, "trade differential" shall mean the adjustment amount which must be added to the base rate of an employee in a floor rated job to increase the employee's pay to the floor rate established for the job.
- iv) By definition, "base position" shall mean a position in another bargaining unit within the Company.

b) Criteria

- i) The purpose of floor rates is to establish and maintain a relationship between the salary paid to employees assigned to a position that entails a direct working relationship with members of other unions within the Company and the wages of those members.
- ii) Entitlement to a floor rate is conditional upon this direct working relationship complying with the following:
 - (1) the duties performed by the employee must be inter-related with the position in the other union over which the floor rate is based and must further relate to a major job responsibility of that base position; and
 - (2) the employee must be responsible for determining the methods and procedures to be followed by the members of another union; and
 - (3) the employee must be responsible for ensuring that the work completed by the member(s) of the other union conforms to the Company's specifications, standards and/or other relevant codes; and
 - (4) the member(s) of the other union must be assigned to the employee to either:
 - (a) assist the employee in completing work assignments; or
 - (b) complete work assignments with the assistance and/or direction of the employee; or
 - (c) receive technical training in one or more major job responsibilities where such training is of a nature that it will qualify the member(s) of the other union to perform an approved position in their own bargaining unit, and where the employee is responsible for assessing the capability and eligibility of the trainees to be appointed to the end position; and
 - (5) the working relationship between the employee and the members of the other union must be an ongoing and demonstrative part of the MoveUP job; "once-only" or hypothetical situations will not attract a floor rate.

c) Floor Rate Type

Parity or a 5% differential will be determined as follows:

- i) Parity: when all criteria in 18.02(b) are met except 18.02 (b) (ii) (4) (c).
- ii) 5% Differential: when all criteria are met, or when all criteria are met except 18.02 (b) (ii) (4) (a) and/or 18.02 (b) (ii) (4) (c).

d) **Monthly Floor Rate Calculation:**

Where the regular monthly hours total 152.19 and the regular hours are 7.0 per day, or where the regular hours are total 163.06 and the regular hours are 7.5 hours per day, or where the regular monthly hours total 173.93 and the regular hours are 8 per day, the calculation shall be:

- i) Parity = 1.00 x hourly rate of base position x regular monthly hours of base position;
- ii) 5% Differential = 1.05 x hourly rate of base position x regular monthly hours of base position.

e) **Administration**

- i) Disputes arising from the application of the Floor Rate Criteria are subject to Article 3, Grievance Procedure, of the Collective Agreement.
- ii) Each Floor Rated Job will be reviewed and tested against the above defined criteria at the time the Floor Rate is established, and at least once every 3 years as a part of the Job Evaluation Section cyclical audit of all MoveUP bargaining unit jobs with a report forwarded to the Parties in the attached format as a part of that review process.
- iii) Each Floor Rate established under this Article will be documented on a Trade Differential Sheet, Floor Rates will be recalculated when the wage for the base position is changed and will be effective on the same date as the change in wage. The local Unions will be advised in writing of recalculations of Floor Rates.

18.03 **LENGTH-OF-SERVICE INCREASES**

- b) Salary advances in all salary ranges shall be automatic except that such increases may be withheld for cause, providing that 2 months' notice of intent to withhold is given to the employee in writing, and a copy of such notice is mailed to the Union office. When, in the opinion of the Company, the employee has restored their performance fully at some subsequent date, he/she may regain their position within the salary scale on a non-retroactive basis.
- c) Automatic salary increases for employees who are eligible shall be an amount equivalent to a full step increase of the appropriate salary range, irrespective of the employee's position in the range, provided that no employee may receive an increase beyond the maximum steps of the range.
- d) An employee whose salary falls between steps on the salary range will receive length-of-service increases which equal the dollar difference between the steps in which the employee's salary fell before the increase except that no employee will receive a length-of-service increase which would place them above the maximum salary for the job.
- e) Only one length-of-service increase will be granted an employee while they are on sick leave. After returning to work, they will next be entitled to an increase on the same date they would have been entitled to an increase had they not been absent for sickness.
- f) Employees who have been on any other leave of absence in excess of 3 months during the length-of-service period will receive a prorated length-of-service increase; that is, for each completed month of service in their present job since their last length-of-service increase s/he will have 1/12 of the next length-of-service increase for that job added to their basic salary.

- g) Time worked continuously on different jobs having the same group shall be cumulative.
- h) When an employee is promoted s/he will receive a prorated length-of-service increase to their old salary based on the accrued time since the last length-of-service increase. Article 18.07 will then be used to determine the promotional increase.
- i) Employees who are promoted will have their length-of-service date established on the anniversary date of their promotion.
- j) An employee whose job is reclassified to a higher salary grade as a result of changes in duties and responsibilities or as a result of re-evaluation will receive the promotional increase as set out in Article 18.07 and will continue to receive their length-of-service increases on the new job on the same date as s/he would have received them had s/he been on the lower job. Employees who were at the maximum on the lower job will receive their first length-of-service increase on the higher job on the anniversary day of the job reclassification.
- k) Temporary employees shall accrue service for salary progression purposes as long as breaks in service do not exceed 90 consecutive calendar days, after which the terms of Article 18.05(b) apply.

18.04 **GENERAL INCREASES**

Higher starting rates than step one may be paid in exceptional cases provided agreement is reached between the Company and the Union.
- b) A person who has previously worked for the Company and is rehired into the same job classification as s/he held at the time of termination, shall start at the same step of the salary range as that person was being paid immediately prior to the termination and the full time of the step must be worked before progressing to the next step.
- c) However, if the time away from the job exceeds one year, the individual will start one step below the step held when the termination occurred and the full time of the step must be worked before progressing to the next step. If the time away from the job exceeds 2 years, the individual will be treated as a new employee pursuant to Article 18.05(a).

18.06 **PROMOTIONS, DEMOTIONS AND TRANSFERS**

The following definitions will apply in the event of job changes occurring within or between salary scale categories:

- b) By definition, a "demotion" shall mean a move to a new job carrying a maximum step which

is lower than the maximum step of the old job.

- c) By definition, a "lateral transfer" shall mean a move to a new job which is neither a promotion nor demotion as defined above.
- d) By definition, a "temporary promotion" shall mean a promotion, as defined above, which lasts for one full working day or more and for 6 months or less.
- e) By definition, "red-circled" shall mean that an employee's salary will be maintained above the maximum of the salary range for their job until such maximum is raised to a level above their salary.
- f) By definition, "blue-circled" shall mean that an employee's salary will be maintained above the maximum of the salary range for their job and that such salary will be increased by all subsequent negotiated and length-of-service salary increases.

18.07 **PERMANENT PROMOTIONS**

- a) An employee who is promoted from one salary group to another will receive an increase of 5% for each salary group of promotion after first determining a pro rata adjustment to their old salary based on the accrued time since the last length of service increase. No employee, subsequent to the application of this promotion formula, will receive less than the minimum or more than the maximum of the new range. Thereafter, progression along the salary scale will be at 12 month intervals.
- b) When an employee is promoted from one floor-rated job to another floor-rated job they will receive an increase on their base rate in accordance with Article 18.07(a) above. Further, where their old floor rate is lower than their new floor rate they will receive the new floor rate; but where their old floor rate is higher than their new floor rate they will be red-circled at their old floor rate.
- c) When an employee is promoted from a floor-rated job to a non-floor-rated job they will receive an increase on their base rate in accordance with Article 18.07(a) above. Further, where their old floor rate is higher than their new base rate they will be red-circled at their old floor rate.
- d) When an employee is promoted from a position they have taken under the provisions of Article 18.10(a) and(b), the following salary policy will apply:
 - i) If the employee had been on the lower grouped job more than one year they shall be promoted in accordance with 18.07(a) above.
 - ii) If the employee has been on the lower group job less than one year and is promoted to the same group they held prior to demotion, they will receive the salary they would have achieved had they remained on that higher job group level.
 - iii) If the employee is promoted to a job group higher than they held prior to their demotion, their salary will be determined by applying firstly the provisions of Article 18.07(d)(ii) and then the provisions of Article 18.07(a).

18.08 **TEMPORARY PROMOTIONS**

Definition:

- a) "Temporary Promotion" means a promotion which lasts for one full working day or more.

 - ii) Where an employee carries out the duties of a manager, or another person outside of the bargaining unit, they shall receive a rate of 10% above the highest rate of persons

supervised, or 10% above the employee's current rate, whichever is greater, for the entire period of such relief.

- b) When an employee is in receipt of manager premium pursuant to Article 18.08(a)(ii), and works overtime the appropriate overtime premium will be applied to the employee's wage inclusive of the manager premium.
- c) An employee temporarily on a higher grouped job shall receive the benefit of length-of-service increases which they would have received on the lower grouped job and their salary shall be increased accordingly. A temporarily promoted employee will also be eligible for length-of-service increases on the higher grouped job if the temporary promotion is renewed and thus exceeds 12 months in duration. However, the salary resulting from a length-of-service increase on the higher grouped job shall at no time be higher than the salary the employee would have received had they been permanently promoted to that job. Increases in salary awarded to temporary promotions are withdrawn when the employee returns to their regular job. The salary at which they return to their regular job shall include any increases which would otherwise have come to them during the period of transfer.
- d) In cases where apparent salary anomalies occur, resulting from transfers to and from temporary promotions, the Parties agree to discuss such cases on their merits, subject to recourse to the grievance procedure.

18.09 **LATERAL TRANSFERS**

- a) When an employee is, by definition, laterally transferred from one floor-rated job to another floor-rated job they will retain their old base rate. Furthermore, where their old floor rate is lower than their new floor rate they will receive the new floor rate; but where their old floor rate is higher than their new floor rate they will be red-circled at their old floor rate.
- b) When an employee is, by definition, laterally transferred from a floor-rated job to a non-floor-rated job they will retain their old base rate and be red-circled on their old floor rate.

18.10 **DEMOTIONS**

- a) In the case of a demotion directly ascribable to the employee, for example through choice or as a result of inadequate performance, the following salary policy will apply:
 - i) If the employee has a year or more of service in the higher grouped job, upon demotion they will retain their rate if it is not beyond the maximum of the lower grouped job; if it is beyond maximum they will be reduced to the maximum of the lower group.
 - ii) If the employee has less than one year's service in the higher-grouped job, upon demotion their salary will be that which they would have attained had they moved directly to the lower-grouped job on the same date that they moved to the higher-grouped job.
 - iii) Under special circumstances, including health cases, the salary in the lower-grouped job will be negotiated by the Parties. Upon upward revision of the basic salary scale the employee will receive the general increases that accrue to their lower job grouping.

Industrial First Aid Training). Such training requires written approval of a Regional Manager or Department Head.

20.06 TRAINING/TRAVEL GUIDELINES (formerly LOU #20)

The Company and the Union believe in the benefits of employee training and development. The purpose of training is to provide for upgrading of an employee's knowledge, skills and abilities in order to meet the requirements of their present position, or to develop toward future career alternatives.

The following provisions are intended to apply to job training courses which are directed by the Company. In situations where such training occurs away from an employee's established headquarters, and/or when the hours of training vary from an employee's normal hours of work, the employee will attend the hours of the training program, subject to the following:

- a) The method of travel and time of departure should be discussed between the employee and manager in advance to obtain management approval on travel arrangements.

By agreement with the manager, these guidelines may be varied to accommodate travel arrangements requested by the employee, however, authorized payments for travel time will be based on the least cost alternative.

- b) On a day dedicated to training:
 - i) all surplus travel time will be paid at straight time rates regardless of when it occurs;
 - ii) accrued time in training (inclusive of travel time related to attendance at the training course) which is in excess of the normal hours accrued in an employee's work day (inclusive of time normally spent in travel to and from work) will be paid at straight time rates;
 - iii) where formal (classroom) training extends beyond 18:00, such that the total accrued hours in training for the day (exclusive of travel time) exceeds the employee's (normal) regular daily hours, these training hours which exceed the normal daily hours will be paid at overtime rates.
- c) On a day in which both training and normal work is performed:
 - i) accrued time in travel, work, and training which is in excess of the normal hours accrued, in an employee's work day (inclusive of time normally spent in travel to and from work) will be paid at one and one-half (1-1/2) times the employee's hourly rate:
 - ii) where formal (classroom) training extends beyond 18:00 such that the total accrued hours for the day, exclusive of travel time, exceeds the employee's (normal) regular daily hours, these training hours will be paid at overtime rates.
- d) If training occurs on an employee's regularly scheduled day off, the employee will have the day off rescheduled (without further compensation).
- e) Time spent in travel on a Sunday, related to attendance at a training course, will be paid at straight time rates. When such travel commences prior to 17:00 the employee will be paid for the period from commencement of travel to 17:00, or to the time the employee arrives at their destination whichever time is latest. Any payment for Sunday travel related to attendance at a training course is limited to a maximum of a normal day's pay at straight time rates.
- f) Time spent in travel on a Saturday, related to attendance at a training course, will be paid at straight time rates. When such travel commences later than 08:30, the employee will be paid from 08:30 to the time at which the employee arrives at their destination. Any payment for Saturday travel related to attendance at a training course is limited to a maximum of a normal day's pay at straight time rates.
- g) All time spent for in and out-of-province travel for training will be calculated on the basis of scheduled flying time, plus 2 hours ("Airport Wait Time") will be paid at straight time to a maximum of 7.5 hours per day.

(For example, an employee living in Vancouver flying to Toronto would receive 4.5 hours scheduled flying time plus 2 hours = 6.5 hours at straight time. An employee from Kelowna flying to Toronto via Calgary, would receive 2 hours flight time to Calgary, plus 2 hours, and 3.5 hours flying time Calgary to Toronto, however, they would not receive the additional 2 hours for the Calgary to Toronto leg, because the travel time would be effectively capped at 7.5 hours.
- h) Under this Letter, employees may elect to bank any premium hours accrued in lieu of receiving pay, subject to the terms of Article 16.07.

LOU # 7 - Gas Controllers

(original letter signed March 18, 1994 between Fred Green (BC Gas) and Scott Watson (OTEU))

The Parties agree to vary certain terms and conditions of the Collective Agreement as they apply to the shift work of Gas Controllers, as follows:

1. **HOURS OF WORK**

Gas Controllers Working Eight-Day Cycle:

Gas Controllers will work four 12-hour shifts within an eight day cycle. The normal cycle will be:

Day	Day	Night	Night	Off	Off	Off	Off
-----	-----	-------	-------	-----	-----	-----	-----

With one week's notice, this cycle may be altered to various combinations of day and night shifts, worked consecutively in the eight day cycle, except as provided for in Article 12.04 (k) Notice of Relief (i)(1)-(3) & (ii)(1).

Day shifts will begin at 7:15 a.m. and end at 7:30 p.m. Total shift time is 12.25 hours with a 1.0 hour unpaid lunch break, for a standard shift of 10.75 straight time hours, plus 0.5 overtime hours.

Night shifts will begin at 7:15 p.m. and end at 7:30 a.m. Total shift is 12.25 hours with a 1.0 hour unpaid lunch break for a standard shift of 10.75 straight time hours, plus 0.5 overtime hours.

When more than one Controller is on shift, lunch breaks will be staggered and will be taken at or near the midpoint of the shift, as operations permit. When only one Controller is on shift, no lunch break will be taken, and the time will be compensated at overtime rates.

Each employee will receive three fifteen minute paid relief periods in each shift.

New Gas Controllers:

New Gas Controllers will work a standard Monday to Friday, 7.5 hour day, for an initial training period no longer than one month (21 working days). Working hours will be 7:15 a.m. to 3:45 p.m., with a 1.0 hour unpaid lunch break and two fifteen minute paid relief periods in each shift.

2. **SHIFT PREMIUMS**

As per Article 12.04(e) of the Collective Agreement

3. **OVERTIME**

All hours worked beyond the standard 10.75 hours per shift or 43 hours in an eight day cycle will be treated as overtime and paid out at the applicable overtime rate.

4. **TIME OFF**

Gas Controllers' time off entitlement will be calculated as follows:

a) Annual Vacation

Each Controller will be credited with 37.5 hours of Annual Vacation for each week of vacation entitlement earned in accordance with Article 14.

b) Statutory Holidays

Each Controller will be credited with 7.5 hours for each statutory holiday specified in Article 13.

c) Purchased Days Off

Each Controller will be credited with PDOs in accordance with Article 15.07 of the collective agreement.

For annual time off entitlement calculation, the total hours credited to the employees under (a), (b) and (c) above, plus any hours carried forward from the previous year, will be divided by 10.75 to calculate the number of shifts off each Controller is entitled to for the year (rounded up to the next whole shift).

5. **RECONCILIATION**

The total number of straight time hours worked by each Controller will be compared annually to the total number of straight time hours worked by other office staff during the same comparative period.

6. **GENERAL**

Scheduled time off shall not conflict with essential department requirements. Approval will not be unreasonably withheld.

Other areas in the Collective Agreement, such as sick leave, leaves of absence, banked overtime, etc. will be calculated on the basis of hours utilized to a maximum of 10.75 hours per shift.

LOU #14 – Job Sharing

(original letter signed July 26, 1994 between Fred Green (BC Gas) and Scott Watson (OTEU))

Definition

Job sharing is defined as dividing all the functions of one full-time regular (FTR) position between two regular employees, each of whom works part-time in a manner that provides full-time coverage for the position. A full-time regular position can only be job-shared with the approval of the Manager, Human Resources and the Union. The manager is responsible for communicating the requirements of the job to both employees.

It is the intent that the time worked by the two job sharing partners will equate to that of a full-time regular employee. Neither of the partners in a job share relationship shall work less than 40% of the normal hours of work of the full-time regular position.

1. General

- a) The Parties agree that all terms and conditions of the Collective Agreement in force and effect shall apply unless specifically altered herein.
- b) Only regular employees are eligible to participate in job sharing arrangements unless otherwise mutually agreed by the Parties.
- c) A job-share employee (other than a temporary employee as mutually agreed in 1.(b), shall be classified as a part-time regular employee.
- d) For the purpose of applying the overtime and shift differential provisions of this Agreement, the job share position will be treated as a full-time regular position. Accordingly, the combined time worked by the two incumbents will fall within the normal daily and weekly hours of work for the full-time position to a maximum of 7 hours per day or 35 hours per week for Legacy PTR employees or a maximum of 7.5 hours per day or 37.5 hours per week for Standard PTR employees. Any time worked through the combined efforts of the two incumbents which exceeds 7 hours per day or 35 hours per week for Legacy PTR employees, or 7.5 hours per day or 37.5 hours per week for Standard PTR employees, shall be paid at overtime rates to the employee performing the work, except when the combined hours are beyond 7 per day and 35 per week (for Legacy PTR employees) or 7.5 per day and 37.5 per week (for Standard PTR employees), for the purpose of attending training courses or Company programs. Shift premiums will be split appropriately, but will not exceed those paid for the normal shift of the full-time position.
- e) Notwithstanding (d) above, a job-sharing employee may volunteer to work additional hours to cover workload demands that would otherwise be covered by another employee working part time. Premium pay will apply to all hours worked in excess of 7 in a day or 35 in a week (for Legacy PTR employees), or 7.5 in a day or 37.5 in a week (for Standard PTR employees), by that employee.
- f) Job sharing partnerships shall be restricted to employees working within commuting distance of the established headquarters where the job-share position exists.

- g) All job-sharing employees must meet the qualifications of the position to be job-shared.
- h) No employee is eligible to job share in a position in a paygroup higher than their current position.
- i) The regular position left vacant when two regular employees job-share will be posted in accordance with the provisions of Article 6, except as outlined in the trial period in 4 (a).

2. **Procedure**

- a) Regular employees wanting to job share may request the manager to consider a proposal for a job sharing arrangement. In making a submission it is important that both employees realize they are entering a partnership. Their proposal must provide information on the qualifications and experience of each proposed partner and give details on how the arrangement will ensure the work is efficiently and effectively completed. Details which must be considered in the submission include:
 - 1. Which functions will be shared and which functions will be performed by only one partner.
 - 2. How load priorities will be determined on an on-going basis, and how these priorities will be communicated between partners to ensure nothing is missed.
 - 3. Preferred work schedule of each partner and preferred start date.
 - 4. Other information required by the manager.
- b) Proposed job sharing arrangements will be discussed with the appropriate Human Resources Officer and for each job sharing arrangement there must be a written understanding signed by each partner, the employee's manager, Human Resources and the Union.

3. **Registration**

Regular employees who wish to job share should submit a proposal to their manager and the Human Resources Office. It is the responsibility of the employee to propose a qualified partner.

4. **Trial Period**

- a) In order to allow the parties a reasonable time to test the suitability of the individual job sharing arrangement, a 6 calendar month trial period will be in effect at the beginning of each job sharing arrangement. Any temporary vacancy that is thereby created may be filled by the Company without posting for the 6 month trial period. For such backfill vacancies, preference will be given to the senior, qualified employee within the same work group where the vacancy exists, except where there are qualified employees on the recall list.
- b) During the trial period, either party or either employee may terminate the job-share with 30 calendar days written notice.
- c) In the event that the job-share is terminated during the trial period, both employees will revert back to their former regular positions and status in all respects.

5. **Job Sharing Conditions**

- a) Full-time regular employees who enter a job sharing arrangement shall change their status to part-time regular (PTR) and assume the salary of the shared position. In the case of a demotion, the employee will retain their salary if within the group salary range of the position, or Step 5 of the position group, whichever is lower. There will be no blue circle or red circle salary treatment as a direct result of job sharing.
- b) Article 19.02(b), (c), and (d) do not apply to PTR job-sharing employees.

6. **Job Share Partner Absence**

Where an employee in a job share arrangement is absent from work for any reason, the Company shall first offer the work to the remaining partner (RP). In such instances, the extra hours worked, up to a maximum of 7 hours per day (for Legacy PTR employees) or 7.5 hours per day (for Standard PTR employees) and 35 hours per week (for Legacy PTR employees) or 37.5 per week (for Standard PTR employees), will be paid at straight time rates. The RP will retain their status as a PTR employee for the duration of the partner's absence. If the RP declines to accept the extra hours the Company may fill the vacancy with a Temp employee.

7. **Filling a Job Share Vacancy**

- a) In the event one of the partners leaves the job-share and where the parties and the RP agree the job-share should continue, the vacancy will be dealt with as follows:
- b) The RP has 30 calendar days from the notice date of the original partner to find a replacement partner.
- c) If no suitable partner can be found, the RP will have the option of filling the position on a full-time basis.
- d) If the RP declines the option, s/he will be placed directly onto the recall list in accordance with Article 7.03 and the full-time position will be posted in accordance with Article 6.

8. **Termination of Job Sharing Arrangement**

- a) Individual job sharing arrangements may be terminated by the manager or either party with 30 days written notice to the affected partner(s).
- b) If one partner voluntarily leaves, the remaining partner (RP) will have the option of filling the position without posting on a full-time basis. If the RP declines the option of filling the full-time position, s/he will be placed directly onto the recall list in accordance with Article 7.03 and the full-time position will be posted in accordance with Article 6.
- c) If the manager, or either party terminates the job-share and neither partner voluntarily leaves, the full-time position will be posted in accordance with Article 6, and when filled, the remaining partner(s) will be placed on the re-call list in accordance with Article 7.03.

9. **Discontinuation of Job Sharing Letter of Understanding**

Either party may discontinue this Letter of Understanding on notice to the other party, following which job share partnerships in the trial period will be immediately discontinued. Existing job share partnerships past the trial period will be grandparented.

Amended: May 8, 2015

LOU #21 - Co-Operative Educational Students

(original letter signed June 22, 1994 between Fred Green (BC Gas) and Scott Watson (OTEU))

1. A Co-op Student is a student who is enrolled as an undergraduate in a Co-op program at a recognized Technical School, College or University at all times during the period of employment.
2. It is the intent of the Parties that participation in this program will not adversely affect existing jobs or bargaining unit work covered by the FortisBC/MoveUP Collective Agreement. The employment of Co-op Educational Students shall not be utilized by the Company to avoid the creation, continuance or filling of any regular or temporary jobs as defined in the Collective Agreement. Co-op Students shall not be employed to backfill for:
 - a) leave of absence replacements;
 - b) special projects which disallows training or employment opportunity to bargaining unit employees;
 - c) emergent considerations.
3.
 - a) FortisBC will ensure that any co-op student employed under this Letter of Understanding will have an employment period of four (4) continuous months. The Company may request from the Union an extension of the four months with regards to an educational institution program requiring such extension. The Union will not unreasonably deny such request. Each such period of continuous employment for each student shall be deemed to be one (1) work term.
 - b) Co-op positions shall not be subject to the job posting procedures in the collective agreement.
4. Co-op students may be re-employed by FortisBC provided there is at least one co-op period of absence between periods of employment. In such instances, the Co-op student will advance one step on the salary schedule noted below.
5. All Co-op students will be required to become and remain MoveUP members for the duration of their work term. Co-op Education Students will not be entitled to apply for regular or temporary MoveUP-affiliated bulletined positions.
6. Either Party retains the right to discontinue participation in Co-operative Education programs with four months notice to the other.
7. MoveUP will be advised of the student's name, position and department prior to placement.
8. No more than two students shall work in any one department unless there is agreement of the Parties.
9. No more than four (4) Co-op Students would be hired in any four (4) month period without mutual agreement.
10. Co-op Students will be entitled to 4% in lieu of vacations, and 4.8% in lieu of statutory holidays. Co-op students extended and employed longer than the four (4) month period shall be entitled to an additional 6% in lieu of welfare benefits.

11. Co-operative Educational Students shall receive salary treatment in accordance with the following schedule, which is based progressively on the number of Work Terms worked by each student:

WORK TERM	PAY GROUP
1	Group 3 Minimum
2	Group 3 Maximum
3	Group 3 Maximum
4	Group 4 Maximum
5	Group 4 Maximum

The above rates shall be subject to change at any time by mutual agreement of the parties.

12. Employees hired as Co-op students will not accrue seniority.

13. The Co-operative Educational Students Program as described in this Letter of Understanding shall apply for the term of the Collective Agreement unless modified by mutual agreement of the Parties.

14. Employment of Students

- a) It is the intent of the Parties that hiring of students will not adversely affect existing jobs or bargaining unit work covered by the FortisBC/MoveUP Collective Agreement. The employment of Students shall not be utilized by the Company to avoid the creation, continuance or filling of any regular or temporary jobs as defined in the Collective Agreement.
- b) Students employed between semesters of the educational institution to which they have been admitted or are attending shall be employed for duration not to exceed four (4) months after which time they shall be terminated. During this period students may be assigned, transferred, demoted or terminated as the Company requirements dictate, provided that such assignment does not result in the demotion or displacement of any employee or would result in the filling of a job vacancy that would normally be posted.
- c) Student Employee positions shall not be subject to the job posting procedures in the Collective Agreement.
- d) Students shall not be entitled to sick leave, long term disability or any of the benefit plans outlined in this collective agreement.
- e) In the case of a general reduction or layoff of bargaining unit employees, students shall be terminated before regular employees are displaced. The Company will provide 2 days' notice or pay in lieu of notice to students terminated prior to the normal expiration of their work term.
- f) Salary levels for students will be the minimum of the Job classification to which they are assigned.
- g) Students must become and remain members of the Union as a condition of employment as outlined in Article 1 of this agreement.
- h) Students will be entitled to 4% in lieu of vacations and 4.8% in lieu of statutory holidays.

LOU #31 - Hours of Work - Emergency & Operations Representatives

(original letter signed November 12, 2002 between Franz Scherubl (BC Gas) and Bill Bell (OTEU))

The Company and Union agree to vary certain terms and conditions of the Collective Agreement as they apply to the shift work of Emergency & Operations Representatives (EORs). The Company and the Union agree that a shift schedule with shifts ranging from 8-12 hours (inclusive of lunch break) will meet the required 24 hour 7 days a week coverage while benefiting the EORs by providing more consistent scheduled time off.. To create this rotating shift schedule, the 12 days in lieu of statutory holidays and all available PDOs will be pre-scheduled into the shift rotation and time off will be pre-scheduled and subject to operational requirements.

1. SHIFT STRUCTURE

The attached schedule of hours and days of work is a modified operationally based shift schedule with a range of shifts from 8-12 hours payable at straight time. The schedule is intended to incorporate relief coverage from within the group.

2. WORKING HOURS

The total number of straight hours worked by each EOR will be equal to the total number of straight time hours worked in a year by other office staff during the same year (i.e. 37.5 hours per week for 52 weeks).

3. WORK AND LUNCH BREAKS

- a) When more than one employee is on shift, lunch breaks will be staggered and will be taken at or near the midpoint of the shift or as operations permit and will be one half hour. As well, employees on the night shift will take their lunch breaks at a time when employees on the afternoon shift can provide coverage (i.e. before the end of the afternoon shift). When only one employee is on shift, the lunch break will be taken at the workstation, paid at straight time and the shift will be reduced by 0.5 hour.
- b) Each employee shall receive three (3) work breaks of fifteen (15) minutes in a shift ranging from eleven (11) to twelve (12) hours or two (2) work breaks of fifteen (15) minutes for shifts less than eleven (11) hours. The work breaks will be staggered and shall be taken one in each four (4) hour period of the shift.

4. OVERTIME PAYMENTS

All hours worked in excess of the regularly scheduled shift(s) will be paid for at the rate of double time. All hours worked on a scheduled day off shall be paid at the rate of double time unless appropriate notice of change of schedule is given per article 12.04(k).

5. ANNUAL VACATION

- a) All annual vacation shall be pre-scheduled.
- b) Sign up for vacation per article 14.05 of the collective agreement will be in order of seniority from the 3rd quarter seniority list, and will be completed by December 1st of each year. The approved schedule will be posted by January 15th of the following year.

6. TIME OFF

EORs' time off entitlement will be calculated as follows:

a) Annual Vacation

Each EOR will be credited with 37.5 hours of annual vacation for each week of vacation entitlement earned in accordance with Article 14.

b) Statutory Holidays

Each EOR will be credited with 7.5 hours for each statutory holiday as specified in article 13.

c) Purchased Days Off (PDOs)

Each EOR will be credited with PDOs in accordance with Article 15.07 of the Collective Agreement. PDOs will be pre-scheduled into the shift schedule and will deplete the time bank on an hour for hour basis to a maximum of 11.5 hours per day.

7. GENERAL

a) Scheduled time off shall not conflict with essential department requirements and will be subject to the availability of relief within the group of EORs.

b) Other areas in the Collective Agreement, such as sick leave, leaves of absence, banked overtime, etc. will be calculated on the basis of hours utilized to a maximum of 11.5 hours per day.

8. TRIAL PERIOD

There will be a trial period of up to ninety (90) days. Prior to the end of the trial period, the Parties will meet to discuss continuation of the shift schedule in this LOU.

9. DISCONTINUATION OF THE LETTER OF UNDERSTANDING

Either party may discontinue this Letter of Understanding on 30 days written notice to the other party.

Amended: May 8, 2015

LOU #33 - Labour Relations Forum

This Letter of Understanding sets out the basis for establishing and maintaining an ongoing Labour Relations Forum (Forum) between the Union and the Company.

It is understood that a favourable relationship cannot be simply negotiated or mandated, it must be developed together by the parties to the relationship. Representatives of the Union and the Company therefore acknowledge the need to work jointly with each other and with their principals toward the development of a harmonious relationship.

The Union and the Company also recognize that many factors, both internal and external, have created and will continue to create new challenges to an effective working relationship. The Parties therefore wish to set out the principles and guidelines for the establishment of the Forum and to identify the way in which the Union and the Company intend to address certain labour relations issues on an ongoing basis. Nothing in this document is intended to abrogate any rights presently held by either party. The Parties also recognize that in striving to meet their objective of establishing a stable and productive working relationship, periodic amendments to this document may be required from time to time.

One of the objectives of establishing this Forum will be to have a mechanism in place to respond to certain issues raised by either party which, if not dealt with in a timely fashion, could adversely affect the relationship between the Parties. The Parties recognize the importance of developing a consultative Forum for purposes of securing and maintaining a Collective Agreement that reflects the ongoing needs of the parties bound by it and which seeks to build labour relations stability within the Company.

1. WORKING PROBLEM/SOLVING SESSIONS

A consultative Forum (known as the Labour Relations Forum) will be established, maintained, and scheduled, to enable the parties to deal with certain issues for the purpose of improving the Labour Relations environment within the Company. This Forum will consist of regularly scheduled meetings between the parties, and other such meetings as required, with the expectation that there would be no less than four meetings per year.

2. REPRESENTATION

There will be two designated representatives assigned from each party. The designated representatives will coordinate their respective agendas and will work toward the resolution of issues brought forward. Other participants may be brought in by the Parties on an “as required” basis to act as a resource in helping resolve the issues being addressed.

3. ISSUES TO BE ADDRESSED

Issues brought forward by the Parties include, but are not limited to:

- a) vacation scheduling
- b) other mutually agreed non-bargaining issues from either party; and,
- c) business focused operational issues that have a labour relations impact.
- d) contracting in

Every effort will be made to deal with “resolvable issues” as expeditiously as possible. In regard to such issues, the parties will endeavor in good faith to arrive at resolutions without external assistance.

However, the Parties agree that some “resolvable issues” may require third party assistance, and the Parties will therefore set out to agree to appoint a standing mediator who may be called upon as the Parties determine.

4. RESOLUTION IMPLEMENTATION

Resolutions to issues that involve changes to the Collective Agreement shall be announced and implemented as the parties determine. It is understood that some resolutions may require a ratification procedure.

5. COMMUNICATIONS

Communication of Forum resolutions will be jointly coordinated. To that end, the parties will keep joint minutes. In addition, each party will be free to engage in direct communications with their respective constituents, with a copy of such communiqués being sent to the other party.

The Parties believe that in order to achieve a positive labour relations environment there must be open communications and trust between the Parties that shift towards a more constructive approach to resolving issues of mutually concern. In support of the objective to achieve and maintain positive labour relations, the Parties commit themselves to the principles of the Labour Relations Forum.
