The severance allowance will not be more than the employee would normally receive if he/she remained at work at forty (40) hours per week to his/her normal retirement date.

At the time of separation the employee shall have the option of receiving his/her severance allowance on termination, or he/she may elect to have his/her severance allowance held in abeyance for up to one (1) year from the date of termination. He/she may apply in writing at any time during the year, at which time his/her full severance allowance will be paid forthwith.

Where the right of recall and seniority retention under Article XXI is elected, the employee's severance allowance will be held in abeyance for the duration of his/her recall rights at which time the employee will be terminated and his/her severance allowance paid forthwith.

Where an employee renounces the right of recall during this period, the employee will be terminated and his/her severance allowance paid forthwith with all seniority and recall rights being forfeited.

ARTICLE XXV - CONTRACTING

- (a) The Company will notify the Union of their intention to have work performed by contractors in the mill, and will, emergencies excepted, afford the Union the opportunity to review it with the Company prior to a final decision being made. For this purpose, a Joint Contracting Committee will be established and

it will be used as a forum to discuss the Company's contracting decisions.

- (b) In keeping with a joint commitment of the Company and the Union to provide as much maintenance and repair work as possible to the regular maintenance work force, the Committee will also meet quarterly to make recommendations regarding the utilization of the mill maintenance work force to minimize the use of contractors, both inside and out of the mill.
- (c) The Company will not bring a contractor into the mill:
- (i) which directly results in the layoff of employees, or
 - (ii) to do the job of employees on layoff, or
 - (iii) to do the job of a displaced employee working outside his/her job category.
- (d) It is not the intent of the Company to replace its regular work force through the use of contract firms.

For greater clarity it is agreed that:

1. The changes which provide that it is not the intent of the Company to replace its regular work force through the use of contract firms will not set aside existing external work arrangements and practices.
2. Working under the flexible work practice provisions does not mean that an employee has been displaced and is working outside his/her job category.

ARTICLE XXVI - FLEXIBLE WORK PRACTICES

Flexible work practices will be implemented consistent with the Letter of Understanding attached to this Agreement.

ARTICLE XXVII - COMPRESSED WORK WEEK

The Company and Union recognize the concept of the compressed work week. It is further understood that the compressed work week conditions will apply only to those departments that are on the compressed work week.

The Jointly Trusteed Fund will be used for the payment of wage loss for Local Union planning committee attendees and conference expenses.

The Company has the right to discipline or discharge employees for just and reasonable cause.

The presence of a Union Shop Steward is mandatory at any meeting during which the employee is disciplined.

An employee who has been given a written reprimand may after two (2) years without further discipline on his/her personnel file, request a review of his/her file to have the reprimand removed. However, the final decision to remove the written reprimand remains with Management.

The disciplinary record of an employee, including letters of reprimand or warnings, shall not be used against them at any time after twelve (12) months.

In cases involving suspension, the disciplinary notice will remain on the employee's file for twenty-four (24) months and not used after that period provided no other discipline has occurred during that time.

ARTICLE XXXI - ADJUSTMENT OF COMPLAINTS

Preamble: It is mutually desired and intended by the parties that any dispute or complaint arising out of the interpretation of this Agreement will be communicated by the employee to his/her supervisor in order to provide an opportunity for discussion and timely resolution, prior to the issue becoming a grievance.

If an employee is not satisfied with the resolution offered by his/her immediate supervisor they may then initiate a grievance.

Section 1: Grievance Procedure

Grievances other than those of individual employees may be initiated at Step Two by either party.

Step Three - If there is no satisfactory resolution at second step then either party may, within seven (7) days, refer the question to the Standing Committee by advising the chairpersons of the Standing Committee of the intention to proceed with the grievance. The Standing Committee will then have thirty (30) days to deal with, and answer, the grievance.

The time periods may be extended by mutual agreement by Management and the Local Union.

- (b) The time limit between steps may be extended by mutual consent.

Section 4: Arbitration Procedure

- (a) The Company and the Union will endeavor to agree upon the selection of the Arbitrator. - (b) An Arbitrator must meet and hear the evidence of both parties within fifteen (15) days after assignment. If an Arbitrator is unable to commit himself to do so, the grievance shall immediately be assigned to the next Arbitrator in order of rotation.
- (c) The unavailability of counsel shall not be a reason to delay an arbitration under this section.
- (d) The parties will endeavor to agree on a statement of material facts which may be submitted to the Arbitrator in advance of the hearing.
- (e) The Arbitrator will give his/her decision and his/her written reasons within one week after the hearing. The reasons need not accompany the decision. Neither the decision nor the reasons will form precedent.

- B. Rehabilitative employment shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee, and his/her doctor in consultation with the underwriter of the L.T.D. plan.

**Taken from the Transcripts of
Negotiations for Contract Years
1945 - 1952 inclusive**

**and from Memoranda issued during

FOREWORD

During the 1946 Labour Conference it was jointly agreed that the Companies and the Union would each appoint a Committee of two (2) to select from the verbatim transcripts of the 1945-46 and the 1946-47 Joint Conferences "Statements of Policy" which were then to be approved by the International Officers of the Union and by representatives of the Companies and thereafter printed in a booklet to be entitled "Statements of Policy". (See 1946 Transcript, page 80 and page 159.) This policy has been re-adopted at subsequent Labour Conferences.

The Statements of Policy contained in this booklet have been reworded for the sake of brevity and clarity, and have been agreed to by both Union and Company representatives. They are intended as a supplemental guide in the interpretation of the contract on the points which they cover.

STATEMENTS OF POLICY

Article II - Definitions

- (a) **Definition of "Supervision"**. (Memorandum of Agreement dated January 30, 1958)

Employees and employers recognize that supervisors are excluded from the provisions of the B.C. Standard Labour Agreement and accordingly it is improper for supervisors normally to do the kind of work which is done by those defined as employees in the Agreement.

It is also recognized that for the practical and efficient operation of the mills there are occasions when a supervisor must help. Such occasions must be temporary in nature and must not result in the displacement or exclusion of employees under the Agreement.

- (b) **Definition of "Engineering"**. (Page 35, 1947 Transcript)

The word "engineering" as used in this section does not refer to steam operating engineers.

Article V - Standing Committee

Payment of Representatives on Union Standing Committee.
(Pages 109 - 110, 1950 Transcript)

- (i) The general principle to be followed is that no employee's normal earnings shall be reduced by virtue of his attendance at a Standing Committee meeting.
- (ii) Employees attending meetings called while they are on duty will be paid for the time in attendance providing a meeting does not extend past the end of a shift.
If it does extend past the end of the shift, no allowance is made for such additional time.
- (iii) Employees attending meetings during their time off will not be paid.
- (iv) Where it is necessary to relieve an employee attending a meeting, the relief man will be paid at straight time except for any time in excess of eight (8) hours in the day which will be paid for at time and one-half.

(v) The time of the meeting shall be determined by mutual agreement.

Sunday - 8 hours plus 4
Monday - 8 hours
Tuesday - 8 hours plus 4
Wednesday - 8 hours
Thursday - 8 hours
Friday - off
Saturday - 4 hours

Article VI - Hours of Work

(a) Section 2: Overtime

It is hereby agreed by the Companies party to the B.C. Standard Labour Agreement that:

- (i) The hours worked on Sundays and on the recognized paid Statutory Holidays provided for in the above referred to B.C. Standard Labour Agreement will be used in the computation of the forty (40) hour work week.
- (ii) The foregoing arrangement applies only to Sunday and recognized paid Statutory Holiday hours and no other hours on which time and one-half has been paid, nor hours paid for Call Time, may be used for the purpose of calculating the forty (40) hour week.
- (iii) For the purpose of calculating overtime, the basic forty (40) hour work week shall be reduced by eight (8) hours in any week in which a recognized paid Statutory Holiday occurs. Should more than one (1) recognized paid Statutory Holiday occur in any week, the basic forty (40) hour work week shall that week be reduced by eight (8) hours for each such recognized paid Statutory Holiday. For example, in a week in which one recognized paid Statutory Holiday occurs, overtime will be paid for hours worked in excess of thirty-two (32). Should it happen that two (2) recognized paid Statutory Holidays occur in one (1) week, then overtime will be paid for hours worked in excess of twenty-four (24) that particular week.

The work week shall start at 8:00 a.m. (or at the regular hour of changing shifts nearest to 8:00 a.m.) Sunday.

(b) Section 2: Overtime (1) Day Workers

Clarification of Overtime to Day Workers. (Page 90, 1949 Transcript)

The employee's designated day off is Tuesday. He is given less than forty-eight (48) hours notice that it is to be changed to Friday. He is then paid as follows:

If he is called back at 1 p.m. Saturday to work four (4) hours in the afternoon, are he/she entitled to time and one-half? The answer is "no" for the reason that the contract stipulates that overtime will only be paid on the one basis. In other words, we cannot pay overtime twice on the same time. However, in the letter of October 18, 1946, Powell River Company Limited and Pacific Mills Limited did agree to include Sunday time and designated holidays time in the forty-four (44) hour week (amended to forty (40) hours 1952-53), even though time and one-half had been paid on it. They did not agree to include any other time on which time and one-half had been paid and there is no intention of broadening it at this time. On this principle, therefore, in the case above, the hours the employee worked on Tuesday, his designated day off, are eliminated from inclusion in the forty-four (44) hour week (amended to 40 hours 1952-53).

(c) Section 2: Overtime, (2) Tour Workers

Definition of What Constitutes a Mate at Powell River. (Page 312, 1950 Transcript)

In the case of the Block Loader, there are two men on one side and one on the other. These will be numbered 1, 2 and 3. No. 1 man relieves No. 1; No. 2 relieves No. 2; and No. 3 relieves No. 3.

Relief of Mates. (Page 328, 1950 Transcript)

The Company will do everything in its power to relieve men within twelve (12) hours when these men are working due to the absence of a mate.

Section 3: Days Off and Schedule of Shifts

(a) **Scheduling of Days Off.** (Memorandum, 1953 Wage Conference)

The Manufacturers agree that the scheduling of days off shall be on a consecutive basis wherever practicable.

(b) **Sunday Running**

At a meeting held in Vancouver, B.C., on June 15th, 1953, between the representatives of the Powell River Company Limited and those of Local 142 of the United Papermakers and Paperworkers, continuous operation of the paper machines was agreed upon in accordance with an understanding as set out in the Minutes of the said meeting.

Section 4: Starting and Stopping Work (b) Day Workers Clarification of "Starting". (Page 260, 1948 Transcript)

When a Day Worker is established on a job that is some distance from his shop he shall be on that job ready to begin work at the time his pay starts and shall not cease work in advance of the time his pay stops. If the worker's time clock is not located close to the route he must travel to his job, he may, at the discretion of the Company, report directly to the job without punching his time card and his foreman will be responsible for having his time recorded.

Article IX - Allowance for Failure to Provide Work

(a) **Clarification of the Word "Accident".** (Page 60, 1945 Transcript)

The word "accident" as used in this section means a mishap occurring to an individual resulting in a shutdown. In other words, the occasion involves the human element as distinguished from the mechanical.

(b) **Clarification of "Employee's Regular Job".** (Page 61 et seq., 1945 Transcript)

In the application of this section it is considered that the allowance is due to an employee only in the case where he is reporting for his regular duties and then no work is provided. If the employee's regular duties consist of ship loading and bull gang work, he may be transferred from one regular assignment to another without penalty providing he obtains work on either job. However, while working on ships he will receive the ship rate and while working in the yard he will receive the bull gang rate. In the case of an employee, whose regular duties consist of one specified job, and who reports for work and finds no work available, if such employee then transfers to a job carrying a lower rate, at his election, he shall nevertheless receive the rate paid him on his regular job.

(c) **Clarification of "Breakdown".** (Page 258, 1948 Transcript)

A breakdown in one department which compels the closing down of one or more additional departments is a breakdown within the meaning of this section, providing the Company uses its discretion in handling the case and where there is no loss of time unjustly caused to an employee.

Article X - Call Time

(a) **Applicability of Section in Specific Instances.** (Page 157, 1946 Transcript)

(i) When a Day Worker whose shift is from 8:00 a.m. to 5:00 p.m. is told to go home at 12:00 noon and return at 4:00 p.m. for work, he will receive two (2) hours Call Time because the shift was designated at 12:00 noon.

(b) **Definition of "Regular Scheduled Shift".** (Page 65, 1949 Transcript)

A regular scheduled shift is the work defined for an employee by the Company.

(c) **Applicability of Section in Specific Instances.** (Questions and answers - report of Call Time Committee, 1949 Transcript)

(i) In Section 2(a) relating to the payment of Call Time to Tour Workers, the phrase "after he has completed his regular shift" shall be considered to mean at that point when his pay stops upon being relieved by a mate.

(ii) A Day Worker is called in on his designated day off reporting for work at 8:00 a.m. and working until 10:00 a.m. for which he received four (4) hours pay as the minimum allowance for an employee who starts work. If notification had not been given during his last shift preceding the work involved, he would qualify for Call Time and would also qualify under the provisions of Section 3(a) wherein a minimum of four (4) hours pay will be paid for each call when work has actually commenced both to Tour Workers and Day Workers.

In the above case the worker worked two (2) hours at the overtime rate plus a two (2) hour call which would entitle him/her to five (5) hours pay, thereby meeting the requirements of Section 3. It should be made clear that an

employee under these circumstances will not receive four (4) hours minimum pay plus Call Time, if any, but that the four (4) hours minimum pay includes the Call Time payment.

- (iii) A Day Worker normally working the 8-5 or 8-4 shift is ordered to go home at 12:00 noon and report back for work at 4:00 p.m. or 12:00 p.m. The employee in question is entitled to Call Time since his designated shift terminated at 12:00 noon and more than two (2) hours elapsed between his designated shift and his return to work.

Article XVII - Statutory Holidays

- (a) **Work to be Performed.** (Page 238, 1948 Transcript)

Employees who are required to work on designated holidays are expected to perform regular maintenance and routine duties normally assigned to them.

- (b) **Clarification of What Repair Work May Be Done.** (Page 240, 1948 Transcript)

In a case of an emergency involving the closing of the mill for a day or more and a loss of employment to a substantial number of men, employees are expected to perform repair work on holidays.

- (c) **Clarification of Section 4.** (Page 265, 1948 Transcript)

- (i) In the calculation of the forty-two (42) hour work week (amended to forty (40) hours 1952-53) the payment of holiday pay will not be used unless the employee actually worked.

- (ii) It is understood that an employee's vacation shall be exclusive of a paid holiday as recognized by the B.C. Standard Labour Agreement. Therefore, if one or more such holidays fall within the employee's vacation period, he will be required to take the comparable number of additional days off. The employee shall only receive the pay for such recognized paid holidays falling within his vacation period when he takes the required additional time off.

- (iii) Where an employee, after having agreed to do so, fails or refuses to work on a holiday, on account of sickness, or other bona-fide reason, the Company reserves the right to investigate the absence of the employee to decide whether or not he is entitled to holiday pay.

- (iv) The sixty (60) day qualifying period referred to in Clause (a) refers to "calendar" days.

- (d) **Clarification of Section 4(c).** (Page 105, 1950 Transcript)

Employees absent on the "scheduled work day before and/or the scheduled work day after a recognized holiday" are excused from their regular scheduled shifts in instances of sickness, or of sickness in the family, and are, therefore, entitled to holiday pay. The question of the validity of the excuse of sickness can be determined by the Company in each mill in each case.

Article XXVIII - Safety and Occupational Health

- Unsafe Working Conditions.** (Page 136, 1947 Transcript)

It is not the policy of the Company to require an employee to work under unsafe conditions. It is admitted by the Union and the Company that it is impossible to draw a hard and fast line as to what is safe and unsafe. Being a factual question, each case must be decided on its merits, but in general an employee who justifiably refuses to work under unsafe conditions would not be subject to discipline.

Article XXX - Disciplinary Action

- (a) **Notification of Union Standing Committee by Employer.** (Page 70 et seq., and Page 126, 1945 Transcript)

Wherever practical, the Company will notify the Union Standing Committee of its intention to discharge an employee. Under certain well-recognized circumstances where no premeditation is involved, it is permissible for the Company to discharge an employee immediately without recourse to the Standing Committee. The employee still has the right to present his case to the Standing Committee for consideration and if deemed proper the Standing Committee may follow the usual grievance procedure.

Article XXXI - Adjustment of Complaints

- Standing Committee Can Call in Members for Discussions of Grievances with the Company.** (Page 261, 1946 Transcript)

It is agreed that the Union Standing Committee may call in any other employee to accompany them in their meetings with Company officials.

Exhibit "A"

Clarification. (Memorandum No. 6, 1952 Wage Conference)

"An employee shall be considered as having been promoted to a higher rate job when he has taken over the duties and responsibilities of that job, without the guidance of the employee who is breaking him in. He shall then receive the higher rate. During the period the employee is being broken in and another employee is on the job and carrying the responsibility for it, the employee being broken in shall receive the hourly rate of his previous regular job."

Miscellaneous

(a) **Status of Employees Refusing to Work in Excess of 8 Hours Per Day or Scheduled Hours Per Week.** (Page 91, 1949 Transcript)

If an employee is requested to work in excess of eight (8) hours in any one day or in excess of his scheduled work week hours in any one week, the employee has the right to come in or not to come in and no penalty can be imposed by the employer for the failure of the employee to come in. It is understood, however, that the Companies are entitled to look for reasonable co-operation from his/her employees.

(b) **Native Indian Employment**

In response to a Union proposal relative to encouragement of Native Indians to seek employment, the Industry will participate with the National Union in a joint committee to function during the term of the 1970 Labour Agreements. The committee will be known as the Native Indian Employment Committee, and will consist of eight (8) members, four (4) representatives of the Unions and four (4) representatives of the Industry.

The purpose of the committee will be to examine problems relative to employment of Native Indians and make appropriate recommendations to the Company and Union to further this objective.

CCAA PLAN OF ARRANGEMENT 2012

March 10, 2012

The parties agree to recommend acceptance of the following amendments to the 2008 – 2012 Labour Agreement.

The parties also agree the Local Unions will be entitled to satisfy itself through the efforts of an Accountant designated by the Local Unions that any "plan of arrangement" made as part of the CCAA Court process and any agreements reached with creditors of the Company are appropriate for and consistent with the business plan of the Company to continue to operate. The Accountant shall be bound by the appropriate Confidentiality Agreement but will be entitled to provide general opinions and assurances to the Local Unions and this agreement and concessions will not be effective until the Local Unions have been satisfactorily informed on the relief by the Accountant as set out above. The review by the Accountant may include examination of the agreements reached by the Company with its major lenders and bond holders on a confidential basis.

It is also agreed that the amendments to the Collective Agreement set out below have been agreed to by the Unions to assist the Company in developing a "plan of arrangement" to facilitate the furtherance and conclusions of the CCAA process and to facilitate the continued operation of the various mill operations represented by the Local Unions. Should any "plan of arrangement" not be approved or accepted by the Court process (either because of opposition of Creditors or refusal by the Court) or should the "plan of arrangement" put forward by the Employer (or any amendment to that plan) involve either the closure (partial or otherwise) of any of the mill operations represented by the above Local Unions, then the amendments to the Collective Agreement set out below shall be deemed null and void and the current Collective Agreement between the respective Local Union(s) and the company (defined as the 2008 – 2012 Labour Agreements that are in place in each location including Local Agreements prior to the "concessions") shall immediately be deemed to be and have been the terms and conditions of employment for all bargaining unit employees and the 2008 – 2012 Labour Agreements shall immediately be deemed to be and have been the Labour Agreements between the parties at each location.

This agreement is without prejudice to any rights or claims that the Local Unions may make in any Court or other proceeding including any CCAA or other insolvency proceeding.

Between
Catalyst Paper Corporation**

And

**The Communication Energy and Paperworkers Unions,
Local 1, 76, 592, 686, 1132, 630 and 1123
(The "Unions")**

Whereas the Company and all related corporate entities that are Petitioners in Action #S120702 entered into CCAA proceedings in BC Supreme Court and are planning on presenting a "Plan of Arrangement" to the Court pursuant to the CCAA.

Whereas part of that arrangement will be the continuation of the revised Collective Agreement that is to be agreed to as part of current negotiations between the Company and the Unions.

Whereas the Unions have made substantial amendments and concessions to the Company in furtherance of its intention to cut operating costs and continue operating.

Whereas the Unions have made these concessions explicitly to assist the Company but also so that obligations of the Company to members and former members of the Unions that were in effect on the CCAA filing date of January 31, 2012 will continue to apply after the arrangement becomes effective.

Whereas the Employer agrees that it explicitly agrees to honour those obligations despite them potentially being "pre-filing debts" in the CCAA action and thus subject to potential compromise.

Whereas the parties agree that the Unions are agreeing to the compromise contained in the revised Collective Agreement explicitly on the basis that the obligations will continue as set out above and below.

The parties agree:

- a) The Company will ensure that all obligations (including any obligations currently in dispute through the grievance process under a collective agreement to the extent that the Company is determined to be responsible under such process) and amounts owing to CEP members and former CEP members pursuant to various current and former Collective Agreements, Letters of Understanding or other retirement or severance arrangements to the extent applicable as of the CCAA filing date of January 31, 2012 will continue after any Plan of Arrangement placed before the Court and other Creditors and those obligations

and amounts will survive any final "discharge order" pursuant to the CCAA proceedings and be continuing obligations of the Company or its successor regardless of any technical "Bankruptcy" or any other insolvency proceeding.

- b) The Company will be responsible for obtaining the agreement of the 2016 Bondholders group through this arrangement under a plan of arrangement with the Company files under the CCAA.
- c) Without limiting the generality of the above and unless explicitly compromised in the new Collective Agreement entered into between the parties, the Company will ensure and take steps to ensure the Company's obligation with respect to the following amounts continue to apply in any "plan of arrangement" regardless if the amount owing to individual CEP members or former members was accrued prior to the CCAA filing date of January 31, 2012 namely:
- 1) All pension top-up payments due and owing under various early retirement agreements between the parties.
 - 2) All "bridging" payments due and owing for "early retirees" under the various Collective Agreements including "pop-up" payments.
 - 3) All benefits payable pursuant to agreements between the parties for retirees and their beneficiaries to the extent that such benefits were being paid by the Company prior to the CCAA filing date of January 31, 2012.
 - 4) All vacation or other "earned time" benefits owed to current employees including banked time, supplementary vacation, lieu time or other accumulated benefits under the various Collective Agreements.

This agreement is entered into at the same time as the revised Collective Agreement and if this agreement is Nullified any way, then the Collective Agreement is also nullified.

Agreed to this 10th day of March, 2012.

- (b) This trial period may be canceled by either party with thirty (30) days written notice or within seven (7) days if mutually agreed to by the Union and the Company.
- (c) The implementation of the Compressed Work Week will be on the conditions that there will be no extra cost to the Company and that the efficiency of any department will not decrease.
- (d) It is understood by both parties that problems may arise during the trial period. Should this occur, the parties will

option of receiving the overtime premium on the basis of Article VI, Section 2 (3) of the Crofton Labour Agreement, or of receiving straight time for hours in excess of twelve (12) or eight (8) consecutive hours respectively and taking equivalent time off at the hourly rate of the job when the work was performed, at a time suitable to the employee and the Company during the contract year. Any overtime remaining at the end of the contract year in which it is banked may be carried over to the next contract year for the purpose of taking equivalent time off. If the change in shifts during the week is temporary, the schedule penalty payment is not payable for the second change in shifts when the employee returns to his/her previously established shift.
