Dear Rod:

Further to yesterday's discussion and settlement of the 2023-2027 Memorandum of Agreement ("MOA"), we provide the following clarifications:

A.) Letter of Understanding re: Job Posting, and Letter of Understanding re: Job Training Program

The Company will offer Employees who are working in Wage Group 1-10 positions at the date of ratification, a one-time option to "opt-out" of the Wage Group 1-10 job pool provided they make their intentions known to the Company in writing within the first 30 (thirty) days after ratification. A form will be provided to eligible employees to submit.

Employees who "opt-out"

- 1) will be paid at the negotiated rate of the Wage Group of the job they are working,
- 2) if, at the time of ratification are working in a Wage Group 1-5 position, will not move to another position within their Wage Group or to another position within Wage Groups 6-10,
- 3) if, at the time of ratification are working in a Wage Group 6-10 position, will not move to another position within their Wage Group or to another position within Wage Groups 1-10,
- 4) will otherwise be subject to the Letters of Understanding noted above, and
- 5) can "opt-in" at any time, but cannot "opt-out" again.

Movement within the Wage Group 1-10 job pool will be based on competency.

Employees who, at the time of ratification, have "opted-out" and who hold training positions in Wage Group 1-10 do not have priority over those in the Wage Group 1-10 job pool.

B.) Other Issues

The "Other Issues" page that is now attached to the MOA was agreed to on September 13, 2024, but was accidentally omitted in the previous MOA.

C.) Additional vacation payouts without time taken

The Company will implement a Vacation Pay procedure, which will include the provisions below:

- 1) Employees who have completed one year of employment with the Company are entitled to request three additional vacation payouts in their current anniversary year, without requesting vacation time off; provided that they have taken a minimum of two weeks of vacation time off over the course of their current anniversary year. Weeks including statutory holidays are considered a full week of vacation time off.
- 2) Employees who have completed two or more years of employment with the Company are entitled to request three additional vacation payouts in their current anniversary year, without requesting vacation time off; provided that they have taken a minimum of two weeks of vacation time off over the course of their prior anniversary year. Weeks including statutory holidays are considered a full week of vacation time off.
- 3) The two-week requirement is in place to assist in ensuring that employees take a minimum of vacation time off each year, as required by the *BC Employment Standards Act*, and that employees have adequate vacation pay for the equivalent time off.

Please confirm your understanding of the above clarifications by signing below, and we look forward in anticipation to a successful ratification vote.

Sincerely,

CARRIER LUMBER LTD.
