(2) An employee covered by the above provisions shall not receive an amount greater than nine (9) months' current salary.

(3) Regular employees who attained that status after July 1, 2002 shall be entitled to severance notice and pay in lieu of notice in accordance with the *Employment Standards Act* but not to exceed eight (8) weeks.

(4) It is understood that eight (8) weeks prior to the expiry of the next MoTI contract (2029) the severance pay provisions shall cease to have application and the provisions of (3) above will apply to all employees. This notice provision will also apply to the separation of all employees at the end of the next MoTI contract (2029) regardless of their hire date.

13.3 No Layoff of Senior Regular Employees

The Employer agrees that the twenty-seven (27) most senior regular employees within the bargaining unit, as outlined in Appendix 3, will not be subject to layoff. No employee, regular or auxiliary, other than the twenty-seven (27) most senior regular employees are eligible for layoff protection arising from this clause. This number will be further reduced, through attrition, becoming zero at the end of the next maintenance contract with the Ministry of Transportation (2029). This number may also be reduced by the removal of work, including road devolution or service area redefinition.

In the event the scope of work in the service area is changed by the Province of British Columbia, the parties agree to meet and to renegotiate the regular complement number. The party seeking the adjustment shall notify the other, in writing and the onus for justifying any proposed change shall rest with the party initiating this process. Discussions for any adjustment as described above shall be facilitated through the Joint Labour Management Committee, which will meet within two (2) weeks of notice being given.

Should the parties fail to agree the matter shall be referred to arbitration pursuant to Article 9 for resolution. The Employer may implement the change until a settlement is reached.

13.4 Yard Closure

Should the Employer decide to close a yard, and/or mechanical facility and/or classification series, those regular employees so affected may be offered work in another seniority block and be offered relocation expenses, upon production of receipts, to a maximum of four thousand dollars (\$4,000). Employees already residing in the new seniority block will not be entitled to relocation expenses.

13.5 Temporary Assignment

- (a) Employees may be assigned work in another classification series provided they have the necessary qualifications to perform the work.
- (b) Seniority shall continue to accrue in the employee's original seniority block and classification, however, the employee's seniority shall remain intact for the purpose of shift selection and vacation selection, etc.

ARTICLE 14 - HOURS OF WORK

14.1 Hours of Work

The annual hours of work exclusive of meal periods taken away from the workstation but including paid holidays will be one thousand eight hundred twenty-seven (1,827), which is equivalent to an average of thirty-five (35) hours per week. The one thousand eight hundred twenty-seven (1,827) annual hours means that all work schedules will be based on that figure. Due to varying lengths of the calendar and work years and the varying times that employees may begin and end their work schedules, an employee will be required to work an average of one thousand eight hundred twenty-seven (1,827) hours.

14.2 Work Schedule

- (a) The Employer shall determine when various services are to be provided, the hours of operation of all services and facilities, the classifications of positions and the numbers of employees required to provide the services.
- (b) The Employer's designate and the employees' representative at the local level will establish work schedules based upon the shift patterns and recognized workday lengths as set out in Clause 14.8, provided that such work schedules are compatible with the hours of operation determined by the Employer. In establishing or changing work schedules, the provisions of this article shall apply including the following:
 - (1) if either party wishes a change to existing work schedules it shall provide the other party with the earliest possible advance notice in writing;
 - (2) if a change is requested only at the local level, the notice shall be given to the appropriate union steward or designated employer representative. If a change is requested which involves more than one (1) worksite, notice shall be given to the union staff representative or the General Manager;
 - (3) the parties shall have fourteen (14) days, from the date notice is given to reach agreement on work schedules;
 - (4) if the parties are unable to reach agreement within fourteen (14) days either party may refer the matter to arbitration, pursuant to Article 9 and the terms of reference within this article.
- (c)
 - (1) The Arbitrator shall base their decision on work schedule information in this agreement and the criteria to be applied in this section. The Arbitrator may consider a work schedule proposed by either party.
 - (2) The party requesting a change from what has been previously agreed to shall bear the onus for justifying the change.
 - (3) In coming to a decision, the Arbitrator shall abide by the following rules:
 - (i) the decision must not be retroactive;
 - (ii) the hours of work schedule awarded shall not contain scheduled overtime;

- (iii) the decision must not interpret the agreement except for the provisions of 14.2(d)(3) and 14.2(e);
 - (iv) the decision must accord with the agreed upon terms of reference referred to in (d) below.
- (d) The parties recognize that in reaching mutual agreement on work schedules, or where the Arbitrator is determining a schedule in accordance with the provisions of this article the following will also apply:
- (1) work schedules shall meet the hours of operation and shall consider unusual or seasonal demands and functionally linked work groups within and without the bargaining unit;
 - (2) work schedule changes, within existing hours of operation, must not result in increased cost to the Employer and where possible shall result in decreased cost to the Employer and/or improved efficiency and/or improved service to the public. The onus of proof shall be on the Employer to prove decreased cost;
 - (3) consideration shall also be given to employee preferences, fairness and equity.
- (e) (1) In the event there is a dispute between the parties at the local level, the Employer may implement, on an interim basis, a new or changed work schedule by giving fourteen (14) days' notice, providing the length of workday is not increased beyond nine (9) hours and providing the change is necessary because of an introduction of a new program or a change to the hours of operation. However, under extenuating circumstances the fourteen (14) days' notice may be concurrent with the period of notice in (b)(3) above.
- (2) Where the proposed change is within existing hours of operation, no change shall be made without mutual agreement or an arbitrator's decision.

14.3 Conversion of Hours

- (a) *Lieu Days* - where an employee is granted a lieu day pursuant to Clauses 17.3 or 17.4, the time off granted will be according to their regular scheduled shift.
- (b) *Vacation* - where an employee is granted vacation pursuant to Clause 18.1, the annual vacation entitlement shall be converted to hours on the basis of a seven (7) hour day and vacation taken shall be deducted in accordance with the actual hours of the employee's daily shift in effect at the time the vacation is taken.
- (c) *Designated Paid Holidays* - where an employee is granted a designated paid holiday pursuant to Article 17, the time off granted will be in accordance with the current length of the scheduled workday.

14.4 Rest Periods

All employees shall have two (2), fifteen (15) minute rest periods in each work period in excess of six (6) hours, one (1) rest period to be granted before and one (1) after the meal period. Employees working a shift of three and one-half (3½) hours, but not more than six (6) hours, shall receive one (1) rest period during such a shift. Rest periods shall not begin until one (1) hour after the commencement of work or not later than one (1) hour before either the meal period or the end of the shift. Rest periods shall be taken without loss of pay to the employees.

14.5 Standby Provisions

- (a) Where regular employees are required to stand by to be called for duty under conditions which restrict their normal off-duty activities, they shall be compensated at straight-time in the proportion of one (1) hour's pay for each three (3) hours standing by. An employee designated for

standby shall be immediately available for duty during the period of standby at a known telephone number. No standby payment shall be made if an employee is unable to be contacted or to report for duty when required. The provisions of this clause do not apply to auxiliary employees who are not assigned a regular work schedule and who are normally required to work whenever called.

(b) Employees required to stand by under (a) above will not be required to stand by on two (2) consecutive weekends or two (2) consecutive designated paid holidays, except by mutual agreement. This provision will not apply in emergency situations.

(c) Employees required to stand by shall be assigned standby on an equitable basis considering the qualifications of employees required.

14.6 Meal Periods

(a) Recognized meal periods will be within the middle two (2) hours of the workday or shift. Employees with recognized meal periods who are required to work continuously within the middle two (2) hours shall be paid one and one-half (1½) times the base rate for the duration of the recognized meal period and will be given a meal period with pay at another time in the shift or workday.

(b) The normal meal period will not be less than one-half (½) hour and not more than one (1) hour. Lengthening of the scheduled workday will not be achieved by expanding the normal meal period except by mutual agreement.

(c) Employees who are required to eat their meals at their place of work and are subject to interruption to perform their duties during the meal period, shall have the meal period scheduled with pay within their workday.

(d) Provided that the limits for the meal and rest periods are not exceeded, employees may leave their workplace to take such breaks. However, where an employee chooses to leave their workplace the Employer shall not be responsible for their transportation.

14.7 Hours of Work, Shift Schedules & Starting and Finishing Times

Subject to Definition 34 of this agreement, the length of workdays, shift patterns and shift schedules shall be negotiated at the local level according to recognized provisions of Clause 14.8 below.

(a) (1) The length of the normal scheduled workday for the 5:2 shift pattern will be seven (7) hours except by mutual agreement.

(2) Except for part-time employees, the minimum length of the scheduled workday shall be seven (7) hours.

(3) The normal days of rest except as otherwise required in shift schedules shall be Saturday and Sunday.

(b) Shift pattern and length of scheduled workday changes will be limited to a maximum of three (3) per year with a minimum duration of two (2) months for any shift pattern or scheduled workday length, except by mutual agreement at the local level.

(c) The foregoing will not preclude start time adjustments subject to mutual agreement of the parties at the local level. Such adjustments will not be considered a new shift pattern as per Clause 14.7(b). The Employer shall make every effort to provide forty-eight (48) hours' notice of the proposed change.

(d) The parties recognize that unusual project work may arise for which the Employer may want to implement a temporary change to the current shift schedule. This change can only be implemented with mutual agreement at the local level. Notice of such changes will be forwarded to the Joint Labour

Management Committee. Changes to the shift pattern under this article will not count for the purpose of Clause 14.7(b).

(e) For the purpose of this clause "*mutual agreement*" will require the approval of the Employer's designate and a simple majority of the affected work group. Where a poll of the affected members is required the Union will conduct the ballot.

14.9 Winter Shifts for Highway Maintenance Crews

(a) The Union and the Employer recognize that the implementation for highway maintenance winter shifts is largely dependent on winter conditions and that shifts may have to be implemented on short notice.

(b) However, it is agreed that wherever possible the negotiation of these shift schedules should be completed at least forty-five (45) days prior to anticipated commencement and that fifteen (15) days should be provided for any sign up and selection process which is involved. Therefore the parties shall commence negotiations for the winter shift schedule July 1 of each year.

14.10 Weekend Work in Winter Shift Scheduling for Mechanics and Apprentices

Winter weekend shifts for mechanics and apprentices shall be negotiated locally in accordance with the following guidelines:

(a) *Small Shops* - defined to refer to those shops that employ eight (8) employees or less who are subject to shifting.

- (1) A maximum of one (1) shift daily on Saturday and Sunday.
- (2) An employee will not be required to work in excess of two (2) weekends per month and the two (2) weekend days shall not be consecutive.
- (3) As a result of working weekend days as described above one (1) day of rest will be taken in conjunction with the rest days for the preceding or following weekend.
- (4) These guidelines shall not be amended except by mutual agreement.

- (b) The above guidelines do not apply to those employees who are specifically employed to provide weekend service as a requirement of their job description.

14.11 Deferment of Rest Days

By mutual agreement at the local level and subject to operational requirements, where employees are required to work away from their regular geographic location and such employees are unable to return home on a daily basis, such employees may be permitted to work on those days that would otherwise be considered days of rest and will be permitted to bank the time worked on such days of rest on a straight-time basis to be taken at a mutually agreeable time following their return to their regular geographic location.

14.12 Rotation of Shifts

- (a) Shift rotation shall be done on an equitable basis among the employees involved within a classification in each work group except that, by mutual agreement, an employee will be permitted to choose more than their share of the second or third shifts.
- (b) Where a machine is being utilized on a regular basis on a day shift only, then the Operator normally assigned to that machine shall not be required to enter into a winter shift pattern to operate other classes of machines.
- (c) Where shift schedule changes result in workdays of the new schedule falling on rest days of the old schedule, then every attempt shall be made to provide a minimum of one (1) rest day between shifts.
- (d) Employees assigned to operate equipment on winter shifts shall sign up in the following order:
- (1) by service seniority for all employees classified at the level of the work to be performed; followed by,
 - (2) service seniority for all employees from other classifications.

14.13 Clean-up Time

- (a) Where necessary, employees shall be allowed reasonable time during the workday for personal clean-up purposes.
- (b) If the need for clean-up is unexpected it is the employee's responsibility to request approval for clean-up prior to the end of their scheduled workday. However, the Employer may decide whether clean-up in this case is to be done during the workday or on overtime.

14.14 Employees Working Away From Their Point of Assembly

Except by mutual agreement, employees who are working away from their regular or temporary field point of assembly and who return on a daily basis to their regular or temporary field point of assembly shall be compensated for all hours worked and hours travelled from their regular or temporary field point of assembly to worksite and return.

(b) In the event that the work schedule or shift for a regular employee or an auxiliary employee working a scheduled shift roster is changed without forty-eight (48) hours' advance notice and such change is the result of the actions of another employee covered by this agreement utilizing the benefits provided for by the provisions of this agreement, the employee will receive a premium of seventy-five

cents (75¢) per hour in addition to their regular pay, for work performed on the first shift to which they changed.

(c) In the event that an employee's work schedule or shift is changed without five (5) days' advance notice and the change results from causes other than defined in (b) above, the employee shall receive a premium at the applicable overtime rate for work performed on the first shift to which they changed, except that if the change results from no fault of the Employer they shall not receive a premium at overtime rates but shall receive the premium defined under (b) above.

- (a) An employee who is required to work overtime shall be entitled to overtime compensation when:
 - (1) the overtime worked is authorized in advance by the Employer; and
 - (2) the employee does not control the duration of the overtime worked.
- (b) Notwithstanding the foregoing, the Employer and the Union recognize that the nature of the work carried out by persons in some classifications is such that it may not be possible for the employee to obtain prior authorization for the necessary overtime work. In such cases the employee shall use their discretion in working the overtime and the Employer shall be considered to have authorized the overtime in advance. However, the Employer reserves the right, subject to the grievance procedure, to determine the legitimacy of the overtime claimed. In order to facilitate a fair and reasonable administration of the clause, the Employer will draw up regulations defining the circumstances under

which an employee may undertake overtime work without prior authorization. Copies of these regulations will be supplied to the Joint Labour Management Committee.

16.3 Overtime Entitlement

- (a) An employee will be entitled to compensation for authorized overtime in excess of the daily scheduled hours.
- (b) Overtime shall be compensated in thirty (30) minute increments; however, employees shall not be entitled to any compensation for periods of overtime of less than five (5) minutes per day.

16.6 Method of Compensation

- (a) Overtime compensation shall be monetary or in time off at the employee's option. If the employee chooses time off, such time off shall be scheduled by mutual agreement between the employee and the Employer. If compensatory time off cannot be scheduled within twelve (12) months of the date of election, or if the employee has such time outstanding at the date of termination, cash payment will be made.
- (b) The employee shall advise the pay office of their election to have either all cash or all compensatory time off on each day. If no election is made, employees will be paid for the time worked.

When an employee is paid out their compensatory time off mutually agreeable arrangements will be made with the Employer to minimize the income tax implications.

(a) When an employee is required to work in excess of two and one-half (2½) hours overtime immediately before or after completion of their scheduled daily hours, they shall be provided with a meal or shall be reimbursed with an overtime meal allowance of fourteen dollars and thirty-one cents (\$14.31).

(b) If the employee continues to work overtime beyond three (3) hours, a further meal or allowance and meal break as above shall be provided upon completion of an additional four (4) hours worked, and upon the completion of every three (3) hours worked thereafter.

(c) When an employee is not on standby and is called out for overtime prior to their scheduled shift and it was not possible to give one-half (½) hour notice to permit preparation of the meal normally taken to work, the Employer shall provide the meal or pay the overtime meal allowance.

(d) In the case of an employee called out on overtime to work on a rest day, this clause will apply only to hours worked outside their regular shift times for a normal workday.

(e) Where any of the meals provided under (a), (b), (c) or (d) above duplicates a meal to which an employee is entitled because of travel status or field allowance, then the employee shall receive only one (1) benefit for each meal.

Employees shall not be required to layoff during regular hours to equalize any overtime worked.

(b) A part-time employee working less than the normal days per week of a full-time employee, and who is required to work other than their regularly scheduled workdays, shall be paid at the rate of straight-time for the days so worked up to and including the normal workdays in the workweek of a full-time employee.

(c) Overtime rates shall apply to hours worked in excess of (a) and (b) above.

16.11 Callout Provisions

(a) *Callout Compensation*

A regular employee who is called back to work outside their regular working hours shall be compensated for a minimum of three (3) hours at overtime rates. They shall be compensated from the time they leave their home to report for duty until the time they arrive back upon proceeding directly to and from work.

(b) *Callout Time Which Abuts the Succeeding Shift*

(1) If the callout is for three (3) hours or less, the employee will be required to work the callout period and the whole of the abutting shift. In this case, compensation shall be overtime rates for the callout period and straight-time rate for the regular shift;

(2) If the callout is for longer than three (3) hours, the employee will be required to work the callout period and a portion of the abutting regular shift. The portion of the regular shift which must be worked will be regular shift less the amount that callout exceeds three (3) hours. Compensation shall be at overtime rates for the callout period and straight-time for the regular shift without shortfall.

(c) *Overtime or Callout Which Does Not Abut the Succeeding Shift*

(1) When overtime is worked there shall be an elapsed time of eight (8) hours between the end of overtime and the time the employee reports for duty on the next regular shift, with no shortfall out of their regular shift;

(2) In a callout situation where at least three (3) hours which do not abut the succeeding shift are worked in the ten (10) hours preceding the start of the regular shift, there shall be an elapsed time of eight (8) hours between the end of callout and the time the employee reports for duty on their next regular shift, with no shortfall out of the regular shift;

(3) If the elapsed eight (8) hour period following results in only two (2) hours or less of their regular shift available for work, employees shall not be required to report for work on that shift, with no shortfall;

(4) Compensation for time credited for callouts which do not abut the succeeding shift shall be at double-time (2x) rates.

(d) Time spent by an employee travelling to work or returning to their residence before and after callout shall not constitute time worked but shall be compensated at the overtime rate.

(e) Should the employee be required to work that period which is considered free from work in the regular shift, as provided for in (b)(2), (c)(1), and (c)(2) above, then that portion of the shift shall be compensated at overtime rates.

(f) *Callout for Emergency Situations*

It is agreed that employees called out for emergency situations who were not on standby will not be expected to perform tasks other than those of an emergent nature.

16.12 Rest Interval After Overtime

An employee required to work overtime adjoining their regularly scheduled shift shall be entitled to eight (8) clear hours between the end of the overtime work and the start of their next regular shift. If eight (8) clear hours are not provided, a premium calculated at overtime rates shall apply to hours worked on the next regular shift.

16.13 Overtime Records

Should a dispute arise concerning the allocation of overtime, the Employer agrees that overtime records shall be maintained at the local level and that access to such records shall be permitted to the union official in that jurisdiction.

16.14 Allocation of Overtime

(a) Except in the case of emergencies, overtime shall be allocated on an equitable basis within the appropriate classifications for the work group. Accordingly, no employee in another classification shall be called out on overtime until all employees in the appropriate classifications have had the opportunity to refuse the overtime. For the purpose of this clause, an effort by the Employer to contact an employee shall constitute an opportunity to work.

(b) During the winter season those employees assigned to drive a four (4) ton or larger truck shall be allocated overtime on an equitable basis within the work group.

16.15 Limiting of Overtime

In the interest of an employee's health and safety, the Employer agrees to make every effort to limit overtime. If an employee is working away from the point of assembly that the employee would normally be returning to that day and the overtime is refused, transportation to that point of assembly will be supplied by the Employer as described below and the employee will be compensated for time travelled. If only the Employer vehicle is available and transportation to the regular point of assembly would significantly inconvenience other employees, seriously disrupt production or be required under Clause 22.12(a) of this contract, the Employer shall endeavour to provide alternate transportation.

16.16 Overtime Authorization

Overtime authorized by a supervisor and worked by the employee will not be disallowed by management at a later date, provided such overtime is properly recorded.

- (c) The employees may use CTO or ETO to supplement the one (1) day waiting period in (a) above, however, the Employer may require a medical certificate from a qualified medical practitioner prior to making any payment.

1.3 Recurring Disabilities

- (a) Employees who return to work after being absent because of illness or injury, and within five (5) consecutive scheduled days of work again become unable to work because of the same illness or injury, are considered to still be within the original STIIP period as defined in Section 1.2(a).
- (b) Employees who return to work after being absent because of illness or injury, and within five (5) consecutive scheduled workdays again become unable to work because of a new illness or injury unrelated to the illness or injury that caused the previous absence, shall be entitled to a further six (6) months of benefits under this Plan.

(c) Employees who return to work after being absent because of illness or injury, and after working five (5) or more consecutive scheduled days of work again become unable to work because of the same illness or injury, will be entitled to a further six (6) month period of benefits under this Plan, except as provided in (d) below, where the STIIP period shall continue to be as defined in Section 1.2(a).

(d) Where an employee is returning to work after a period of illness or injury, and where the Labour Management Committee, pursuant to Article 7, has approved such return on a trial basis for assessment and/or rehabilitation purposes, the STIIP period shall continue to be as defined in Section 1.2(a). Such trial period must be approved during the period the employee is receiving STIIP benefits, however, the end of the trial period can go beyond the STIIP benefit period.

(e) Employees who return to work after a period of illness or injury, and who do not work the same number of hours that were scheduled prior to the illness or injury, shall receive prorated benefits under this Plan, however, not beyond six (6) calendar months from the initial date of absence as defined in Section 1.2(a), if absence is due to the same illness or injury.

1.4 Doctor's Certificate of Inability to Work

The Employer may require an employee, at the Employer's expense and on the Employer's time, who is unable to work because of illness or injury to provide a statement from:

- (a) a medical practitioner qualified to practise in the province of British Columbia; or
- (b) where necessary, from a medical practitioner licensed to practise in the province of Alberta or the Yukon; or

 - (2) where the employee has been absent for three (3) consecutive scheduled days of work;
 - (3) where at least thirty (30) days have elapsed since the last statement was obtained and the employee has been in receipt of Plan benefits throughout that period.

Benefits will cease to be paid when an employee fails to provide satisfactory evidence of medical disability during the benefit period.

1.5 Integration with Other Disability Income

STIIP benefits will be reduced by all other disability income benefits to which the absent employee is entitled except disability income which was being received prior to the illness or injury resulting in the employee being absent from work and which is unrelated to the illness or injury causing the current absence and the one-quarter ($\frac{1}{4}$) day accumulation that is being used to supplement the Plan, pursuant to Section 1.2(b). Other disability income benefits will include:

- (a) any amount the absent employee receives from any group insurance, wage continuation, or Pension Plan of the Employer;
- (b) any amount of disability income provided by any compulsory Act or law, except Employment Insurance sickness benefits and WCB benefits payable;

- (c) any periodic benefit payment from the Canada or Quebec Pension Plan or other social security plan of any country.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments, or in the case of personal insurance coverage, integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments, or personal insurance disability income benefits exceed either:

- (1) one hundred percent (100%) of pay; or
- (2) the applicable benefit percentage of the individual's average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply, the employee will be required to provide satisfactory evidence of his total monthly income.

Notwithstanding the above, where an employee makes a successful wage loss claim against a third party for an injury for which the employee received or would receive STIIP benefits, the Employer will be entitled to recover or decrease Plan benefits by an amount equal to the amount that Plan benefits in combination with the wage loss claim paid exceed one hundred percent (100%) of pay.

This clause does not apply to a War Disability Pension paid under an Act of the governments of Canada or other commonwealth countries.

Benefits will not be paid when an employee is:

- (a) receiving designated paid holiday pay;
- (b) engaged in an occupation for wage or profit;

 - (3) maternity leave, parental leave, or adoption leave, which prevents the employee from returning to work on the scheduled date of return, STIIP will be effective from the date of disability due to illness or injury and benefits will be paid for the balance of the six (6) month period remaining from the scheduled date of return to work;
- (h) not actively engaged in a treatment program where the employee's physician determines it to be appropriate to be involved in such a program. An employee shall be afforded the opportunity to demonstrate there were reasonable grounds for not being engaged in a treatment program.

1.7 Employee to Inform Employer

The employee shall inform the Employer as soon as possible of their inability to report to work because of illness or injury. The employee shall inform the Employer of the date of return to duty, in advance of that date, in order that relief scheduled for that employee can be notified.

1.9 Benefits Upon Layoff or Separation

(a) Subject to (b) and (c) below, regular employees who are receiving benefits pursuant to Section 1.2 shall continue to receive such benefits, upon separation, until the termination of the illness or until the maximum benefit entitlement has been granted, whichever comes first, if the notice of separation is given after the commencement of the illness for which the benefits are being paid.

(b) In the event that separation notice was given prior to the commencement of the illness, benefits will cease on the effective date of the separation only if the illness commenced within two (2) months of the effective date of the separation.

(c) Benefits will continue to be paid in accordance with (a) above for which notice of layoff or separation was given prior to the commencement of the illness and if the illness commenced more than two (2) months before the effective date of the separation.

Part II – Long-Term Disability (LTD) Plan

(a) Regular full-time employees shall be covered by this Long-Term Disability Plan upon completion of three (3) months active employment with the Employer.

(b) An employee who is not actively at work because of illness or injury on the working day coincident with, or immediately preceding, the date they would otherwise have become eligible for coverage under the Plan will not be eligible for coverage until the date the employee returns to active employment on their regular employment basis.

(c) Coverage in the plan is a condition of employment.

(d) In the event an eligible employee becomes totally disabled as a result of non-occupational illness or injury and such disability results in that employee's absence from work exceeding the length of time for which short-term disability benefits are payable as set out in Part I above, that employee shall be eligible to receive a monthly benefit equal to the sum of:

(1) Sixty-eight and three-tenths percent (68.3%) of the first one thousand nine hundred dollars (\$1,900) of basic monthly salary, and effective November 6, 1998, sixty-eight and three-tenths percent (68.3%) of the first two thousand, two hundred dollars (\$2,200) of basic monthly salary; and

(2) Fifty percent (50%) of the basic monthly salary above one thousand nine hundred dollars (\$1,900), provided that the total monthly benefit payable will not exceed a maximum of three thousand five hundred dollars (\$3,500). Effective November 6, 1998, fifty percent (50%) of the basic monthly salary above two thousand two hundred dollars (\$2,200), provided that the total monthly benefit payable will not exceed a maximum of three thousand five hundred dollars (\$3,500).

APPENDIX 4
Modified Successorship

WHEREAS the Employer has a highway maintenance contract with the Province of British Columbia to provide road and bridge maintenance services in Service Area 8; and

WHEREAS the Employer and the Union are, or hereby agree to become, parties to a collective agreement(s) covering highway maintenance work; and

WHEREAS the Union and the Employer seek to clarify the representative obligations of the Union, the Employer, and Predecessor Contractor(s) (the previous employer(s) holding the highway maintenance contract for above service area); therefore the parties agree as follows:

1. The Employer agrees that it is the successor Employer, as defined in this Memorandum of Agreement for the highway maintenance contract where the Predecessor Contractor, at the time of termination of their contract, had a collective agreement with the Union, or was certified pursuant to Part 3 of the *Labour Relations Code* of British Columbia with the Union.
2. As a result of paragraph 1 above, the Employer agrees from the date of entering into this agreement, or such other dates as the parties may agree, to be bound by the terms and conditions of the collective agreement, except where amended by this Memorandum of Agreement, that the Predecessor Contractor had with the Union.
3. Following award of the highways maintenance contract, all bargaining unit employees of the Predecessor Contractor shall become employees of the Employer. All of the rights of the employees under the collective agreement, including seniority and entitlement to benefits, will continue. The employee files of the Predecessor Contractor will become the employee files of the Employer. Apprenticeship indenture contracts of employees with the Predecessor Contractor will be assumed by the Employer.
4. Employees on any leaves of absence under the collective agreement at the time the Employer takes over a highway maintenance contract will be entitled to remain on leave of absence with the Employer for the time remaining for such leave under the collective agreement, subject to any requirements under the collective agreement governing the leave.
5. The Employer has no obligation to pay severance pay under the collective agreement to any of the employees of the Predecessor Contractor where entitlement is earned solely due to the termination of the Predecessor Contractor's Maintenance Agreement with the Province of British Columbia.
6. The Employer is not liable for any monies or benefits earned but not received by the employees of the Predecessor Contractors while the employees were employed by the Predecessor Contractor.
7. The Employer is responsible for all wages and other earnings (including CTO) earned by its employees while employed by the Employer, and if a highways maintenance contract is not renewed, the Employer must pay out all earned wages and benefits to its employees within fifteen (15) days of the cessation of their employment.
8. With respect to highways maintenance contracts between the Employer and the government that are not renewed, the Employer will be responsible for all grievances that pertain to issues or matters that arise as a result of the Employer performing the highways maintenance contracts, and such grievances will be resolved through expedited mediation/arbitration or by direct agreement before the termination of the highway maintenance contract, unless otherwise agreed by the parties.

9. Where the Employer and the Union have been unable to conclude all outstanding grievances sixty (60) days before the termination of the highway maintenance contract, the Province of British Columbia shall be advised of the monetary value of each outstanding grievance. The monetary value should be established by mutual agreement between the Employer and the Union and confirmed in writing by the parties to the Province of British Columbia. Failing mutual agreement on the monetary value of each outstanding grievance, the Arbitrator assigned to arbitrate the outstanding grievance(s) shall establish the monetary value of the outstanding grievance(s). If no arbitrator has been appointed by the parties, this matter shall be referred to a Settlement Officer pursuant to Section 87 of the *Labour Relations Code* for resolution. Grievances that arise subsequent to the above period shall also have a monetary value established and notification provided to the Province of British Columbia.

The Province of British Columbia shall withhold an amount equal to ten (10%) percent from the final highways maintenance contract payment to address outstanding issues arising from this provision, unless the Union and Employer or Arbitrator, in the case of a dispute, have advised the Province of British Columbia in writing of the proper amount to be held back. The monies withheld by the Province of British Columbia shall be deposited into a trust account to be administered by an independent trustee appointed by mutual agreement of the BC Road Builders Association and the BCGEU by October 1, 1999. The funds shall be dispersed in accordance with the grievance resolutions reached between the parties or by an appointed arbitrator. Disbursement of funds shall occur within fourteen (14) days of concluding the outstanding grievances. All outstanding grievances are to be resolved by the mutual agreement of the parties or by arbitration within thirty (30) days of the expiry of the maintenance contract.

10. None of the employees of the Employer will have any entitlement to severance pay under the collective agreement if their employment is terminated as a result of the current highways maintenance contract of the Employer being terminated and a new maintenance contract for the same service area is entered into with a new contractor who is recognized as a successor employer by the Labour Relations Board or through a Memorandum of Agreement on modified successorship that is consistent with this agreement, and signed by the new Contractor and the Union or the maintenance contract is returned to direct government service.

However, the severance pay provisions of Services Areas 2, 3 and 4 shall be governed exclusively by the terms of the collective agreement.

11. The Employer may require employees to take as time, all earned CTO/ETO and lieu day entitlements prior to the expiration date of the highway maintenance contract. The Employer and the Union agree that the provisions and principles contained within this Memorandum of Agreement shall apply to any other maintenance service area(s) for which the Union is certified and/or has a collective agreement that the Employer currently holds with, or may obtain in the future, from the government for road and bridge maintenance. The Employer and the Union shall sign and implement a separate Memorandum of Agreement for each service area currently held or obtained in the future, for which the Union is certified and/or has a collective agreement. This does not prevent an employee(s) from exercising any rights provided under the *Labour Relations Code* or future labour legislation.

Effective April 30, 2027.

Note: Appendix 4 – Modified Successorship – delete entirely.

APPENDIX 4A Successorship

MEMORANDUM OF UNDERSTANDING #7 Term of Next Collective Agreement

If an extension of a maintenance agreement is not offered or achieved by the Employer or the extension isn't for five (5) years, then the term for the next collective agreement will be as negotiated by the parties. However, if it is unknown as to whether there will be an extension or not at the time, the negotiations will proceed with the term as noted above. Should an extension not be realized, all provisions (changes) negotiated for that next collective agreement will be considered in full force and effect until the expiration of the ten (10) year maintenance agreement and will expire at that time.

MEMORANDUM OF UNDERSTANDING #8

COLLECTIVE BARGAINING PROTOCOL AGREEMENT
between
B.C. GOVERNMENT AND SERVICE EMPLOYEES' UNION
("BCGEU")
and
B.C. ROAD BUILDERS AND HEAVY CONSTRUCTION ASSOCIATION
("BCRB")

The Maintenance Sector of the BCRB and the BCGEU share a mutual interest for the Labour Successorship to be included in the next round of Highway Maintenance Contracts in the Province of British Columbia. The existing Highway Maintenance Contracts expire in 2018, 2019 and 2021. The first set of Request for Proposals (RFPs) for new Highway Maintenance Contracts are expected to be released by the Province of BC in August/September 2017.

Both the BCRB and the BCGEU have held discussions with officials from the Ministry of Transportation and Infrastructure (MoTI) on including successorship in the next round of RFPs. From those discussions, the parties have agreed to the following process:

1. The parties will attempt to negotiate a draft of a Provincial Memorandum of Agreement (PMOA). The draft PMOA will be presented jointly to MoTI officials including Mr. Kevin Richter, MoTI Assistant Deputy Minister (ADM), as a draft proposal that would include successorship in the future. Following this presentation to MoTI, the Parties will attempt to negotiate a final PMOA that will include any direction provided by MoTI. The final PMOA will then be signed off by representatives of the BCRB and the BCGEU.
2. The final signed off PMOA will then be provided to the MoTI and will include that its implementation is subject to successorship being included in the next round of RFPs in the sector. It is expected that MoTI will, in due course, provide written confirmation that successorship will be included in the next round of RFPs in the sector with the provisions of the PMOA included in the respective collective agreements.
3. With written confirmation of successorship being included in the next round of RFPs, the BCGEU and the individual highway maintenance sector employers will negotiate and ratify collective agreements in each service area. Each collective agreement must be ratified by the BCGEU membership it applies to a minimum of sixty (60) days prior to the expected release date of the RFP for that respective area and will not have force or effect until the expiry of the existing collective agreement. Successorship will only be included in the RFPs that have a ratified collective agreement that includes, as a minimum, changes that incorporate the PMOA, unchanged and with full effect.
4. The PMOA will include a provision that all matters in the PMOA will be included in each collective agreement with the BCGEU in the highway maintenance sector (except for Service Area 11).
5. The draft PMOA and any signed off final PMOA will have no force or effect and will not be referred to in any other matter if the MoTI does not grant successorship and/or the MoTI does not agree with the ratification process provided for in this document. In addition, all discussions and proposals made in negotiating the draft PMOA and the final PMOA are made without prejudice or precedent until the PMOA has been finalized and successorship has been granted.
6. The BCGEU Provincial Bargaining Committee, for the PMOA, will have the full authority to sign the PMOA on behalf of all BCGEU collective agreements in the highway maintenance sector, except for Service Area 11. As noted above, the PMOA shall be a part of, and incorporated in, each individually negotiated renewed collective agreement.
7. The BCRB is represented by a Provincial Bargaining Committee they have selected. That bargaining committee of highway maintenance contractors will also have the full authority to sign the PMOA on behalf of the all the highway maintenance contracts in BC with collective agreements with the BCGEU.
