*On its own behalf, and on behalf of its member Employers who have authorized CLR to execute this Trade Level Memorandum of Agreement on their behalf and those members added from time to time by notice given to the BCBCBTU

*Pursuant to the August 9, 2016 Letter of Agreement By and Between the BCBCBTU and CLR

("the "Employer")

RE: Job Ready Dispatch

The Parties agree to implement a Job Ready Dispatch Program ("JRD") in accordance with the following terms.

1. The primary purpose of the JRD Program is to ensure all Provincial Occupational Health and Safety regulations are met or exceeded and both Employers and members have ready access to documentation to establish to regulators and owner/clients that necessary training has been provided.
2. Funding for the JRD will be provided through an Employer contribution of twenty-five cents (\$0.25) per hour worked. A separate account called the Millwright Training Trust – Job Ready Dispatch ("MWTT-JRD") for the JRD will only be established to account for and distribute these funds. Employer contributions will be effective May 1, 2023.
3. The Millwright Training Trust ("MWTT") will manage the funds collected, review the program and address issues that may arise or recommend changes to the Parties. The MWTT will meet at least twice per calendar year to discuss the JRD.
4. If the MWTT determines the contribution amount is higher or lower than required to meet the needs of the JRD it shall make recommendations to the Employer to increase or reduce the contribution as required.
5. The MWTT will maintain financial records to account for all funds collected and spent in relation to the JRD Program. These records will be shared with all appointees to the MWTT on a monthly basis.
6. The JRD contains a core suite of safety courses. Effective October 1, 2024, a member of the union must have valid certificates for the core suite of safety courses. A member will not be eligible for dispatch to any Employer if any of those certificates are scheduled to expire on a date earlier than the earliest of:
 - (a) the of the completion of the project they are dispatched to; or
 - (b) sixty (60) days following their date of dispatch.
7. The core suite of safety courses required for dispatch is:
 - Confined Space Entry or equivalent

- Elevated Work Platform or equivalent
 - Fall Protection or equivalent
 - SiteReadyBC or equivalent
 - WHMIS / GHS
8. Training may be provided by the Union training school or an external provider at the sole discretion of the Union provided that, regardless of method of training, employees receive an industry recognized certificate at the conclusion of each program.
9. In the event one of the core safety course certificates for an employee expires while a member is working on a project one of the following shall occur:
- (a) the Union will arrange to provide the training on site with Employer approval;
 - (b) the Employer will provide the required recertification and submit the receipt to the MWTT for reimbursement; or
 - (c) in the event (a) and (b) are unable to occur, the employee will attend the training during scheduled days off or a Periodic Leave.
10. The JRD will provide the Employer access to training records through the TRAIN database on the Union's website for all members dispatched to the Employer.

Should the program be cancelled or curtailed at any time, all remaining funds will be returned to the Employer.
