AGREEMENT

2013 - 2020

between

SEASPAN ULC

(hereinafter called the "Company")

and

INTERNATIONAL LONGSHORE & WAREHOUSE
UNION, LOCAL 400, MARINE SECTION

(hereinafter called the "Union")

PREAMBLE

For the purposes of this Agreement, the "Company" shall mean Seaspan ULC.

The general purpose of this Agreement is to secure for the Company, the Union, and the Unlicensed Employees, the full benefits of orderly and legal collective bargaining and to ensure to the utmost extent possible the safety and physical welfare of the Unlicensed Employees, economy of the operation, standard of service, and protection of property. It is recognized by this Agreement to be the duty of the Company, the Union, and the Unlicensed Employees to co-operate fully, individually, and collectively for the advancement of said conditions.

Wherever the masculine has been used in this Agreement, it shall be construed as if the feminine has also been used.

PART I - GENERAL

1.01 RECOGNITION

- (a) The Company recognizes the Union as the only certified bargaining agent for all Unlicensed Employees employed in the Deck, Engine room, and Steward's Departments of vessels owned, operated, or directly or indirectly controlled by the Company provided that such vessels are operated within the coastal and inland waters of British Columbia or on waters bordering on the Yukon, North West Territories or Nunavit, or if operated on a national or international basis that the port from which the vessel is dispatched is within the coastal waters of British Columbia.
- (b) Where a vessel covered by this Agreement is chartered or leased, the terms of such charter or lease shall provide that this Agreement shall apply unless a vessel is chartered or leased to a Company which has an Agreement with another Union to man and operate vessels and such Agreement contains the provision that the other Union has jurisdiction over the work to be performed.

Should the charterer or lessee fail or neglect to abide by the terms of this Agreement, the Company, or lessor, shall be liable to the Unlicensed Employees concerned for wages or other monetary benefits which are not paid by the charterer or lessee.

- (c) Where a vessel covered by this Agreement is sold to a company or to an individual, satisfactory proof of such sale shall be provided to the Union within seven (7) days.
- (d) For greater clarity, the Company shall furnish the Union with a list of the vessels described above, and the parties recognize that the list may be altered from time to time.
- (e) The term Unlicensed Employees as used in this Agreement does not include the Masters, Mates, and Engineers sailing on these vessels.
- (f) A Labour Management Committee shall be established consisting of members of the Unions and representatives of the Company.

The purpose of the Labour Management Committee shall be to discuss and make every effort to resolve matters of mutual interest to the parties, and the Committee may discuss grievances, noise abatement, crew accommodation and safety, which occur on specific vessels. Where the Committee cannot resolve grievable matters, then such grievances may be disposed of by either party under the "Grievance Procedure" contained in this agreement. Committee meetings shall be held no less than once every two months, on the third Monday of each second month. Each of the parties shall submit to the other an agenda of matters to be discussed at least fourteen (14) days prior to the meeting day.

- (g) The Company agrees that only tugs whose full Unlicensed Employees are covered by a "recognized" Marine Union Agreement will be utilized to perform work except in those areas in which members of other unions have been historically employed. It is understood that the only exception to this would be in the event of Union vessels being unavailable to do the job when required, including remote areas where Union vessels do not exist.
- (h) The Company and the Union agree that the provisions of the Canada Labour Code, Part V, pertaining to Successor Rights and Obligations shall apply to the present Agreement.

1.02 SUPPLYING OF PERSONNEL

The Company agrees that Unlicensed Employees to be hired shall be requested through the dispatch office of the Union. Where forty-eight (48) hours notice of Unlicensed Employee requirements is given by the Company, the Union will make every reasonable effort to refer applicants to the Company in advance of the day they are required to commence work. In cases where the Company rejects individuals that it does not consider satisfactory, it shall notify the Union immediately of the rejection, and the Unlicensed Employee on request shall be provided with written reason for such rejection as well as the Union, and the Union shall furnish replacements with sufficient promptness to avoid delay in sailing at the appointed time.

Rejection shall not be arbitrary or without valid reason. Should the Union be unable to furnish Unlicensed Employees that are capable, competent, and satisfactory to the Company with sufficient promptness to avoid delay in sailing at the appointed time, the Company may secure replacements from other sources on a temporary basis subject to Article 1.03, and the Company shall make every reasonable effort to so notify the Union within twenty-four (24) hours. The Union reserves the right to replace "replacements" once the temporary requirement has been met.

1.03 UNION SECURITY AND CHECK-OFF

All Unlicensed Employees presently employed, or when hired, shall be required after sixty (60) days employment, as a condition of employment, either to join the Union and continue as members thereof during their employment, or in the alternative, to tender to the Union one month's dues and initiation fees and to pay subsequent monthly dues and assessments as required of Union members. Such monthly dues, assessments, and initiation fees in the amount as established by the Union shall be deducted by the Company and remitted to the Union for all Unlicensed Employees covered by this Agreement by the fifteenth (15th) of the month following the month for which they are deducted.

1.04 DISCIPLINE, SUSPENSION AND DISMISSAL

The Company will notify the Union of layoffs, quits, suspensions and dismissals within seventy two (72) hours of their occurrence. Any notice of disciplinary action that is intended to form part of an Unlicensed Employee's employment record shall be given to the employee in writing with a copy to the Union. The Unlicensed Employee shall be able to view his personnel file by appointment and no reasonable request to obtain copies of documents in his file, at no charge to the employee will be denied. Where the Company enacts discipline upon an Unlicensed Employee such record of discipline may only be referred to by the Company for a four (4) year period subsequent to the date the discipline is enacted, providing there has not been any further discipline enacted upon the Unlicensed Employee within this four (4) year period.

1.05 COMPLAINT AND GRIEVANCE PROCEDURES

For the purpose of this Article, the word "party" is defined as either Seaspan ULC or the Union.

Any **Unlicensed Employee** or the Union with a complaint or grievance shall discuss the complaint or grievance with the Master or the Company where appropriate. If a settlement satisfactory to the Unlicensed Employee is not reached, then the following grievance procedure will be carried out:

- (a) A written statement of the grievance shall be presented to the Master or Company by the **Unlicensed Employee** concerned, accompanied if he so desires by a fellow Unlicensed Employee who is a Union Committee member or may be presented by the Union.

- (b) If the Master or the **Company** fails to adjust the grievance in a satisfactory manner, it shall be dealt with between the representatives of the Company and the Union.
- (c) A grievance is any difference concerning the interpretation, application or operation of this Agreement or any alleged violation thereof, including any question as to whether any matter is arbitrable and shall be dealt with without stoppage of work.
- (d) The maximum time for raising a grievance shall be ninety (90) days from the time the incident occurs which gives rise to the grievance. In the event arbitration is desired, written notice must be given within the ninety (90) day period. Time limits under this clause may be extended by mutual agreement between the parties. Failing mutual agreement to extend the time limit, a grievance not raised and processed within the aforesaid time period shall be deemed abandoned and all rights or recourse including arbitration in respect of this grievance shall be at an end.
- (e) If the grievance is not satisfactorily concluded under procedures (a) and (b), then it shall be dealt with by arbitration in accordance with the following procedure:
- i. The party desiring to arbitrate under this procedure shall notify the other party in writing of this intention and the particulars of the matter in dispute.
 - ii. The party receiving such notice shall within five (5) days thereafter confirm such notification in writing.
 - iii. The parties shall then confer and shall within five (5) days choose a single arbitrator to arbitrate the dispute and shall abide by the decision of such arbitrator. The arbitrator shall be chosen by mutual agreement of the parties. Failing mutual agreement, the Minister of Labour will be asked to select the arbitrator.
 - iv. Once the arbitrator is chosen and if either party to the dispute desires it, the following procedure shall take place within a further five (5) days:
 - v. The Company and the Union shall each select a person active in the towboat industry to sit with the arbitrator during this arbitration hearing. Such persons shall be available to the arbitrator jointly, but not individually at his discretion, to advise him on any matters which he, the arbitrator, deems advisable. These persons, who shall be known as advisors shall take no part in the hearing other than to be available for technical advice during the hearing. Nor shall they take part in the making or publishing of the award of an arbitrator.
 - vi. The arbitrator shall be entitled to accept or reject any advice he may have received from such persons, but he shall not in his award, make reference to such persons, or to any advice he may have received, or to his acceptance or rejection thereof.
 - vii. The Board of Arbitration shall not have any power to alter any of the terms of this Agreement nor to substitute new provisions for existing provisions nor to give any decision inconsistent with the terms of this Agreement.
 - viii. The expenses of the Arbitration Board chairman shall be borne equally by the parties.
 - ix. Expedited Arbitration Process
 - a) By mutual agreement, the parties may refer any grievance or group of grievances (related or unrelated) properly submitted in accordance with the provisions of 1.05 to expedited arbitration.

- b) Except as otherwise provided, the expedited arbitration hearings shall be held within thirty (30) days of the date of appointment of a single arbitrator whom the parties shall jointly select from the following agreed upon arbitrators: Stan Lanyon, Mark Brown and John Steeves. This list will be jointly reviewed on an annual basis and changes may be mutually made at any time on request of either party.
- c) Where none of the above mentioned arbitrators are available within the required thirty days (30) calendar days, the parties may agree upon an alternate arbitrator who is available or otherwise extend the time limits as necessary, subject to mutual agreement.
- d) Grievances shall be presented during expedited arbitration by a designated representative of the Union and a designated representative of the Company, who shall not be external representatives such as lawyers.
- e) The Union and the Company shall equally share the cost of the fees and expenses of the arbitrator and hearing room as per Article 1.05 e) (vi).
- f) The parties shall endeavor to produce a Joint Statement of Facts related to the grievance to be provided to the Arbitrator at the beginning of the hearing. The Company and the Union will produce Ex-Parte statements to be provided to the arbitrator immediately before the hearing in cases where certain facts related to the grievance remain in dispute.

1.06 BOARDING PASSES

- (a) Union representatives shall be given access to Company property and aboard Company vessels by checking with the Company office **or by possession of a Boarding Pass issued by the Company.** It is agreed that these visits will not interfere with the sailing or maintenance of the vessel.
- (b) At times when the Company offices are not open, permission shall be obtained from the Master of the vessel **and the Port Captain on-call, requested through the Dispatch department. Union representatives will not be unreasonably denied access.** It is agreed that the Company assumes no liability for injury to any Union representative while he is on Company property.

1.07 DISCRIMINATION

The Company agrees not to discriminate against any Unlicensed Employee for legitimate Union activity and agrees to abide with the Canadian Human Rights Act.

- (a) Once an **Unlicensed Employee** has been **medically** accommodated in an appropriate position, the employee is entitled to remain in that position. However, if a senior employee's position has been eliminated or realigned, the accommodated employee may be replaced by the senior employee only if the senior employee has no other options and/or the accommodated employee is the most junior employee in the event of lay-off.
- (b) In view of the requirement for the Company to conform to the employment Equity Act, the Company and the Union affirm their intent to further the aims of employment equity in the workplace. The parties agree to consult and through mutual agreement address practices and conditions to fulfill all government guidelines and regulations in this respect.

1.08 STOPPAGE OF WORK

- (a) The Company, signatory to this Agreement, and the Union agree there shall be no strikes or lockouts during the life of this Agreement.
- (b) All controversies and disputes shall be settled through the Grievance Procedure.
- (c) There shall be no slow down or stoppage of work during the period when a grievance is being resolved.
- (d) Refusal to pass through a picket line which has not been held to be illegal shall not be construed as a violation of this Article.
- (e) The Company will not require any member of the Union to continue with the tow, if such tow has been brought through a picket line by other than Union Personnel.

1.09 SENIORITY AND PROMOTIONS

- (a) An Unlicensed Employee shall acquire seniority as of his date of employment with the Company provided he has completed six (6) months continuous employment.
- (b) A seniority list will be compiled by the Company and will be revised annually. Such list will show names, positions, and date of last entry into service in positions covered by this Agreement.
- (c) A copy of the seniority list shall be forwarded to the Union, and shall also be posted on each vessel for all to see, annually, no more than fifteen (15) days after it is compiled.
- (d) It is agreed that in layoffs and rehires, preference will be given to Unlicensed Employees with the greatest length of service with the Company and that for placements within the bargaining unit, where skill and efficiency are relatively equal, preference will be given to the Unlicensed Employee with the greatest length of service with the Company.
 - i. If the Company sells or decommissions a vessel, the Unlicensed Employee assigned to that vessel will have the right to realign to other posted positions in the fleet based on their seniority. However, each displaced Unlicensed Employee may "bump" only the most junior employee in a particular class of vessel that they are qualified to perform work on.**
- (e) When an Unlicensed Employee on leave takes employment with another company that competes with Seaspan in the marine industry he shall be deemed to have terminated his employment with the Company.**
- (f) An Unlicensed Employee who has been laid off will retain his seniority and the right to be recalled for a period of eighteen (18) months, provided he reports to the Company when recalled. An Unlicensed Employee who is given reasonable notice and fails to report for work upon recall is subject to discharge from service.

An Unlicensed Employee on leave of absence for any reason including medical leave or lay off shall be responsible to maintain required Union dues and failure to do so may, at the Union's direction, result in loss of seniority.

- (g) When an Unlicensed Employee is physically unable to work in his present classification he shall have the right to retrain for a different classification within the bargaining unit and shall maintain full seniority within

the Company.

(h) Where the Company promotes an Unlicensed Employee to Officer status on board its vessels, the following shall apply:

- i. When the Company is making initial temporary promotions, candidates possessing the necessary certification and successfully passing the normal pre-promotion assessment, will receive fair and equitable consideration for such promotion from the Company.

It is intended that any problems over the interpretation of this section (i) will be resolved by discussion between the affected parties concerned, not by recourse to the grievance procedure.

- ii. An Unlicensed Employee who has prior acceptable Company service as an Officer (with no break in Company service) will be promoted first.
- iii. Unlicensed Employees seeking promotions to Officer Status must be members of the Union in good standing and shall only retain their seniority rights with the Unlicensed Union provided they remain as members in good standing with the Union including the payment of dues in the manner required by the Union.
- iv. Unlicensed Employees who are temporarily promoted for the purpose of training and/or relieving permanent Officers, shall continue to accrue unlicensed seniority provided they do not work in an Officer category for more than a total of ninety (90) days (excluding lay days) in any calendar year. This period may be extended in order to allow for the completion of a trip, provided the Company notifies the Union in advance. During these 90 day periods the employee is required to pay dues to the Union.
- v. Upon promotion to a full-time Officer's position with the Company, an Unlicensed Employee will have his unlicensed seniority frozen so as to enable later possible returns to an unlicensed position. Such recall right shall continue for a period of (5) five years from the date of his initial full time position **or until they have worked at least two (2) years as an Officer**. Following this he shall have no further claim to unlicensed seniority. Any employee exercising this option may only work in a relief position until such time as vacancies arise which cannot be filled from within the Company.

(i) Where an Unlicensed Employee who has positive lay days is subject to layoff pursuant to subsection (d) above he shall be entitled at his election to continue on the Company's payroll as follows:

- i. His leave will be run out.
- ii. He shall have the option of banking his annual vacation or cashing it out.
- iii. Any statutory holiday that falls in the employee's run-out time will not be paid.

Recall to work shall be in accordance with the Collective Agreement.

1.10 MEDICAL EXAMINATIONS

(a) The Union agrees that the Company has the right to have all Unlicensed Employees examined for fitness, and any Unlicensed Employee found medically unfit for service at sea shall not be employed, or if employed, may be dismissed. The Company agrees that all Unlicensed Employees handling, preparing, and serving food shall be required to have a medical examination at least once each calendar year. All such medical examinations shall be at the Company's expense, and the Unlicensed Employees shall be

compensated with one-half (1/2) of a calendar day's pay for each such examination except for pre-employment medicals.

- (b) Where the Company refuses to employ an Unlicensed Employee for medical reasons, the question of that Unlicensed Employee's fitness for full sea duties in the category in which he is to be employed may be referred to a competent medical authority for determination acceptable to both the Company and the Union.
- (c) For Unlicensed Employees with seniority the Company will pay up to one hundred and fifty (\$150.00) of the doctor's charge for a D.O.T. required medical exam where Medicare or the Benefit Plan does not cover this.

1.11 ANNUAL VACATIONS

- (a) The Unlicensed Employee shall receive fourteen (14) consecutive days annual vacation and shall be paid annual vacation pay of four (4) percent gross wages earned during each year until eligible for the increased benefits.
- (b) An Unlicensed Employee shall receive twenty-one (21) consecutive days annual vacation upon completion of two (2) years of service with the Company. He shall be paid for such vacation on the basis of six (6) percent of gross wages earned during his second (2nd) year of service.
- (c) An Unlicensed Employee shall receive twenty-eight (28) consecutive days annual vacation upon completion of seven (7) years of service with the Company. He shall be paid for such vacation on the basis of eight (8) percent of gross wages earned during his seventh (7th) year of service.

- (f) An Unlicensed Employee with thirty (30) years of service with the Company shall receive an additional two (2) percent of gross wages earned during his thirtieth (30) and succeeding years of service.
- (g) In all cases under (a), (b), (c), (d), (e), and (f) above, if the Unlicensed Employee has worked less than a normal year and he is not entitled to the full annual vacation days allowed, they shall be in accordance with his vacation pay earned.
- (h) Annual vacations may be taken in conjunction with time off but shall be taken during the ten (10) months following the year in which service was rendered.
- (i) Vacation pay shall be accumulated throughout the year and shall be paid to the Unlicensed Employee on the pay day prior to his vacation. The dollar value shall be shown on the Unlicensed Employee's monthly pay statement.
- (j) An Unlicensed Employee shall be entitled to select the period desirable to him for his vacation period on the basis of seniority with the Company, subject to the Company having the right to approve the vacation schedule as a whole.

- (k) For the purpose of this Article, the term "gross wages" shall include all monies credited as a result of wages, overtime, excessive hours, subsistence allowances and the previous vacation pay.
- (l) Unlicensed Employees terminating their employment shall be paid all vacation pay due them, up to the date of leaving, calculated in accordance with Section (a), (b), (c), (d), (e), (f), and (k).

NOISE ABATEMENT PROGRAM

1. **STANDARDS**

The Company agrees to adhere to the Transport Canada Coast Guard Standards Respecting Noise Control and Hearing Protection in Canadian Towboats over 15 tons, Gross Tonnage referenced herein as "the Standards".

2. **NOISE LEVEL TESTING**

The company shall take noise level readings in accommodation areas, specifically sleeping cabins, galleys, mess-rooms, wheelhouses, and recreation rooms immediately after the vessel's quadrennial and major refit. Such readings shall be taken in accordance with the Standards.

A copy of the noise level readings shall be forwarded to the Union as soon as they are available.

3. **AUDIOMETRIC TESTING**

All employees are to be given audio-metric testing on an annual basis. Testing shall be done by Certified Audiometric Technicians, as acknowledged by the W.C.B. and the employee tested to be given his results, where available.

4. **HEARING PROTECTION**

On vessels where there exists steady state and impact noise considered excessive, employees shall be provided with adequate hearing protective devices. The noise exposure levels and standards of protective equipment shall be as provided for in the Standards, subject to the Marine Occupational Safety and Health Regulations.

5. **COMPLAINTS**

Crew member complaints regarding noise are to first be taken up with the shipboard safety representative and he shall raise the matter with the company safety committee for attention.

APPENDIX "B"

Crew Complements

1. New Vessels

Henceforth, all new towboats with four or five man crews shall carry a minimum of two Unlicensed Personnel, in one or other of the following groupings: a cook and deckhand, or two cook-deckhands. On all new six-man vessels, a minimum of three Unlicensed Personnel shall be carried.

2. Existing Vessels

Existing four and five man vessels shall carry a minimum of two Unlicensed Personnel, consistent with the arrangement set out in 1. above.

It is agreed that you will be notified and that discussion will take place should the company desire to increase the size of the crew of an existing five-man vessel

APPENDIX "C"

Bareboat Charters - Claims Involving Third Parties

Section (b) of Article 1.01 (Recognition) provides in part that should a charterer fail or neglect to abide by the terms of our Collective Agreement, the Company will be liable to the Unlicensed members concerned for unpaid wages and other monetary benefits. It is agreed that a six (6) month limitation shall apply to any claims that might arise out of such third party arrangements. In other words, in the event that the company chartered a vessel to a third party who failed to meet his obligations under the Agreement terms, an Unlicensed member with a valid claim would be obliged to register his claim with us not later than six (6) months from the date the claim first arose. It is understood that a claim instituted beyond this point in time will not be recognized.

APPENDIX "D"

HEADINGS IN THE COLLECTIVE AGREEMENT

The Agreement has been structured for ease of reference into 'Parts' and then further into 'Articles'. The 'Parts' are for reference purposes only and those provisions of a general nature apply to all employees. For example, the Article 'Marine Disaster', found in Part II - Continuous Operating Vessels, applies equally to Shift Vessels.

APPENDIX "E"

Apprentice Engineers - Dirty Money

The Collective Agreement between the Company and the I.L.W.U. excludes the Apprentice Engineer from premium pay for work outlined in the Sections 2.05(d) and 2.06(b) as the duties are necessary to his training to become an engineer.

The prime function of the apprenticeship program is to allow the employee the maximum exposure to repairs, preventive maintenance, and professional shipboard procedures. There may be times when the apprentice will work in areas that are very dirty. When, in the opinion of the Chief Engineer, the conditions under which such work is performed are extreme, premium pay claims may be submitted.

APPENDIX "F"

RE: Service Credits for Severance Pay Calculations

The Intent of the phrase "per year of total uninterrupted service" as contained in the new language of Article 1.25. is as follows:

The intent is not to give service credit to those periods of time when an employee is not receiving wages. The exceptions to this are when an employee is on Weekly Indemnity, on W.C.B. claim, and on non-repetitive short term (a few weeks) lay off and leaves of absence. Additionally, where an employee has been rehired after a termination and recall rights were not maintained, the prior period of employment is not credited.

In situations involving interrupted service, the employee's periods of employment will be added together to determine the total number of years' service.

APPENDIX "G"

RE: M.E.D. B1 & B2 Training Costs

Article 4.02 c (ii) of the Collective Agreement applies in respect of the M.E.D. B1 & B2 course.
